LAWYERS SOUGHT

Plaintiffs who suffered multi-million dollar, fully quantifiable damages have worked state, federal, journalism and private investigators to hunt down and background each of the key attacking and instigating defendants, each fully capable of paying any, and all court awards.

The facts are massive and indisputable. Law enforcement, Congress and major media have already done much of the case evidence work.

Qualified parties, under NDA, may contact the liaison service for the plaintiffs, to provide their services proposal, at the following email:
