

Obama Ordered FBI Coverup of Spy Gate

By **Jacob Wohl**

Spread the Truth

New text messages between Peter Strzok and Lisa Page reveal that the entire Spy Gate conspiracy to derail the Trump Campaign was run from the White House.

In order to cover their tracks, Barack Obama and White House Adviser Valerie Jarrett ordered senior FBI and DOJ officials, including disgraced former FBI Director Jim Comey and disgraced former Attorney General Loretta Lynch to start emailing each-other with messages that would give the appearance that the White House had nothing to do with the
