

## **THE FACTS IN THE FBI REPORT PRESENTED TO THE SAN FRANCISCO AND WASHINGTON DC FBI OFFICES:**

- Famous San Francisco and Washington DC political figures, that we personally knew, shared homes with and worked with, use the government treasuries and stock market for illicit racketeer-class profiteering.

- They attacked us using taxpayer funded character assassination media and spy agency tools because we competed with their businesses, reported their crimes and refused to participate in their crimes.

- San Francisco Bay Area government has as many corrupt politicians as Chicago and relies on the same RICO-violating insider corruption network to operate; as proven by deep computerized AI searches of all of their covert financial records.

- Silicon Valley law enforcement records prove that these tech oligarchs engage in massive sex trafficking, tax evasion, anti-trust violations, spousal abuse, money laundering, black-listing, racism, political bribery, crony racketeering and other crimes.

- Famous U.S. Senators, Governors and their staff knowingly engage in, finance, operate and benefit from these crimes via stock market payola, revolving doors and search engine manipulations.

- Silicon Valley and Hollywood news media companies censor and cover-up news coverage of these crimes because they have a financial connection to the perpetrators.

## WHAT DOES THIS EVIDENCE PRECISELY PROVE?

- - That these FBI-filed facts are not '[Conspiracy Theories](https://www.zerohedge.com/news/2015-02-23/1967-he-cia-created-phrase-conspiracy-theorists-and-ways-attack-anyone-who-challenge)' ( <https://www.zerohedge.com/news/2015-02-23/1967-he-cia-created-phrase-conspiracy-theorists-and-ways-attack-anyone-who-challenge> )but daily occurrences in politics as proven by every major news outlet in the world, federal court records, FBI records and Congressional investigation reports.
- - That we are federal whistle-blowers and business competitors of public officials who operated illegal and Constitutional-rights-violating reprisal hit-jobs and [attacks](https://www.breitbart.com/politics/2019/10/03/flashback-obamas-war-on-whistleblowers-more-prosecuted-as-spies-than-ever-before/) ( <https://www.breitbart.com/politics/2019/10/03/flashback-obamas-war-on-whistleblowers-more-prosecuted-as-spies-than-ever-before/> ) against us using taxpayer financed resources.
- - That State and Federal agencies owe us money, and other consideration, to pay for our: 1.)[Damages](https://en.wikipedia.org/wiki/Damages) ( <https://en.wikipedia.org/wiki/Damages> ), 2.)losses, 3.) benefits blockades, 4.) witness fees, 5.) whistle-blower fees, 6.) informant fees, 7.) punitive compensation, 8.) legal costs and other items caused by criminal corruption, reprisal attacks and illicit quid-pro-quo operations within their government offices by their government employees, contractors and covert financiers.
- - That a Smedley Butler-style '[Business Plot](https://en.wikipedia.org/wiki/Business_Plot)' ( [https://en.wikipedia.org/wiki/Business\\_Plot](https://en.wikipedia.org/wiki/Business_Plot) )crime program exists between Silicon Valley [Tech Oligarch](#) (

<https://www.vanityfair.com/news/2018/01/brotopia-silicon-valley-secretive-orgiastic-inner-sanctum> )billionaires, investment banks, U.S. Senators, government agency staff and White House staff to engage in these crimes.

- - That public officials knowingly participate in these crimes by failing to report their associates who engage in these illicit actions and by hiring Google, Fusion-GPS and Black Cube-type suppliers who operate these illicit activities in revolving door schemes.
- - That the suspects [manipulate](#) ( <https://www.washingtontimes.com/news/2012/jan/26/obam-as-crony-capitalism-667847839/> )government funds for their personal profiteering at the expense of domestic citizen taxpayers like us and acquire what the U.S. Treasury calls: "unjust gain".
- - That the suspects operate a vast stock market [manipulation](#) ( <https://safehaven.com/article/45213/The-Most-Common-Market-Manipulation-Techniques> )program, as a core function of their operations, and exchange most of their bribes via the stock market and those illicit deeds function at the expense of the public.
- - That the suspects contract a known group of lobbyists, corrupt law firms, unethical CPA's, corrupt investment banks and specialized [corruption](#) ( <https://www.armstrongeconomics.com/world-news/govt-incompetence/endless-cycle-of-corruption/> )services providers to attack, defame, physically harm, character assassinate (Using their Google, Youtube, Gizmodo, Fusion GPS, Black Cube, Media Matters, et al, "kill" services), black-list and harm those they dislike and that they harmed us with those actions.

