

WHO IS THE PALO ALTO MAFIA? - #PaloAltoMafia

- A demand for FBI arrests of these parties

By C.R.E.W.-1

The ***Palo Alto Mafia*** is an ad hoc organized crime group that violates RICO racketeering laws by engaging in dark money political corruption.

These mobsters use covert dark money schemes to direct elected officials to take public tax money and put that money in their pockets and the pockets of their campaign financier associates while using government resources to sabotage competitors. They pay the bribes to the political officials with stock market warrants, prostitutes, credit cards, real estate, mortgages, loans, revolving door jobs, contracts and other dark money.

Counter-measures against these criminals are aimed at making sure they are exposed, doxed, shamed and arrested! Private/public databases have been created to track and destroy all of their stock market holdings, Silicon Valley monopolies, off-shore spider holes, covert payola trusts, hidden shell corporations, sex trafficking clubs, emails, credit cards, stock accounts, covert real estate holdings, tax write-off profit fronts and other illicit assets.

They accrued money and power by creating mass hyper-scaled monopolies, mostly in new digital markets, by exploiting

exclusive government financed exploitation provided by laws, grants and contracts that the politicians, that they owned, produced exclusively for them while locking out their competitors.

Although often exposed in such cases as the "*AngelGate Collusion Case*", "*The Silicon Valley No Poaching Class Action Lawsuit*" and hundreds of other cases, their ownership of the senior executives at FBI, SEC, FTC, FEC, OSC, DOJ and other enforcement agencies has, so far, prevented their formal interdiction.

While using billions of dollars of PR agencies to promote a "crunchy-granola", we-are-saving-the-world, "goodie-two-shoes" image for each of themselves, behind the scenes they conspire, collude, sex traffic, bribe, spy, black-list, payola, media bias control, censor, abuse and use Democracy as their play-thing for their sociopath addictions to power and money.

They bankrupted old-school print media and replaced it with digital media ***which they control*** to promote only their profiteering ideology. They control almost all search engines and media servers to rig them to censor public information and mass manipulate social perspectives using the automated tactics exposed in documentaries like: "***The Creepy Line***" and 60 Minutes segments about "*Information brokers*".

They pay their bribes to their politicians and operatives using dark money relayed by corrupt law firms, lobbyists, media services and character assassination services like IN-Q-Tel; Gawker Media; Jalopnik; Gizmodo Media; K2 Intelligence WikiStrat; Podesta Group; Fusion GPS; Google; YouTube; Alphabet; Facebook; Twitter; Think Progress; Media Matters;

Definers; Black Cube; Roger Stone, Mossad; Correct The Record; Sand Line; Blackwater; Stratfor ; ShareBlue; Wikileaks; Cambridge Analytica; Sid Blumenthal; David Brock; Covington and Burling, Perkins Coie, Wilson Sonsini and hundreds of others...

There are over 150 sudden, unexpected, suspicious deaths associated with person's who were at odds with this organized crime group ranging from "suicides", strange accidents and clear murders.

The tremendous number of sex scandals this group has been involved in are related to their need to control others, a key character trait of the sociopath psychological profile demonstrated by the majority of them.

They instruct the HR staff of the companies they own to only hire naive young employees that will appear to follow their echo-chamber-optimized, highly controlled corporate ideology culture. Any who fall out of proper "group-think" are fired until they have culled a perfect clone army of indoctrinated followers to push their political and profiteering control goals.

A large number of them are homosexual, subscribe to the Jewish cultural social training and are deeply influenced by collegiate fraternity and sorority teachings about social roles and elitism.

They are known by a number of names including:

"The PayPal Mafia"

"The Silicon Valley Oligarchs"

"The Deep State"

"The Billionaire Frat Boy Club"

Together they use the key political tactic of "heart-string" stock market pumping.

They deploy a coordinated PR program that hypes a certain fabricated "issue" which will end up increasing the valuation of stock market stocks they own.

"Immigration" creates more DNC voters which allow them to control more Senators who, in return, create more policies which increase the valuation of the Mafia's stock market holdings at JPMorgan and Goldman Sachs.

"Climate Change" causes more government cash for the solar panels, wind farms, lithium ion batteries and electric cars which the Palo Alto Mafia owns the exclusive rights to. The more they can push a "crisis" perception about climate change, the more

cash they can put in their pockets. Goldman Sachs is the "advisor" for Tesla, Solyndra and most "green" Mafia companies.

The private profits of this scheme involve over SIX TRILLION DOLLARS of tax money. That is why they will lie, cheat, steal and even kill to keep their plot going.

The top ways to prevent these crimes are to 1.) outlaw lobbying and 2.) create a ten year moratorium of politicians working in politics. The Palo Alto Mafia spends over 16 BILLION DOLLARS per year in lobbying efforts to prevent this from happening.

The Palo Alto Mafia self-deludes and echo-chambers their peers into a frenzy of increasingly violent thought about all those who oppose their schemes and covertly supports ANTIFA as a surrogate entity so that they can sit in their Woodside mansions and "remote-control" disruptions and political resistance.

In fact, they are sociopath criminals deserving arrest by federal police and prosecution under RICO Racketeering laws.
