“Taxable Property” means all Assessor’s Parcels that are not exempt from the Special Tax pursuant to Section F.

B. CLASSIFICATION OF ASSESSOR'S PARCELS

Each Fiscal Year, beginning with Fiscal Year 2023-24, using the definitions above, each Assessor's Parcel within CFD No. 2022-1 shall be classified by the CFD Administrator as Taxable Property or Exempt Property. Commencing with Fiscal Year 2023-24, and for each subsequent Fiscal Year, all Taxable Property shall be subject to the levy of the Special Tax pursuant to Section C below.

C. MAXIMUM SPECIAL TAX

Each Fiscal Year commencing in Fiscal Year 2023-24, each Assessor's Parcel of Taxable Property shall be subject to the Special Tax.

The Maximum Special Tax for Taxable Property for Fiscal Year 2023-24 is \$335 per parcel.

Each July 1, commencing with July 1, 2024, the Maximum Special Tax shall be increased by two percent (2%) of the amount in effect in the previous Fiscal Year.

No Special Tax shall be levied on Exempt Property.

For each Fiscal Year, if the use or ownership of an Assessor's Parcel of Exempt Property changes so that such Assessor's Parcel is no longer classified as one of the uses set forth in Section F, therefore making such Assessor's Parcel no longer eligible to be classified as Exempt Property, such Assessor's Parcel shall be deemed to be Taxable Property and shall be taxed pursuant to the provisions of this Section C.

D. METHOD OF APPORTIONMENT OF SPECIAL TAX

Commencing in Fiscal Year 2023-24 and for each subsequent Fiscal Year, the CFD Administrator shall levy the Special Tax on all Taxable Property within CFD No. 2022-1 until the total amount of Special Tax levied equals the Special Tax Requirement. The Special Tax shall be levied Proportionately on each Assessor's Parcel of Taxable Property within CFD No. 2022-1 up to 100% of the Maximum Special Tax to satisfy the Special Tax Requirement.

Notwithstanding any provision of this Section D to the contrary, under no circumstances will the Special Tax levied against any Assessor's Parcel of Taxable Property used for private residential purposes be increased by more than ten percent (10%) per Fiscal Year as a consequence of delinquency or default in the payment of the Special Tax by the owner of any other Assessor's Parcel.

Also notwithstanding any provision of this Section D to the contrary, under no circumstances will the sum of the Special Taxes levied by CFD No. 2022-1, CFD No. 1997-1 and CFD No. 1993-1 on any Assessor's Parcel exceed the Maximum Special Tax for CFD No. 2022-1.

E. PREPAYMENT OF SPECIAL TAX

The Special Tax may not be prepaid.

F. EXEMPTIONS

Exempt Property includes:

- (i) Parcels in public ownership, which are being used in the performance of a public function (where public property is leased for private use, the private leasehold interest shall be subject to the Special Tax on the unsecured tax roll);

- (ii) Property exempt from regular ad valorem property taxation, such as churches, condominium complex common areas (to the extent the value of such areas is distributed among the condominium units for the purposes of ad valorem taxation), and welfare exemptions;
- (iii) Property which is not buildable or developable because of some reasonably permanent incapacity, such as odd parcels or pieces which for historical or other reasons have not been merged into adjacent parcels, but which, because of size or other reasonably permanent disability, do not or cannot comprise a separate building site – provided the County has approved an application for a lot merger and the owner of such property has supplied proof of these facts satisfactory to MCOSD of any change in these facts (if these facts change, and notification is not given, the parcel shall be subject to the Special Tax from and including the year of the change, plus interest, penalties and costs as if the Special Tax had been levied and not paid); and
- (iv) Property owned and occupied by a person of at least 62 years of age of Low Income – provided that by June 1 of each year, such owner/occupant provides satisfactory proof of such status to MCOSD.

Where proof is required, the proof must be submitted by June 1 for the exemption to apply in the following Fiscal Year, and this submittal must be repeated each year by the property owner for the Assessor's Parcel to be considered for the exemption.

G. APPEALS AND INTERPRETATIONS

Any property owner claiming that the amount or application of the Special Tax is not correct with respect to an Assessor's Parcel may file a written notice of appeal with MCOSD not later than twelve months after having paid the first installment of the Special Tax. The General Manager of MCOSD, or her or his appointee, shall promptly review the appeal, and if necessary, meet with the property owner, consider written and oral evidence regarding the amount of the Special Tax, and a recommendation will be made to the Board as to how to resolve the claim. If the General Manager or the appointee denies the application, the property owner may appeal that determination within 14 days of the mailing of notification of denial to the Board, under such procedures that the Board may establish. The determination of the Board on the appeal shall be final for all purposes.

If the determination requires that the Special Tax for an Assessor's Parcel be modified or changed in favor of the property owner, a cash refund shall not be made but an adjustment shall be made to the Special Tax on that Assessor's Parcel in the subsequent Fiscal Year to compensate for the overpayment of the Special Tax.

The filing of an application or an appeal shall not relieve the property owner of the obligation to pay the Special Tax when due.

Interpretations of this Rate and Method of Apportionment of Special Tax may be made by Resolution of the Board for purposes of clarifying any vagueness or ambiguity as it relates to any of the terms or provisions of this document.

H. MANNER OF COLLECTION

The Special Tax shall be collected in the same manner and at the same time as ad valorem property taxes; provided, however, that the Special Tax may be billed and collected at a different time or in a different manner if necessary to meet the financial obligations of CFD No. 2022-1.

I. DURATION OF TAX

The Special Tax shall be levied as long as needed to fund the Special Tax Requirement, unless such tax is no longer required as determined by the Board.
