Additional criminal evidence has been found to be posted at: <http://atvmdoe.wordpress.com/>

Apparently this was created, in part, by former lobbyists for General Motors and fired NUMMI workers.

This shows that the entire auto funding and cleantech DOE program was a huge series of kickback schemes and political control boondoggles. Implicated in the scam are Senators, White House Staff, Big Companies, Investment Banks and Venture Capital Guys. The same people that are implicated are the same people that are stalling the investigations.
