## The definition of an illegal cartel operation -

The same few dozen men are:

- The financial and political backers of IQT
- The men who control black-listing decisions at the NVCA
- The financial and political backers of the New America Foundation lobby/policy rigging group
- The men charged in the AngelGate scandal
- The war profiteers in the Afghanistan War Lithium/Solyndra/Electric Car Scandal
- The investors and controlling directors of the top domestic U.S. privacy abuse companies including Google and Facebook
- The owners of the search engines and career database modifier companies used in the attacks
- The insider stock holders of competing interests from those ventures Campaign financiers
- Investment bank associates of banks charged with crimes in federal investigations
- The organizers and implementers of attacks against small business and individuals who reported them to authorities
