

THE POLITICAL CRONY CORRUPTION STOCK MARKET PAYOLA SLUSH-FUND

WHAT DOES THIS EVIDENCE, & THE FILED LAW ENFORCEMENT DATA, PROVE ABOUT THIS CRIME CARTEL?

That a business Cartel of men operate a racketeering operation, as a criminal "*enterprise*", between Silicon Valley & Washington – DC. This Cartel manipulates elections, public news & taxpayer funding policies via organized collusion in violation of RICO, anti-trust & other laws and regulations. The perpetrators are all connected in the following ways:

- That US. Government officials had top-level, command-control-management-operations and financing authority over all of the crimes, deeds, actions, attacks, reprisals, schemes and enforcement avoidance described herein and thus bear the liability for the harms to Plaintiffs.
- That this cartel is comprised of warped, megalomaniac, sexually addicted & abusive people, many of whom met and conspired at Stanford University, who protect each other with billions of dollars of cover-ups involving the bribery of

Senators with insider trading stock & covert, 'Dark Money' campaign financing.

- That this cartel receives hundreds of billions of dollars of profits from their crimes, much of it re-routed from the US. Treasury. Their lust for power & money causes them to stoop to extortion, black-lists, government funding blockades & other crimes, in order to gather their ill-gotten gains at the expense of the public.

- That FINCEN, Interpol, The SEC, ICIJ.org, and our investigators, have tracked all of the stock market payola accounts, bribes and payola between all of the public officials, which any court may ask to see.

- That these suspects, who are mostly White House officials, federal agency bosses & members of Congress, defrauded the victims out of tens of millions of dollars via their crony-corruption, insider-trading, stock market scams. They then ordered attacks on the victims when the victims told the FBI, Congress & FTC about the crimes.

- That the Suspects refuse to allow a jury trial, they have blockaded their victims legal rights, they run reprisal attacks using government agencies & taxpayer resources & refuse to pay earned benefits & compensation in vendetta for getting their corruption exposed. Victims have worked in related government programs & known perpetrators intimately for decades. The victims, and expert witnesses can swear, warrant and certify to the veracity of these assertions in front of a Jury and/or Congress.

- That the investors of Google, Facebook, Twitter, Amazon, Ebay, Netflix & a related set of Silicon Valley monopolies conspire in these efforts to manipulate the stock market, lie to advertisers & bias all digital news & information, globally, to push their selfish ideologies.

- That Senators Pelosi, Feinstein, Boxer, Harris, Reid have an active criminal participation in, & benefit from, these efforts & that they, in fact, along with Steven Chu had illicit dealings with offshore financiers & they are paid with insider trading stock, revolving door jobs, & other covert payola.

- That Google, Facebook & Twitter have rigged & manipulated U.S. elections since Barack Obama was elected.

- That the U.S. Department of Energy & the U.S. Department of Justice were used as an illicit slush-fund by the Obama Administration to pay campaign financiers & to sabotage their competitors.

- That government officials hired &/or financed &/or directed deadly economic & character assassination hit jobs against those who reported these crimes using attack services from IN-Q-Tel, Gawker Media, Jalopnik, Gizmodo Media, K2 Intelligence, WikiStrat, Podesta Group, Fusion GPS, Google, YouTube, Alphabet, Facebook, Twitter, Think Progress, Media Matters, Black Cube, Mossad, Correct The Record, Stratfor, ShareBlue, Wikileaks, Cambridge Analytica; the owners of whom have been proven to have accepted compensation for such hatchet job services.

- That the *"The PayPal Mafia"* is an actual Cosa Nostra-like operation that exploits sex cults, prostitutes, gay rent boys & market rigging as illicitly as the old Chicago "Mob".

- That Tesla Motors is a criminal Dark Money front that "cooks the books", lies about safety issues & runs sabotage campaigns through Musk's massive use of Russian bots, trolls, stock shells & his covert manipulations with Google's Larry Page, Sergey Brin, Kent Walker, David Drummond & Eric Schmidt.

- That the evidence proves that agency officials play a game of "pass-around" to other agencies when this matter is reported to them in order to stall, delay, stone-wall, obfuscate, cover-up & hide the political embarrassment of these crimes.

- That the evidence proves that Department of Energy & White House officials lied through their teeth, hundreds of times, in order to benefit their crony friends & campaign financiers & sabotage their competitors. It was proven in thousands of news reports, documentaries, FBI reports, Congressional investigations, leaked documents, insider reports & our own eye-witness testimony.

- That the evidence proves the assertions of corruption, stock-market manipulation, monopoly, industry gate-keeping, character assassination, revolving-door job payola at Silicon Valley tech companies, tax evasion & more.

- The evidence proves that the government reviewers and government officials involved with victims applications were insider trading in the stock market against the victims. They were getting paid to destroy the victims financial future with stock market perks and payola from victims competitors.

- That it is proved, via investigators & law enforcement peers, that no investigator can find any past reviewers of this case who were not hand-picked by the "Cartel". Victims, and news media, have asked Congress to provide any evidence that this case has been fairly reviewed in the past, without bias.

- FBI-class associates have not found a single entity in these case reviews or determinations who was not either: financed by, friends, with, sleeping with, dating the staff of, holding stock market assets in, promised a revolving door job or government service contracts from, partying with, personal friends with, photographed at private events with, exchanging emails with, business associates of or directed by; one of those business adversaries, or the Senators & Department of Energy politicians that those business adversaries pay campaign finances to, or supply political digital services to.

- That, from 2008 forward, The White House & The Department Of Energy were controlled by the Silicon Valley tech oligarchs! That is a violation of the law, the Constitution & the American Way & we have proved that.

- That the Big Tech oligarchs get protections and law enforcement waivers due to domestic spying on the public quid pro quo between shareholders of the companies in the White House and Congress. See:

<https://www.dailymail.co.uk/sciencetech/uk-science-tech-weekend-features-project/article-11749143/TikTok-leads-way-social-media-firms-tracking-people-most.html> – See: <https://www.popsoci.com/technology/big-tech-javascript-spy->

[tool/](#) -- See: <https://nypost.com/2023/01/27/kim-komando-how-to-stop-big-tech-spying-on-you/> -- See: <https://www.whistleout.com/CellPhones/Guides/americans-think-companies-are-spying> -- See: <http://privacytools.io> -- Investigation report clips say: "...Google, Netflix, YouTube, Facebook, etc. exist to mass manipulate populations and run stock market scams for their sociopath owners. From INSIDE Google, our team saw Google manipulate the entire internet to hype up Larry Page's 'boyfriend': Elon Musk and Tesla, which Google execs owned a portion of, while sabotaging Tesla's competitors. Google illicitly and illegally timed these manipulations with stock market pump-and-dump efforts to exploit insider trading. That is a felony violation of RICO, Antitrust and other laws. Every single thing that Google does is contrived to harm a competitor, a politician, an employee whistle-blower or some other business adversary. There are no "bugs", "operator errors", "server anomalies" or other media "accidents" at Google. Everything Google does is contrived, at a psychological warfare kind of level, to change a social perception. Google must show its software to FBI, SEC, FTC and our search engine optimisation experts to prove that they did not engage in these crimes. The fact is: We can prove they did the crimes and FBI experts can help us prove it! Google is known as the "Nazi's of the Internet". In a case unfolding in Britain over whether Google wrongly demoted price comparison rival Foundem from its search results in favour of paid-for adverts, Google must now decide which it values more: the algorithms that rank its search results, or its stance that manually fiddling with those results to promote its own paid-for products over rivals' sites doesn't break competition laws. The integrity of Google's ranking processes relies upon all webmasters or website owners having the same degree of access to information about Google's ranking... This will no longer be the case if information of this kind is made available to some individuals offering commercial services to assist companies to improve their Search ranking. Google is a criminal operation. Its executives have been publicly exposed as participants in horrific sex scandals, money laundering, political bribery and racism. It is time for the bought and paid shill politicians to stop protecting them! - Google spies on competitors and steals their technology - Google runs tens of millions of dollars of defamation attacks against competitors - Google hides all media and news coverage for competitors of Larry Page's boyfriend: Elon Musk - Google lies to the public about what they really do with the public's data - Google promotes illegal immigration in order to get cheap labor and control votes - Google runs VC funding back-lists against start-ups that are competitive - Google

bribes thousands of politicians - Google is a criminal RICO-violating monopoly - Google rigs the stock market with Flash-boy, Pump/Dump and Microblast SEC violating computer tricks - Google pays bribes to politicians in Google and YouTube stock - Google manipulates who gets to see what web-sites, globally, for competitor black-lists - Google has a "no poaching" Silicon Valley jobs blacklist - Google bosses sexually abuse women and young boys - Google bosses run sex trafficking operations in the Epstein and NXVIUM cults - Google bosses control the NVCA financing cartel over start-ups - Google has placed the majority of the corporate staff in at least one White House - Google controls national elections for anti-competitive purposes - The company "Polyhop", in the HOUSE OF CARDS tv show, does all the crimes that Google actually does in reality - Google's law firms, like Wilson Sonsini, are corrupt conduits for payola and political conduit-relays - Payment receipts prove that Google and Gawker/Gizmodo exchanged cash and staff for Character Assassination attacks - Google VC's and bosses have spent \$30M+ rigging the U.S. Patent Office to protect Google and harm Google competitors - Google bribed it's lawyer into position as head of the U.S. Patent office in order to have her protect Google - To rig insider stock trades, Google hides negative Tesla stories and pumps positive Tesla stories on "push days"..."

"...Regarding Facebook-Meta "FM": Their staff have been arrested for, or charged with, sex crimes, including under-age trafficking. Their bribes include billions of dollars of, non-FEC reported, search engine rigging for the political campaigns of the very politicians who are supposed to regulate them. See: Shoshana Zuboff's, The Age of Surveillance Capitalism -- <https://www.contagious.com/news-&-views/shoshana-zuboff-on-the-age-of-surveillance-capitalism> -- FM is part of a criminal RICO Big Tech Cartel. FM is an illicit monopoly that violates anti-trust laws. FM attacks smaller competitors who cannot defend themselves. FM uses public officials to blockade competitors. FM uses Stazi-like mind & ideology manipulation tricks to get you to agree with Mark Zuckerbergs ideologies. FM steals patents & technology from others & refuses to pay for it. Sandberg pretends to be the goddess of women's rights yet she is screwing the CEO of Activision, the biggest female sexual abusing company in America. FM's stock is owned by almost all of the California politicians & their families. FM's runs tens of millions of dollars of defamation attacks against competitors. FM hides all negative news coverage of Larry Page & Elon Musk. FM receives millions of dollars of payments from government spy agencies. FM promotes illegal immigration. FM runs VC funding back-lists against start-ups that are competitive. FM bribes politicians. FM is a criminal RICO-violating monopoly. FM pays bribes to politicians in FM stock. FM has a "no poaching" Silicon Valley jobs blacklist. FM bosses sexually abuse women & young boys. FM bosses control the NVCA financing cartel. FM's VR is based on spying on the public with VR sensors & cameras. FM controls national elections for anti-competitive purposes. David Plouffe & the Zuckerberg's were recorded in meetings planning a take-over of the United States Government. FM bribes some politicians with revolving door jobs. FM runs DDoS attacks on competitors by massively crawling their sites. FM has paid covert bribes, PAC funds, real estate & search rigging payola to almost every California Senator. FM has paid bribes, through its lobby fronts, to halt FBI, SEC, FEC & FTC investigations of FM crimes. Nancy Pelosi & Dianne Feinstein have promised to "protect" FM because their families profit off FM stocks. FM VC's & bosses have spent \$30M+ rigging the U.S. Patent Office to protect FM & harm FM competitors. FM bribed it's lawyer into position on the board of the U.S. Patent office. FM rarely likes, or hires, black employees. FM hired most of the Washington, DC K Street lobby firms & told them to "do what ever they could" to control public policy for Zuckerberg. FM serves you custom manipulated content by automatically creating a covert digital dossier on you reflecting the content consumption preferences they have spied on about you. They continually evolve their

dossier on you in order to steer you towards their ideology & their political party. At FM "data mining", "machine learning" & "AI" means computerized propaganda processing for certain political entities. Their spy dossier on you uses abstract content-specific features of the consumed content, such as categories, topic models, & entities, which they automatically extract using natural language processing by comparing every word you use to a giant computer library of what those words might mean about your psychology. Their assessment of what your words might mean is based on what rich, white male, \$200K/year, DNC-promoting programmers think they might mean..."

- That Google's corruption and crimes are enabled by government executives who own Google and take stock market and search engine rigging bribes from Google/Alphabet. See: <https://www.wired.com/2012/06/opinion-google-is-evil/> -- See: <https://futurism.com/google-dont-be-evil> -- See: <https://www.npr.org/2021/11/29/1059821677/google-dont-be-evil-lawsuit> -- See: <https://theintercept.com/2016/04/22/googles-remarkably-close-relationship-with-the-obama-white-house-in-two-charts/> -- See: <https://theintercept.com/2016/08/18/white-house-official-cozied-up-to-google-before-antitrust-lawsuit-was-shelved/> -- See: <https://www.wsj.com/articles/google-makes-most-of-close-ties-to-white-house-1427242076> -- See: <https://www.thenation.com/article/archive/was-obama-silicon-valleys-president/> -- See: <https://www.pnas.org/doi/10.1073/pnas.1419828112> -- See: <http://congressional-ethics-reports.com> -- See: <http://www.pogo.org> -- See: <http://www.sunlightfoundation.com> (Archives) -- See: <http://followthemoney.org> -- See: <http://www.icij.org> -- See: <https://www.transparency.org> -- See: <https://report-corruption.com/GOOGLE%20ALPHABET%20CORRUPTION> -- See: <https://report-corruption.com/AAA%20HTML%20REPORT%20FOLDERS%20-%20GOOGLE%20CORRUPTION> -- See: <https://www.amazon.com/Creepy-Line-Robert-Epstein/dp/6317748152> -- Investigation report clips include: "...Google-Alphabet ("G") have hundreds of shell corporations that make up its spiderweb of corruption & spying. "G" spies on competitors & steals their technology. FBI & FINCEN field agents have proven these facts but their bosses cover up their reports. "G" stock is owned by almost all of the California politicians & their families. "G" runs tens of millions of dollars of defamation attacks against competitors. "G" hides all negative news coverage of Larry Page's boyfriend: Elon Musk. "G" lies to the public about what

they really do with the public's data. "G" encourages illegal immigration. "G" bribes politicians. "G" is a criminal RICO-violating monopoly. "G" rigs the stock market with Flash-boy, Pump/Dump & Microblast SEC violating computer tricks. "G" pays bribes to politicians in "G" & YouTube stock. "G" manipulates who gets to see what web-sites, globally, for competitor black-lists. "G" has a "no poaching" Silicon Valley jobs blacklist. "G" bosses sexually abuse women & young boys. "G" bosses run sex trafficking operations in the Epstein & NXVIUM cults. "G" bosses control the NVCA financing cartel over start-ups. "G" has placed the majority of the corporate staff in the White House. "G" controls national elections for anti-competitive purposes. The company "Polyhop", in the HOUSE OF CARDS tv show, does all the crimes that "G" actually does in reality. "G"'s law firms, like Wilson Sonsini, are corrupt conduits for payola & political conduit-relays. "G" bribes some politicians with revolving door jobs. "G" is primarily responsible for destroying the Bay Area Housing opportunities. "G" runs DDoS attacks on competitors by massively crawling their sites. "G" boss & Rubin runs a sex slave farm according to his own family. "G" boss Eric Schmidt was a phil&ering sex-penthouse owner according to vast news articles. "G" executives hire so many hookers that one of them, Mr. Hayes, was killed by his hooker. "G" executives sexually abuse so many women that the women staff of "G" walked out one day. In the 2009 White House, you could not swing a cat without hitting a "G" insider. "G" has paid covert bribes, PAC funds, real estate & search rigging payola to every CA Senator. "G" has paid bribes, through its lobby fronts, to halt FBI, SEC, FEC & FTC investigations of "G" crimes. "G" was funded by the CIA, via In-Q-Tel, a so called "501 c3 charity" which was caught with tons of cocaine. "G" gets millions of dollars of taxpayer cash for spying on Americans inside the USA. "G"'s map service was a spy system paid for by taxpayers money that "G" now profits off of. Nancy Pelosi & Dianne Feinstein have promised to "protect" "G" because their families profit off "G" stocks. Payment receipts prove that "G" & Gawker/Gizmodo exchanged cash & staff for Character Assassination attacks. "G" VC's & bosses have spent \$30M+ rigging the U.S. Patent Office to protect "G" & harm "G" competitors. "G" bribed it's lawyer into position as head of the U.S. Patent office in order to have her protect "G". To rig insider stock trades, "G" hides negative Tesla stories & pumps positive Tesla stories on "push days". "G" & Elon Musk Co-own, co-invest & co-market stocks covertly while running anti-trust schemes. "G" rarely likes, or hires, black employees. "G"'s David Drummond had his Woodside, CA Quail Road house bugged revealing sex & financial misdeeds. "G", & it's Cartel

(Alphabet, Youtube, & hundreds of other shell-company facades) are a criminal organization engaged in felony-class crimes..."

- Silicon Valley's Sand Hill Road Venture Capital Collusion Network controls the White House and any Senators. See: <https://vcracket.weebly.com> -- See: <https://dealbook.nytimes.com/2006/11/06/a-venture-capitalist-walks-into-a-bar/> - See: <https://techcrunch.com/2010/09/21/so-a-blogger-walks-into-a-bar/> --See: <https://adage.com/article/digital/advertisers-underwrite-latest-tech-bubble-vc/149147> -- See: <https://en.wikipedia.org/wiki/Angelgate> -- See: https://en.wikipedia.org/wiki/High-Tech_Employee_Antitrust_Litigation -- See: <https://www.quora.com/What-are-the-most-notorious-venture-vulture-capital-firms-in-Silicon-Valley> -- See: <https://www.goodreads.com/book/show/40859989-vulture-capital> -- See: <https://www.vanityfair.com/news/2018/01/brotopia-silicon-valley-secretive-orgiastic-inner-sanctum> --Investigation report clips include: "...In California, elite arrogant asshole dynasties send their kids to Stanford University. Stanford puts the kids in asshole frat houses to train them to get away with rape and run monopolies. When they graduate they either go up the hill to Sandhill Road and start a venture capital clone operation or they get their frat friends on Sandhill Road to racketeer-fund their start-up or political campaign using money scammed from your parents pension funds. They only work with their frat buddies and insiders in a tribal 'old boys club' manner. They steal all the technology and markets they want because they control all of the tech lawyers and politicians via bribes and revolving doors. Most of the money in Stanford University bank accounts is from Foreign and Hollywood oligarchs delivered as bribes meant to get their snot-nosed brats into Stanford. Stanford bosses keep all of this covered-up and covertly fund political campaigns to grease the wheels of political corruption. They then sexually extort some Stanford interns in Rosewood Hotel rooms, get the most 'trophy wife' ones pregnant, and start the cycle all over again. Alas, Stanford is the training ground for abuse, corruption and 'Bro-Crime'. The issues, that the public and the news media have complained about include: producing child suicides, racism, misogyny, child mental health threats, domestic spying, data harvesting, sex trafficking, election manipulation, tax evasion, Fusion GPS/Media Matters/ Black Cube hit jobs on competitors, censorship, contrived market monopolization, intellectual property theft, political bribery and many other social crimes! An unusually large number of their staff have been arrested for, or charged with, sex crimes, including under-age trafficking. This entity is one of the largest operators of bribes to public officials. Some

of those bribes include billions of dollars of, non-FEC reported, search engine rigging for the political campaigns of the very politicians who are supposed to regulate them. Nothing you have ever typed on a computer or Smartphone is safe. it WILL be acquired and it WILL be used against you. - McCarthy-Era "Black-lists" are created and employed against target victims who competed with Obama Administration executives and their campaign financiers to prevent them from getting funding and future employment. - Obama Administration targets were very carefully placed in a position of not being able to get jobs, unemployment benefits, disability benefits or acquire any possible sources of income. The retribution tactics were audacious, overt..and quite illegal. - There are thousands of additional Dirty Tricks tactics being used by these Attack Services yet Congress refuses to pass laws out-lawing such attack services. The cost of an attack on a person ranges from \$150,000.00 to over \$50,000,000.00. While a Silicon Valley billionaire can afford to launch counter-measures to these attacks, any regular taxpayer will be utterly destroyed, and incapable of fighting back, against even the smallest version of one of these "kill orders". A number of modern office shootings are the results of these attacks against an individual who has lost everything because of the attack and has no options left. - Federal law enforcement, the United States Congress and the highest level investigators in the U.S., and abroad, have documented (per the "FISA Memo", Congressional Reports and federal employee testimony) and proven the fact that the Obama Administration regularly engaged in the operation of retribution, vendetta and reprisal campaigns known as "hit-jobs" against domestic natural born U.S. citizen domestic taxpayers. The Federal Court, in at least one previous court case, has ruled that Applicants, in this particular matter, were the victims and target of a number of these attacks designed to inflict permanent medical, emotional, character assassination, brand negation, economic and career damage. The FBI has been asked to interview John Cook, Nicholas Guido Denton, Adrian Covert, Patrick George, Ian Fette and John Hermann of Gawker/Gizmodo re: their financing, payola and hit-job attacks on third parties..."

- That over 90% of Congress is accepting bribes, mostly paid through stock market holdings. "...All of the Senators in our case were paid bribes with stock market accounts. The corruption is easy to prove with a simple spread-sheet. The corrupt Senators have done everything they can to keep you from seeing that spread-sheet. If you saw the spread-sheet that shows all of the covert family bank accounts, fake trust funds, shell companies & stock market accounts for Dianne Feinstein, Harry Reid, Nancy Pelosi, etc.; you can easily see how they only get a salary of \$190K per year but put hundreds of millions of dollars in their accounts that all traces back to special interest groups that tell them what laws to make & what laws to stop from moving forward. Forensic accountants at the GAO, FBI or SEC can pop out the latest update on any given day. These Senators have "rules" that delay investigations against themselves, though. Also, as we all saw from the Comey case: Corrupt Senators can even tell the head of the FBI who to NOT investigate! The 2008 & 2021 "Stimulus Funds" were just scams cooked up by politicians for them to skim stock market pump-&-dump profits off of & grab personal payola. In all these corruption cases, these corrupt people took the same steps to conceal their assets. They each took the money in secret ways. The main ways are 1.) via Dark Money stealth political funds; 2.) bribes paid via insider trading (notice that most of these crooks marry an investment banker to run their dirty schemes) & 3.) getting government contracts, loans & grants for their friends that they get kick-backs from. They then had their dirty law firms & CPA's shove the money into their standardized covert financial structure to hide it. They use family members to run the operation. Their dirty family members & lawyer/CPA teams cover up their tracks. They then have intermediaries spend the money to get them isl&s, yachts, mansions, hookers, Tesla's, etc. The 2008 & 2021 "stimulus funds" are quid pro quo scams to pay

off political insiders. We reported these crimes (with FBI-class evidence) to every law enforcement agency in writing (FBI, DOJ, SEC, IG, FTC, OSC, FEC, etc.). apparently, citizens are ignored if the crimes involve politicians & their billionaires. the cover-ups are off-the-charts!these mobsters (Google, Tesla, Facebook, Linkedin, Netflix, In-q-tel, Kleiner Perkins, Greylock, etc; acting in a coordinated, collusion-based, operation) are paying billions of dollars of political bribes (...via cash, FTX, real estate, sex trafficking, pacs, search engine rigging, crony jobs, biased censoring, campaign funds, stock market manipulations, ukrainian money laundering, etc.) to delay justice & blockade your, rights! There can be no question about the fact that Google, Facebook, Netflix, Tesla & the Silicon Valley Cartel control the Obama & Biden White House. It is now almost impossible for the public to reach any media source that is not controlled by the Silicon Valley Cartel via synchronized talking points. Politicians who say that their only motivation is to "save" the helpless billionaire Elon Musk & his unicorns: 1.) sabotage any companies who are not making Tesla's, 2.) have sex with Tesla lobbyists & bankers, 3.) own the stock in Tesla Motors, 4.) are venture capital partners in Kleiner Perkins (ie: Gore) & Greylock capital insiders, 5.) trade revolving door jobs with the Elon Musk cartel, 6.) gave Musk over \$15B of free taxpayer money, 7.) get campaign financing from Musk, 8.) order government agencies to freeze funding for Musk's competitors, 9.) & engage in a vast number of other corruption & anti-trust crimes. Senators, Agency Heads & Congress are bribed by Google intermediaries with a vast number of stock, sex, real estate, marketing, search engine rigging and other shames..."

