Scott Borgerson, the CEO of a maritime analytics company, is back in the news for his ties to Jeffrey Epstein's inner circle.

[The Daily Mail reported](#) last summer that Borgerson was dating and housing Ghislaine Maxwell, Jeffrey Epstein's former girlfriend and alleged madam. Authorities [arrested Maxwell on July 2](#), and she remains [behind bars without bail](#) until she stands trial in 2021 to face allegations she recruited underaged girls for Epstein.

Borgerson [denied the August 2019 report to Business Insider](#) at the time, and said Maxwell was only a "former friend" who was not living at his home in Manchester-by-the-Sea, Massachusetts. [Maxwell was then spotted](#) at an In-N-Out Burger joint in Los Angeles the next day.

The relationship between Borgerson and Maxwell is still not clear, but the CEO's name has resurfaced after prosecutors recently alleged in court that [Maxwell is secretly married](#). Maxwell has declined to provide the name of her spouse, but [news outlets](#) have [suggested it could](#) be Borgerson.

Borgerson has not responded to further requests for comment since he last spoke with Business Insider in August 2019.

Here's everything you need to know about Scott Borgerson, his company CargoMetrics, and his ties to Ghislaine Maxwell:

Scott Borgerson, 44, is the CEO of CargoMetrics, a data-analytics company for maritime trade and shipping. He cofounded the Boston-based company in 2010, and it was most recently valued at \$100 million in 2016.

The Daily Mail also reported Maxwell had become a "homebody" who was "hiding out" at Borgerson's home, and that the pair have been dating for around five years. However, Borgerson denied the report to Business Insider at the time, and said Maxwell was a "former friend."

The Daily Mail also captured photos it claims show Borgerson walking Maxwell's dog in Boston. However, Borgerson told Business Insider that the dog in the photographs is actually his, and his name is Secretary Hamilton — named after Founding Father Alexander Hamilton, who founded the Coast Guard.

Authorities arrested Maxwell on July 2, and she's currently being held without bail ahead of her federal trial in July 2021. During her bail hearing, prosecutors alleged Maxwell is secretly married, but she "declined" to disclose the name of her spouse. Because of her alleged romantic past with Borgerson, outlets are speculating the he is the spouse.
