It may be true that President Trump illegally conspired with Russia and was so good at covering it up he's managed to outwit our best intel and media minds who've searched for irrefutable evidence for two years. (We still await special counsel Robert Mueller's findings.)

But there's a growing appearance of alleged wrongdoing equally as insidious, if not more so, because it implies widespread misuse of America's intelligence and law enforcement apparatus.

Here are eight signs pointing to a counterintelligence operation deployed against Trump for political reasons.