- That a scam by Silicon Valley VC's and Elon Musk, to control trillions of dollars of rare earth mining was impetus for part of this corruption by federal officials. -- See: <https://humantraffickingsearch.org/resource/congo-child-labour-and-your-electric-car/> -- Investigation report clips include : "...There is simply not enough rare earth chemicals in the Earth to ever permanently serve the electric car industry! Lithium ion batteries: Cause wars, rape and genocide in the Congo, Afghanistan and Bolivia from the corrupt mining deals involved with mining lithium and cobalt; are insider trading-owned by ex-CIA boss Woolsey and DOE Boss Chu; excrete chemicals that mutate fetuses when they burn; destroy your brain, lungs and nervous system when they burn; kill the factory workers who make them; cause Panasonic to be one of the most corrupt companies in the world; poison the Earth when disposed of; can't be extinguished by firemen; poison firemen when they burn; are based on criminally corrupt mining schemes like URANIUM ONE; Have over 61 toxic chemicals in them; come from an industry that spends billions on internet shills and trolls used to nay say all other forms of energy; are insider-trading owned by corrupt U.S. Senators who are running a SAFETY COVER-UP about their dangers. Apple products with lithium ion batteries have been exploding and setting people on fire; over time the chemical dendrites inside each battery grow worse and increase the chances of explosion as they age - LITHIUM ION BATTERIES BECOME MORE AND MORE LIKELY TO EXPLODE AS TIME GOES ON AND AS THEY AGE; "Bad Guys" have figured out how to make them explode remotely; have their dangers hidden by CNN and MSM because pretty much only the DNC people profit from them; are the heart of Elon Musk's stock market scam. The Obama Administration promised Silicon Valley oligarchs the market monopoly on lithium ion batteries and the sabotage of fuel cells in exchange for campaign financing and search engine rigging; United States Senators that are supposed to protect us from these deadly products own the stock market assets of them so they protect them and stop the FDA, OSHA, DOT & NHTSA from outlawing them. WRITE YOUR ELECTED REPRESENTATIVE AND DEMAND THAT LITHIUM ION BATTERIES BE MADE ILLEGAL TO SELL! NiCAD and Hundreds of other battery chemistries DO NOT have all of these problems but Lithium Ion batteries get a monopoly because of politician insider trading ownerships. Lithium ion fires keep reigniting which explains why it takes so long and requires copious amounts of water or foam (it is an electric fire, after all) to smother the flames. Tesla employee Bernard Tse and his team warned Elon Musk about these dangers in 2008 and they got fired and/or warned to "say nothing" by Musk. Three top Tesla engineers died in a plane crash next to Tesla offices in San Carlos after two of them agreed to become whistle-

blowers. Elon Musk exists because he bribed DNC politicians and Senators Feinstein, Reid, Boxer, Harris, Clinton and Pelosi to give him free taxpayer cash and government resources from the Dept. of Energy and the Calif treasury. DOE has been covering-up organized crime activities at DOE in which DOE funds are being used as a slush-fund to pay off DNC campaign financiers and to pay for CIA/GPS Fusion-Class attacks on Silicon Valley business competitors of those DNC campaign financiers who DOE staff share stock market holdings with. Elon Musk is now the largest producer of black slavery on Earth.."

- That Elon Musk is a "tech mobster". See: <https://gotmusked.com/> -- See: <https://stopelonfromfailingagain.com/> -- See: <https://www.tesladeaths.com/> -- See: <https://never-give.in> -- The Omidyar investigation reports on Musk -- See: <https://congressional-ethics-reports.com/gallery/index.php?/category/1> -- See: <http://hardforensics.com> -- See: <https://www.vanityfair.com/news/2022/04/elon-musk-twitter-terrible-things-hes-said-and-done> -- See: <https://nymag.com/intelligencer/2022/04/11-weird-and-upsetting-facts-about-elon-musk.html> -- Investigation report clips include: "Elon Musk is a criminal, a mobster, an asshole, a bald fake-hair wearing, plastic surgery-addicted, douchebag, woman-abusing, sex addicted, tax evader. Musk exploits poor people & child slaves in the Congo & Afghanistan to mine his lithium & Cobalt. Musk spends billions per year to hire Russian trolls, fake blogger fan-boys & buy fake news self-aggrandizement articles about himself. Musk thinks he is the 'Jesus' of Silicon Valley. Fake News manipulator Google is run by Larry Page & Larry is Musk's investor & bromance buddy. Musk uses massive numbers of shell companies & trust funds to self-deal, evade the law & hide his bribes & stock market insider trading. A huge number of Tesla drivers have been killed; pedestrians & oncoming drivers have also been killed, & Musk covers it up. The DNC & the MSM refuse to allow any articles about Musk's crimes to be printed because they benefit from Musk's crimes. Musk has been professionally diagnosed as a 'psychotic narcissist. A 'Silicon Valley Mafia cartel of frat boy sociopath venture capitalists like Steve Jurvetson, Tim Draper, Eric Schmidt, et al; threaten those who do not support the cult of Tesla or their political candidates. In EVERY blog that you read that mentions 'Musk', at least 1/3 of the comments have been placed their by Musk's paid shills. Musk holds the record for getting sued for fraud by his investors, wives, former partners, employees, suppliers & co-founders. Elon Musk has gone out of his way to hire hundreds of ex-CIA staff & assign them to "dirty tricks teams" to attack his competitors & elected officials who Musk hates. Musk

never founded his companies. Musk's "Starlink" satellites are domestic spy & political manipulation tools - never get your internet from one. Musk stole Tesla in a hostile ownership take-over from Marty the true inventor of the Tesla. Musk is a lying con artist & partners with Goldman Sachs to rig the stock market. Sachs has a dedicated team of men who rig stocks & valuation bumps for Musk. Over 1000 witnesses can prove every one of those claims in any live televised Congressional hearing! That is why no full investigation of the Musk scams has ever been completed. Google's Eric Schmidt & Larry Page have a bromance relationship with Musk & use the global resources of Alphabet to hide any negative news about Musk assets. The 2008 Department of Energy Cleantech Crash proves that a federal agency was used as just one big slush-fund to pay-off political campaign financiers, operate insider-trading stocks & sabotage those financiers competitors using taxpayer-financed resources! Musk's narcissistic trophy-wife mom & his extremist father (who got his young sister pregnant) are thought to be the cause of Musk's racism & sociopath behaviors. He is the #1 crony capitalist government mooch in America & has received billions of dollars of your tax money to help him buy his mansions, starlets & sex parties. His cars & rockets blow up, his tunnels are unsafe, his satellites spy on consumers & his brain chip company tortures small animals. He swiped all of his technology from someone else & has never come up with his own inventions. Space-X is just a domestic spying company. Don't buy Musk's bullshit about Space-X doing any good deeds. Everything Space-X launches is to spy on the poor folks on the ground & monitor their internet. Also, Musk's Neuralink company tortures small animals to try out Musk's pseudo-science mind-reading chips. He was fired from PayPal. He waged war against Tesla whistleblowers. Under his management, Tesla covered up safety violations, workplace injuries, and racism. Under his management, Tesla covered up safety violations, workplace injuries, and racism. He keeps getting his staff pregnant or sexually abused. He got in trouble with the FCC over rigging Tesla stock prices. Under Musk's management, over hundreds of Tesla vehicles crashed on Autopilot in one year including flying off cliffs. He brought Tesla and SpaceX to the verge of bankruptcy. His Starlink satellites became Russian and Chinese military targets. He threatened Ukraine but was forced to back down. His management of Twitter is predicted to result in the loss of 32M users and the rise of fascism. "His corrupt cobalt mines promote child slave labor in the Congo as seen in NETFLIX Black Earth Rising". The DNC bosses use character assassination as their main political tool against any

member of the public who speaks out against their felony stock market scams & PizzaGate-like scandals..."

- That the Dept of Energy blockaded fuel cell vehicles because they obsolete lithium battery vehicles which White House investors own. See: <https://h2fcp.org/>
-- See: https://en.wikipedia.org/wiki/California_Fuel_Cell_Partnership -- See: <https://www.fchea.org/> -- See: <https://www.h2bulletin.com/knowledge/hydrogen-associations/> -- Investigation report clips include: *"...Elon Musk, Panasonic, John Doerr, Tim Draper and others spend a billion dollars per year to create disinfo about hydrogen. There are not enough minerals on Earth to power all the electric cars with batteries. Only fuel cells, which get their fuel from ocean water or organic waste, can solve the problem. Lithium metals, and other rare earth mining materials, are monopolized by Elon Musk and his Silicon Valley Cartel, in rare-earth corrupt mining scams. Lithium's widespread use in cars is hindered by a challenging obstacle: upon multiple charge-discharge cycles, fractal filaments called dendrites always grow through the electrolyte from the negative to the positive electrode and short-circuit the battery from the inside, thus guaranteeing that Tesla Cars will eventually all explode. Musk and Panasonic have known this since 2007 (They are "dumping" the batteries via Tesla) and have paid U.S. Senators, who own stock in Tesla, to cover it up. The lithium fires and toxic vapors are a major safety concern because they have killed, poisoned and injured too many citizens. Tesla and Musk are protected by shareholders Harris, Pelosi, Feinstein, Brown and Newsom. Panasonic (indicted for bribery and Musk's partner) spends billions of dollars annually cover-up lithium battery fires and battery defects. Hydrogen can be produced from diverse domestic resources with the potential for near-zero greenhouse gas emissions. Once produced, hydrogen generates electrical power in a fuel cell, emitting only water vapor and warm air. It holds promise for growth in both the stationary and transportation energy sectors. When used to power highly efficient fuel cell electric vehicles, hydrogen holds the promise of helping strengthen national energy security, conserve fuel, and diversify our transportation energy options for a more resilient system. About half of the U.S. population lives in areas where air pollution levels are high enough to negatively impact public health and the environment. Emissions from gasoline and diesel vehicles—such as nitrogen oxides, hydrocarbons, and particulate matter—are a major source of this pollution. Hydrogen-powered fuel cell electric vehicles emit none of these harmful substances—only water (H₂O) and warm air. The environmental and health benefits are also seen at the source of hydrogen production if derived from*

low- or zero-emission sources, such as solar, wind, and nuclear energy and fossil fuels with advanced emission controls and carbon sequestration. Because the transportation sector accounts for about one-third of U.S. carbon dioxide emissions, using these sources to produce hydrogen for transportation can cut greenhouse gas emissions. 1. Renewable and Readily Available: Hydrogen is the most abundant element in the Universe and despite the challenges associated with its extraction from water, is a uniquely abundant and renewable source of energy, perfect for our future zero-carbon needs for combined heat and power supplies. 2. Hydrogen is a Clean and Flexible Energy Source to support Zero-Carbon Energy Strategies: Hydrogen fuel cells provide an inherently clean source of energy, with no adverse environmental impact during operation as the byproducts are simply heat and water. Unlike biofuel or hydropower, hydrogen doesn't require large areas of land to produce. In fact, NASA have even been working on using hydrogen as a resource with the water produced as a byproduct being used as drinking water for astronauts. This shows that hydrogen fuel cells are a non-toxic fuel source and therefore superior in this way to coal, natural gas and nuclear power which are all either potentially dangerous or hard to obtain. Production, storage and use of hydrogen will play an important role in driving further development of renewable energy, by balancing their intermittent supply modalities with the challenging end-user demands, avoiding the need for significant early investment to upgrade grid infrastructure. 3. More Powerful and Energy Efficient than Fossil Fuels: Hydrogen fuel cell technology provides a high-density source of energy with good energy efficiency. Hydrogen has the highest energy content of any common fuel by weight. High pressure gaseous and liquid hydrogen have around three times the gravimetric energy density (around 120MJ/kg) of diesel and LNG and a similar volumetric energy density to natural gas. .."

- That Tesla Motors is excluded from safety avoidance and corruption investigations because so many politicians and Sand Hill Road VC's own Tesla Motors. See: <https://www.dailymail.co.uk/news/article-11770025/Tesla-driver-killed-car-slams-firetruck-California-freeway-recall-363-000-vehicles.html> -- See: <https://gotmusked.com/> -- See: <https://stopelonfromfailingagain.com/> -- See: <https://www.tesladeaths.com/> -- See: <https://never-give.in> -- See: <https://congressional-ethics-reports.com/gallery/index.php?/category/1> -- See: <http://hardforensics.com> -- See: <https://www.vanityfair.com/news/2022/04/elon-musk-twitter-terrible-things-hes-said-and-done> -- See: <https://nymag.com/intelligencer/2022/04/11-weird-and-upsetting-facts-about->

[elon-musk.html](#) --Investigation report clips include: "...The same kind of EMF radiation proven to cause cancer from cell phones exists in massive amounts in a Tesla. Musk can't fix a car or build a rocket & has almost no mechanical skills. If you pull a report of every VIN# of every Tesla ever built & cross reference that with insurance, repair & lawsuit records you will find that the "per volume" fire, crash, death & defect rate is THE WORST of any car maker in history! Tesla is known as "the official car of douche-bags". The safety defect cover-ups on the Tesla are extreme. Any hacker with any basic hacking skills can suddenly make a Tesla zoom to a hundred miles per hour & crash into a bus, a police car, a firetruck, a train or drive over a cliff. It has happened over, & over, & over. Musk pays billions to cover this up & his stock owners: The Reid, Pelosi, & Feinstein families, along with Steve Jurvetson & Tim Draper, spend even more vast cash & political leverage to hide these facts. THAT IS A FELONY! THAT IS AN ABUSE OF POWER THAT RUNS ALL THE WAY UP TO THE WHITE HOUSE. OBAMA & BIDEN GOT CAMPAIGN CASH & STOCK OWNERSHIP FROM MUSK SO THEY DON'T LET THEIR ADMINISTRATIONS PROSECUTE HIM! THAT IS A FELONY. NOW YOU KNOW! For example: Elon Musk ordered the politicians who are his bitches to sabotage his competitors. He gave those political insiders: cash, stock in his cartel, revolving-door jobs, campaign funding, sex workers, off-shore money laundering, & other quid pro quo. Eric Schmidt, Larry Page, Mark Zuckerberg, & the rest of the tech mob, all worked together on these crimes. The hacks & leaks of their documents prove it. Government agency bosses are covering up these crimes to protect their jobs & their corrupt stock market holdings. Musk & Goldman Sachs have gotten over FIFTEEN BILLION DOLLARS of free taxpayer cash & monopolized exclusives to pay for Musk's drugs, sex parties & mansions. This is one of the largest violations of anti-trust laws in history. The politicians & agencies that are supposed to stop him are getting money from him. Musk exists entirely from quid pro quo bribes! Musk's banks, including Deutsche Bank, have had to pay more than \$100 million to settle charges related to violating anti-bribery laws & engaging in money laundering. While the Musk-controlled media bloviate on the god-like image of Musk, he & his buddies are just crooks & mobsters. Senators Dianne Feinstein, Harry Reid, Nancy Pelosi, Kamala Harris & their associates own the stock in Tesla Motors &/or it's suppliers & mining companies. That is why they criminally help cover-up investigations of Tesla! All of this was reported, in writing, to James Comey, Patricia Rich & David Johnson at the FBI. The DNC bosses own the stock in lithium, Solar & EV markets & use kickbacks from those markets (Especially via convoluted campaign finance laundering via Elon Musk)

to finance the DNC. Musk's Neuralink company tortures small animals to try out Musk's pseudo-science mind-reading chips. He was fired from PayPal. He waged war against Tesla whistleblowers. Under his management, Tesla covered up safety violations, workplace injuries, and racism. Under his management, Tesla covered up safety violations, workplace injuries, and racism. He keeps getting his staff pregnant or sexually abused. He got in trouble with the FCC over rigging Tesla stock prices. Under Musk's management, over hundreds of Tesla vehicles crashed on Autopilot in one year including flying off cliffs. He brought Tesla and SpaceX to the verge of bankruptcy. His Starlink satellites became Russian and Chinese military targets. He threatened Ukraine but was forced to back down. His management of Twitter is predicted to result in the loss of 32M users and the rise of fascism. "His corrupt cobalt mines promote child slave labor in the Congo as seen in NETFLIX Black Earth Rising". Tesla & Musk are protected by shareholders Harris, Pelosi, Feinstein, Brown & Newsom. Panasonic (indicted for bribery & Musk's partner) spends billions of dollars annually cover-up lithium battery fires & battery defects. H2 can be produced from diverse domestic resources with near-zero greenhouse gas emissions. A recent fire on U.S. Highway 101 near Mountain View, CA, burned the driver alive and killed him. In Florida two kids died in a Tesla, burned alive, screaming in agony..."

- That government executives and Silicon Valley oligarchs swap young boys and girls for sex in order to control political leverage. See: <https://vcracket.weebly.com> – See: <https://dealbook.nytimes.com/2006/11/06/a-venture-capitalist-walks-into-a-bar/> -- See: <https://techcrunch.com/2010/09/21/so-a-blogger-walks-into-a-bar/> -- See: <https://adage.com/article/digital/advertisers-underwrite-latest-tech-bubble-vc/149147> - See: <https://en.wikipedia.org/wiki/Angelgate> -- See: https://en.wikipedia.org/wiki/High-Tech_Employee_Antitrust_Litigation -- See: <https://www.quora.com/What-are-the-most-notorious-venture-vulture-capital-firms-in-Silicon-Valley>, -- See: <https://www.goodreads.com/book/show/40859989-vulture-capital> -- See: <https://www.vanityfair.com/news/2018/01/brotopia-silicon-valley-secretive-orgiastic-inner-sanctum> -- Investigation report clips include: "...The Silicon Valley tech Cartel (AKA: "Paypal Mafia", "Deep State") is a criminal entity because they organize via the NVCA, The White House & backroom meetings to engage in: racism at their companies, ageism, sex-trafficking, money-laundering, politician bribing, tax evasion, RICO violations, monopolies, patent theft, & other crimes. They are Silicon Valley billionaires with billions of dollars to spend on insane

things and they buy law enforcement evasion. They manufactured the CLEANTECH CRASH; they run a prostitution ring & sexually extort young men & women interns in Silicon Valley; they are a 'rape culture' take-what-they-want misogyny club. Their Palo Alto Cartel operates AngelGate-type collusion & stock market insider trading schemes that harm independent business & the public; their Cartel ran the "no poaching" CEO ring which was class-action sued by DOJ & tech workers; 90% of their divorce court files reveal horrific abuses & sex trafficking; They have an army of lobbyists that pay cash, stock market & revolving door bribes to U.S. Senators; They hire women to act as 'trophy wives' & 'beards'; they have lobbyists rig the U.S. Patent Office in order to block inventor patent rights because they are using stolen technologies; they have been caught on video & recordings beating, kicking & harming women hundreds of times; They have bought up all of the Tier-One tech law firms & order them to black-list, & never help, those who seek equal tech rights; they collude to abuse your privacy & make databases on the public for political control; they have to cheat to compete because they are only good with spread sheets instead of innovation; They run black-lists, character assassination attacks, collusion & other anti-trust violating acts in violation of RICO laws. Silicon Valley has become the largest assemblage of douche-bags & yuppie frat boy criminals in human history. Theranos and FTX are not the exception, they are the standard. Tesla, Google, Theranos, Wework, FTX, Facebook are lies backed by famous political insiders to protect their insider trading & covered-up by fake news operators. They are also fronts to fund political campaigns via the ill-gotten profits from their endeavors. When the bad guys, & their lap-dog politicians, attack you because your products are better than theirs they are proving that they are frat boy scumbags, from Stanford & Yale, that operate in a little pack, like dogs! Their Sand Hill Road operation should be raided by the FBI! They must all be forced into bankruptcy! The mega-layoffs are only the start of the doom that is coming for them. Take a look at how many TRILLIONS of dollars pass through the stock markets annually & then look at the reported, & UNREPORTED, securities holdings of famous U.S. Senators & government agency staff. That is what Seth Rich was disclosing. The Harvey Weinstein & Ed Buck sex scandals are well known. These men's sex cult actions include: the Joe Lonsdale rape case, The Kleiner Perkins Ellen Pao sex abuse lawsuit, The Eric Schmidt sex penthouse stories, The Jeffrey Epstein case, The Google Forrest Hayes hooker murder case, The & Rubin sex slave case, The Sergy Brin 3-way sex romp sc&al, The British Hydrant investigation, The Elon Musk Steve Juvetson billionaire sex parties sc&als, The NXIVM sexual slave cases, The Michael Goguen anal

sex slave trial, The Tom Perkins Hooker Parties & many other cases & federal divorce court filings. The Four Seasons Hotel & Rosewood Hotels in Silicon Valley are estimated to engage in over \$30,000.00 of high-end escort sex trafficking per day, a portion of it managed by Eastern Bloc Mafia operators. Many Ukrainian escorts fly in & out of SFO airports every week for these Cartel members. Google boss David Drummond engaged in horrible philandering sexual violations of his wife yet Google covers up every story about it on the web. Google's Eric Schmidt is under massive investigation. One of their vast numbers of prostitutes is quoted as saying that the girls & boys are paid "not just for sex but for the oligarch's endless need to feel that they can control anyone for any reason...". Multiple attorney general's controlled by their cartel, ie: Eric Schneiderman & Eliot Spitzer, are involved in these sex rings..."

- That the perpetrators used White House media tools to contract character assassinations and reprisal attacks against Plaintiffs. See: <https://gawker-media-attacks.weebly.com> -- See: https://www.takimag.com/article/gawker_media_hypocrites_vs_douchecanoes/ -- See: https://kingkongvsstarwars.weebly.com/uploads/7/9/4/4/7944453/the_day_gawker%E2%80%99s_nick_denton_tried_to_kill_me_8.pdf -- See: <https://www.newyorker.com/magazine/2010/10/18/search-&-destroy-ben-mcgrath> -- See: <https://nymag.com/news/features/39319/> -- See: <https://www.nytimes.com/2023/02/01/business/media/bdg-gawker-shuttering.html> --See: <https://www.breitbart.com/the-media/2023/02/01/nolte-left-wing-gawker-is-shutting-down-again/> --See: https://en.wikipedia.org/wiki/Character_assassination -- Investigation report clips include: "...THE GOVERNMENT ISSUED POLITICAL KILL ORDERS & LAUNCHED STATE-SPONSORED CHARACTER ASSASSINATIONS ON PLAINTIFFS. Patrick George At Jalopnik attacks outsiders under contract with Elon Musk & the DNC. Silicon Valley campaign finance oligarchs hire him, Adrian Covert, Nick Denton & John Cook to run hatchet jobs on innocent outsiders & then Gawker-Gizmodo-Jalopnik uses their financial partnership with the DNC's Google to push the character assassination articles to the top of Google web products & searches. Patrick George, Adrian Covert, John Hermann & Nick Cook are the sexually degenerate cabin boys that report to boy-loving sleaze-tabloid oligarch Nick Denton. They created the Fake News crisis in the media by flooding the internet with defamation posts & reprisal hatchet job articles designed to damage political enemies of the Socialists. They coordinate a large number of the

character assassination efforts at Gawker, Gizmodo, Jalopnik, CNN, New York Times & other propaganda outlets. How & why did a Donald Trump stripper-date named "Stormy" or an Elon Musk sex party or a Kavanaugh drinking incident or the Moonves & Weinstein indiscretions suddenly hit the news at about the same time in news history? In addition to actual murder, Politicians & Silicon Valley Oligarchs hire operatives to end people's lives in other creative ways. It is all part of the modern trend in vendetta, revenge & political payback when a Senator or a tech oligarch issues a "kill order" on an opponent. The client does not like to get their hands dirty so the actual social hit job is performed by companies. Investigations have revealed that the White House & California Senators hired the character assassination & defamation attack services: Cardinal & Pine; Pacronym, Acronym; The Americano; Investing in US; Shadow Inc; Courier Newsroom; IN-Q-Tel; Gawker Media; Jalopnik; Gizmodo Media; K2 Intelligence; WikiStrat; Podesta Group; Fusion GPS; Google; YouTube; Alphabet; Facebook; Twitter; Think Progress; Media Matters); Black Cube; Correct The Record; Orbis Business Intelligence, Undercover Global Ltd; Stratfor; Jigsaw; ShareBlue/Acronym; Versa LLC; American Ledger; Supermajority News; New Venture Fund; Sixteen Thirty Fund; Cambridge Analytica; Sid Blumenthal; States Newsroom; Hopewell Fund; Open Society.; David Brock; AmpliFire News; American Bridge; Plouffe Consulting; Pantsuit Nation; MotiveAI; American Bridge 21st Century Foundation; Priorities USA; PR Firm Sunshine Sachs; The American Independent Foundation; Covington & Burling; BuzzFeed; The American Independent; Perkins Coie; Secondary Infektion; Wilson Sonsini & thous&s more to run hit-jobs, character assassinations, dirty tricks & economic reprisal attacks on any applicants who reported the crimes. Most of these businesses offer the service of manipulating elections & news coverage in order to steer stock market profits into the pockets of billionaire clients at the expense of the taxpayer & Democracy. They hide their transactions via money-laundering. All of these services, when focused on individual citizens, are lethal. These are the people & companies that except cash, revolving door jobs, political appointments, insider trading stock in Silicon Valley tech companies, prostitutes & real estate in exchange for destroying the lives of others. These attackers deserve to be punished for the rest of their lives for taking away the lives of others in exchange for cash. Congress must act to make these kinds of companies illegal! These digital assassination services offer hit-jobs, character assassinations & economic reprisal programs to famous billionaires & corrupt politicians who are seeking revenge, retribution & vendetta executions. Secretive targeting occurred while Obama

speechwriter & hate-filled ANTIFA supporter Ben Rhodes was running "Operation Echo Chamber," which reportedly continues, in which he fed information to willing corporate media scribes. "They literally know nothing," Rhodes said of the twentysomething journalists he easily manipulated. The Freedom of the Press Foundation's Trevor Timm published documents showing how former attorney general Eric Holder changed the rules to more effectively intimidate & surveil members of the press..."

- That Rahm Emmanuel, Robert Gibbs, John Podesta, Jay Carney, Steve Rattner and other Oval Office White House staff regularly hire media assassins to attack citizens, reporters, whistle-blowers and Plaintiffs. See:

<https://justthenews.com/nation/free-speech/congress-takes-first-shot-federal-censorship-moratorium-doj-payments-social> -- See:

- See: https://www.washingtonpost.com/opinions/global-opinions/the-white-house-resorts-to-character-assassination-of-courageous-public-servants/2019/10/23/ec7c6f5a-f5a5-11e9-ad8b-85e2aa00b5ce_story.html --

Investigation report clips include: "*...The federal government pays social media companies to attack those the White House does not like. Obama sought to obtain fraudulent FISA warrants on President Trump's team, as evidenced by Peter Strzok & Lisa Page's texts confirming that Obama was overseeing their fly-by-night operation. Some have argued that Assistant Attorney General Rod Rosenstein knew the FISA was bogus when he extended it. Others have wondered if Special Counsel Robert Mueller knew about the fraudulent basis of the FISA when he used it, in part, to indict Michael Flynn. Other still, that Mueller was fooled by the FBI. This is what President Trump calls "SPYGATE". It may well be that the surveillance that was conducted began with UK intelligence services & then was fed back to the White House of Barack Obama. Government agency bosses sometimes solicit the target victims with false promises of future loans, contracts or grants from their agency & cause the target victims to expend millions of dollars & years of their time for projects which those government bosses had covertly promised to their friends. They use the target victims as a "smokescreen" to cover their illegal government slush-funds for the victims competitors & personal enemies. By using this tactic, the attackers can drain the target victims funds & force them into an economic disaster in plain view of everyone without the government bosses fearing any reprisal for their scam. Every match.com,*

okcupid.com, Plenty Of Fish, Seeking Arrangements & all other IAC-owned, or similar, dating sites (IAC is managed by Hillary Clinton's daughter) have had their profiles, texts, & inter-member communications, since those companies were started, hacked or purchased. The attack service providers use Palantir & In-Q-Tel financed data analysis software to analyze every activity in those dating services in order to find honey-trap, blackmail, sextortion & social conflict exploitation opportunities. If you had a bad date with someone, that someone will be hunted down & convinced to help harm, #metoo or "rape charge" the intended target. All dates involve a search for sex, so the likelihood that a sexual disappointment experience will exist in each persons dating history is high. Searching every past dating email & text of a subject is quite easy with modern software & hacking techniques. A synthetically amplified, PR-agency optimized sex sc&al can destroy any target. Every photo on every dating site is cross checked with every other photo on the internet in order to cull your Facebook, LinkedIn, Snapchat & other social media together to create a total psychological manipulation profile data file on you. A single photo on a dating site can be cross searched on every mugshot archive, photo album & corporate database within minutes using modern super-computers. Social Security, SSI, SDI, Disability & other earned benefits are stone-walled. Applications of targets are "lost". Files in the application process "disappeared". Lois Lerner hard drive "incidents" are operated in order to seek to hide information & run cover-ups. Government officials & tech oligarchs contact members of the National Venture Capital association (NVCA) & created national "black-lists" to blockade target victims from ever receiving investor funding. This was also confirmed in a widely published disclosure by Tesla Motors Daryl Siry & in published testimony.FOIA requests are hidden, frozen, stone-walled, delayed, lied about & only partially responded to in order to seek to hide information & run cover-ups. State & federal employees will play an endless game of Catch-22 by arbitrarily determining that deadlines had passed that they, the government officials, had stonewalled & obfuscated applications for, in order to force these deadlines that they set, to appear to be missed. This can bankrupt a target victim. Some Victims found themselves strangely poisoned, not unlike the Alex&er Litvenko case. Heavy metals & toxic materials were found right after their work with the Department of Energy weapons & energy facilities. Many wonder if these "targets" were intentionally exposed to toxins in retribution for their testimony. The federal MSDS documents clearly show that a number of these people were exposed to deadly compounds & radiations, via DOE, without being provided with proper HazMat suits which DOE

officials knew were required. Victims employers are called, & faxed, & ordered to fire target victims from their places of employment, in the middle of the day, with no notice, as a retribution tactic. On orders from Obama White House officials, DNC-financed Google, YouTube, Gawker Media & Gizmodo Media produce attack articles & defamation videos. Google locks this attack media on the internet on the top line, of the front page of all Google searches for a decade in front of 7.5 billion people, around the world. This attack-type uses over \$40 million dollars in server farms, production costs & internet rigging. The forensic data acquired from tracking some of these attacks proves that Google rigs attacks against individuals on the internet & that all of Google's "impressions" are manually controlled by Google's executives who are also the main financiers & policy directors of the Obama Administration..."

- That the White House and their Silicon Valley Big Tech oligarch financiers have a vast effort underway to harm small inventors because Big Tech stole many technologies from small inventors. LARRY PAGE & GOOGLE BASE THEIR BUSINESS MODEL ON STEALING YOUR TECHNOLOGY according many reports including this article: See:

<https://www.dailymail.co.uk/sciencetech/article-11760517/Victims-modern-internet-pioneers-like-MySpace-AIM-disappeared.html> -- Investigation report

clips include: "...Big Tech's U.S. Patent Office manipulation computers scale & expand their tools with algorithmic software created by those politically & socially biased frat boys that wrote the code for the VC's. It is all biased. Because Silicon Valley VC's told them to spy on billions of people, even for these web giants, it is impractical to store the entire dynamic history of a user's interaction features. They, thus, out of greed, use algorithms that selectively decay information in order to generalize users & populations. To them, you are just a generalized data point, like cattle on a ranch, to be harvested & fed upon by Silicon Valley. You don't hear about this, much, in the "main-stream news" because nearly half of Congress, White House staff & government agency bosses own the stock in the news broadcasters & receive billions of dollars of financing from them. Field agents from FBI, FINCEN, etc. have proven all of this but

their bosses cover it up. Draper Fisher, Kleiner, Andressen, Sony Ventures, et al.. need to go to prison for running a mob-like, RICO-violating, intellectual property theft mill. They contact start-ups, ask them to come in & pitch, reject them, then send their business plans to Google, Netflix, Sony & Facebook (WHO THEY FINANCE) & tell them: "...HERE COPY THIS, JUST CHANGE THE NAMES OF THINGS.." Tom Perkins, James Bronkema & many other of their members ratted them out in recorded statements! "... We discovered that the patent lawyers that were supposed to be helping us... That we paid to provide our income; were covertly our competitors & were working as shills, for our enemies. Our patent lawyers were; either, financed by, friends, with, sleeping with, dating the staff of, holding stock market assets in, promised a revolving door job or government service contracts from, partying with, personal friends with, photographed at private events with, exchanging emails with, business associates of or directed by; our business adversaries, or the Senators & politicians that those business adversaries pay campaign finances to, or supply political digital search manipulation services to. Criminal U.S. Senators coordinated & profited in these schemes. Their own family members & ex-staff have now supplied evidence against them. After receiving tips from USINVENTOR.ORG, Wall Street Journal, TECH CRUNCH & Congress; Plaintiff hired ex FBI & CIA agents to check it out... BOY, was it ever rigged. Facebook's own staff & investors work INSIDE the U.S. Patent Office in order to protect Facebook from having to pay for technology they stole. Then they showed Plaintiff that most of the Obama & Biden Administration COVERTLY OWN FACEBOOK. Talk about 'rigging elections' & 'rigging industries'!... Facebook executives even sit on USPTO boards!!! -- What U.S. judge or regulator is complaining? For example, (as one example of MANY THOUS&S) who would complain about S&S Capital's failure to file the S.E.C. Form SC 13G notices of acquisition of Facebook, Baidu & Athena health stock? ---- Not S.E.C Chairman Mary L. Schapiro—she held a boatload of "dark pool" Fidelity, Vanguard, AllianceBern, TIAA-CREF & T. Rowe Price funds. ---- Not Commerce Secretary #1 Rebecca M. Blank—she held TIAA-CREF, Vanguard & Fidelity funds. ---- Not Commerce Secretary #2 Penny S. Pritzker—she holds up to \$23.4 million Morgan Stanley, JPMorgan & Goldman Sachs Facebook dark pools. ---- Not Attorney General Eric H. Holder—he held T. Rowe Price & Fidelity funds. In fact, Holder held Fidelity Contrafund, the largest single Facebook mutual fund stock holder, valued at \$413 million. ---- Who in the judiciary would complain? ---- Not Leader v. Facebook Chief Justice John G. Roberts, Jr.—he held Microsoft, T. Rowe Price, Fidelity, Janus, Vanguard & Blackrockfunds, including Fidelity Contrafund. ---- Not Leader v. Facebook Federal

Circuit Judges Alan D. Lourie, KimberlyA. Moore & Evan J. Wallach—they held Fidelity, Vanguard & T. Rowe Price funds, including Fidelity Contrafund. ---- Not Leader v. Facebook District Court Judge Leonard P. Stark—he held Vanguard & Fidelity funds. ---- Not Leader v. Facebook Patent Office Director David J. Kappos—he held over a million dollars of Vanguard funds...”

- That Sony Pictures and Big Tech try to create a 'Hollywood Component' to their scheme. See: https://en.wikipedia.org/wiki/Sony_Pictures_hack -- See: <https://www.washingtonpost.com/news/the-switch/wp/2014/12/18/the-sony-pictures-hack-explained/> -- See: <https://www.hollywoodreporter.com/business/business-news/sony-subpoenaed-bribery-probe-resident-762501/> -- See: <https://m.economictimes.com/industry/cons-products/electronics/sony-probes-charges-of-bribery-at-its-indian-unit/articleshow/45976692.cms> -- See: <https://www.hollywoodreporter.com/movies/movie-news/zero-dark-thirty-cia-slammed-821519/> -- See: <https://deadline.com/2015/09/zero-dark-thirty-movie-cia-involvement-1201519756/> -- Investigation report clips includes: "... *The hacks and leaks at Sony Pictures Entertainment have exposed that the dark side of Hollywood is Silicon Valley. The new information reveals an insider vision of a company racked with sexism, office politics, high-school-level personality quibbles and a severe mine-is-bigger-than-yours territoriality culture. Sony and Silicon Valley oligarchs joined forces to rig the media. A number of lawsuits against Sony, from Lady GaGa to Sony's own employees, have revealed even more. An aspect of the revelations involves where Sony gets it's ideas from. A number of revelations reveal that Sony seems to have established a process of "borrowing" technology and story ideas while "forgetting" to properly attribute or pay the sources. -- Some of the 'dirt' exposed included: - Sony finances Democrat Presidents in exchange for media 'favored nations' status over competitors. - Sony and Google coordinate political manipulation campaigns together. - Sony executives trade female entry-level staff like cattle at a 'ranch'. - Sony executives hire an insane amount of hookers, rent-boys and under-age sex providers.- Sony executives bribe their kids into colleges. - The good-old-white-jewish-boy club is alive and well at Sony. - ZERO DARK THIRTY was a political PR hype movie commissioned by the Obama Campaign using government resources. - Sony steals patents from anybody it wants. - Sony stole it's VR technology. - Sony stole its web video technology. - Sex deviancy is the rule at Sony. - Sony is a bunch of high-school whine babies who think their shit doesn't stink. - Sony spends millions and*

millions of dollars on political bribes. The kids at Sony seem to have been very naughty children. They let their IT system go to pot, and got hacked, and outed, as "racist", "misogynist", "campaign rigging", "high school tantrum throwing" kinds of people, per their own emails. Hollywood Reporter, The Verge, Wikileaks, and a variety of tabloids and pundits, have delighted in dissecting the fraternity house, inside antics, of Sony Pictures. Their boss got fired. They got ridiculed for turning "Zero Dark Thirty" into a, slightly fabricated, political vote-churn tool. Other execs got kicked to the curb. All of their financial, contracting, political cash layout, and tax dynamics were placed under investigation, and even more sketchy bits are shaking loose. These are the main influencers of a national political party & they are all involved in horrific sex perversions & abuses! The Smedley Butler "Business Plot" from the past is not unlike the coup that Google & clan tried. See details in Emily Chang's book: BROTOPIA; Roan Farrow's book: CATCH & KILL; Edward Snowden's Book: PERMANENT RECORD; Peter Schwetzer's book: THROW THEM ALL OUT; Dave Eggers book: THE CIRCLE; Franklin Foer's book: WORLD WITHOUT MIND; Corey Pein's book: JOURNEY INTO THE SAVAGE HEART OF SILICON VALLEY; Dan Lyon's book: DISRUPTED; Antonio Martinez book: CHAOS MONKEYS. 90% of these guys came from the same date-rape fraternity houses involved in the recent college rape cases..."

- That the US. Department of Energy is operated by The White House as a crony political quid pro quo payola scheme to pay off insiders and harm their competition. See: <https://www.cbsnews.com/news/cleantech-crash-60-minutes/> -- See: <https://www.cbsnews.com/news/congress-trading-stock-on-inside-information/> -- See: https://townhall.com/columnists/maritanoon/2012/06/29/obamas_greenenergy_cronycorruption-n1010038 -- See: <https://fusion4freedom.com/about-gcf/> -- See: <https://www.linkedin.com/pulse/obamas-green-energy-plans-kill-jobs-hurt-consumers-cost-marita-noon> Investigation report clips include: "Trillions of dollars of stock trades & direct payola bribes were exchanged using the White House as a broker & the United States Department of Energy as a stock market manipulation platform. That's right! Your public officials use federal agencies as dark-money laundering operations for their friends. If you are a taxpayer: You suffered damages! If you are an American business: You suffered damages! If you are Democracy: You were broken! If you were a tech mobster: You made out like a bandit! This is how it worked. No public official wants these crimes to end because most of those officials profit from these crimes! Forget about any allegiance you might have to one political

party over another. This is not about parties, this is about racketeering crimes! The Solyndra taxpayer, technology, financial & political disasters that began during the reign of Steven Chu at the Department of Energy typified the overt, organized crime, corruption & crony malfeasance of the public funds. This trend was created via the back-door deals between 1.) the U.S. Department of Energy & audacious kick-back schemes created by 2.) Silicon Valley campaign financiers & the 3.) White House. This is the story of the racketeering schemes & scams that set out to steal trillions of dollars of taxpayer cash, in plain sight, under the cover of a national "economic" or "health" emergency "stimulus" scam. Billions of dollars of stock & stock warrants which is never reported to the FEC; Billions of dollars of Google, Twitter, Facebook, Tesla, Netflix & Sony Pictures search engine rigging & shadow-banning which is never reported to the FEC; Free rent; Male & female prostitutes; Cars; Dinners; Party Financing; Sports Event Tickets; Political campaign printing & mailing services "Donations"; Secret PAC Financing; Jobs in Corporations in Silicon Valley For The Family Members of Those Who Take Bribes & Those Who Take Bribes; "Consulting" contracts from McKinsey as fronted pay-off gigs; Overpriced "Speaking Engagements" which are really just pay-offs conducted for donors; Private jet rides & use of Government fuel depots (ie: Google h&ed out NASA jet fuel to staff); Real Estate; Fake mortgages; The use of Cayman, Boca Des Tores, Swiss & related money-laundering accounts; The use of HSBC, Wells Fargo, Goldman Sachs & Deutsche Bank money laundering accounts & covert stock accounts; Free spam & bulk mailing services owned by Silicon Valley corporations; Use of high tech law firms such as Perkins Coie, Wilson Sonsini, MoFo, Covington & Burling, etc. to conduit bribes to officials. This will never end unless the public demands laws to prevent all politicians, & their families, from owning ANY stock market stocks or securities! We have used private investigator, FBI resources & deep AI research to reveal that all government staff working on our application were getting quid-pro-quo...they were on the take. (Can anyone point out to us EVEN ONE person who was in the DOE/White House loop who was not working for, invested in, getting a future job from or other wise conflicted?) What do you do when The U.S. Government convinces you to invest millions of dollars, & your life, into one of their projects. Then their project turns out to be a scam where they had covertly hard-wired the upside to a couple of Senator's & their campaign financier friends. The fix was in & the game was rigged to use a government program as a slush-fund for friends-with-benefits. We, & the public, got defrauded. Now the damages must be paid for, one way, or another. Every one of the insiders who did get government funding

got it in the exact same size & order as their covert political campaign funding & stock market bribes to the deciders. Chamath Palihapitiya & other Silicon Valley insiders have now exposed the fact that Greylock, Kleiner, etc. are just a VC Ponzi Scheme! in this whole mess. Musk used crooked Senators to get his funds. Elon Musk is notorious for getting Department of Energy money by bribing public officials & placing his friends: Steven Chu, Matt Rogers, Steve Westly, Steve Spinner's 'special friend', etc. on the staff of the Department of Energy & in the White House. We have FBI-class records, financial tracking, emails, stock market relay records & other forensic data that proves it...."

- That the suspects manipulate mass media in order to promote their friends on global media and harm their competitors. See: <http://congressional-ethics-reports.com> -- See: <http://www.pogo.org> -- See: <http://www.sunlightfoundation.com> (Archives) -- See: <http://followthemoney.org> -
- See: <http://www.icij.org> -- See: <https://www.transparency.org> -- Investigation report clips include: "... Foreign news outlets in our country exhibit the widespread "criminality" and "defamation tactics" of a mostly corrupt news media landscape. The Gawker/Gizmodo/Jalopnik tabloid empire is nothing more than an organized info-crime operation backed up by offshore money-laundering through Russia and the Ukraine. Despite widespread recognition of their deceptive conduct, fools still read these trash publications. There are massive conflicts of interest related to many news media outlets' conglomerate-ownership as well and industry figures' financial and familial links to companies, interests, and people they ostensibly report on. 'Fake news' isn't the proper term. It's the 'propaganda arm of the Silicon Valley Socialist oligarchs' In most cases. It's no different than the Chinese Communist Party [and] the propaganda they put out. It's no different than what the Soviet Union did with the old Pravda media, and, quite frankly, it's no different than how Putin controls the media today, where 95 percent of his media in Russia is propaganda for the Putin regime. It's the same thing here with The Washington Post, NY Times, CNN, Hearst publications and all of the media owned by Hollywood and Silicon Valley. Partisan news media should be treated as such. News media outlets such as the CNN, the New York Times, and the Washington Post regularly describe themselves as "politically objective and non-partisan." In reality they are a propaganda machine for sick Silicon Valley oligarchs. For example, Elon Musk is one of the most corrupt men in the world yet the socialist propaganda news media won't cover any of his crimes and corruptions in their publications because he pays political bribes to keep his dark side hidden in their

media. The public should not hurt legitimate news media outlets by engaging with and speaking to corrupt propaganda operations. One should only speak with genuine news media and not reward unethical companies with their time. Manipulation Techniques: A common tool Google, Facebook and Twitter use to exert control over their users. We all use manipulation at some point in our lives, whether it be telling a little white lie to get out of a situation, or using flattery to get what we want. For Google & Facebook, using manipulation is a way of life, and their first weapon in an arsenal of techniques to overpower their users and lead them down the garden path to rape their minds in the bushes of the internet. If you watch out for these CIA-like manipulation techniques, you can spot their tricks per https://en.wikipedia.org/wiki/Robert_Epstein . Between all of the sex cult activity; hookers; rent boys; political bribes to Pelosi, Harris, Newson, & Feinstein; DDoS attacks they run; CIA & NSA stealth deals; privacy harvesting; Scientology-like employee indoctrination; cheap Asian labor; covert Axiom scams & other illicit things they get up to; one just has to wonder how the Big Tech oligarchs have time for anything else. Some of the largest political bribes in American, or European, history were paid via billions of dollars of pre-IPO cleantech stock, insider trading, real estate, "G" search engine rigging & shadow-banning, sex workers, revolving door jobs, nepotism, state-supported black-listing of competitors & under-the-table cash just to control mass media. Victims HR and employment records, on recruiting and hiring databases, are embedded with negative keywords in order to prevent the victim targets from ever gaining future employment. - Gary D. Conley, Seth Rich, Rajeev Motwani and many other whistle-blowers in these matters, turned up dead under strange circumstances. It is very possible that some of these attack services, operated by former CIA operatives, even offer discrete murder-for-sale services using high-tech assassination tools that make murders look like heart attacks and brain failures. - Disability and VA complaint hearings and benefits are frozen, delayed, denied or subjected to lost records and "missing hard drives" as in the Lois Lerner case.- Paypal (A DNC-biased operation) and other on-line payments for on-line sales are de-platformed, delayed, hidden, or re-directed in order to terminate income potential for target victims who competed with the attackers interests and holdings.- DNS redirection, "website spoofing" sends target victims websites to dead ends where no sales orders or customer inquiries actually get back to the target. These internet revenue activity manipulations are conducted using Google and Amazon servers..."

U.S.

Senators, Agency Heads & Congress are bribed by "G" intermediaries with: Billions of dollars of "G", Twitter, Facebook, Tesla, Netflix & Sony Pictures stock & stock warrants which is never reported to the FEC; Billions of dollars of "G", Twitter, Facebook, Tesla, Netflix & Sony Pictures search engine rigging & shadow-banning which is never reported to the FEC; Free rent; Male & female prostitutes; Cars; Dinners; Party Financing; Sports Event Tickets; Political campaign printing & mailing services "Donations"; Secret PAC Financing; Jobs in Corporations in Silicon Valley For The Family Members of Those Who Take Bribes; "Consulting" contracts from McKinsey as fronted pay-off gigs; Overpriced "Speaking Engagements" which are really just pay-offs conduited for donors; Private jet rides & use of Government fuel depots (ie: "G" h&ed out NASA jet fuel to staff); Real Estate; Fake mortgages; The use of Cayman, Boca Des Tores, Swiss & related money-laundering accounts; The use of HSBC, Wells Fargo, Goldman Sachs & Deutsche Bank money laundering accounts & covert stock accounts; Free spam & bulk mailing services owned by Silicon Valley corporations; Use of high tech law firms such as Perkins Coie, Wilson Sonsini, MoFo, Covington & Burling, etc. to conduit bribes to officials; & other means now documented by us, The FBI, the FTC, The SEC, The FEC & journalists. "G" & Youtube are based on technology & business models that "G" & YouTube stole from small inventors who had launched

other companies that were up & operating before YouTube or "G" even existed as business operations. "G" holds the record for the largest number of corporate sex scandals, abuses & sex trafficking charges. There are only two kinds of people that work at "G": 1.) Cult indoctrinated naive kids with odd sexual quirks & 2.) divisive managers & executives who seek to exploit those eco-chambered employees for nefarious political & stock market manipulation purposes under the Scientology-like guise of "doing good things", when, in fact, they are engaged in horrific crimes against society. "G" has hired almost every technology law firm in order to "conflict them out" from ever working to sue "G". If "G" rapes you, robs your patents or does anything awful, you won't be able to find a lawyer to help you. "G" bosses attend the same parties & business meetings in which they collude, co-lobby, rig markets & make anti-trust violating plans together. "G" is a private government with more money & power than most smaller nations. "G" has more lobbyists bribing more politicians than any other company in America. Eric Schmidt seems to be clinically "insane" Dr. Strangelove madman. Jared Cohen & fashion show-horse Yasmin Green at "G" had the job of over-throwing countries in the Middle East. They openly bragged about it. ([https://truthstreammedia.com/2013/06/02/"G's-regime-change-agent-jared-cohen/](https://truthstreammedia.com/2013/06/02/)). People that work at "G" get paid \$260,000.00+ per year to lie, spy, manipulate politics, bribe politicians & engage in other crimes. For that kind of money, a person will doing ANYTHING & rationalize it as "part of the higher cause". "...given the same number of lawyers as "G" has, with the same level of skills & experience, the same discovery budget, legal expenses budget & expert witness budget, we ABSOLUTELY GUARANTEE that we can put "G" staff & investors in federal prison & close "G", in bankruptcy...the "G" Cartel has engaged in that much criminal activity...". "G" is the largest financier of the Obama political campaign. The largest number of laws & policy decisions, benefiting a single company & its investors, went to: "G". "G", & its investors, during the Obama Administration, had most of their competitors denied funding, grants, contracts & tax waivers while "G"'s investors GOT funding..."

- That Stanford University creates rape-culture, corruption thinking & big tech douche bags that enable all of this corporate crime. See:

<https://www.unigo.com/colleges/stanford-university/what-do-you-consider-the-worst-thing-about-your-school-why> -- See: <https://www.youtube.com/watch?v=cCM73ICSOs8> -- See: <https://www.vox.com/recode/2019/5/2/18526213/tao-zhao-chinese-billionaire-college-admissions-sc&al-bribery> -- See: <https://www.kqed.org/forum/2010101889188/murder-corruption-coverups-the->

[strange-dark-history-of-stanford-university](#) -- Investigations report clips include: "...Stanford University builds corporate criminals, sex traffickers, sociopaths & elitist narcissists. It trains naive children to grow up to become adult stains on society! In California, elite arrogant asshole dynasties send their kids to Stanford University. Stanford puts the kids in asshole frat houses to train them to get away with rape & run monopolies. Rape cover-ups by frats from rich families; Epic racism; Staff sex scandals that make the whole campus look like A Caligula party; Dynastic families control the whole campus; Arab, Iranian & Chinese oligarchs pay bribes to get their kids in; The CIA is always recruiting everyone & the most notorious spy project: STARGATE, happened at Stanford; The Russian, Iranian & Chinese spy agencies have placed a huge number of spies on the campus as 'pretend students' & pretend teachers; Elitism is rampant; The Silicon Valley venture capitalists, up the hill on Sand Hill Road, get all their interns from Stanford & they date rape the hot ones with Ruffies, Scopalomine, & other amnesia drugs. The interns wake up with sore butts & can't remember why; To afford the fees, the girl students work as hookers at the Rosewood Hotel; The entire school is funded by bribery; 99% of the guys that went to Stanford execute 99% of the corporate corruption crimes in the world; Girls at Stanford, that can't afford tuition, become Match.com hookers. Everyone in the bay area knows that if a Match.com profile has the words: "STUDENT" & "GENEROUS" anywhere in the text, that the girls are offering sex-for-tuition. Send your hot daughter to Stanford & turn them into hookers. Match.com even has sex agents, on campus, that get a commission for getting girls to join Match.com; Rape is OK at Stanford as long as your daddy is rich or owns part of the Middle East. The Stanford deans & regents say: "Boys Will Be Boys"; Stanford provides buses that transport the sorority girls to the frat houses to get date raped & then back to the sorority houses drunk out of their minds or doped up on Ruffies & Scopalimine; There have been a number of strange murders & suicides at Stanford; Stanford students are perscribed the highest number of mental health medications of any campus in America; The land on the Stanford Campus could solve all of Silicon Valley's housing crisis; Chinese girls are sent to Stanford, by Chinese 'Wife Mills' to bag an Anglo husband & then divorce him 1 year after he hits paydirt. They are instructed to have 2 kids so the alimony upside is high. They pay a % of the money back to China; Tech Trophy Wives were invented at Stanford; The Guardsman, The Key Club & over 50 "Final Clubs" brain-wash students into elitism & tribal exclusion of all but your fellow 'club members' from your ethnic group; Most of the oligarch families paying bribes to Stanford are engaged in the

most brutal human rights violations in history. They murder people & have them cut up with a hacksaw. They run prison camps. Only an idiot would think that modern day Stanford has any remaining 'prestige' or 'credibility'. This isn't the 1800's any more. Shut this crap campus down!; When they graduate they either go up the hill to S&hill Road & start a venture capital clone operation or they get their frat friends on S&hill Road to racketeer-fund their start-up or political campaign using money scammed from your parents pension funds. They only work with their frat buddies & insiders in a tribal 'old boys club' manner; Most of the money in Stanford University bank accounts is from Foreign & Hollywood oligarchs delivered as bribes meant to get their snot-nosed brats into Stanford. Stanford bosses keep all of this covered-up & covertly fund political campaigns to grease the wheels of political corruption; They then sexually extort interns in Rosewood Hotel rooms, get the most 'trophy wife' ones pregnant, & start the cycle all over again. Stanford is the training ground for abuse, corruption & 'Bro-Crime'; The issues include: producing child suicides, racism, misogyny, child mental health threats, domestic spying, data harvesting, sex trafficking, election manipulation, tax evasion, Fusion GPS/Media Matters/ Black Cube hit jobs on competitors, censorship, contrived market monopolization, intellectual property theft, political bribery & many other social crimes! An unusually large number of their staff have been arrested for, or charged with, sex crimes, including under-age trafficking..."

- That Elon Musk is a "mobster" that rigs politics, & the stock market, & lies about everything. He is protected by hundreds of lawyers, investment bankers, PR hypsters & lobbyist/operatives & hundreds of public officials who get paid in stock market perk-bribes & other payola.

- That rare earth mining is a six trillion dollar political corruption scandal that California politicians cover-up because they own the stock in them. That lithium batteries are deadly, explosive, toxic fume causing, genocide causing, child labor causing, devices owned, in part, by California politicians!

- That the main way political bribes are paid, these days, is with hidden stock market assets!

- That tech oligarchs & California senators hire character assassins & hit job

attackers to harm citizens who speak out!

- That Solyndra was raided by the FBI and the numbers and facts uncovered were tracked back to White Presidential campaign financiers. U.S. taxpayers lost over \$500M, on Solyndra alone. After receiving a massive amount of federal dollars, the company mysteriously disappeared. Solyndra was using indium mined from Afghanistan. Tesla & Solyndra sit on the same plot of land which Senator Feinstein's family owns interests in. Tesla was using lithium mined from Afghanistan. Ener1 was using lithium mined from Afghanistan. After receiving a massive amount of federal dollars, the company mysteriously disappeared. U.S. taxpayers have, to date, lost over \$6 Trillion dollars on Afghan war mismanagement. Senator Dianne Feinstein lobbied for government funds to be given to Tesla & Solyndra. Her family held HR, land contract, construction, stock & other upside assets in both of those companies. Fisker was using lithium mined from Afghanistan. After receiving a massive amount of federal dollars, the company mysteriously disappeared. Abound Solar was using indium mined from Afghanistan. After receiving a massive amount of federal dollars, the company mysteriously disappeared. The U.S. Secretary of Energy had personal, financial & political relationships with each of the companies who were given federal cash that he controlled. He sabotaged every single other applicant, who, coincidentally, were the competitors to his friends who he awarded the taxpayer cash to.

- That this evidence, & the associated hard drives & witness testimony, will stand up as sworn, certified, warranted testimony in any federal jury trial, grand jury hearing, RICO Racketeering corruption trial &/or live televised Congressional hearing.

- That, given equally resourced, & financed, legal support & proper security protection, many hundreds of person's are willing to swear & warrant to the veracity of these assertions.

- That New York State, California State & Washington, DC elected officials, in particular U.S. Senators, did criminalize the domestic public policy system in order to acquire personal profits & monopolize industry markets for themselves

& their friends.

- That the investment firms of Goldman Sachs; Kliener Perkins; Draper Fisher Jurvetson; GreyLock Capital; & other venture firms participated in these schemes in violation of organized crime laws.

- That U.S. Senators Reid, Feinstein, Harris, Boxer, Pelosi, & other Senators, participated in these schemes in violation of organized crime laws.

- That U.S. Attorney Generals Holder, Harris, Schniederman, & other Attorney Generals, participated in these schemes in violation of organized crime laws.

- That certain senior law enforcement officials received full & complete crime reports & law violations disclosures about these crimes & stalled investigations, covered-up the crimes & tampered with evidence in order to protect their political friends & profit monetarily.

- That the members of this technology cartel "Mafia" group are selected for their social, physical & family similarities which include the tendency to engage in sociopath behavior, rape, sex abuse & sex-extortion, misogyny, tax evasion, money laundering, real estate fraud, racism, bribery, patent theft & other deviant behavior.

- That Google's VC's & executives, who are part of this cartel, plan & manually run election manipulation programs, privacy abuse, search engine rigging & militaristic information manipulation for personal profiteering at the expense of the public.

- That the Obama Administration used the U.S. Department of Energy as a campaign financier payola slush fund.

- That U.S. elected political officials hire & manage third party services to run reprisal campaigns against taxpayers & that those character assassination providers include: IN-Q-Tel, Think Progress, Black Cube, Podesta Group, EDS, Stratfor, Fusion GPS, IN-Q-Tel, Media Matters, Gawker Media, Gizmodo Media,

Syd Blumenthal, & other attack services which are illicitly compensated with laundered taxpayer resources.

- That the bribes & profiteering conduits for this scam are ignored by compromised FEC bosses & include: Dark Money fronts; family trust floats; shell corporation layering; insider trading in tech companies; revolving door jobs at Netflix, Google, etc; prostitutes; sports suites; political campaign search engine rigging, bot attacks & other illicit payola fund by the Obama Administration to pay campaign financiers & to sabotage their competitors.

- That the AI forensics of the FBI, Clearview, Yandex, NSA & thousands of other robotic investigation tools have been chugging away for years accruing all of the key connections, bank accounts, financial records, phone calls, payments to hookers & more. The journalists have produced thousands of hours of proof videos & tens of millions of pages of news reports. We have acquired vast amounts of eye-witness proof. Congress has published a huge number of reports proving our charges. The FBI, SEC & FTC have huge numbers of reports proving our charges. Millions of pages of leaked documents prove the charges. Your own staff whistle-blowers prove the charges!

- Victims demand Government-provided legal counsel, a jury trial & compensation for damages, expenses, back-salaries & monies owed. To be paid by the Defendants.

- Victims demand an end to the use of SSA, HUD, DOE, IRS & other government agencies for political reprisal vendettas & demand full retroactive payments of all stalled benefits, rights & resources that were with-held to punish victims for whistle-blowing.

- Victims demand the arrest & prosecution of the attackers. The attackers have been identified, by name, to the FBI, DOJ, (Because the crimes cross state lines) FTC, SEC, & other enforcement entities. We have also provided their names (Including Denton, Covert, George, Darbyshire, Podesta, In-Q-Tel, etc.) to the CIA, NSA, Interpol, DIA & related international agencies because the crimes involve international trafficking, money-laundering, tax evasion, bribery & related

criminality. We have demanded that those agencies investigate, place under surveillance, interview & forensically trace each attacker back to the command-&-control top-level financier of their attacks. The evidence in the identification of the attackers compensation providers contains absolute proof of the RICO & Anti-Trust law violating Cartel operations. Nobody else in the world suffered these attacks, by these attackers, who were all financed by, & in partnership with, the same entity. Those forensic connections, from attackers-to-their bosses, expose all of the criminals in the Cartel!

These facts are sworn, warranted and certified to be true before the United States Congress and the people of The United States.

ADVANCED TECHNOLOGY VEHICLE MANUFACTURING **LOAN AND LOAN GUARANTEE SLUSH-FUND CORRUPTION**

Check back; these files are updated daily by investigators. See the **evidence back-up** behind the topics at: (<http://www.federal-report.com>) (<https://focus-book.com>) (<http://www.tesla-motors-news.com>) (<http://the-elon-musk-problem.com>) (<http://the-san-francisco-hammer.com>) (<https://san-francisco-news.com>) (<https://sanfrancisco-news.org>) (<https://case-xyz2020a.com>) and a vast number of other self-propagating evidence mirrors around the globe...

Trillions of dollars of stock trades and direct payola bribes were exchanged using the White House as a broker and the United States Department of Energy as a stock market manipulation platform.

Corrupt political families conspire to give government funds, contracts, tax waivers, buildings, stock market profits and other insider perks to themselves and their friends. They also conspire to blockade, harm, sabotage and black-list those who compete with them and their friends. These corrupt politicians are never prosecuted for their crimes, and can laugh in the face of those who point out their crimes, because they control the prosecution system. Their Quid Pro Quo criminal corruption is the single largest cause of the taxpayer hatred of Congress.

What Went Wrong With The Electric Car Industry?

Only men seem to start car companies. Most psychologists say that this is because men see cars as dick insecurity emblems.

Elon Musk is known to be a wildly insecure narcissist who feels that he must get every woman, that he can find, pregnant in order to prove his manhood to his abusive father, who got his sister pregnant.

Musk embodies the ultimate expression of 'car-as-dick' thinking because Musk was not only molded by his purse-swinging, kept-woman, mother, abusive father and crooked brother but also by the Silicon Valley frat boy rape-culture.

Silicon Valley is, of course, the Eden of modern misogyny and tech-bro douche-baggery.

Musk dragged all of the biggest assholes from Silicon Valley, The DNC and Goldman Sachs into his Tech Cartel. Together they created a temporary monopoly in the electric car industry by exchanging stock market payola with Senators and White House staff who, in exchange, locked off the electric car and space industries just for Musk.

But that scheme was not sustainable. It was amazingly crooked and lucrative but, it could not last. It was Big Tech's Roman Empire and it was doomed to fail spectacularly.

Musk counted on Obama and Biden to stick with his original quid-pro-quo deal to trade government cash for election rigging via his boyfriends at Google and Facebook. Tesla was the money conduit for a bunch of political scammy.

Biden and his cheerleader actress front girl: Jennifer Granholm, bounced into office with a Wizard of Oz promise to give everybody electric cars. They were so wrong about the pitfalls of their plan and they hired so many idiot sex freaks and unicorn fart unaware fools that their scheme blew up...instantly and literally.

---- That's right! Your public officials use federal agencies as dark-money laundering operations for their friends. EVERY APPLICANT WHO HAS BETTER METRICS THAN WHITE HOUSE INSIDERS FISKER AND TESLA GETS REJECTED. DOE

DOES THIS TO PROTECT OBAMA AND BIDEN CAMPAIGN FINANCIERS WHO PAID BRIBES IN ORDER TO GET THIS GREEN PAYOLA. IN A PUBLIC, SIDE-BY-SIDE, COMPARISON THE DOE "WIINERS" WOULD LOSE AND THEY CRONYISM WOULD BE EXPOSED!

---- If you are a taxpayer: You suffered damages!

---- If you are an American business: You suffered damages!

---- If you are Democracy: You were broken!

---- If you were a tech mobster: You made out like a bandit!

---- This is how it worked. No public official wants these crimes to end because most of those officials profit from these crimes! Forget about any allegiance you might have to one political party over another. This is not about parties, this is about racketeering crimes!

---- The Solyndra taxpayer, technology, financial and political disasters that began during the corrupt reign of Steven Chu and Jennifer Granholm at the Department of Energy typified the overt, organized crime, corruption and crony malfeasance of the public funds.

---- This trend was created via the back-door deals between 1.) the U.S. Department of Energy and audacious kick-back schemes created by 2.) Silicon Valley campaign financiers and the 3.) White House. This is the story of the racketeering schemes and scams that set out to steal trillions of dollars of taxpayer cash, in plain sight, under the cover of a national "economic" or "health" emergency "stimulus" scam.

---- There are hundreds of millions of people in America. The same 120 of them are all involved in operating the same crimes and corruption including: the Sony Pictures corruption; the Afghanistan rare earth mine scandals operated through The Energy Department political slush fund that involves the lithium battery cover-ups (headed by Elon Musk); the Big Tech Brotopia rape, sex trafficking, bribery, exclusionism, racism and misogyny issues they were taught at Stanford University; The Facebook – Meta – Google – Alphabet – Netflix, et al, coordinated news manipulation and domestic spying that they engage in; the hiring of Fusion GPS – Black Cube – Gizmodo/Gawker assassins; the destruction of the housing market by their mass real estate manipulations; patent theft and industrial

espionage; and the bribery of almost every politician all the way up to the Oval Office.

---- So, while the categories covered in this investigation may seem diverse. They are connected through an enterprise of criminality and illicit, coordinated operations. We list, by name, the 120 most complicit individuals organizing these crimes, in the evidence documents already submitted to the FBI, FINCEN, DOJ, FTC, SEC, FEC, Congress, InterPol and other authorities. Digital financial tracking of those persons and all of their family members should be assumed to have been under way for some time. Wire-taps and device taps of those persons and all of their family members should be assumed to have been under way for some time.

---- The United States Department of Energy runs a political crony payola slush fund. They don't "support green cars"; they support "greenbacks for crony insiders who financed political campaigns". The U.S. Department of Energy violates anti-trust law by funding only the friends of The President and cutting out their competitors. The "Secretary Of Energy" is a paid actor who owns the companies that the government finances.

---- Competitors to White House financiers are specifically and illegally excluded from participation in funding, benefits, jobs and income by major political figures, including U.S. Senators and White House executives, and their Silicon Valley oligarch financiers. These corrupt politicians attack others who refuse to cooperate with their crimes including: 1.) sex trafficking, 2.) tax evasion, 3.) off-shore money laundering, 4.) political bribery quid-pro-quo, 5.) revolving door payola scams, 6.) foreign nation-sponsored domestic manipulations, 7.) stock market rigging, 8.) internet censorship, 9.) search engine manipulation and other crimes.

---- They attacked citizens who report their crimes to federal police. They also attack citizens who make products that obsoleted their products at Facebook, Google, Tesla, Netflix, etc. These corrupt politicians attack citizens using taxpayer-funded state resources. That is a felony violation of the law. The ongoing cover-up of these crimes and attacks is also a felony violation of the law. The victims are owed damages compensation, witness fees and back-pay.

---- Top Lawyers from Perkins Coie and Covington & Burling admitted that they "CONTROL" who gets DOE funding, agency appointees and federal cash

THE UNITED STATES DEPARTMENT OF ENERGY

ADVANCED TECHNOLOGY VEHICLE MANUFACTURING LOAN AND LOAN GUARANTEE SLUSH-FUND CORRUPTION

The **Advanced Technology Vehicles Manufacturing (ATVM) Loan Program** is a \$25 billion direct loan program funded by [Congress in fall 2008](#) under the guise of "providing debt capital to the [U.S. automotive industry](#) for the purpose of funding projects that help vehicles manufactured in the U.S. meet higher mileage requirements and [lessen U.S. dependence on foreign oil](#)." The PR department for the U.S. Department of Energy spends nearly a million dollars per year seeking to manipulate news and social media to try to pitch their message that the program was a "success". In fact, it has been, and remains today, ***one of the most criminally corrupt failures in American history***.. It was only a "success" as one of the biggest political slush-funds ever created!

THE FACTS:

Victims had global character assassination and propaganda-media defamation reprisal attacks operated against them by White House staff and their political financiers: Elon Musk, Larry Page, Steve Jurvetson, Eric Schmidt, Steve Westly, John Doerr, et al. Jury and FBI-compliant evidence proves this as fact.

Victims were attacked because 1.) they helped law enforcement investigate the attackers, 2.) They competed with the attackers that attacker's products and the Silicon Valley Cartel attackers chose to "cheat rather than compete". Jury and FBI-compliant evidence proves this as fact.

The attackers spent over \$30M, part of that using taxpayer resources, attacking the victims as proven in the financial transaction records from Google, Gawker, Gizmodo, Jalopnik, Media Matters, Fusion GPS, et al. Jury and FBI-compliant evidence proves this as fact.

Victims had been previously funded by the U.S. Government and had a multi-decade relationship with the highest offices of the Government, which provided them with deep knowledge of the crimes that were committed. Jury and FBI-compliant evidence proves this as fact.

The U.S. Department of Energy is used as a political slush fund to pay back campaign finance millionaires while blockading the competitors of those millionaires from reaching the market or receiving funding. Jury and FBI-compliant evidence proves this as fact.

The only entities who participated in the global character assassination and propaganda-media defamation reprisal attacks were those entities owned and controlled by the attackers. Jury and FBI-compliant evidence proves this as fact.

Through corrupt rare-earth mining scams and control of federal contracts and grants, attackers had planned to acquire at least one trillion dollars in unjust gains and illegal profiteering. Jury and FBI-compliant evidence proves this as fact.

This amount of money they sought, and the "Mafia-like" structure they adopted, caused the suspects to engage in the most extreme crimes, including murder and "Deep State" coup attempts. Jury and FBI-compliant evidence proves this as fact.

A significant number of person's who were in conflict with the attackers have died in suspicious manners. Jury and FBI-compliant evidence proves this as fact.

The suspects have hired the largest numbers of lobbyists and corporate manipulation lawyers in U.S. history in order to manipulate political decisions. Jury and FBI-compliant evidence proves this as fact.

The suspects have spent more money on political bribes than any group of men has spent in the last century. Jury and FBI-compliant evidence proves this as fact.

The suspects placed top federal law enforcement and agency bosses (ie: Michelle Lee, Steven Chu, Kamala Harris, James Comey, et al) from their own Cartel, into top government positions, with orders to run cover and protection schemes for them. Jury and FBI-compliant evidence proves this as fact.

California State officials including the Governor, Controller, The Senators, Secretary of State and regional officials participated in these crimes and pocketed the initial profits from these crimes in covert investment banking. Jury and FBI-compliant evidence proves this as fact.

Tesla Motors, Google, Netflix, Facebook, LinkedIn, Amazon and other tech Cartel members operate with a common goal of psychological mass ideology manipulation and monopolistic profiteering based on government sponsored

anti-trust violations and server control exclusivity. Jury and FBI-compliant evidence proves this as fact.

The attempted cover-ups of these crimes continues to this day. Jury and FBI-compliant evidence proves this as fact.

A case study in pay-to-play cronyism

By Dan Epstein

News flash: Government subsidies and special-interest favors go hand in hand.

The latest example comes from a federal green-energy loan program. Last month, the DC District Court [ruled](#) that Cause of Action, where I am executive director, can [proceed with a lawsuit](#) against the Department of Energy. We're suing the federal government for the blatant political favoritism in its \$25 billion "Advanced Technology Vehicle Manufacturing Loan Program."

In principle, this taxpayer-funded program was supposed to support the manufacture of energy-efficient cars. In practice, it rewarded a select few well-connected companies.

Since the program was created in 2008, numerous businesses have applied for its taxpayer-backed financial support. Yet only a small number were approved. Among the lucky few were two electric car manufacturers: [Tesla](#) and [Fisker](#).

Both companies' political connections run deep, especially Tesla's. The company's founder, Elon Musk, was a [max donor](#) for President Obama. One of its board members, [Steven Westly](#), was appointed to a Department of Energy [advisory board](#). And another Obama bundler, Tesla investor and adviser Steven Spinner, [secured employment](#) in the department's Loan Program Office—the very office that gave the company a taxpayer-backed loan.

Fisker also has friends in high places. The company, which has since [gone bankrupt](#), [was backed](#) by a San Francisco [venture capital firm](#) whose senior partners [donated millions](#) to the 2008 Obama campaign and other Democrat causes. [One partner](#), [John Doerr](#), parlayed his support into a seat on the President's Council of Jobs and Competitiveness.

Such connections can allow a company to exert political pressure to enrich itself. Unsurprisingly, Department of Energy emails show that such pressure was rampant in its loan programs.

There's no shortage of examples. The department's leaders—including then-Secretary of Energy Steven Chu—repeatedly promised to deliver results to politicians like Rep. Steny Hoyer (D-Md.) and Sen. Harry Reid (D-Nev.). [One emails reads](#), “DOE has made a political commitment” to approve a company's loan. Another says the “pressure is on ree a heavy” from none other than Vice President Joe Biden. And still [another shows](#) an employee asking, “what's another billion anyhow?”

Unsurprisingly, the Obama administration gave Tesla and Fisker preferential treatment, and then some.

The Department of Energy revised its review process in order finish the companies' applications faster. The government [gave them extraordinary access](#) to its staff and facilities—even to the point of having government employees personally walk them through the loan application and approval process. The department ignored its own lending rules in order to approve the companies' loans. And it [renegotiated the terms of some loans](#) after the companies could not keep their original commitments or were experiencing financial difficulties. Tellingly, Fisker has since gone out of business, despite receiving over a billion dollars in loans through this federal program.

Now contrast this preferential treatment with what happened to XP Vehicles and Limnia, neither of which have the same political connections. (My organization is suing the Department of Energy on their behalf). The two companies partnered to manufacture an energy-efficient sport utility vehicle that would have competed with Tesla and Fisker's cars. They applied for loans in 2008 and 2009 under the same loan program.

The department refused them both—and it used bogus reasons to do so.

For starters, the department made claims that were laughably false. To take one example: It rejected XPV's application because [its vehicle was powered by hydrogen](#). It was an electric SUV. It also raised objections that it didn't raise with other companies whose applications were approved. For instance: The bureaucracy [criticized](#) the proposed all-electric vehicle for not using a specific type of gasoline. Yet Tesla and Fisker received the loans despite producing similar all-electric cars.

In light of these obvious problems and hypocrisy, both companies presented the Department of Energy with detailed rebuttals. Yet the government failed to respond. To this day, both XPV and Limnia are awaiting a satisfactory reply. In the meantime, [XPV has gone out of business](#), unable to compete against its politically connected—and subsidized—rivals.

This casts the Department of Energy's loan program in a new light. It was sold to the American public as a means of promoting energy-efficient vehicles. Instead, it was used to benefit a select few well-connected companies. It was a blatant crony handout, paid for by the U.S. taxpayer.

Sadly, similar examples are widespread in Washington. That's no surprise considering the feds spend roughly \$100 billion a year in taxpayer-funded handouts to businesses. This breeds the sort of government-business collusion Americans think is rampant in Washington. In fact, over two-thirds of likely voters think the federal government helps businesses that hire the most lobbyists, shake the right hands, and pad the right pockets. They're right.

This points to a simple conclusion: Politicians and bureaucrats shouldn't use the public's money to pad private companies' bottom lines. As the Department of Energy's green-vehicle loan program shows, the capacity for corruption is immense—and inevitable.

Note: We have absolute and indisputable intelligence agency, FBI-verifiable and forensic expert proof of all of these assertions.

The program was used by the Obama Administration to provide crony payola kick-backs to financiers and friends of the Obama Administration and to attack the competitors of the Silicon Valley financiers of the Obama Administration.

As of 2019, the U.S. Department of Energy claims that they "overhauled" and "re-did" the ATVM program and its sister program: the Loan Guarantee Program. In fact, that is false.

When you peel back the onion-skin of corruption around the covert stock market and investment bank holdings of Eric Schmidt, Dianne Feinstein, Nancy Pelosi, Elon Musk, etc.; you find that they are invested in something called "rare-earth mining". Rare earth mines are generally in third world nations and use child slave labor. These toxic corrupt operations are responsible for more murders, beatings, rapes and genocides (over control of these "blood minerals") than anything on Earth. These minerals are used in the electric cars, cell phones and solar panels

that Silicon Valley has attempted to control. So, you see, it isn't about "*saving the environment*"; it is about greed, bribes and corruption on an epic scale.

The program continues today as a political slush-fund and it is as corrupt as ever. It has NOT been "cleaned-up"! It is STILL a cesspool of corruption! Obama hold-overs and corrupt insiders, with personal conflict-of-interest stock and revolving door career deals, still control the funds and steer the monies exclusively to their friends.

The program has not funded any company who is not a campaign-finance friend of the Obama Administration. The DOE program attacked, lied to, stalled, delayed, gate-keeper blocked and harmed any Applicants who competed with Tesla, Fisker and the Obama financiers. Through the Silicon Valley control of the ***facade group: "The National Venture Capital Association"***, DOE ensured that NO car company or solar company in America could get funded, by any private means, without Silicon Valley oligarch approval. The DOE is a corrupt organization operated by corrupt insiders for corrupt purposes!

DOE's ***two main manipulation tricks*** are: 1.) **STONE-WALLING** - Where DOE staff throw outsider Applicant's filings in a box and forget about them for many years in a Lois-Lerner'd review process that takes any commercial bank only 2 weeks to complete. DOE spends years doing hyperbolic nothings in order to delay campaign financiers competitors, and 2.) **INTERPRETIVE LYING** - Where DOE staff make up things that Applicant's never said and twist the Applicant's words into anything BUT what the Applicant's intended, in order to manipulate non-favored Applicant's into negative interpretations. DOE staff never even called outsider Applicant's for clarity discussions of any key data. They did not want to hear the truth, they couldn't handle the truth! They only wanted their crony's to win the funding!

Every applicant who applied, who was not a crony insider, hard-wired, Obama bagman was **DEFRAUDED, LIED TO, STONE-WALLED** and used as a smoke-screen to hide the true nature of the crony payola scheme operated by Secretary of Energy bosses Chu, Moniz and Perry. They are owed money to pay for their damages from tort-based interference in their businesses and other fraud-related DOE-operated causes-of-action.

Silicon Valley oligarchs hired "Lobbyists" (who are political operatives who offer bribes to politicians without ever using the word "bribe") to take-over the program. Silicon Valley insider McKinsey staffed the DOE department while working for the Silicon Valley oligarchs. In a typical corruption example: Steve

Spinner worked at DOE handing out money to Solyndra which his wife Alison Spinner worked at as Solyndra's lawyer, while the DNC mailer referred to each of them as the "top West Coast fund-raisers for the DNC".

STOP THE BRIBES OF CALIFORNIA SENATORS

Originally Obama's "car Czar" Steven Rattner (indicted for stock market securities fraud), working from the West Wing of the White House, had offered a portion of the money to Detroit Auto Unions if the Detroit Unions ordered all of their members to vote for Obama in exchange for bail-outs. Obama insiders David Plouffe (indicted for payoffs to Rahm Emanuel), David Axelrod, and Robert Gibbs extended the deal to the Silicon Valley oligarchs in exchange for global search engine manipulation favoring Obama

A "Silicon Valley Mafia" (AKA - "The PayPal Mafia") exists and is populated by the Bay Area technology oligarchs, their operatives and the West Coast Senators, all of whom profit illicitly off of a combined monopoly and stock market cartel that they control. FBI Director James Comey was fired for protecting his friends in this cartel.

Let us examine the charges against the Department of Energy supported by the factual evidence:

- DOE officials told Applicant's they had to pay tens of thousands of dollars in order to apply for the LGP monies but with-held responses until after the deadline had passed in order to cut non-Obama financiers out of the running.
- Google provided the staffing for the agencies involved, the media manipulation for the politicians involved, and was the beneficiary for some of the funds in a 4-way conflict of interest in which Google staffed the largest contingent of Obama White House staff.
- Steven Chu handed massive amounts of DOE cash to Russian billionaires from Ener1, Severstal and other Russian connections even though they were foreign billionaires who had no need of U.S. taxpayer subsidies. If one wants to look at dirty Russian collusion, they need look no further than Steven Chu, the architect of the failed Iran Nuclear deal and corrupt Uranium One deal. Steven Chu and Rahm Emanuel ordered DOE's Sandia Livermore Labs and Argonne Labs (who they were both connected to) to manipulate Applicant data in order to only favor campaign financiers companies.

- DOE abuses of process defrauded non-insider Applicants out of billions of dollars of their savings and investor monies yet DOE never offered those that it harmed and recompense.
- DOE officials owned stock market stock and revolving door job promises in the very companies that they were supposed to be conducting "due diligence" on.
- Tesla Motors and SpaceX were staged as campaign finance dark money conduits to transfer taxpayer cash from government treasuries to private parties and then into campaign funds without transparent public disclosure.
- The Obama Administration promised an exclusive on Afghanistan mining deals to Frank Guistra and the Silicon Valley oligarchs for lithium, indium, cobalt and rare-earth metals mining after USAID pitched (http://2.bp.blogspot.com/_VyTCyizqrHs/TBaffwKixYI/AAAAAAAAAH74/Wee8LTQfo3k/s1600/afghanminerals.jpg) manipulated reports from McKinsey Consulting saying that "*Afghanistan was the Saudi Arabia of lithium and had trillions of dollars of lithium*" to dig up. It turned out to be a lie to get oligarchs to support Obama's Afghan invasion. (<http://pubs.usgs.gov/fs/2007/3063/pdf-page.jpg>) DOE helped sell this lie because the Russians had already scoured Afghanistan and found it to be fairly worthless as a mining potential. Elon Musk bought into this for his battery monopoly. This is why Steven Chu gave so much money to Russians at Ener1 and Severstal. DOE staff were fully aware of this. (<http://www.mining.com/1-trillion-motherlode-of-lithium-and-gold-discovered-in-afghanistan/>)
- Google, a Tesla investor and bromance buddy with Elon Musk, hired more lobbyists for DOE influencing than anybody had ever hired before in U.S. history. Google hides all negative news stories about Musk and Tesla and only shows fake news hype about Musk, Tesla and SpaceX because Larry Page and Elon Musk share an apartment and financial programs.
- The DOE ATVM and LGP programs are based on arbitrary metrics which are not even followed by DOE evaluation staff. There is a secret black-list in operation to keep companies who are competitors to Obama's financiers from ever getting funded. Even though many Applicant's beat every "winner" in Obama's DOE handouts, they were excluded, denied and discriminated against simply for competing with Obama's Silicon Valley oligarchs.
- Steven Chu, after getting thrown out of office, went to work for the very people he was supposed to have been conducting due diligence on. Chu is considered to

be one of the most criminally corrupt public officials ever in charge of an agency aside from his peer, who also made corruption history: Eric Holder, who helped Comey cover-up the crimes.

- The DOE ATVM and LGP programs resulted in: ***THE LARGEST DISTRIBUTION OF TAXPAYER CASH TO THE MOST COMPANIES THAT THEN WENT IMMEDIATELY WENT BANKRUPT IN THE HISTORY OF AMERICA!*** Not only has the DOE ATVM and LG program been NOT A SUCCESS, they have been a disaster!

- Goldman Sachs and Deloitte engineered INTENTIONAL bankruptcies so that their Silicon Valley oligarch clients could claim windfall tax write-offs which the U.S. Treasury said resulted in "unjust gains" for those oligarchs. In other words, the tech oligarch billionaires took U.S. taxpayer subsidies, which they did not need, and then bankrupted their own companies so that they could reap profits in tax write-offs. On top of this Goldman Sachs skimmed "fees" off-the-top for arranging these deals, at taxpayer expense, and then ALSO profited from the "bumps" to the stock market valuations in pump-and-dump crimes. **TO BE CLEAR: MANY OF THESE BANKRUPTCIES WERE TAX SKIMS CREATED TO FAIL! After realizing this, Applicants and Congressional insiders forced ALL of the kick-back funded companies into bankruptcy as payback for the corruption and abuse of their resources. Said one Senator: *"If they want bankruptcies, we will give them bankruptcies..."***

- Lachlan Seward, one of the DOE money laundering insiders, threatened Applicant's that if they "made trouble" they "would never be funded by DOE as long as they lived".

- When Tesla Motors got their DOE money approved they had NO DESIGN AND WERE PLANNING TO BUILD A FACTORY. Both of which were against the so-called Section 136 Rules. Tesla used the DOE money to hire engineers to design the car from scratch as proven by the engineers that were hired. Tesla was running all over the country trying to stage a real estate scam with Dianne Feinstein's Husband's company CBRE. Tesla even got sued for these real estate scams. DOE stated that the "rules" said you already had to have a factory and a design, which the other applicants had. So, against the "rules" Tesla got the money and figured out the car LATER and did not use a pre-existing factory until they were later forced to follow the rules.

- For the same kind of commercial loans, Bank of America and Wells Fargo take 4 weeks to approve loans this large. DOE staff were either too stupid to review

loans in less than 3 years or were intentionally stone-walling every applicant who was not an Obama crony.

- As shown by this letter:

<https://news.wttw.com/sites/default/files/Letter%20from%20Bright%20Automotive%20to%20US%20Dept%20of%20Energy.pdf> ...and hundreds of Congressional reports, DOE staff proved themselves to be liars and scumbag political manipulators at every turn.

- The public has not seen the entire FBI and SEC investigation records on the FBI raid and investigation of Solyndra because the records point straight back to the White House Oval Office!

- A Congressional report on the ATVM and LG programs exposed layers and layers of crony payola.

- The only Judges who got to rule on the cases were "Obama Judges" appointed by or beholden to the Obama Administration.

- A CBS News 60 Minutes segment called: "**The Cleantech Crash**" revealed that many of the assets of the ATVM and LGP disasters had been funded by the taxpayers and then sold to China in deals that benefited Diane Feinstein's family and financiers. Later Dianne Feinstein was found to have Chinese spies and insiders on her staff. The Feinstein family owned the stock, staffing services, construction company and services companies at Tesla and Solyndra, which Feinstein got the federal cash for. Her staff then went to work at Tesla and Solyndra.

- Although felony-class crimes occurred, no DOE officials have ever been charged with crimes..although multiple FBI officials have been charged with covering up those crimes.

- Vice President Al Gore, John Doerr and Vinod Khosla have had all of their finances tracked and connected together through covert routes that reveal insider stock trading and government policy manipulation, in this case, for their own personal profiteering.

- Attorney General William Barr has been formally asked, by Applicants, to appoint a federal Special Counsel to investigate this matter.

- The Dark Money FEC campaign finance limits were exceeded by the Silicon Valley oligarchs by many magnitudes in this novel deployment of quid-pro-quo

and search engine rigging services for political favors and funding.

- There has not been a single person involved in "green" DOE funding programs who cared anything about "green energy". The use of the term "green" was a psychological ploy to seek to pacify the public with a crunchy granola positive vibe while stealing taxpayer money in plain sight.

- The Obama White House produced a "white list" of friends companies who could get funded and a "black list" of their competitors who could never be funded because Silicon Valley financiers said so. These lists were created from input from John Doerr, Steve Westly and Doerr's business partner: Al Gore. Even though most Applicant's beat the metrics, features and national security issues of favored Obama Applicant's, no outsiders and no non-campaign financiers would ever be approved.

- The very first Applicant for the ATVM fund was XP Vehicles, which was solicited to apply by DOE and Barbara Boxer's office. The 1.) Section 136 law, 2.) DOE videos of meetings and 3.) DOE documents clearly state that Applicant's would be reviewed on a **"first-come, first served"** basis per the federal law. When XP, which was black-listed by the White House because it competed with Obama financiers Tesla and Fisker, moved far ahead in the Applicant list, DOE illegally changed the rules so that "first come - first served" was ignored and only favored insiders were reviewed. XP, Brammo, EcoMotors, Elio, etc. were all "bottom drawered". Even though XP hand delivered, to DOE and Congress, more customer order proofs than ALL other Applicant's combined, DOE insiders, who held stock in competing companies, placed XP on a permanent black-list.

- As of December 28, 2008 DOE staff already decided who would "win" the money, and who would not, because the entire program had been hard-wired, via lobbyists and insiders, to only go to the "white list" applicants. Nobody who was not on the original "white list" could ever get DOE funding. It only takes one "insider" at DOE, from the Obama Administration (many are still there) to kill any application, no matter how much better that proposal is compared to every other applicant.

- U.S. Department of Energy and White House officials hired Nick Denton's sleaze-ball tabloid empire comprised of Jalopnik, Gawker Media and Gizmodo Media to run character assassination and defamation campaigns, in partnership with the DNC's Google, to attack any person who exposed the corruption scam at DOE.

- The GAO wrote multiple federal reports confirming that DOE was running one of the most poorly administrated non-transparent operations ever and that DOE staff were not even following the Section 136 law.

- White House and DOE staff hired Gawker, Gizmodo, Jalopnik defamation bloggers to attack those who exposed the plot. Patrick George At Jalopnik attacks outsiders under contract with Elon Musk and DNC. Silicon Valley campaign finance oligarchs hire him to run hatchet jobs on innocent outsiders and then Gawker-Gizmodo-Jalopnik uses their financial partnership with the DNC's Google to push the character assassination articles to the top of Google web products and searches. Patrick George, Adrian Covert, John Hermann and Nick Cook are the sexually degenerate cabin boys that report to boy-loving sleaze-tabloid oligarch Nick Denton. They created the Fake News crisis in the media by flooding the internet with defamation posts and reprisal hatchet job articles designed to damage political enemies of the Socialists. They coordinate a large number of the character assassination efforts at Gawker, Gizmodo, Jalopnik, CNN, New York Times and other propaganda outlets.

GOOGLE_ATTACKS.png

Google Gawker Attacks

ATTACK 7.png

(Above, From tens of thousands of internal Google documents leaked)

- DOE staff never even communicated with Applicant's, who were not Obama insiders; yet Tesla, Fisker and other Obama insiders got hundreds of phone calls, meetings and careful help to hand-hold them through the process to make certain that they got their payola while the outsiders only got blockades, Lois Lerner "missing hard drives" and stone-walls.

- The DEFRAUDED staff and employees of Bright, XP, Limnia, ZAP, Brammo, and the other Applicant's, have **NEVER** gotten a fair court hearing, Congressional or IG hearing that was not compromised by an Obama Judge or stock-owning insider. They are owed money for their damages from the deeply corrupt DOE programs!

- The Obama Administration officials who carefully manipulate the DOE and federal process for crony favorites include: Steven Chu, Kathy Zoi, Carol Battershal, Steve Westly, Steven Spinner, John Podesta, Jonathan Silver, Danial

Cohen, et al; with cover-up support from James Comey, Eric Holder, Steve Rattner, et al...

- Over a thousand other criminal and ethics violation charges are charged against DOE and its associates yet no actual interdictions have taken place in California or federal government actions because the "Deep State" cover-ups are so extensive. The raw criminality of the U.S. Department of Energy in these matters is verified, proven and audacious...

 OBAMA FAILURES

'Treason!' - AG Barr Finds 'Government Power Was Used By Obama Administration To Spy On American Citizens And Run Dirty Tricks Reprisal Operations'

 [Profile picture for user Tyler Durden](#)

by [Tyler Durden](#)

In his first pair of interviews since being sworn in, Attorney General Barr told [Fox News](#) and [WSJ](#) that he was pursuing the investigation into the origins of the Trump-Russia probe - an investigation [he has tasked](#)

[John Durham, the US Attorney from Connecticut](#), with leading - because Americans need to know whether the government "**put a thumb on the scale**" to try and undermine President Trump both during the campaign and during the first two years of his term, just like "**we need to ensure that foreign actors don't influence the outcome of our elections.**"

Separately, he told [WSJ](#) that "**government power was used to spy on American citizens...**I can't imagine any world where we wouldn't take a look and make sure that was done properly."

Barr has doubled-down on using the term 'spying', which has angered Democrats, after first using it during Senate committee testimony from April 10, where he uttered the now-infamous phrase "I think spying did occur."

 [Barr](#)

The AG has declined to elaborate on what prompted these concerns, **though he has said he'd be interested to see the underlying intelligence that sparked the FBI decision**, in the summer of 2016, to open a counterintelligence investigation. At this point, **Durham's review isn't a criminal investigation**, and

Barr hasn't offered a timetable for when the investigation might be completed. Ultimately, the probe could lead to changing FBI protocols involving investigations into political campaigns.

Appearing to respond to Barr's interviews, President Trump declared that his campaign was "conclusively" spied on.

My Campaign for President was conclusively spied on. Nothing like this has ever happened in American Politics. A really bad situation. TREASON means long jail sentences, and this was TREASON!

— Donald J. Trump (@realDonaldTrump) [May 17, 2019](#)

As far as we know, the FBI first started investigating the campaign after an Australian ambassador told his superiors that George Papadopoulos had appeared to know about Russian plans to release 'dirt' on Hillary Clinton. The FBI later sent an informant, Stefan Halper, and a woman who identified herself as a research assistant, to meet with Papadopoulos and push him to say whether Russia was helping the Trump campaign.

The Corrupt Greentech VC Influence Over Washington

Katie Fehrenbacher

[- How Silicon Valley Oligarchs Took Over The Obama Administration](#)

There've been a couple articles in the past few weeks pointing to President Obama as the "[clean tech investor in chief](#)" and the [presidential VC with bets on clean energy](#). The real trend is that venture capitalists focusing on greentech seem to have had an unprecedented influence on U.S. federal policy and allocations of the stimulus package.

When I attended the Department of Energy's (DOE) first [ARPA-E conference](#) (Advanced Research Projects Agency-Energy) earlier this year in Washington D.C., I was struck by how many venture capitalists were there. I shared a cab back to the airport with some familiar Silicon Valley faces, and was told if your firm didn't have a dedicated person in Washington — in some circles they call them lobbyists — maneuvering grant and loan programs, you weren't able to be competitive.

Just look at the figures from the stimulus package (which I am fully in support of): somewhere between \$50 billion and \$80 billion into clean power and energy efficiency initiatives ([depending on how you slice it](#)). The Obama administration has gone out of its way to seek the advice of green-leaning venture capitalists and entrepreneurs in the Valley on how to spend that colossal amount and what programs would be the most affective.

Kleiner Perkins managing partner John Doerr is on President Obama's [Economic Recovery Advisory Board](#), and was able to convince Vice President Al Gore to join Kleiner, in addition to former Secretary of State Colin Powell. Kleiner's investments have had some successful government bids, most notably the [\\$529 million loan to Kleiner portfolio](#) company Fisker Automotive out of the DOE's highly competitive Advanced Technology Vehicles Manufacturing, or ATVM, program. Fisker plans to use the loan to build its factory and launch its electric vehicle in 2011.

If you remember, another winner of the \$25 billion ATVM program was Tesla Motors (s TLSA), which, as most of us know, was backed by venture capitalists from Draper Fisher Jurvetson, Technology Partners, and Vantage Point among others.

I attended Khosla Venture's LP meeting earlier this year where the firm [announced that former UK Prime Minister Tony Blair](#) would be joining the firm as Senior Advisor. Several of my journalism peers were comparing the political influence Blair could wield to what Kleiner was doing with Gore.

The Obama administration appointed [former venture capitalist Jonathan Silver](#) as its loan chief to lead both the DOE's loan guarantee and ATVM loan programs. About a third of the DOE's loan guarantee commitments went to venture-backed startups, including thin film solar maker Solyndra and solar thermal company BrightSource.

I [wondered earlier this year](#) if the loan guarantee for Solyndra wasn't a mistake, given the company has one of the highest manufacturing costs out of its competitors. The company withdrew its IPO plans, citing poor market conditions. The Government Accountability Office also found that the loan guarantee process treated some companies unfairly in their bids and risked "excluding some potential applicants unnecessarily."

There's nothing inherently wrong with venture-backed companies getting government support, and the energy sector needs even more federal funding to create innovation. I support Doerr and Bill Gates' [calls for boosting federal government](#) investing to \$16 billion per year into energy innovation. All I'm saying is that this level of influence should be watched.

Another Tesla car catches fire in Hong Kong parking lot: media - ALL TESLA BATTERIES EXPECTED TO HAVE CHEMISTRY DEGRADE AND EXPLODE AS DOE WAS WARNED IN WRITING BY BERNIE TSE, BRIGHT AND XP

HONG KONG (Reuters) - A Tesla Inc electric car caught fire in a parking lot in a Hong Kong shopping mall, the Apple Daily newspaper said on Tuesday, but no one was injured in the blaze, whose cause was not immediately known.

The electric car burst into flames 30 minutes after being parked in the city's San Po Kong district on Sunday, the newspaper said, with three explosions seen on CCTV footage.

Firemen took 45 minutes to douse the fire.

The vehicle was a Tesla Model S 85 KWH dual power version, added the paper, which gave no explanation of what might have caused the blaze.

Responding to a request from Reuters, Tesla declined to comment. Reuters was not able to contact the vehicle owner or obtain CCTV footage of the incident.

Hong Kong's fire services department told Reuters a vehicle caught fire on Sunday, but gave no details, such as the make of the car. Authorities are investigating the cause.

