

# On REVENGE...

Tue, 12 Jul 2022 22:05:07, admin45789, [category: news, post\_tag: on-revenge]

Every single entity that has fucked me over has had the shit hacked out of them (ie: Sony Pictures, Gawker, Kleiner Perkins, etc.) Did I hack them? No! Did I pay hackers to hack them? No! Does the FBI and the CIA know exactly who did the hacks? Yes! Do I love that the bastards got hacked? Yes! All of the entities that fuck me over have been sued, and/or placed under federal investigation, and/or tax audited, and/or bankrupted and/or had their executives and investors exposed and had professional private investigator dossiers filed on them with the FBI, FINCEN and INTERPOL?. Do I also love that the bastards got that kind of payback too?

Yep, it is delicious! Crime and corruption = karma coincidence!..

**WE KILLED SILICON VALLEY AND WE LOVE THE LAST GASPS!**

Why was Silicon Valley killed?

Senators and public officials own the insider companies that they give government money, tax breaks, exclusive government contracts and other perks to. They make government decisions based on influence peddling, revolving door jobs and stock market quid pro quo from those insider companies. Google, Twitter, Tesla, Facebook, LinkedIn, Netflix and the tech Cartel are all of the same guys, in the same Northern California counties, with the same little group of dirty bankers, CPA's, lobbyists, hookers, rent-boys and payola deals with Senators. It is an organized crime Cartel using our government like a civil garage sale of greed and corruption. They sabotage outsiders and those who compete with their company investments. They order the government agencies, who are supposed to prosecute them, to 'take-no-action'. They are political mobsters.

We are sick of the dirty corporations, Silicon Valley Oligarchs And OUR OWN Senators engaging in these crimes using OUR tax dollars and Silicon Valley facades to engage in:- Trillions Of Dollars Of Influence Peddling Between Famous Politicians And Secret Corporate And Family Accounts...