- - That the suspects operate an Epstein-like sex-trafficking [network](https://www.washingtonpost.com/opinions/sex-slavery-isnt-just-a-problem-overseas/2016/01/15/bc3acb04-badd-11e5-829c-26ffb874a18d_story.html) ( [https://www.washingtonpost.com/opinions/sex-slavery-isnt-just-a-problem-overseas/2016/01/15/bc3acb04-badd-11e5-829c-26ffb874a18d\\_story.html](https://www.washingtonpost.com/opinions/sex-slavery-isnt-just-a-problem-overseas/2016/01/15/bc3acb04-badd-11e5-829c-26ffb874a18d_story.html) )of prostitutes and sexual extortion activities and locations for the engagement of said activities and for the bribery of cohorts via sex workers.
- - That the suspects engage in electronic attacks ( <https://www.privacytools.io> ) and manipulations including hacking, election manipulation, media censorship and internet search results manipulation in order to mask their schemes.
- - That we have yet to find a single Palo Alto Sandhill Road VC in this group who is not involved in bribery, racism, [sexism](https://www.theatlantic.com/magazine/archive/2017/04/why-is-silicon-valley-so-awful-to-women/517788/) ( <https://www.theatlantic.com/magazine/archive/2017/04/why-is-silicon-valley-so-awful-to-women/517788/> ) , tax evasion, [sex](https://www.newsweek.com/metoo-microsoft-amazon-trafficking-prostitution-sex-silicon-valley-755611) ( <https://www.newsweek.com/metoo-microsoft-amazon-trafficking-prostitution-sex-silicon-valley-755611> )trafficking, black-listing, securities law violations, [violent abuse](https://www.thedailybeast.com/video-of-silicon-valley-mogul-kicking-his-girlfriend-117-times-could-send-him-to-jail) ( <https://www.thedailybeast.com/video-of-silicon-valley-mogul-kicking-his-girlfriend-117-times-could-send-him-to-jail>), off-shore money-laundering, FEC violations, search engine manipulation, massive anti-trust violations, patent theft and other crimes!
- - That the suspects engage in 'Lois Lerner' [IRS](https://en.wikipedia.org/wiki/IRS_targeting_controversy)-like ( [https://en.wikipedia.org/wiki/IRS\\_targeting\\_controversy](https://en.wikipedia.org/wiki/IRS_targeting_controversy) ), SPYGATE-like, VA whistleblower-like reprisal and retribution attacks by manipulating resources within government agencies like SSA, DOJ, FBI, LSC, HUD, HHS, DOE, Etc.
- We have millions of pages of additional evidence proving these assertions provided by FBI, GAO, Congressional, journalism, leaker and whistle-blower sources.

**THE CURRENT ASSERTIONS AND THE EVIDENCE PROVING THOSE CHARGES PER QUESTIONS AND COMMENTS FROM LAW ENFORCEMENT STAFF, CONGRESS, THE PUBLIC AND JOURNALISTS. CHECK BACK DAILY FOR NEW EVIDENCE UPDATES IN THE REPOSITORIES:**

If you have any evidence disproving any of these assertions please submit that evidence in FBI SD 302-form narrative structure and it will be included in these files.