The incident comes three weeks after Tesla said it had sent a team to investigate a video on Chinese social media that showed a parked Tesla Model S car exploding in the commercial hub of Shanghai.

The automaker has said its EVs are about 10 times less likely to experience a fire than petrol-powered cars.

There have been at least 14 instances of Tesla cars catching fire since 2013, most of them after a crash.

DEADLY EXPLODING LITHIUM ION BATTERIES AND COBALT CORRUPT MINING SCAMS ARE KILLING AND ROBBING THE PUBLIC WITH DIRTY "BLOOD MINERALS" THAT ARE TOXIC, SELF-IGNITING DANGERS

Lithium ion batteries: Cause wars in the Congo, Afghanistan and Bolivia from the corrupt mining deals involved with mining lithium and cobalt; are insider trading-

owned by ex-CIA boss Woolsey and DOE Boss Chu; excrete chemicals that mutate fetuses when they burn; destroy your brain, lungs and nervous system when they burn; kill the factory workers who make them; cause Panasonic to be one of the most corrupt companies in the world; poison the Earth when disposed of; can't be extinguished by firemen; poison firemen when they burn; are based on criminally corrupt mining schemes like URANIUM ONE; Have over 61 toxic chemicals in them; come from an industry that spends billions on internet shills and trolls used to nay say all other forms of energy; are insider-trading owned by corrupt U.S. Senators who are running a SAFETY COVER-UP about their dangers.

NiCad Batteries and hundreds of other battery types do not have this many problems... but the ownership of the lithium mining business by Elon Musk, his Silicon Valley cartel and California Senator's families causes other solutions to be hidden, the dangers of lithium ion to be hidden and a monopoly to exist.

Apple products with lithium ion batteries have been exploding and setting people on fire; over time the chemical dendrites inside each battery grow worse and increase the chances of explosion as they age - LITHIUM ION BATTERIES BECOME MORE AND MORE LIKELY TO EXPLODE AS TIME GOES ON AND AS THEY AGE; "Bad Guys" have figured out how to make them explode remotely; have their dangers hidden by CNN and MSM because pretty much only the DNC people profit from them; are the heart of Elon Musk's stock market scam.

The Obama Administration promised Silicon Valley oligarchs the market monopoly on lithium ion batteries and the sabotage of fuel cells in exchange for campaign financing and search engine rigging; United States Senators that are supposed to protect us from these deadly products own the stock market assets of them so they protect them and stop the FDA, OSHA, DOT & NHTSA from outlawing them. WRITE YOUR ELECTED REPRESENTATIVE AND DEMAND THAT LITHIUM ION BATTERIES BE MADE ILLEGAL TO SELL! NiCAD and Hundreds of other battery chemistries DO NOT have all of these problems but Lithium Ion batteries get a monopoly because of politician insider trading ownerships. A recent fire on U.S. Highway 101 near Mountain View, CA, burned the driver alive and killed him. In Florida two kids died in a Tesla, burned alive, screaming in agony. A man died in agony in a Tesla crash in Malibu that set Malibu Canyon on fire. A young woman, at the start of life, and her boyfriend were burned alive in their crashed Tesla.

There are many more deaths and crashes than you have heard about. The deaths

and the cover-ups are endless. Senators Dianne Feinstein, Harry Reid, Nancy Pelosi, Kamala Harris and their associates own the stock in Tesla Motors and/or its suppliers and mining companies and they cover-up and halt investigations and laws designed to save the public. They, and their crony's, spend over \$1B a year to shill and troll hype about lithium ion batteries and cover-up the dangers. Lithium ion EVs are more prone to battery fires. Experts say that their lithium-ion batteries can fuel hotter fires that release toxic fumes and are more difficult to put out. Lithium ion fires keep reigniting which explains why it takes so long and requires copious amounts of water or foam (it is an electric fire, after all) to smother the flames. Tesla employee Bernard Tse and his team warned Elon Musk about these dangers in 2008 and they got fired and/or warned to "say nothing" by Musk. Three top Tesla engineers died in a plane crash next to Tesla offices in San Carlos after two of them agreed to become whistle-blowers.

Elon Musk exists because he bribed DNC politicians and Senators Feinstein, Reid, Boxer, Harris, Clinton and Pelosi to give him free taxpayer cash and government resources from the Dept. of Energy and the Calif treasury. DOE has been covering-up organized crime activities at DOE in which DOE funds are being used as a slush-fund to pay off DNC campaign financiers and to pay for CIA/GPS Fusion-Class attacks on Silicon Valley business competitors of those DNC campaign financiers who DOE staff share stock market holdings with. Elon Musk is a criminal, a mobster, an asshole, a bald fake-hair wearing, plastic surgery-addicted, douchebag, woman-abusing, sex addicted, tax evader. Musk exploits poor people and child slaves in the Congo and Afghanistan to mine his lithium and Cobalt.

Musk spends billions per year to hire Russian trolls, fake blogger fan-boys and buy fake news self-aggrandizement articles about himself. Musk thinks he is the 'Jesus' of Silicon Valley. Fake News manipulator Google is run by Larry Page and Larry is Musk's investor and bromance butt buddy. Musk uses massive numbers of shell companies and trust funds to self-deal, evade the law and hide his bribes and stock market insider trading. A huge number of Tesla drivers have been killed; pedestrians and oncoming drivers have also been killed, and Musk covers it up. The DNC and the MSM refuse to allow any articles about Musk's crimes to be printed because they benefit from Musk's crimes. Musk has been professionally diagnosed as a 'psychotic narcissist.' A 'Silicon Valley Mafia; cartel of frat boy sociopath venture capitalists like Steve Jurvetson, Tim Draper, Eric Schmidt, et al; threaten those who do not support the cult of Tesla or their political candidates.

In EVERY blog that you read that mentions 'Musk', at least 1/3 of the comments have been placed there by Musk's paid shills. Musk holds the record for getting sued for fraud by his investors, wives, former partners, employees, suppliers and co-founders. Elon Musk has gone out of his way to hire hundreds of ex-CIA staff and assign them to "dirty tricks teams" to attack his competitors and elected officials who Musk hates. Musk never founded his companies. Musk's "Starlink" satellites are domestic spy and political manipulation tools - never get your internet from one. Musk stole Tesla in a hostile ownership take-over from Marty the true inventor of the Tesla. The same kind of EMF radiation proven to cause cancer from cell phones exists in massive amounts in a Tesla.

Musk can't fix a car or build a rocket and has almost no mechanical skills. If you pull a report of every VIN# of every Tesla ever built and cross reference that with insurance, repair and lawsuit records you will find that the "per volume" fire, crash, death and defect rate is THE WORST of any car maker in history! Musk is a lying con artist and partners with Goldman Sachs to rig the stock market. Sachs has a dedicated team of 18 men who rig stocks and valuation bumps for Musk. Over 1000 witnesses can prove every one of those claims in any live televised Congressional hearing! Senators Dianne Feinstein, Harry Reid, Nancy Pelosi, Kamala Harris and their associates own the stock in Tesla Motors and/or its suppliers and mining companies. That is why they criminally help cover-up investigations of Tesla! All of this was reported, in writing, to James Comey, Patricia Rich and David Johnson at the FBI.

The DNC bosses own the stock in lithium, Solar and EV markets and use kickbacks from those markets (Especially via convoluted campaign finance laundering via Elon Musk) to finance the DNC. The DNC bosses use character assassination as their main political tool against any member of the public who speaks out against their felony stock market scams and PizzaGate-like scandals. The Harvey Weinstein reports by Ronan Farrow show that they have teams of hired goons that they pay to destroy people's lives. They use Black Cube, Mossad, In-Q-Tel, Stratfor, Gawker Media, Gizmodo Media, Media Matters, David Brock, Sid Blumenthal, NY Times, Google servers, Facebook servers, Podesta Group, Perkins Coie, Covington & Burling and a host of "assassins".

It should be a felony to hire character assassins in the USA. DEMAND A LAW and DEMAND the termination of these attack services. IE: Gawker and Gizmodo Media sets-up the attack stories and, in paid partnership with Google, Google

kicks their attack links around the globe, in front of 8 Billion people, forever. Google locks the attack articles of its enemies on the front top search results of Google search results forever, on purpose! That is why Google is being terminated in the largest, most well resourced anti-corruption public service take-down in history!

You have probably seen the many issues with Elon Musk And Tesla Motors including:

"His corrupt cobalt mines promote genocide in the Congo as seen in NETFLIX Black Earth Rising"

"His corrupt cobalt mines promote mass rape in the Congo as seen in NETFLIX Black Earth Rising"

"His corrupt cobalt mines promote child slave labor in the Congo as seen in NETFLIX Black Earth Rising"

"His is not faithful to his girlfriends"

"The workers that build his batteries die or sicken from toxic poisoning"

"Tesla bribes U.S. Senators with cash and stock in order to get free taxpayer funds"

"He is addicted to drugs and booze"

"He has sociopath mental issues"

"He is a narcissist"

"Tesla has had more recalls for safety defects, per volume, than any other car maker. Musk refuses to allow the use of the word RECALL but the facts are the facts."

"It is so easy to hack any Tesla and crash it, break into it or give it bad braking orders that it is criminally negligent to allow Tesla's on the street. Even the Chinese have hacked Tesla's from the other side of the world!"

"His partner: Steve Jurvetson, has been charged with sex and corruption issues"

"He arranged government kick-backs with the White House"

"He is the world's biggest government mooch"

"He is a member of the Palo Alto Mafia"

"Google (who is a major Tesla investor) hides all negative Musk/Tesla news and hypes TSLA stock in order to profiteer with TSLA stock. This is a violation of federal SEC laws"

"More drivers have been caught driving drunk, in Tesla's, than any other car Per Capita produced"

"Larry Page is Musk's bromance buddy and he uses Google to cover-up Musk's scandals"

"His so-called 'foundation' is just a payola and tax evasion scam for his family"

"His batteries are the most dangerous use of lithium ion storage ever conceived"

"His partner: Panasonic has been charged with multiple corruption, dumping, price rigging and manipulation crimes around the globe"

"Almost all of the internet 'Tesla Fanboys' are Russian troll farms and hired bloggers that Musk pays vast amounts of money to in order to hype up a fake image for him"

"His SpaceX is nothing more than a domestic spy satellite company"

"Musk's brain chip company tortures small animals in bad science experiments"

"His father screwed his daughter and got her pregnant"

"Dianne Feinstein and her family own Musk interests"

"You can't put out the fires when his batteries explode"

"The fumes from his thermal battery vapors give you cancer, lung and brain damage"

"Elon Musk only takes over other people's ideas. He took over Tesla and ran it into the ground, he destroyed SolarCity with his brothers self-dealing scam, his brain cap company just cuts open the heads of helpless animals and all SpaceX does, now that Musk took it over, is launch satellites that spy on civilians and manipulate media..."
etc.....

You may have run across Musk's self promoting, narcissistic, multi-billion dollar, self-aggrandizing PR hype but here is the other side of the coin. We know these facts from personal interaction with Musk, his companies and his politicians. Everything in this letter can be proven in a jury trial, Congressional hearings or live TV debates. Musk will do anything to keep this information from getting out but... it is too late for him! While this may sound like a bad Hollywood movie script. It all really happened and there is now massive hard copy evidence to prove it.

Elon Musk exists because he bribed DNC politicians including Obama, Clinton and Senators Feinstein, Reid, Boxer, Harris, Spier and Pelosi to give him free taxpayer cash and government resources from the Department of Energy and the California political tax pool. This is proven when you follow-the-money and the insider trading, stock ownership and crony payola kick-backs.

The Energy Dept (DOE) has been covering-up organized crime activities at DOE in which DOE funds are being used as a slush-fund to pay off DNC campaign financiers and to pay for CIA/GPS Fusion-Class attacks on Silicon Valley business competitors. DNC campaign financiers and DOE staff share stock market holdings with each other under family trusts, shell corporations and layered Goldman Sachs accounts. The deal was: Obama funds Tesla, Musk conduits campaign funds to Obama, top Obama staff profit off of insider Musk stocks.

Elon Musk is a criminal, a mobster, an asshole, a balding fake-hair wearing, plastic surgery-addicted, bi-sexual douchebag, woman-abusing, sex addicted, tax evader. We can put this in writing because all of those identifications regarding Musk can be proven in court and are documented in existing lawsuits and news stories.

Musk exploits poor people and child slaves in the Congo and Afghanistan to mine his lithium and Cobalt. Look up this phrase on the top search engines: "child labor electric car batteries".

Musk spends billions per year to hire Russian trolls, fake blogger fan-boys and buy fake news self-glory look-at-me articles about himself. Musk thinks he is the 'Jesus' of Silicon Valley and he will do anything to make the public think so. Musk is insecure because his father was abusive and his "trophy wife" Mother is overbearing so he developed sociopath-like mental issues. Musk has been professionally diagnosed as a 'psychotic narcissist. He public stated on an investor call that he uses drugs and alcohol to get through the night. We have the tapes.

Musk relies on Google and the DNC Main Stream News (MSN) to hide bad news about him. Fake News manipulator Google is run by Larry Page. Larry is Musk's investor and bromance 'Butt buddy'. They share an apartment. Musk uses massive numbers of shell companies and trust funds to self-deal, evade the law and hide his bribes and stock market insider trading. His brother ran Solar City and is now under federal investigation for securities fraud.

A huge number of Tesla drivers have been killed; pedestrians and oncoming drivers have also been killed, and Musk covers it up.

The DNC and the MSM refuse to allow any articles about Musk's crimes to be printed because they benefit from Musk's crimes. VC's Tim Draper and Steve Jurvetson are so fanatical about not being embarrassed from a Tesla bankruptcy that they will pump the TSLA stock and threaten anybody who might disclose the Musk misdeeds. Peter Thiel, a Musk 'boyfriend" also protects Musk. Musk, and his cronies, use Palantir, Google and related software to scan the entire internet every few minutes for any occurrence of the words: "Musk", "Tesla" or "Tesla Fire". They send trolls and fake bloggers (Many of them Russian) to put pro-Musk comments on the comments section of any blogs or articles discussing those topics and try to flood out the truth about Musk. In EVERY blog that you read that mentions 'Musk', at least 1/3 of the comments have been placed their by Musk's paid shills. There are no "Tesla Fan Boys". All of the fanatic Tesla comments on the internet are Musk's, Thiel's, Jurvetson's and Draper's fake fanboy trolls. Musk, himself, stays up late at night pretending to be a 'Tesla Fan Boy'on blogs.

The 'Silicon Valley Mafia; cartel of frat boy sociopath venture capitalists like Steve Jurvetson, Tim Draper, Eric Schmidt, et al; threaten those who do not support the cult of Tesla or their political candidates.

Musk holds the record for getting sued for fraud by his investors, wives, former

partners, employees, suppliers and co-founders. Elon Musk has gone out of his way to hire hundreds of ex-CIA and In-Q-Tel staff and assign them to "dirty tricks teams" to attack his competitors and elected officials who Musk hates.

Musk never founded his companies. He took Tesla away from the founder: Marty, in a hostile take-over!

Musk's "Starlink" satellites are domestic spy and political manipulation tools - never get your internet from one. SpaceX is entirely a spy satellite operation.

The same kind of EMF radiation proven to cause cancer from cell phones exists in massive amounts in a Tesla.

Musk can't fix a car or build a rocket and has almost no mechanical skills.

If you pull a report of every VIN# of every Tesla ever built and cross reference that with insurance, repair and lawsuit records you will find that the "per volume" fire, crash, death and defect rate is THE WORST of any car maker in history!

Musk is a lying con artist and partners with Goldman Sachs to rig the stock market. Sachs has a dedicated team of 18 men who rig stocks and valuation bumps for Musk.

Over 1000 witnesses can prove every one of those claims in any live televised Congressional hearing! Senators Dianne Feinstein, Harry Reid, Nancy Pelosi, Kamala Harris and their associates own the stock in Tesla Motors and/or its suppliers and mining companies. That is why they criminally help cover-up investigations of Tesla! All of this was reported, in writing, to James Comey, Patricia Rich and David Johnson at the FBI.

Why aren't all of those parties in prison if it is so easy to prove the crime? Think back to recent history: the heads of the Department of Energy, the FBI, The DOJ and the U.S. Attorney General were kicked out of their jobs for corruption. THIS was the corruption they were doing. They all knew about this crime but they were covering it up.

Musk took over Tesla Motors in a hostile take-over in order to exploit lithium, cobalt and other mining corruption deals for his business partners. Let's take a look at the 'lithium' in Musk's horrifically miss-engineered lithium ion batteries:

His batteries cause wars in the Congo, Afghanistan and Bolivia from the corrupt mining deals involved with mining lithium and cobalt. Lithium ion batteries are insider trading-owned by ex-CIA boss Woolsey and DOE Boss Chu. Lithium ion batteries excrete chemicals that mutate fetuses when they burn; destroy your brain, lungs and nervous system when they burn; kill the factory workers who make them; cause Panasonic to be one of the most corrupt companies in the world; poison the Earth when disposed of; can't be extinguished by firemen; poison firemen when they burn; are based on criminally corrupt mining schemes like URANIUM ONE; Have over 61 toxic chemicals in them; come from an industry that spends billions on internet shills and trolls used to nay say all other forms of energy; and are insider-trading owned by corrupt U.S. Senators who are running a SAFETY COVER-UP about their dangers.

Apple products with lithium ion batteries have been exploding and setting people on fire. Over time the chemical dendrites, or deposits, inside each battery grow worse and increase the chances of explosion as they age - LITHIUM ION BATTERIES BECOME MORE AND MORE LIKELY TO EXPLODE AS TIME GOES ON AND AS THEY AGE. This is not a theory. This is a scientific fact. That is why you hear about more and more lithium batteries catching fire and blowing up. Additionally, scientists also speculate that the increasing presence of low energy nuclear background energy and wifi energy in the environment is making lithium ion batteries explode more often lately. This theory is upheld by the increasing number of FAA reports about commercial airline cabins suddenly "filling up with toxic smoke" as some lithium ion battery explodes in someones overhead luggage. As commercial jets go higher they lose the protection of the atmosphere and are subjected to more gamma (and other) radiation from overhead. This makes the already unstable lithium ion batteries on board blow up.

"Bad Guys" have figured out how to make them explode remotely in devices by making the device electronics cause the batteries to overload. The dangers of lithium ion batteries are hidden by CNN and Main Stream News (MSN) because pretty much only the DNC people profit from them and the DNC folks control CNN and the MSN.

The Obama Administration promised Silicon Valley oligarchs the market monopoly on lithium ion batteries and the sabotage of fuel cells in exchange for campaign financing and search engine rigging; United States Senators that are

supposed to protect us from these deadly products own the stock market assets of them so they protect them and stop the FDA, OSHA, DOT & NHTSA from outlawing them.

Tom Steyer is a notorious DNC financier. His partner, Margaret Sullivan ran, the federal USAID agency, USAID sent all of the DNC campaign financiers in Silicon Valley a federal 'report' from USAID that said there was "A TRILLION DOLLARS OF LITHIUM IN AFGHANISTAN" and promised to give those lithium mines, EXCLUSIVELY, to the Silicon Valley venture capitalists if they funded and web search manipulated the election for Obama to take over the White House. We have the documents proving this. In other words, a re-up of the Afghan War was caused by Elon Musk and it killed American soldiers so that Musk could buy more mansions and trophy wives.

Alkaline, NiCAD and hundreds of other battery chemistries DO NOT have all of these problems but Lithium Ion batteries get a monopoly because of politician insider trading ownerships.

Tesla Motors has caused far more deaths and injuries than the world generally knows about. A recent fire on U.S. Highway 101 near Mountain View, CA, burned the driver alive and killed him. In Florida two kids died in a Tesla, burned alive, screaming in agony. A man died in agony in a Tesla crash in Malibu that set Malibu Canyon on fire. A young woman, at the start of life, and her boyfriend were burned alive in their crashed Tesla. There are many more deaths and crashes than you have seen in the Main Stream News (MSN) The deaths and the cover-ups are endless.

Senators Dianne Feinstein, Harry Reid, Nancy Pelosi, Kamala Harris and their associates own the stock in Tesla Motors and/or it's suppliers and mining companies and they cover-up and halt investigations and laws designed to save the public. They, and their crony's, spend over \$1B a year to shill and troll hype about lithium ion batteries and cover-up the dangers. Lithium ion EVs are more prone to battery fires. Experts say that their lithium-ion batteries can fuel hotter fires that release toxic fumes and are more difficult to put out. Lithium ion fires keep reigniting which explains why it takes so long and requires copious amounts of water or foam (it is an electric fire, after all) to smother the flames. Tesla employee Bernard Tse and his team warned Elon Musk about these dangers in 2008 and they got fired and/or warned to "say nothing" by Musk. Three top Tesla engineers died in a plane crash next to Tesla offices in San Carlos

after two of them agreed to become whistle-blowers.

The DNC bosses, Congress people and federal executives own the stock in lithium, Solar and EV markets and use kickbacks from those markets (Especially via convoluted campaign finance laundering via Elon Musk) to finance the DNC.

The DNC bosses and Musk use character assassination as their main political tool against any member of the public who speaks out against their felony stock market scams and PizzaGate-like scandals. The Harvey Weinstein reports by Ronan Farrow show that they have teams of hired goons that they pay to destroy people's lives.

They use Black Cube, Mossad, In-Q-Tel, Stratfor, Gawker Media, Gizmodo Media, Media Matters, David Brock, Sid Blumenthal, NY Times, Google servers, Facebook servers, Podesta Group, Perkins Coie, Covington & Burling and a host of "media assassins".

Gawker and Gizmodo Media set-up the attack stories and, in paid partnership with Google, Google kicks their attack links around the globe, in front of 8 Billion people, forever. Google locks the attack articles of its enemies on the front top search results of Google search results forever, on purpose! Google and Musk are partners-in-crime. Larry Page steals technology for Google and Musk meets with Larry Page to advise him on which technologies to steal and how to bypass FEC laws. Musk has exceeded FEC campaign finance limits by billions of dollars via "in-kind" services.

Tesla's out-of-control sudden-acceleration surge defects and exploding batteries are not as bad as Tesla's out-of-control corruption and bribery.

 THE GREEN SCAM

HOW THE DEPARTMENT OF ENERGY AND THE OBAMA WHITE HOUSE ATTACKS ANYBODY WHO EXPOSES THE SCHEME:

How and why did a Donald Trump stripper-date named "Stormy" or an Elon Musk sex party or a Kavanaugh drinking incident or the Moonves and Weinstein indiscretions suddenly hit the news at about the same time in news history?

In addition to actual murder, Politicians and Silicon Valley Oligarchs hire operatives to end people's lives in other creative ways.

It is all part of the modern trend in vendetta, revenge and political payback when a Senator or a tech oligarch issues a "kill order" on an opponent.

The client does not like to get their hands dirty so the actual social hit job is performed by companies such as:

IN-Q-Tel - (DNC); Gawker Media - (DNC); Jalopnik - (DNC); Gizmodo Media - (DNC); K2 Intelligence - (DNC); WikiStrat - (DNC); Podesta Group - (DNC); Fusion GPS - (DNC/GOP); Google - (DNC); YouTube - (DNC); Alphabet - (DNC); Facebook - (DNC); Twitter - (DNC); Think Progress - (DNC); Media Matters - (DNC); Black Cube - (DNC); Mossad - (DNC); Correct The Record - (DNC); Sand Line - (DNC/GOP); Blackwater - (DNC/GOP); Stratfor - (DNC/GOP); ShareBlue - (DNC); Wikileaks (DNC/GOP); Cambridge Analytica - (DNC/GOP); Sid Blumenthal- (DNC); David Brock - (DNC); PR Firm Sunshine Sachs (DNC); Covington and Burling - (DNC), BuzzFeed - (DNC) Perkins Coie - (DNC); Wilson Sonsini - (DNC) and hundreds of others...These are the people and companies that except cash, revolving door jobs, political appointments, insider trading stock in Silicon Valley tech companies, prostitutes and real estate in exchange for destroying the lives of others.

These attackers deserve to be punished for the rest of their lives for taking away the lives of others in exchange for cash. Any company who is corrupt enough to hire any of these assassins should be forced out of business. These attack services are responsible for 90% of the "Fake News" problem in the world because they are the authors of most fake news. Congress must act to make these kinds of companies illegal!

These digital assassination services offer hit-jobs, character assassinations and

economic reprisal programs to famous billionaires and corrupt politicians who are seeking revenge, retribution and vendetta executions.

In the case of reporters getting targeted for attacks, President Donald Trump has been accused by the liberal corporate media of whipping up a hateful frenzy against the press. But while CNN's Jim Acosta grandstands against Trump, real journalists are still reeling from the draconian extrajudicial measures that Barack Obama and his administration used to target them for exposing truth.

This secretive targeting occurred while Obama speechwriter and hate-filled ANTIFA supporter Ben Rhodes was running "Operation Echo Chamber," which reportedly continues, in which he fed information to willing corporate media scribes. "They literally know nothing," Rhodes said of the twentysomething journalists he easily manipulated.

The Freedom of the Press Foundation's Trevor Timm published documents showing how former attorney general Eric Holder changed the rules to more effectively intimidate and surveil members of the press.

Timm writes: "Today, we are revealing—for the first time—the Justice Department's rules for targeting journalists with secret FISA court orders. The documents were obtained as part of a Freedom of Information Act lawsuit brought by Freedom of the Press Foundation and Knight First Amendment Institute at Columbia University."

Trending: Brennan and Clapper Accused of Hacking John Roberts To Blackmail Him

Here is the memo published by the Foundation, which dropped the documents in their entirety:

Obama is also clearly linked to the plot to obtain fraudulent FISA warrants on President Trump's team, as evidenced by Peter Strzok and Lisa Page's texts confirming that Obama was overseeing their fly-by-night operation.

Larry Schweikart reported for Big League Politics:

For months pundits and researchers have been pondering the mystery of the FISA approval that led to the illegal and historically titanic scandals to ever hit the

U.S. government. Some have argued that Assistant Attorney General Rod Rosenstein knew the FISA was bogus when he extended it. Others have wondered if Special Counsel Robert Mueller knew about the fraudulent basis of the FISA when he used it, in part, to indict Michael Flynn. Other still, that Mueller was fooled by the FBI.

This is what President Trump calls "SPYGATE".

It may well be that the surveillance that was conducted began with UK intelligence services and then was fed back to the White House of Barack Obama. Here's the kicker:

President Barack Obama did not need a FISA warrant to authorize spying/electronic surveillance on Trump because Obama all along had legal authorization to by-pass the normal court vetting process. According to 50 U.S. Code 1802, the "Electronic Surveillance Authorization" () "Foreign intelligence in relation to a US person (Trump or his associates) is information that's necessary for the US to protect against attack, hostile acts, sabotage, . . . as well as other clandestine activities by a foreign power . . . OR . . . information relevant to national defense/security of the US, or the conduct of foreign affairs of the U.S." Such an authorization by Obama required certification by Attorney General Loretta Lynch that must be logged with the FISC court. ("The [AG]+ shall immediately transmit under seal to the court [FISC] a copy of his certification.")

In short, the DOJ has this. If we are correct, a copy of that certification is currently under seal at least with the DOJ and the FISC. This is what they are hiding.

However, the Act requires the AG to keep the Select Committee on Intelligence and the Senate Committee on Intelligence informed of these authorizations and unmaskings therein. See 1803 (a) (1) (C) If indeed this is what happened, did Lynch report—or only selectively report—to the committees in a way that excluded non-friendlies? Can you see why Adam Schiff, Mark Warner, and their ilk are terrified?

1) Obama authorized spying/electronic surveillance on Team Trump, by-passing normal judicial oversight.

2) To create "foreign intelligence," John Brennan and others organized for UK intelligence to conduct surveillance on Trump and his associates, either from the

UK or from UK assets within the U.S. This is another reason revealing this will unleash an excrement storm: the UK is about to be caught meddling bigly in an American election.

3) Lynch certified Obama's authorization which is now held under seal by DOJ (and FISC).

From this authorization, all unmaking followed, as well as the FBI fraudulent counter intel investigation and perhaps the FISA warrant too. Obama knew this was all fake when he made the authorization; Lynch knew it was fake when she certified it; the entire inner circle, including the FBI, all knew. This takes the U.S. into uncharted territory, and could imperil any politician in the British government who supported this or had knowledge of it. Proving any of this would be difficult, as if confronted Lynch would almost certainly cover up and Obama would simply deny knowledge. Without a paper trail, a conviction might be a bridge too far. This is only one of thousands of "kill order" tactics introduced by the Obama Administration.

These are the playbook tactics that Senators and tech oligarchs most often use to destroy the lives of their political and business enemies:

- Government agency bosses sometimes solicit the target victims with false promises of future loans, contracts or grants from their agency and cause the target victims to expend millions of dollars and years of their time for projects which those government bosses had covertly promised to their friends. They use the target victims as a "smokescreen" to cover their illegal government slush-funds for the victims competitors and personal enemies. By using this tactic, the attackers can drain the target victims funds and force them into an economic disaster in plain view of everyone without the government bosses fearing any reprisal for their scam.

- Every match.com, okcupid.com, Plenty Of Fish, Seeking Arrangements and all other IAC-owned, or similar, dating sites (IAC is managed by Hillary Clinton's daughter) have had their profiles, texts, and inter-member communications, since those companies were started, hacked or purchased. The attack service providers use Palantir and In-Q-Tel financed data analysis software to analyze every activity in those dating services in order to find honey-trap, blackmail, sextortion and social conflict exploitation opportunities. If you had a bad date with someone, that someone will be hunted down and convinced to help harm,

#metoo or "rape charge" the intended target. All dates involve a search for sex, so the likelihood that a sexual disappointment experience will exist in each persons dating history is high. Searching every past dating email and text of a subject is quite easy with modern software and hacking techniques. A synthetically amplified, PR-agency optimized sex scandal can destroy any target. Your dating experiences from the 70's or 80's will come back to haunt you decades later. Most dates involve drinking alcohol and taking drugs. If you were unattractive or had bad sexual skills your bad date will be called "date rape", "drugging your date for sex" and related twisted narratives that are designed to shame you, the target. If you try to get a date in the future, your potential date will be contacted by a third party who will slander and libel you to make sure your potential first date gets cancelled. Your social life will, essentially, end. Every photo on every dating site is cross checked with every other photo on the internet in order to cull your Facebook, LinkedIn, Snapchat and other social media together to create a total psychological manipulation profile data file on you. A single photo on a dating site can be cross searched on every mugshot archive, photo album and corporate database in the worth within minutes using modern super-computers. Your sex life will be on public record in a flash.

- Social Security, SSI, SDI, Disability and other earned benefits are stone-walled. Applications of targets are "lost". Files in the application process "disappeared". Lois Lerner hard drive "incidents" are operated in order to seek to hide information and run cover-ups.

- Government officials and tech oligarchs contact members of the National Venture Capital association (NVCA) and created national "black-lists" to blockade target victims from ever receiving investor funding. This was also confirmed in a widely published disclosure by Tesla Motors Daryl Siry and in published testimony. If Silicon Valley political campaign finance oligarchs black-list you (see the "AngelGate" Scandal and the "High Tech No Poaching Class Action Lawsuit" cases) you will never get investor funding again.

- FOIA requests are hidden, frozen, stone-walled, delayed, lied about and only partially responded to in order to seek to hide information and run cover-ups.

- State and federal employees will play an endless game of Catch-22 by arbitrarily determining that deadlines had passed that they, the government officials, had stonewalled and obfuscated applications for, in order to force these deadlines that they set, to appear to be missed. This can bankrupt a target

victim.

- Some Victims found themselves strangely poisoned, not unlike the Alexander Litvenko case. Heavy metals and toxic materials were found right after their work with the Department of Energy weapons and energy facilities. Many wonder if these "targets" were intentionally exposed to toxins in retribution for their testimony. The federal MSDS documents clearly show that a number of these people were exposed to deadly compounds and radiations, via DOE, without being provided with proper HazMat suits which DOE officials knew were required.

- Victims employers are called, and faxed, and ordered to fire target victims from their places of employment, in the middle of the day, with no notice, as a retribution tactic.

- On orders from Obama White House officials, DNC-financed Google, YouTube, Gawker Media and Gizmodo Media produce attack articles and defamation videos. Google locks this attack media on the internet on the top line, of the front page of all Google searches for a decade in front of 7.5 billion people, around the world. This attack-type uses over \$40 million dollars in server farms, production costs and internet rigging. The forensic data acquired from tracking some of these attacks proves that Google rigs attacks against individuals on the internet and that all of Google's "impressions" are manually controlled by Google's executives who are also the main financiers and policy directors of the Obama Administration. This data was provided to the European Union for it's ongoing prosecution of Google's political manipulation of public perceptions.

- Victims HR and employment records, on recruiting and hiring databases, are embedded with negative keywords in order to prevent the victim targets from ever gaining future employment.

- Gary D. Conley, Seth Rich, Rajeev Motwani and many other whistle-blowers in these matters, turned up dead under strange circumstances. It is very possible that some of these attack services, operated by former CIA operatives, even offer discrete murder-for-sale services using high-tech assassination tools that make murders look like heart attacks and brain failures.

- Disability and VA complaint hearings and benefits are frozen, delayed, denied or subjected to lost records and "missing hard drives" as in the Lois Lerner case.

- Paypal (A DNC-biased operation) and other on-line payments for on-line sales are de-platformed, delayed, hidden, or re-directed in order to terminate income potential for target victims who competed with the attackers interests and holdings.

- DNS redirection, "website spoofing" sends target victims websites to dead ends where no sales orders or customer inquiries actually get back to the target. These internet revenue activity manipulations are conducted using Google and Amazon servers. All commercial storefronts and on-line sales attempts by target victims, will have had their sites hidden, or search engine de-linked by a massively resourced facility located in Virginia, Texas or Palo Alto, California in order to terminate revenue potentials for the target victims.

- Over 50,000 trolls, shills, botnets and synth-blog deployments are deployed to place defamatory statements and disinformation about victims in front of 7.5 billion people around the world on the internet in order to seek to damage their federal testimony credibility by a massively resourced facility.

- Campaign finance dirty tricks contractors are hired by campaign financiers to attack the friends and family members of the target victim in order to create low morale for the target victims psyche and motivation.

- Are you getting weird headaches and hearing a "buzzing sound" in your head? The U.S. Government has now acknowledged that the Cuban, Chinese and other embassy "sonic attacks" are from a known microwave beam weapon. Any one of the technical departments of the attack services listed at the top of this article can build such a biological harassment weapon. It can be aimed at the target victims office, bedroom or vehicle and, within a week, have caused biological and emotional damage using a weapon that has no visible track of trajectory. It is designed to make the target victim think they are "going crazy" or "hearing sounds in their head". While this may sound pretty out there, web search "Embassy sonic attacks" on the top 5 non-Google search engines and read the very credible reports of these attacks.

- In one case covert political partner: Google, transferred large sums of cash to dirty tricks contractors and then manually locked the media portion of the attacks into the top lines of the top pages of all Google searches globally, for years, with hidden embedded codes in the links and web-pages which multiplied

the attacks on Victims by many magnitudes.

- Covert Cartel financier: Google, placed Google's lawyer: Michelle Lee, in charge of the U.S. Patent Office and she, in turn, stacked all of the U.S. Patent Office IPR and ALICE review boards and offices with Google-supporting employees in order to rig the U.S. Patent Office to protect Google from being prosecuted for the vast patent thefts that Google engages in. Google has hundreds of patent lawsuits for technology theft and a number of those lawsuits refer to Google's operations as "Racketeering", "Monopolistic Cartel" and "Government Coup-like" behaviors. Thousands of articles and investigations detail the fact that Google, "essentially" ran the Obama White House and provided over 80% of the key White House staff. A conflict-of-interest unlike any in American history. Google's investors personally told Applicant they would "kill him". Google and the Obama Administration were "the same entity". Applicant testified in the review that got Michelle Lee terminated and uncovered a tactical political and social warfare group inside Google who were financed by Federal and State funds.

- Honeytraps and moles were employed by the attackers. In this tactic, people who covertly worked for the attackers were employed to approach the "target" in order to spy on and misdirect the subject.

- Gawker Media, Gizmodo Media, Snopes, SPLC and other hired media assassins will be retained to produce "hatchet job" character assassination articles about you. Then those articles will be faxed, mailed and emailed to your employer and investors with a note saying: "You don't want to have anything to do with this person, do you..?" in order to get you fired from your job and get your loans or financing pulled. The attackers will use their round one attack media, that they authored, to create a round two second wave attack designed to end your life via economic warfare.

- Mortgage and rental applications will have had red flags added to them in databases to prevent the targets from getting homes or apartments.

- Krebs On Security, Wired, Ars Technica, The Wall Street Journal and most major IT publications have reported that hundreds of spy "back-doors" have been found on every Intel, AMD, Apple, Xfinity, Cisco, Microsoft, Juniper Networks motherboard, chip-set and hardware component set. This means that any kid with the "key" code can open any computer, server, router, cloud-network or

other network connected device and read every file, photo, video, your calendar and email on your devices at any time from any location on Earth. The key codes have been released to every hacker community in the world for over ten years. There is now no government, corporate or personal data that can't be hacked, even data from decades ago. Every single one of your darkest secrets can be in the hands of your enemy within 60 minutes, or less. Important meetings you had planned with potential investors, employers, clients, dates, suppliers and others will suddenly get cancelled at the last minute. They will get cancelled because your enemies are reading your calendar remotely and covertly sending slander information to those you had hoped to engage with in order to sabotage your life. Nothing you have ever typed on a computer or Smartphone is safe. it WILL be acquired and it WILL be used against you.

- McCarthy-Era "Black-lists" are created and employed against target victims who competed with Obama Administration executives and their campaign financiers to prevent them from getting funding and future employment.

- Obama Administration targets were very carefully placed in a position of not being able to get jobs, unemployment benefits, disability benefits or acquire any possible sources of income. The retribution tactics were audacious, overt..and quite illegal.

- There are thousands of additional Dirty Tricks tactics being used by these Attack Services yet Congress refuses to pass laws out-lawing such attack services. The cost of an attack on a person ranges from \$150,000.00 to over \$50,000,000.00. While a Silicon Valley billionaire can afford to launch counter-measures to these attacks, any regular taxpayer will be utterly destroyed, and incapable of fighting back, against even the smallest version of one of these "kill orders". A number of modern office shootings are the results of these attacks against an individual who has lost everything because of the attack and has no options left.

Federal law enforcement, the United States Congress and the highest level investigators in the U.S., and abroad, have documented (per the "FISA Memo", Congressional Reports and federal employee testimony) and proven the fact that the Obama Administration regularly engaged in the operation of retribution, vendetta and reprisal campaigns known as "hit-jobs" against domestic natural born U.S. citizen domestic taxpayers. The Federal Court, in at least one previous court case, has ruled that Applicants, in this particular matter, were the victims

and target of a number of these attacks designed to inflict permanent medical, emotional, character assassination, brand negation, economic and career damage.

!!!! Mueller Hears That Silicon Valley Has Been Manipulating The Entire BREXIT Campaign !!!!!

- Second former employee of controversial data firm to be questioned by special counsel's inquiry into Russia collusion

By Carole Cadwalladr

Brittany Kaiser is said to be cooperating fully with the Mueller inquiry.

A director of the controversial data company Cambridge Analytica, who appeared with Arron Banks at the launch of the Leave.EU campaign, has been subpoenaed by the US investigation into possible collusion between the Trump campaign and the Russian government.

A spokesman for Brittany Kaiser, former business development director for Cambridge Analytica – which collapsed after the Observer revealed details of its misuse of Facebook data – confirmed that she had been subpoenaed by special counsel Robert Mueller, and was cooperating fully with his investigation.

He added that she was assisting other US congressional and legal investigations into the company's activities and had voluntarily turned over documents and data.

Kaiser, who gave evidence to the UK parliament last April in which she claimed Cambridge Analytica had carried out in-depth work for Leave.EU, is the second individual connected to the firm subpoenaed by the special counsel. The Electoral Commission has said its investigation into Leave.EU found no evidence that the campaign “received donations or paid for services from Cambridge Analytica ... beyond initial scoping work”.

Damian Collins, chairman of parliament's inquiry into fake news, said it was “no surprise” that Kaiser was under scrutiny by Mueller because “her work connected her to WikiLeaks, Cambridge Analytica and [its parent company] SCL, the Trump campaign, Leave.EU and Arron Banks”.

He said it was now vital Britain had its own inquiry into foreign interference: “We should not be leaving this to the Americans.”

Tom Watson, the deputy leader of the Labour party, echoed Collins's statement, saying: “This is the first evidence that a significant player in the Leave.EU campaign is of interest to the global Mueller inquiry. People will be bewildered

that the British government has no interest in establishing the facts of what happened.”

In August, Sam Patten, a US political consultant who had worked for Cambridge Analytica on campaigns in the US and abroad, struck a plea deal with Mueller after admitting he had failed to register as a foreign agent for a Ukrainian oligarch.

He became a subject of the special counsel’s inquiry because of work done with Paul Manafort, Trump’s campaign manager, in Ukraine. He had also set up a business with Konstantin Kilimnik, a key figure who Mueller has alleged has ties to Russian intelligence and who is facing charges of obstruction of justice. In a 2017 statement to the Washington Post, Kilimnik denied any connection to intelligence services. Kaiser, however, is the first person connected directly to both the Brexit and Trump campaigns known to have been questioned by Mueller.

The news came to light in a new Netflix documentary, *The Great Hack*, which premiered at the Sundance film festival last month and is expected to be released later this spring. Film-makers followed Kaiser for months after she approached the Guardian, including moments after she received the subpoena. She claims the summons came after the Guardian revealed she had visited WikiLeaks founder Julian Assange while still a Cambridge Analytica employee in February 2017, three months after the US election.

One part of Mueller’s investigation focuses on whether the Trump campaign sought to influence the timing of the release of emails by WikiLeaks before the election. Investigators are looking at communications between them. In the film, Kaiser says that she has gone from being a cooperating witness to a subject of investigation because of her contact with Assange.

In October 2017, it was revealed that Alexander Nix, the chief executive of Cambridge Analytica, had contacted Assange in August 2016 to try to obtain emails from Hillary Clinton’s presidential campaign – which indictments from Mueller’s team say were obtained by Russian military intelligence – to use in Donald Trump’s campaign. When Kaiser gave evidence to parliament last year, she was asked about her relationship with Assange and WikiLeaks but failed to reveal that she had met Assange.

In the documentary, Kaiser is shown after receiving an email from the Guardian last June asking about meeting Assange and alleged donations of cryptocurrency to WikiLeaks. Kaiser did not respond to the email at the time, but on camera says: "She knows I met Assange. And she knows I donated money to WikiLeaks in bitcoin."

Her legal representatives later wrote to the paper to say that the allegations, including that she had "channelled" donations to WikiLeaks, were false. Kaiser said she had received a small gift of bitcoin in 2011 – long before she worked at Cambridge Analytica – and, not knowing what else to do with it, gave it to WikiLeaks, because she had benefited from material it had released over the years.

Her lawyer told the Observer that the meeting with Assange came about after a chance encounter in London with an acquaintance who knew him. It lasted 20 minutes and consisted mainly of Assange telling her "about how he saw the world". He said they did not discuss the US election.

Patten and Kaiser were involved in a controversial election campaign in Nigeria in January 2015, which former Cambridge Analytica employees say had "unsettling" parallels to the US presidential election.

The Guardian revealed that the data firm had worked alongside a team of unidentified Israeli intelligence operatives on the campaign. Ex-Cambridge Analytica employees described how the Israelis hacked the now-president of Nigeria's emails and released damaging information about him to the press weeks before the election.

=====

CBS NEWS 60 MINUTES Lara Logan "I'm Being 'Targeted' For Saying the Media is 'Mostly Liberal'"

by Tamar Auber

On Wednesday, former CBS News foreign correspondent Lara Logan spoke with Fox News Sean Hannity about her recent comments slamming the media as "mostly liberal."

Logan told Breitbart podcaster Mike Ritland the remarks made on his show — which drew widespread attention online — amounted to "professional suicide."

Defending her remarks on Hannity's show, Logan said that as the result of her speaking out about how the media is "mostly liberal" she has been targeted because she is an independent voice.

"Any journalists who are not beating the same drum and giving the same talking points," she insisted "pay the price" for not going along with the liberal crowd.

She also called out her targeters by name.

"I know they're going to come after me," she told Hannity. "Michael Calderone who is at the Huffington Post. I can give you the script now. I can tell you who the players are. Joe Hagan. Brian Stelter."

She added: "They smear you personally. They go after your integrity. They go after your reputation as a person and a professional. They will stop at nothing. I am not the only one. And I am just, I am done, right, I am tired of it. And they do not get to write my story anymore. They don't get to speak for me, I want to say loudly and clearly to anybody who is listening, I am not owned. Nobody owns me, right? I'm not owned by the left or the right."

Logan made headlines recently when, during a scorched earth podcast interview with Ritland, she said that there was a lot of "weight" in most news organizations on "one side of the political spectrum."

"The media everywhere is mostly liberal. But in this country, 85 percent of journalists are registered Democrats. So that's just a fact, right?" she told Ritland.

She also trashed reporting based on single, anonymous government sources.

"That's not journalism, that's horseshit," Logan stressed. "Responsibility for fake news begins with us. We bear some responsibility for that, and we're not taking ownership of that and addressing it. We just want to blame it all on somebody else."

=====

Internal documents from a private Israeli intelligence firm called Psy-Group show that, at the time of many incidents, the company, and possibly other

private investigators, were targeting U.S. citizens because they spoke up about crimes.

Psy-Group’s intelligence and influence operations, which included a failed attempt in the summer of 2017 to sway a local election in central California, were detailed in a New Yorker investigation that I co-wrote earlier this month. Before it went out of business (ie: changed it's name) , last year, Psy-Group was part of a new wave of private-intelligence firms that recruited from the ranks of Israel’s secret services and described themselves as “private Mossads.” Psy-Group initially stood out among its rivals because it didn’t just gather intelligence; its operatives used false identities, or avatars, to covertly spread messages in an attempt to influence what people believed and how they behaved. In 2016, Psy-Group held discussions with the Trump campaign and others about conducting covert “influence” operations to benefit the candidate. Psy-Group’s founder and C.E.O., Royi Burstien, a veteran Israeli intelligence officer who established the firm in 2014, told me that his talks with the Trump campaign went nowhere. The company’s posturing, however, attracted the attention of Robert Mueller, the special counsel, who has been investigating interference in the 2016 Presidential race.'

FED BOMBHELL: Fusion GPS Bribed Dozens of MSM Journalists With Cash To Run Character Assassinations, While News Companies Paid Firm to Dig Dirt on Trump

High-ranking FBI insiders are pulling back the curtain on Fusion GPS, the firm that commissioned and spread the bogus Trump dossier.

It appears the embattled intelligence firm was quite busy paying off Big Media reporters, according to federal sources who have traced dozens of transactions between TD Bank and media members as well as media organizations, sources confirm.

But stunningly, Big Media organizations have employed Fusion GPS to dig dirt on politicians and D.C.’s elite — namely Donald Trump.

“Fusion GPS was on the payroll of the media and in turn had members of the media on its payroll,” one FBI insider said.

Bombshell revelations.

FBI insiders confirm Fusion GPS employed law firms as well as shell companies to send and receive funds to and from media and reporters. But the embattled firm also used its accounts at TD Bank to directly commission reporters. Likewise, Fusion GPS received funds from media companies into its own accounts at TD Bank, FBI insiders said,

“There are dozens of payments from the media flowing into their (Fusion GPS) account,” one federal law enforcement official said. “One company wired funds to Fusion (GPS) more than a dozen times.”

Why would media companies commission Fusion GPS? Likely to dig dirt on enemies or secure records that reporters could not legally obtain, one federal law enforcement insider said. One FBI insider said the payments to Fusion GPS coincide with Donald Trump’s run for the White House.

The payments were made between Sept. 2015 and Sept. 2017, records show.

The unthinkable: The mainstream media paying Fusion GPS for dirt on Trump to the same firm the Democratic National Committee paid to fund the bogus Trump dossier. And at the same time Fusion GPS bribing journalists to place stories — likely negative about Trump, as well as spread the bogus Trump dossier around.

Stunning.

Was BuzzFeed — the only company to publish the full bogus dossier — on that list?

And who is on the payroll? We are trying to run that information down.

And why aren’t these people behind bars?

=====

What Is An 'Extinction-Level Interdiction Program' For Corrupt Companies And People?

By The Leesberg Foundation

It only works on corrupt companies that bribe, break the law, abuse employees, rape, tax evade, lie, cheat, steal, run character assassinations, operate anti-trust violating monopolies, spy and are generally dirty pigs.

