

Google's Escorts and Sex Perversions, Why is Google so sexually perverted?

The news about Alex Tichelman, the sex jobber who was one of many Google escort's used by Google executives is all over the news. She was on married, senior Google executive, Forrest Hayes "Sex Yacht" where Mr. Hayes had booked her for another sex romp. He took too much heroin and died in the coital fling. She skipped out and got caught. Then we have the news about Eric Schmidt, who runs Google, having a "Sex Penthouse" as shown here:

Then we have the news of Sergey Brin, one of Google's founders, having a 3-way bizarre sex triangle inside Google:

<http://www.vimeo.com/125186914>

Then we have this creepy implication that Eric Schmidt has some strange interaction with children, concurrent with the revelation that some Google VC's and executives were involved with Jeffrey Epsteins famous "Sex island" scandals:
