

Google, Facebook And Twitter Hire Thousands Of Scumbags To Bribe Politicians And Trick Congress

By Johans Loots

Google, Facebook And Twitter have over 9000 individuals on their payroll who are lobbyists and corrupt lawyers. The entire responsibility of these W2 and 1099 staffers is to covertly relay cash and intangible assets to politicians and agency heads while also producing "white papers" designed to trick Congress into manipulating laws that ONLY benefit Google, Facebook And Twitter.

To understand this, you need to watch the feature film called: ***Miss Sloane***, starring Jessica Chastain. Consider the most heinous tactics used by the main characters in that film, multiply those by ten, and you have the exact vision of the game-plan deployed daily by these tech oligarchs.

For example, Google, Facebook And Twitter thieved much of their technology from small inventors. To avoid paying for the patents they stole, they simply manipulated the U.S. Patent office rules so that small inventors in America were essentially stripped of all rights.

The staff of these companies are not just "influencing", they are paying bribes to public officials. They are enacting crimes.

- "DARK MONEY" IS THE WAY THAT CORRUPT POLITICAL CRIMINALS EXCHANGE COMPENSATION, BRIBES AND INFLUENCE WITHOUT THE FBI CATCHING THEM

- This is about a group of tech oligarchs, and their corrupt Senators, who commit crimes in order to manipulate over a trillion tax dollars (YOUR MONEY) into their, and their friends pockets.

- They are felons yet they control some of the offices of the agencies who are supposed to arrest them. Silicon Valley bought K Street and U.S. Senators, gave them more Dark Money than history has ever seen and then had giant tech-law firms bribe, hit-job and blockade any attempts to solve the problem.

- Some of the largest bribes in American history were paid via billions of dollars of pre-IPO cleantech stock, insider trading, real estate, Google search engine rigging and shadow-banning, sex workers, revolving door jobs, nepotism, state-supported black-listing of competitors and under-the-table cash. Why are these Silicon Valley Oligarchs and their K-Street law firms and lobbyists immune from the law?

U.S. Senators, Agency Heads and Congress are bribed with: Billions of dollars of Google, Twitter, Facebook, Tesla, Netflix and Sony Pictures stock and stock warrants which is never reported to the FEC; Billions of dollars of Google, Twitter, Facebook, Tesla, Netflix and Sony Pictures search engine rigging and shadow-banning which is never reported to the FEC; Free rent; Male and female prostitutes; Cars; Dinners; Party Financing; Sports Event Tickets; Political campaign printing and mailing services "Donations"; Secret PAC Financing; Jobs in Corporations in Silicon Valley For The Family Members of Those Who Take Bribes And Those Who Take Bribes; "Consulting" contracts from McKinsey as fronted pay-off gigs; Overpriced "Speaking Engagements" which

are really just pay-offs conduited for donors; Private jet rides and use of Government fuel depots (ie: Google handed out NASA jet fuel to staff); Real Estate; Fake mortgages; The use of Cayman, Boca Des Tores, Swiss and related money-laundering accounts; The use of HSBC, Wells Fargo, Goldman Sachs and Deustche Bank money laundering accounts and covert stock accounts; Free spam and bulk mailing services owned by Silicon Valley corporations; Use of high tech law firms such as Perkins Coie, Wilson Sonsini, MoFo, Covington & Burling, etc. to conduit bribes to officials; and other means now documented by us, The FBI, the FTC, The SEC, The FEC and journalists.

FOR EXAMPLE:

David Brock's Media Matters gave a \$930,000 cash grant to David Brock's Franklin Education Forum

David Brock's Franklin Education Forum credited the Bonner Group for raising those funds, triggering the 12.5% commission

David Brock paid the Bonner Group a \$124,250 commission to solicit a cash grant ... from himself!

IT DOESN'T STOP THERE

After the Franklin Education Forum retained \$869,750, they sent a \$816,224 cash grant to David Brock's The Franklin Forum:

[franklin-education-forum-grant-to-franklin-forum](#)

Note: The 'Franklin Education Forum' is a 501(c)3, and 'The

Franklin Forum' is a 501(c)4. They are not the same company.

Since The Franklin Forum 501(c)4 paid Bonner a commission in 2013, it's safe to assume fundraiser received a \$102,028 commission in 2014. Unfortunately, it's hard to tell for sure. They still haven't filed their taxes for 2014!

LET'S RECAP

Say, for example, you donate \$1,062,857 to Media Matters for America. This is how David Brock would have used your charitable donation in 2014:

In the end, Brock's solicitor would have pocketed \$350,825, almost a third of your initial donation! That's a far cry from the advertised 12.5% commission.

As bizarre as that scenario may sound, this is exactly what David Brock did in 2014.

HOW CAN WE BE SURE THIS IS INTENTIONAL?

David Brock is the Chairman for each of these organizations!
How could he not know what's going on?

He's a hands-on Chairman. According to their tax returns, Brock allocates time, weekly, to his organizations:

Furthermore, the New York Times reports that David Brock shares a summer rental in the Hamptons with Mary Pat Bonner, the President of the Bonner Group!

David Brock will have a hard time claiming ignorance on this.

These transfers are intentional. He vacations with his solicitor.
Case closed.

STILL NOT CONVINCED?

David Brock didn't even bother to give his organizations different phone numbers. They all share the same phone number!

WHAT IF...?

We even located the Bonner Group's solicitation agreement with Media Matters on Florida's Gift Givers' Guide. Clarification on their commission can be found on page 2:

In English: Contractually, David Brock has the option to exclude certain contributions from triggering the commission. In spite of this option, he intentionally chooses to trigger the 12.5% commission for money grants between his organizations.

Note: Yes, we are making the assumption that all of Brock's organizations have the same solicitation agreement with the Bonner Group. Given that his organizations share the same address, board members, and telephone number, we feel it's safe to assume they also share the same solicitation agreement.

THIS BARELY SCRATCHES THE SURFACE

Utilizing public facing tax returns, along with records submitted to the FEC, we mapped out all the significant money transfers from 2014 that took place in Brock's office:

This is all from just one year!

I have been asking myself lately; how were there so many corrupt people in the Obama Administration? The only answer I can come up with is that Barack Obama himself was a very corrupt person. Who else would have had so many corrupt people that he chose or tolerated in his Administration.

Do you remember Lois Lerner from the IRS and Barack Obama asking her to go after his political rivals using the most feared government agencies, the IRS. The last place you want to be is between the government and your money.

Obama Attorney General Eric Holder who was found in Contempt of Congress for lying to Congress and looking the other way on every illegal act Obama or someone in his administration perpetrated.

Secretary of Energy Steven Chu, earned his spot among Obama's corrupt appointees thanks to his admitted role in the "green energy" scams, specifically the Solyndra scandal in which the Obama gave more than \$500 million to a failed company and one of its key investors, Obama backer George Kaiser.

Do not forget Obama's corrupt cabinet appointee Secretary of Health and Human Services Kathleen Sebelius. According to the U.S. Office of Special Counsel, she was guilty of violating the Hatch Act by campaigning for the president in her official capacity. Violators of this act are normally fired, but Obama would not allow his AG Eric Holder to do any such thing. So Sebelius got off without punishment after claiming she said she "... got a little caught up in the notion that the gains which had been made would clearly not continue without the president's

reelection..."

I am not even going into the details of the corrupt John Brennan former CIA Director and James Clapper Director of National Intelligence.

And let us not forget about the most corrupt person Obama appointed and that was Hillary Clinton.

After thinking about all of the people above how could we not think Obama himself was the Godfather of this mob?

Now let us add another and that is James Comey, former disgraced FBI Director. Politico is reporting that on Friday night the FBI released a two-page summary former disgraced FBI Director James Comey used to brief then President-elect Donald Trump on the "dossier" about Trump's ties to Russia. (<https://www.judicialwatch.org/press-room/press-releases/judicial-watch-uncovers-doj-records-showing-numerous-bruce-ohr-communications-with-fusion-gps-and-christopher-steele/>)

The document, asserts that Christopher Steele, the person who compiled the dossier, was working "on behalf of private clients" in his investigation of Trump's possible ties to Russia. Comey was not honest to the court because Steele was actually working for the DNC and Clinton campaign. Comey also did not inform the court or President-Elect Trump Hillary Clinton and the Democratic Party paid the Russian government via Steele and Fusion GPS for the opposition research document. Why didn't Comey inform the court or President-Elect Trump that the information came from the Russian government: because then

he would be admitting that the true collusion was between Hillary, the Democratic Party and Russia.

No matter which political party corruption is found in we must drain the swamp of all these corrupt people and prosecute them if we actually want to improve the political climate in the United States.

The key suspects under investigation for the crimes, attacks on the public and manipulation of Democracy include:
