## Hunter Biden Was Member Of Hollywood Sex Club But Got Kicked Out For Being A Filthy Douche 'Scumbag'

Damon Lawner, the founder of the Hollywood sex club Snctm, has been banned from the club after he publicly identified Hunter Biden as a former member.

"Snctm, as a private members club, prioritizes the safety and privacy of our esteemed members above all," a spokeswoman for Snctm said.

"Consequently, we neither confirm nor deny the identities of our attendees. Furthermore, we uphold a strict code of conduct, and any infringement leads to a lifetime ban. Please note that Mr. Lawner's membership has been revoked, effective immediately."

After Hunter Biden reached a plea deal with federal prosecutors, Lawner said in an Instagram Story that the president's son had once been a Snctm member but was kicked out for being a scumbag.

"Hunter was a member at Snctm and I canceled his membership after 1 party because he's a scumbag," Lawner wrote in a now-deleted post.

After getting banned from the club he founded and sold (for \$1M), Lawner said:

"Posting what I did on my Instagram about Hunter was me letting people know that the type of behavior that he exhibited was something that upsets me.

DailyMail.com can reveal Hunter Biden's reckless driving history through photos he took himself and uploaded to his abandoned laptop. Hunter took a photo from behind the wheel of his Porsche going 172mph while on his way to Las Vegas to party with prostitutes in 2018. The president's son also pictured himself smoking crack while driving through a residential area to the airport in June 2018. He crashed a rental car in Palm Springs and lied about the accident to his insurer in 2016 while on a 12-day bender.

"I knew that the consequences could be me not being part of Snctm anymore, but I was willing to take that risk.

"I literally don't care in the sense that I don't need to go to Snctm parties.

"The only reason that I have attended any parties in the last, whatever, any amount of time, is friends have wanted to check it out so I brought them.

"But personally it's not something I'm interested in anymore," he [said](#).

Damon Lawner, who opened the exclusive Snctm but sold it in 2019, was banned from the venue after he publicly identified the president's son as a former member. The claim about Hunter was included in a profile of Lawner published in the Los Angeles Times on Tuesday. A spokesperson for Snctm told the LA Times it has a policy of never identifying its members and that any infringement of the rules results in a lifetime ban. The publication said Lawner made the claim that Hunter had been a member of the club after he had reached a plea deal with federal prosecutors this week.

A New York Times columnist slammed President Joe Biden for failing to acknowledge his seventh grandchild, Hunter's four-year-old daughter Navy Joan who he had with an Arkansas stripper, Lunden Roberts, 32. Maureen Dowd's piece focused on a letter her sister Peggy penned to the president, criticizing him for telling the nation that he only has six grandchildren - as he refused to admit or accept that he has a seventh. The letter painted a picture of what Dowd's concerned sister believed could happen to Navy Joan as 'she grows up, knowing that her father and paternal grandparents wanted nothing to do with her,' Peggy wrote, adding that it would lead to bullying in school. Hunter Biden's baby mama settled their bitter child support suit after he promised to meet their out-of-wedlock daughter and play a role in her life. Roberts agreed to slash Hunter's \$20,000 monthly payments and drop her petition to have Navy Joan's last name changed to Biden.
