We reported corrupt Big Tech lawyers to the California State Bar and discovered, like thousands of other victims, that corrupt lawyers, State Bar officials and California politicians all know each other, party together, conduit cash to politicians and operate, together, like The Mafia.

All of the major California politicians, and their dirty law firms, know all of the people at the California Bar Association and protect their dirty political financing schemes!

The California State Bar has a "lawyer complaint" service but it is fake and designed to protect dirty lawyers. Take a look at one of thousands of examples of the California State Bar sham:
