Disputing the participation of law firm Wilson, Sonsini, Goodrich and Rosati

Plaintiffs have been informed that WSGR is under ongoing criminal investigation by the FBI, GAO, FTC and public citizens groups for its part in planning and implementing the Solyndra Scam, The Ivanpah Scam, The Tesla Scam and other federal infiltrations which have cost the U.S. Treasury and the American taxpayer the largest domestic non-war losses in U.S. history. For this reason WSGR should recuse itself from all further work with Google until such time as these investigations are publicly resolved.

Plaintiffs are informed that WSGR helped TESLA engage in organized crime against Plaintiffs and that WSGR staff had knowledge of the backdoors in Juniper Networks which have allowed hackers to break into most of the top government networks (As well as break into all of Google's email and files since 2007 or so). WSGR is aware of, and helped implement the covert arrangement between Tesla and Google and has not disclosed this conflict to the courts. It is believed that WSGR has not properly disclosed their conflicts to Plaintiffs, Courts and judges.
