by 13Buddha

The dogged determination of businessman-turned journalist, Frank Parlato, who once worked briefly for NXIVM has been involved in a long-running legal battle with the cult. He has been credited in numerous media accounts with spurring the probe by the US AG's office in Brooklyn, leading to Raniere's arrest. (Raniere and Mack stand trial on October 1). The New York Post identified Parlato as the reporter who first broke the story last June of women being forcibly branded. Here is an archive of Parlato's extensive reporting and investigation from Nov 2015 - May 2018. <https://frankreport.com/category/frank-parlato/>

The prosecution for Raniere and Mack has revealed in a court filing that there are 90 companies/ entities "affiliated in any way with Keith Raniere, his teachings, his purported 'technology,' his purported 'tools.'" The Frank Report had previously identified 77 companies/ entities months ago. The government listed them as part of a discovery motion, seeking an order to seal certain evidence from the public - mainly to protect the names of alleged victims. <https://artvoice.com/2018/05/12/government-unveils-list-of-90-nxivm-affiliated-companies-bronfman-companies-included/>

475 domain names are believed to be registered by Keith Raniere associates such as James DeNegro, Nancy Salzman, Pam Cafritz, and Jness (Robbie Chiappone and Steve Ose originally registered many of the names). <https://frankreport.com/2017/07/09/does-raniere-hide-shell-companies-through-domain-names-check-out-this-list-of-432-domain-names/>

Much information also recently appeared on 8chan about Raniere's "companies" with many url's provided. I will highlight only a small part of it...

The Society of Protectors (SOP)

It is a secret group created by Raniere to teach men how to be men. Among the teachings - men control the world; women are

subordinate to men; men are polygamous by nature; women should accept the polygamy of men. The rest is disgusting and can be read.

He began his career as a real estate attorney in a prominent LA law firm. Also active in D.C. politics. Has consulted with US legislators, including Secretary of State Hillary Clinton, former State Minority Leader Tom Daschle, among others, as his non-partisan focus advises government leaders on the real world challenges artists face in the current climate of the industry.

Tick Tock LLC

Links to Keri Stickler with over 20 years experience in graphic arts as an art director, product developer, marketer, illustrator, and as a new mom, she discovered a "hole" in the market when it comes to accurately tracking liquid medications (specifically for children). She developed an innovative, patent-pending product that easily helps multiple caregivers track and has an added incentive of a sticker reward for the children at the same time.

There are companies that are all inside of family homes in Andover, MA. Homeless encampments and weird businesses inside of every single home. It all started 4-7 years ago.

Clare Bronfman bought this company which owns 80% of an island in Fiji. President Trump was mocked for his Fiji water drinking pose. Voat also made this link and asked what if Fiji is another Orgy Island (the one owned by Epstein). NXIVM also had parties on Branson's Necker Island. Ignet is running for office in Libya. One of his biggest financial backers is John McCain. McCain's marriage to Cindy Hensley. Hensley family fortune is linked to the Bronfman's.

Most of the presidents were PRI from what i understand(correct me if i am wrong), and if so then this now turns into one of the largest political scandals in history. It would span both Mexican political parties, and would be a direct connection to Mexican politics and human trafficking.

Great post! Here's hoping that the persistence of this pizzagate forum can score some similar results some day. Frank Parloto is lucky to be alive what with his Mexican connections. All I do is comment but I really do admire and appreciate the work effort of all the Pizzagators. Should we have a logo of an alligator chomping down a slice of pizza? Or maybe Alefantis in a pizza costume. I do hope that we can eventually pull Alefantis,, Hillary and the Podestas back into our crosshairs.
