

Report Corruption and Crime

Mon, 22 Sep 2014 14:49:22, newstips66, []

Make your own **free website** about it on one of the hundreds of free website services like Facebook, Myspace, Weebly, Wix.com, etc. Web search: "free websites". Make **your own blog** about it on one of the many free blogging sites. Web search: "free blog hosting services". Send out **press releases** about it. Organize an event about it with **Meetup.com**

Write a story about it and post it on **Craigslist**.

Write an **open letter** to **Congress** about it and publish it everywhere. Have at least 4 smart friends help you spell-check, grammar-check and crazy-check it before you send it.

Call a **reporter** that has written about a similar thing, in the past, and convince them to do a story.

Sue the bad guys. It might sound crazy at first but, remember, crime is mostly illegal and the law will support you if you help the law out. Many law firms will cover all of your expenses on a "Contingency basis", you will get free publicity for the cause and you might win some money for your community.

Find articles about that topic online and write your comments, disclosures or position about the topic in the **comment section** of every relevant news story about that topic that you can find. Don't stop with the first one, you won't make a dent until you have done at least 20 in well known publications.

Report it to at least 10 (To make sure nobody buries it) different ones of these "official" entities with a carbon copy to at least 9 others listed at the bottom of your cover letter so they know there is plenty of oversight support:

The **AUDITOR GENERAL** of the agency doing the bad thing.

The **ATTORNEY GENERAL** of your country.

The **ATTORNEY GENERAL** of your state.

The **SENATE ETHICS COMMITTEE TIP LINE**

All of **THE COMMISSIONERS** who run any given agency or group.

As many **REPORTERS** as you can email.

Your **COMMUNITY BULLETIN BOARDS**.

WHISTLE-BLOW OR REPORT A POLITICAL CRIME - CONTACTS:

Note: Each party has their own agenda. Assess their goals before you align. To avoid flooding the individuals with spam, we do not provide full contact information here, but details are easy for a capable party to source. To avoid cover-ups, never report a crime incident to only one source, always cc: as many related entities as possible. If a person listed is no longer with that organization, go to the press contact at that organizations website and request a new contact.

You have a large number of people who will support you. The only people who try to shut-down whistle-blowers are those who are engaged in crimes. Below, you will find a partial list of some of the people responsible for bring about **"The Age of Transparency"**:
