ACTIONS HAVE CONSEQUENCES:

Three Russian billionaires are hitting back after they say they were defamed by the opposition research firm Fusion GPS. ***The Russians' lawsuit***

says the dossier's assertions “falsely accuse” the three and Alfa “of criminal conduct and alleged cooperation with the ‘Kremlin’ to influence the 2016 presidential election.” It says Fusion recklessly spread the charges to journalists.

FUSION GPS FEELS THE KARMA:

Fusion GPS, the producer of the infamous fake Trump dossier, is fending off in court three of Russia's richest oligarchs by painting them as corrupt bankers in bed with President Vladimir Putin.