Additional statements from victims:

*"SILICON VALLEY OLIGARCHS AND OBAMA WHITE HOUSE STAFF HIRE CHARACTER ASSASSINS, LIKE THOSE REVEALED IN RONAN FARROW'S BOOK "CATCH AND KILL", ON A DAILY BASIS AND HAVE THEM ATTACK INNOCENT VOTERS AND SMALL BUSINESS COMPETITORS"*

*"SILICON VALLEY CEO'S AND VENTURE CAPITAL FIRMS ON PALO ALTO'S SANDHILL ROAD OPERATE AN ORGANIZED CRIME RING BASED ON BRIBERY, TAX EVASION, SEX CRIMES, STOCK MARKET RIGGING AND OTHER CRIMINAL COLLUSION. THE SILICON VALLEY MOB CONSPIRES AND COORDINATES THE GLOBAL MANIPULATION OF MEDIA, NEWS AND INFORMATION IN ORDER TO HIDE AND HARM COMPETITORS AND EXCLUSIVELY PUMP THEIR OWN STOCKS"*

*"TYCOONS AND SILICON VALLEY TECH OLIGARCHS HIRE PRIVATE INVESTIGATORS AND SPIES TO FOLLOW ALL THE WOMEN THEY LIKE AND THE COMPETITORS THEY HATE?"*

*" MEDIA REPORTS SAY THAT ELON MUSK IS A 'LYING', 'NARCISSIST', 'SOCIOPATH', 'JEFFREY EPSTEIN SEX ADDICT', 'FRAUD' WHO BRIBES*

*POLITICIANS FOR TAX HAND-OUTS, IS PROTECTED BY BROMANTIC RELATIONS WITH GOOGLE'S LARRY PAGE AND ORDERS HIT-JOBS ON HIS COMPETITORS."*

*"CHARACTER ASSASSINATIONS AND DEFAMATION ATTACKS WERE ORDERED, OPERATED AND PAID FOR BY WHITE HOUSE, CALIFORNIA SENATORS AND GOOGLE EXECUTIVES"*

*"THE EVIDENCE PROVES THAT GOOGLE IS A CRIMINAL CARTEL, AN UNREGULATED POLITICAL PAC AND A TAX EVADING, SENATOR BRIBING ILLICIT DOMESTIC SPYING OPERATION."*

*"THE EVIDENCE PROVES THAT SILICON VALLEY OLIGARCHS HIRE CROOKED LOBBYISTS AND BIG TECH LAW FIRMS THAT THEY PAY COVERT COMPENSATION TO FOR THEIR SERVICES TO MANIPULATE THE GOVERNMENT."*

*"LITHIUM ION BATTERIES ARE PART OF A TRILLION DOLLAR+ RARE EARTH MINING SCAM. THEIR KNOWN DANGERS ARE COVERED UP BY LEFTIST PRESS IN ORDER TO PROTECT ELON MUSK'S AND GOOGLE'S INVESTMENTS IN THEM. CALIFORNIA SENATORS OWN STOCK IN THEM AND COVER UP THE DEADLY TOXIC AND EXPLOSIVE DANGERS OF THEM. Elon Musk and Panasonic engaged in "product dumping" because they both knew, over a decade ago, that the 18650 lithium ion batteries would 1.) degrade and explode due to faulty chemistry and dendrite expansion, 2.) Had toxic cancer-causing fumes when ignited, 3.) used child labor and genocide regions for mining the raw materials, 4.) could never hold up in auto powerplant use, 5.) sickened and killed the workers making them; and other horrific things that were covered up in an epic, and ongoing, safety scam because U.S. Senator's and CIA executives own stock in lithium ion batteries. These facts are easily proven in court!"*

