

The San Francisco Archi-Tastrophe Coming Building Collapses

- Greed and corruption put San Francisco in the current disaster movie scenario
- Over-building on un-stable ground in a small area subject to earthquakes should have been an obvious bad idea to anybody
- San Francisco City Hall chose to cram developer payola in their pockets and lies into the planning process
- Imagine a million tons of steel and concrete collapsing onto hundreds of thousands of commuters!
- One skyscraper will take down the next one in a 'domino effect'
- 18 buildings have started to fail but you have only heard about a handful of them...
