Has Clinical Insanity Doubled In America In Recent Years?

The streets are full of crazy homeless people. Airline flights are constantly interrupted by a nut-job outbreak. Inner City denizens are on YouTube daily running up to innocent sane people, on the street, and bashing them in the face. You can't open a paper without reading about a parent killing their kids in some awful manner. Mind numbing violence and seems to be everywhere. Neighbors suddenly kill their next door resident over leaves or parking. Teens are killing themselves at an ever increasing rate...

Does it sound like the world is going insane? It just might be. The Hollywood movie script of the film: "*I Am Legend*", might just be coming true.