*"SILICON VALLEY EXECUTIVES, FAMOUS POLITICIANS AND VENTURE CAPITALISTS OPERATE A SEX CULT AND SEX TRAFFICKING RING"*

*"THE SO CALLED "PAYPAL MAFIA" AND "THE DEEP STATE" ARE THE SAME GROUP OF PEOPLE"*

*"SILICON VALLEY WEB COMPANIES USE SPYING-ON-THE-PUBLIC TO SEEK TO RIG ELECTIONS AND CONTROL THE MASSES FOR THEIR PERSONAL IDEOLOGIES. THE TRADE THOSE ILLICIT SERVICES WITH FAMOUS POLITICIANS IN EXCHANGE FOR GOVERNMENT CONTRACTS, GRANTS, LOANS AND FAVORS.."*

*"GOVERNMENT AGENCIES, IN PARTICULAR THE U.S. DEPARTMENT OF ENERGY, SSA, FTC, ETC, ARE USED AS POLITICAL SLUSH FUNDS TO PAYOLA OBAMA CAMPAIGN FINANCIERS AND SABOTAGE THOSE FINANCIERS COMPETITORS..."*

*"THERE ARE FULLY LEGAL, INTELLIGENCE AGENCY CREATED, FBI-CLASS TACTICS, FORENSICS METHODOLOGIES, MASS PUBLIC CROWD-SOURCED INVESTIGATION TOOLS AND TECHNOLOGIES THAT THE PUBLIC CAN USE TO DESTROY THESE CORRUPT OLIGARCHS... HERE ARE PUBLIC TACTICS THAT REGULAR FOLKS HAVE USED IN THE PAST TO TAKE-DOWN THESE KINDS OF CORRUPT OLIGARCHS AND THEIR DIRTY COMPANIES..."*

*"MOST CALIFORNIA POLITICIANS HAVE BEEN TAKING BRIBES, MOSTLY IN THE FORM OF STOCK TRADES, IN EXCHANGE FOR HELPING THEIR FRIENDS COMPANIES AND HARMING THEIR FRIENDS COMPETITORS"*

*"Certain California State officials, Obama White House Staff and Federal Agency staff accepted bribes from Silicon Valley Oligarchs"*

*and Investment Bank Cartels. They were bribed with: Billions of dollars of Google, Twitter, Facebook, Tesla, Netflix and Sony Pictures stock and stock warrants which is never reported to the FEC; Billions of dollars of Google, Twitter, Facebook, Tesla, Netflix and Sony Pictures search engine rigging and shadow-banning which is never reported to the FEC; Free rent; Male and female prostitutes; Cars; Dinners; Party Financing; Sports Event Tickets; Political campaign printing and mailing services "Donations"; Secret PAC Financing; Jobs in Corporations in Silicon Valley For The Family Members of Those Who Take Bribes And Those Who Take Bribes; "Consulting" contracts from McKinsey as fronted pay-off gigs; Overpriced "Speaking Engagements" which are really just pay-offs conduited for donors; Gallery art; Private jet rides and the use of Government fuel depots (ie: Google handed out NASA jet fuel to staff); Recreational drugs; Real Estate; Fake mortgages; The use of Cayman, Boca Des Tores, Swiss and related money-laundering accounts; The use of HSBC, Wells Fargo, Goldman Sachs and Deutsche Bank money laundering accounts and covert stock accounts; Free spam and bulk mailing services owned by Silicon Valley corporations; Use of high tech law firms such as Perkins Coie, Wilson Sonsini, MoFo, Covington & Burling, etc. to conduit bribes to officials; and other means now documented by us, The FBI, the FTC, The SEC, The FEC and journalists..."*

*"A typical boondoggle in this case is exemplified by one of the many victims: "...We owned a global vehicle design and manufacturing business and a global clean energy production and storage business financed by the U.S. Government. White House and California politicians owned our competitors and re-routed our funding to our competitors, who were the friends and campaign financiers of those politicians. Those politicians contracted Fusion GPS, Black Cube, Gawker/Gizmodo, Crowd-strike, etc. to run hit-jobs on us to blockade*

*our business for their benefit. Those politicians engaged in felony bribery, anti-trust violations and racketeering and they are still being protected by regulators who have conflict-of-interest relations with those politicians..."*

## **Explaining the endemic criminality of the big tech oligarchs and RICO-violating elitists from the Bay Area**

*The cultural characteristics in criminology profiling of the racketeering-oriented organized crime groups of the San Francisco Bay Area reveal the following systemic standards more often than not:*

They cheat on their taxes at the expense of civic public schools, firemen and nurses salaries. Their business tax evasion schemes are bigger than Al Capone's was. Their off-shore money

laundering keeps a large portion of the Cayman Islands in business.

They usually have either a mistress, gay-sex rent boys, tons of hookers, are cheating on their spouse or all of the above.

They lie about who actually created their tech company and steal the credit from their workers or those they copied their technology from.

They bribe local and state politicians and own most of the mid-California Senator's like dogs-on-a-leash.

They talk co-eds from Stanford University into becoming escorts and ruin the lives of those girls forever.

When they went to Stanford University they used to date-rape girls in organized rape-culture schemes organized with the help of Stanford frat houses.

They each have a fake 501C scam "charity" to hide their money in and keep their trophy wives occupied while they are screwing their interns and nannies at the Rosewood Hotel.

They are almost all alcoholics and addicted to drugs and not one of them can pass a full-panel drug test.

They pay bribes to get their snot-nose kids into Stanford where those kids sign up for some BS diploma, that nobody will ever hire them for, but they want it because it sounds good in coffee houses, where they all sit like clones with the exact same lip and nose ring and the exact same tattoos.

They are narcissists and sociopaths like Elon Musk and Tim Draper and come from dynastic asshole parents who promote such behavior (ie: Elon Musk's trophy wife racist mother and his incest promoting father who got his sister pregnant.)

They hire Wilson Sonsini, Mossack Fonseca, Black Cube, Fusion GPS and other lobbyists, lawyers and staff, who are actual criminals, that do their dirty work behind the scenes.

They hate anyone who is black or brown unless they are working in their gardens.

They abuses their staff. Their Stanford frat house boy culture left them all with latent homosexual angst.

They treat women like tools, trophies and "baby ovens" and beat women. The divorce court filings in the pacer.gov database prove that 90% of them are sick, twisted, animals.

They all wear the same khaki pants because they want to appear "humble" and hang out in little sports bar groups because they cannot exist without 6 other asshole guys standing next to them reinforcing their misogyny.

They date rape OKCupid and Match.com girls using Ruffies, Turbo-Oxytocin sprays, Scopalomine and tweaked LSD that only they can afford.

They buy more stuff than they can afford leverage themselves out because outward appearances is all that they live for. They are entirely focused on superficial appearances and virtue-signaling pretensions like the espose at TED conferences,

Burning Man self-indulgence rituals and stupid "Singularity Events".

They always fake and exaggerated "mugging" facial expressions and reactions when interacting in public.

They won't do business with anyone outside of the Yale/Stanford frat-boy circuit cartel and run an active Black-List to stop people they don't like from getting hired or funded!

They were trained by asshole parents to be an "asshole" or "douchebag" in order to maintain self-esteem.

They are easily brainwashed by echo-chambers and TED-like self promoting tech events.

Their names and shell companies turn up a large number of times in the Swiss Leaks, Wikileaks, Panama Papers and other financial crimes exposures.

They only get married for the "optics" so that they will superficially fit into their frat boy social bubble.

They feel compelled to join exclusionary "mens clubs".

They moved some of their venture capital offices from Palo Alto's rape factory on Sandhill Road to South Of Market San Francisco but they then turned San Francisco into a more corrupt city.

They buy a virtue-signaling over-priced exploding Tesla to make up for their feelings of sexual inadequacy and to say that they are rich but care about a tree, except they don't.

**CHECK BACK FOR MORE TO COME. ALL MATERIALS HAVE BEEN PROVIDED TO THE FBI, THE U.S.CONGRESS, THE EU, THE FTC, THE SEC, THE FEC AND RELATED AGENCIES...**