That is why it works so well on Google, Gawker, Gizmodo, Jalopnik, Univision, Facebook, Tesla, Goldman Sachs and other creepy corps who bribe, break the law, abuse employees, rape, tax evade, lie, cheat, steal, run character assassinations, operate anti-trust violating monopolies, spy and are generally dirty pigs.

'Extinction-level' means that the goal is to put them-out-of-business.

'Interdiction' means that the effort involves interrupting their corruption, crimes, bribes, payola and sex trafficking.

It is a **'Program'** because it is a constant, unwavering, long-term effort that the entire public population is continually expanding and adding to the effort of.

The efforts are long and take many years but they always work.

If your company does not bribe, break the law, abuse employees, rape, tax evade, lie, cheat, steal, run character assassinations, operate anti-trust violating monopolies, spy and they are not generally dirty pigs then they have nothing to worry about.

If the truth can't hurt a Facebook, Google or Tesla then they should have no concern about the truth being exposed.

Alas, though, those companies are targeted for extinction and any smart investor should remove their investment funds from those companies. The way that they are taken down includes exposing every time each investor engages in a bribe, breaks the law, abuses employees, rapes, tax evades, lies, cheats, steals, runs character assassinations, operates anti-trust violating monopolies, spies and is generally a dirty pig.

Bill Cosby thought he could not be taken down. He was!

Enron thought they could not be taken down. They were!

Dick Nixon thought he could not be taken down. He was!

Hillary Clinton thought she could not be taken down! She was!

Theranos thought it could not be taken down! It was!

The list is endless. The fact is clear: ***If you cheat rather than compete you will be destroyed.***

It is now easier than ever to kill a corrupt entity!

We have hard-fact FBI and CIA-class evidence that Google, Gawker, Gizmodo, Jalopnik, Univision, Facebook, Tesla, Goldman Sachs and others are breaking the law and exist based on a criminal operation. That is why they are going down! We witnessed them do the crimes. Their ex-employees and federal investigators saw it too. That is why they are helping with the take-downs. Millions of web users who hate corruption are helping too, using crowd sourced forensics.

The deaths of these crooked behemoths will be long, slow and hard..but the crash they make when they finally fall will resound throughout history!

An Extinction-Level Interdiction Program known as an "ELIP" always guarantees that a corrupt attacking corporation will:

- A.** Lose a minimum of one billion dollars in stock market and brand valuation from exposure of the truth about them.
- B.** Suffer the firings or forced terminations of multiple senior staff.
- C.** Have draft FBI 302 forms authored and submitted to the relevant regional FBI offices where those companies are located.
- D.** Have private investigators prepare case files on the company, or individual, and submit those to every relevant law enforcement and regulatory agency on every continent.
- E.** Have every investor who has placed over \$50,000.00 in the company investigated for tax fraud, expense fraud, drug abuse, spousal abuse, sexual extortion, off-shore accounts, political bribery, kick-backs, payola, under-the-table payments, real estate fraud, 501 c 3 and 501 c 4 charity fraud, self-dealing, revolving door political payola and other relevant issues.

How To Destroy ANY Corrupt Politician or Dirty Silicon Valley Campaign Financier, 100% Legally!

Organized crime is alive and well in public offices across the nation. This is how you utterly destroy any person who engages in it, using 100% legal tactics and the power of crowd-sourced law enforcement.

FBI and other government officials will even help you do it. The voters will help you do it. Your friends will help you do it. Total strangers will help you do it. The entire internet will help you do it.

You will use CIA-class databases, social media, public watch-dog technologies, FBI-quality monitoring systems and open-source collaborative forensics comparison data to hunt down every: hooker, real estate asset, male prostitute, mistress, secret email account, social media posting, family trust fund, shell corporation, family stock market transaction, off-shore account, covert investment brokerage, email, Uber and Lyft ride, hotel entry and exit, credit card transaction, Paypal account, search engine manipulation, venture capital connection, Stanford University admissions bribe, expense account abuse, taxpayer funds abuse, rape, sextortion, covert tech company stock they own under another name, every party they attended, every tag they appear in on social media, every Cayman Island account, every crooked CPA or law firm they have used, every lobbyist they ever paid....EVERYTHING.. and you will drop the data into a simple database and cross matrix everything even better than the spy agencies can do it..

...AND EXPOSE IT ALL. YOU WILL SUE THEM IN SMALL CLAIMS COURT. YOU WILL LAUNCH CLASS ACTION LAWSUITS. YOU WILL HOLD PRESS CONFERENCES IN FRONT OF THEIR HOMES. YOU WILL CONFRONT THEM WITH FACTS AT EVERY SINGLE TOWN HALL AND PUBLIC APPEARANCE. YOU WILL PUT UP A BOOTH AT EVERY STREET FAIR AND PUBLIC ASSEMBLY AREA AND HAND OUT LITERATURE. YOU WILL CREATE A MASSIVE PUBLIC MEDIA CIRCUS. YOU WILL MAKE DISCLOSURE WEBSITES. YOU WILL NOT LET THEM ESCAPE!

Each person from each political office, lobby firm, law firm or company who engaged in the subversion of the government and the bribery of public officials WILL have EVERY personal email account, text message account, voice-mail hard drive, social media account, dating account or other PERSONAL communications

account examined via investigators. Such examinations shall begin from the date of the opening of each account and run up to today. Law enforcement believes that such parties used personal data systems to subvert the laws of public disclosure and engage in criminal financial crimes and democracy subversion efforts.

You will be even more powerful than Ralph Nader, Julian Assange and Edward Snowden COMBINED!

You will ensure that the public servants, who are your EMPLOYEES!!!!, are held accountable and totally, completely devastated for their crimes against the public.

=====

Trump Could Save Taxpayers ‘Billions Of Dollars’ By Straightening Out One Corrupt Energy Department Program, Report Finds

Michael Bastasch | Energy Editor

The Trump administration could save “billions of dollars” if the Energy Department improved its management of radioactive waste cleanups, according to the Government Accountability Office (GAO).

The GAO [report](#), released Tuesday, also reported Congress could save up to \$4.3 billion by eliminating the loan program that gave \$192 million to a failed luxury electric car company.

“The Department of Energy could potentially avoid spending billions of dollars by developing a program-wide strategy to improve decision-making on cleaning up radioactive and hazardous waste,” GAO reported.

The Energy Department is responsible for cleaning up waste from nuclear weapons produced during the Cold War. The department has spent \$170 billion on cleanup since 1989, GAO reported, but lots of radioactive waste remains. [\(RELATED: The NYT Walks Back Bombshell EPA Report, Doesn't Issue A Correction\)](#)

The cost of cleanup is growing. The Energy Department estimates future nuclear waste cleanup could cost \$377 billion at 16 sites across the country. GAO says taxpayers could save billions if they took a programmatic approach rather than each nuclear waste site setting its own priorities.

The 200 Area of the Hanford nuclear site is seen in a 1995 aerial photo

The 200 Area of the Hanford nuclear site is seen in a 1995 aerial photo.
Department of Energy/Handout via REUTERS

For example, Energy Department officials estimated \$18 billion in savings from prioritizing high-risk over low-risk waste at the Hanford site in Washington state. The department has yet to determine what it will do with as much as two-thirds of the low-risk waste at Hanford.

The Hanford site cleanup [came under increased scrutiny](#) after a “take cover” order was given in 2017 after a tunnel containing radioactive waste collapsed.

“DOE officials said that they are making progress in implementing a national programmatic approach to the cleanup and will continue to work toward this,” GAO reported. “DOE provided technical comments, which were incorporated as appropriate.”

GAO also highlighted an open recommendation to Congress that could save taxpayers up to \$4.3 billion.

“Unless the Department of Energy can demonstrate demand for new Advanced Technology Vehicles Manufacturing loans and viable applications, Congress may wish to consider rescinding all or part of the remaining credit subsidy appropriations,” GAO reported.

The Obama administration used that loan program to hand out taxpayer funds to electric car companies, including luxury **automaker Fisker Automotive, which drew down on \$192 million before [having its government credit stripped](#) away.**

Fisker’s loan was [sold off to a Chinese billionaire](#) for \$25 million in 2013, netting taxpayers a \$139 million loss.

[department of energy. energy. fisker automotive government accountability office](#)

**DEMAND A SPECIAL COUNSEL UNDER OSC DEDICATED TO INVESTIGATING,
AND NOT COVERING UP, THIS CASE!**

DEMAND THAT ALL FEDERAL EMPLOYEES INVOLVED BE FIRED!

DEMAND THAT THE PUBLIC AND THE VICTIMS RECEIVE DAMAGES RECOVERY!

**DEMAND THAT THE WHISTLE-BLOWERS RECEIVE PROTECTION AND ARE
ALLOWED TO SPEAK BEFORE CONGRESS!**

**ADVANCED TECHNOLOGY VEHICLE MANUFACTURING LOAN
AND LOAN GUARANTEE SLUSH-FUND CORRUPTION**

DOE corruption—appointed and elected officials should face prison time

[Marita Noon](#)

|

An exhaustive review of [350+ pages of leaked emails](#) regarding the Obama administration's handling of the various green-energy loan and grant programs makes several things very clear: they [lied](#), engaged in favoritism, and rushed application approvals to suit the political agenda of the White House. At the same time, worthy projects that went through a complete due diligence process were denied or ultimately withdrawn, as the lengthy approval process "taxed investors' patience"—as was the case with Aptera Motors, which worked closely with the DOE for two years.

Paul Wilbur, President and CEO at Aptera, didn't think they were treated unfairly. He told me, "At the end of the day, we couldn't get through the process." But, he admits, he hasn't read the emails.

Aptera was trying to build a very efficient electric vehicle with an under \$30K price point. Wilbur met with Secretary Chu who could see the value in the technology. But our research shows that value was not the deciding factor in which projects got funded and which ones didn't. Wilbur reports that he didn't donate to any candidate. He wanted to keep the whole process clean and do what was "good for America."

[The report](#) from the House Oversight Committee says Aptera first applied for an ATVM loan in December of 2008 and "shut down on December 2, 2011." The report implies that Aptera was led on: "After numerous negotiations with DOE, in September 2011, Aptera received a conditional loan commitment of \$150 million if the company was able to raise \$80 million privately." And: "The loans given to Fisker and Tesla gave Aptera hope that DOE would eventually act on their application. More importantly, since the DOE continued to engage with the company throughout the time period, management was convinced that DOE was interested and willing to provide financing for the company."

Aptera's 100% US technology has since been sold to a Chinese company.

Aptera was applying for an Advanced Technology Vehicle Manufacturing loan (ATVM). Only five loans were given out through the program and all have political ramifications. Christine Lakatos, who has worked with me on the green-energy, crony-corruption reports I've written, has done thorough research on the topic. She has read each and every one of the 350+ pages of emails released on October 31 and has written a [blog post](#) specifically addressing the ATVM program and its hijinks. As she cites, Fisker and Tesla (which Romney referenced in the first debate), got loans in 2010 and then the Vehicle Production Group's loan was the only ATVM loan closed in 2011; all have ties to Obama bundlers. The other two ATVM loans went to Ford and Nissan—both of which, according to the House [report](#), "were heavily engaged in negotiations with the Administration over fuel economy standards for model years 2012-2016 at the time the DOE was considering their applications. Both companies eventually expressed publicly their support for these standards, which the Administration described as the 'Historic Agreement.'"

Armed with the sweeping knowledge of the House reports and subsequent hearings, evidence from DOE staffers (many of whom were appointed by Obama), Lakatos' research, and personal experience, a different ATVM applicant has now taken its case to court citing "corruption and negligence."

On November 16, 2012, [XP Technologies](#) filed a lawsuit against the federal government concerning the DOE's denial of XP Technology's loan guarantee application. The [complaint](#) alleges: "criminal activities did take place by DOE staff and affiliates." A November 23 [press release](#) announces that XP Technologies is now represented by [Cause of Action](#), "a nonprofit, nonpartisan organization that uses investigative, legal, and communication tools to educate the public on how government accountability and transparency protects taxpayer interests and economic activity."

According to the document filed on November 16, "Plaintiffs' backgrounds include extensive issued patents on seminal technologies in use world-wide, White House and Congressional commendations and an engineering team of highly experienced auto-makers. Plaintiff brought a vehicle design, which was proposed as the longest range, safest, lowest cost electric vehicle, to be built in America in order to deliver extensive American jobs nationwide. No other applicant, or award 'winner', has succeeded in meeting, or (is) intending to meet, that milestone. XP Technology developed a patented lightweight, low-cost, long-

range, electric vehicle using air-expanded foam-skinned material for a portion of the polymer body and received numerous patents, acclaim and superior computer modeling metrics over any competing solution. XP presented a vast set of letters of support to DOE from pending customers. Major auto-industry facilities and engineers had joined forces to bring the vehicle to the defense, commercial and consumer market.”

Over the weekend, we had an exclusive interview, on condition of anonymity, with a senior official at XP Technologies about the lawsuit and the experience.

He reported: “Staff from within the DOE have provided evidence which is quite compelling.” As Aptera's Wilbur made clear, the individuals within the DOE were very thorough. One of the emails, in the 350+ pages, was from Secretary Chu himself in which he criticized staffers for taking a “principled stand,” which held up the approval process of projects the White House wanted advanced. Another indicated that the pressure to rush was coming from “above the agency.” Overall, the emails show that projects were rushed so that announcements could coincide with visits, speeches, and photo ops—as well as providing talking points for the president.

Our XP source told us “We experienced, and have been provided evidence of, applicant submissions and reviews being modified in order to benefit some and disadvantage others, and the business connections between the different parties associated with the ones that benefited is quite extraordinary.” The leaked emails support this accusation, specifically regarding the “business connections.” In her post, Lakatos calls it “green fraternizing.” The emails show that certain applicants and decision makers went bike riding together, had coffee meetings, sleepovers, beer summits, parties, dinners, and fundraisers.

While he didn’t provide us with a name, the XP official said, “We experienced a senior senator blockading our efforts and then providing favors to a competitor, which then benefited his family financially.” The discovery the lawsuit will provide will expose the “senior senator,” but our previous research shows that [Senator Harry Reid](#)’s actions seem to fit the XP official’s comment.

XP Technologies believes that “DOE officials changed the first-come-first-served published rules and standards of the funding in order to take applicants in order of who they favored and who had purchased the most influence instead of the order in which they applied, as required.”

Having extensively studied the DOE's various loan programs, including the ATVM, Lakatos and I agree with our source's startling conclusion: "Based on the evidence provided by investigators, and experienced directly by our team, it is hard to imagine that at least one or more elected, or appointed, officials might not be seeing measures ranging from censure or even federal prison time."

Time, the lawsuit, and subsequent investigation will tell.

While the House Oversight Committee has been digging deeply into the mismanagement and corruption of the green energy loans, the media has paid little attention. Other than [our report](#), the October 31 release of the emails cited here received virtually no news reporting. Even the Fox News Channel ignored the story. The plight of promising companies like Aptera and XP Technologies would have gone unnoticed if not for the lawsuit. The legal complaint attracted attention.

On November 16, the [Heritage Foundation](#) broke the XP story: "A lawsuit filed in federal court on Wednesday alleges mass favoritism in the Department of Energy's decisions to award federal grants to major car companies to develop electric vehicles, according to a legal complaint obtained by Scribe."

On November 19, Lakatos, whose work is listed as "evidence" in the legal complaint, received a call from Fox News' Gary Gastelu—who [reported on the story](#) on November 20. The next day, Fox News covered the lawsuit on America's Newsroom. Even the Drudge Report picked up on the story.

XP has a [litigation website](#) on which the company states: "The case has nothing to do with complaining about not getting the loans. It has everything to do with HOW the applicants didn't get the loans!" They are communicating with other applicants about participating in the lawsuit.

The XP story and subsequent media coverage offers a lesson for others—especially industries who have been wronged by the Obama Administration's practices (such as energy). The lawsuit may—or may not—send officials to federal prison, as our XP source suggests, but it could go a long way to winning in the court of public opinion.

THE SILICON VALLEY CARTEL MEMBERS

The Worst Ones - Rev 2.2

You would be shocked to learn how many people are killed, every day, for less than \$50.00. ISIS and the Taliban will saw your head off for just an ideology. If people would commit murder over that small an amount of money, imagine what they would do to control the trillions of dollars of money that is always moving through the stock market. These are the people that will stop at nothing for power, mansions, hookers, private jets and greed!

THE BRIBED INSIDER TRADING POLITICIANS - Tracked via financial records

and email leaks to quid pro quo:

- Aneesh Chopra - White House Tech Exec
- Arnold Schwarzenegger – Governor (Accused of political bribery and kickbacks; tax evasion, illicit deal organization with Russians and more...)

- Tom Scocca- Defamation-for-sale blogger
- Veronica de Souza- Defamation-for-sale blogger
- Wes Siler- Defamation-for-sale blogger
- William Haisley- Defamation-for-sale blogger
- William Turton- Defamation-for-sale blogger

THEIR CORPORATE STOCK MANIPULATION FRONT FACADES- Tracked via financial records and email leaks to RICO, Anti-trust and Money Laundering violations:

- Abound Solar - Criminally corrupt crony campaign finance front operation. (Terminated)
- Alphabet - Privacy abuse, spy-on-the-public, Fake News election rigger, Clinton/DNC scheme financier (Under Federal and EU investigation)
- Facebook/Meta - Privacy abuse, spy-on-the-public, Fake News election rigger, Clinton/DNC scheme financier (Failing, rapidly decreasing users and increasing fake ad stats disclosures)
- Fisker - Criminally corrupt crony campaign finance front operation. (Terminated)
- Google, Inc. - Data harvesting company(Ran media attacks, stock market pump and dump PR hype and character assassinations)(accused of political bribery and kickbacks; tax evasion, and more...) (charged by EU, and most nations, with multiple abuses of the public. Has totally lost the trust of the public. Revenue loss increasing geometrically.)
- In-Q-Tel, Inc. - CIA off-shoot associated with Eric Schmidt, Google, Elon Musk and the Cartel leaders. Ran "hit-jobs" on Silicon Valley VC adversaries and reporters (Sued, under investigation, exposed in multiple documentaries, under investigation for Cocaine trafficking. Removal of charity status demanded)
- Ivanpah Solar - Criminally corrupt crony Google campaign finance front operation. (In failure mode)
- LinkedIn - Election manipulation networking site
- Solyndra Solar Company - FBI-raided corrupt Clean Tech company

- SpaceX – Elon Musk company that Obama gave part of NASA to in exchange for campaign conduits
- Tesla Motors – Car Company that conduits money to campaigns

Any issues re: culpability can be easily resolved in meetings with the FBI, FINCEN, The SEC, The IRS, The FTC, ICIJ.ORG and open Congressional hearings! Never was the term: "Follow The Money" more appropriate than for these people! Why are these people not yet arrested for election manipulation, RICO and Anti-trust violations, money laundering, bribery and other illicit deeds? Who is protecting them? Who is telling the police not to act? This list also serves as a demand for investigation and prosecution of these individuals who conspired to engage in these illicit acts. This is not the complete list.

Trillions of dollars of stock trades and direct payola bribes were exchanged using the White House as a broker and agencies like the United States Department of Energy and the U.S. Patent Office, as a stock market manipulation platform. Politicians turned the government into a cheap garage sale of cronyism! -

--- This case affects who runs the United States Government and who profits from government decisions, a matter of many trillions of dollars.

---- THE EVIDENCE ITEMS ARE AT THE BOTTOM OF THIS PAGE.

---- The following folders provide evidence of the corruption in categories. The illicit acts described therein all involve the same perpetrators. The evidence items specific to this folder category are at the bottom of this page: A.) AFGHANISTAN RARE EARTH CORRUPTION; B.) CASE DIAGRAMS; C.) DEPT OF ENERGY CRONY SLUSH FUNDS; D.) FACEBOOK META CORRUPTION; E.) GOOGLE ALPHABET CORRUPTION; F.) MASS MEDIA MANIPULATION; G.) NETFLIX NEGLIGENCE; H.) PATENT THEFT; I.) REPAIRING SILICON VALLEY; J.) SICKO TECH FRATBOYS; K.) SONY PICTURES CORRUPTION; L.) STANFORD UNIVERSITY INVESTIGATIONS; M.) THE CORRUPT SENATORS; N.) THE ELON MUSK REPORTS; O.) THE HOUSING CRISIS; P.) THE LITHIUM BATTERY LIE; Q.) THE MEDIA ASSASSINS; R.) THE POLITICAL BRIBES; S.) THE SAN FRANCISCO CORRUPTION; T.) USING SOCIAL MEDIA SITES TO SPY ON CITIZENS; V.) THE SILICON VALLEY DEATHWATCH

--- The United States Department Of Energy, Since November 2008, has been almost entirely used as a scam crony payola slush-fund to pay off political campaign financiers of White House insiders. In addition, the Dept of Energy is used as a gate-keeper to sabotage and stall the competitors to those political campaign financiers of White House insiders. It is political racketeering operating in plain sight! The cover-ups by the IG, AJ and DOJ are ENDLESS!

---- At a high level: Trillions of dollars of stock trades and direct payola bribes were exchanged using the White House as a broker and government agencies as a stock market manipulation platform. Politicians turned the government into a cheap garage sale of cronyism! This kind of crime illicitly and illegally manipulates the power over who runs the United States Government and who profits from government decisions which are a matter of many trillions of dollars. The act and veracity of this crime enterprise will be proven to the Jury. ---- Based on that assertion it will then be proven that:

----- 1.) Plaintiff exposed and reported the crime to proper authorities through proper channels.

---- 2.) Some of those authorities used government resources to operate reprisal attacks against Plaintiff, using government resources to operate the attacks, as revenge for reporting the crimes.

---- 3.) The state-sponsored attacks were supported by the political campaign financiers of the government authorities in order to protect their payola conduits and stock market manipulations.

---- 4.) Over 40 harms, each to be detailed and examined in Court, were documented against Plaintiff by the actions of corrupt government authorities.

---- 5.) In a vast number of previous lawsuits, including one won by Plaintiff and his peers, it was proven that government offices infected with corruption regularly attack and harm citizens in reprisal. -

--- 6.) The government, having been caught in these illicit actions, must now pay Plaintiff for his losses, damages, harms, back-pay fees and other compensation.

---- Plaintiff founded and owned a United States government-financed electric vehicle manufacturing company. His technology and metrics surpassed every: A.) price metric, B.) safety metric, C.) driving range metric, D.) national security metric, E.) debt Ratio metric, F.) non-bribery assertion metric, G.) 100% domestic

worker hiring proof and EVERY other issue, which burdened Tesla and Fisker. Plaintiff worked as an employee and contractor for the USA. Tesla And Fisker were financed by the family and investors of Presidents Obama and Biden, as proven by Congressional investigators and email leaks. Government officials ordered attacks on Plaintiff, de-funding and reprisal because Plaintiff reported corruption at the White House, Department of Energy, and other government offices, and because Plaintiff's technology could obsolete the technologies that government officials were illicitly receiving bribes from via insider trading. The attacks and harms against Plaintiff used government resources paid for by taxpayers.

---- There are hundreds of millions of people in America. The same 120 of them are all involved in operating the same crimes and corruption including: the Sony Pictures corruption; the Afghanistan rare earth mine scandals operated through The Energy Department political slush fund that involves the lithium battery cover-ups (headed by Elon Musk); the Big Tech Brotopia rape, sex trafficking, bribery, exclusionism, racism and misogyny issues they were taught at Stanford University; The Facebook - Meta - Google - Alphabet - Netflix, et al, coordinated news manipulation and domestic spying that they engage in; the hiring of Fusion GPS - Black Cube - Gizmodo/Gawker assassins; the destruction of the housing market by their mass real estate manipulations; patent theft and industrial espionage; and the bribery of almost every politician all the way up to the Oval Office.

---- So, while the categories covered in this investigation may seem diverse. They are connected through an enterprise of criminality and illicit, coordinated operations. We list, by name, the 120 most complicit individuals organizing these crimes, in the evidence documents already submitted to the FBI, FINCEN, DOJ, FTC, SEC, FEC, Congress, InterPol and other authorities. Digital financial tracking of those persons and all of their family members should be assumed to have been under way for some time. Wire-taps and device taps of those persons and all of their family members should be assumed to have been under way for some time.

---- That's right! Your public officials use federal agencies as dark-money laundering operations for their friends.

---- If you are a taxpayer: You suffered damages! ---- If you are an American business: You suffered damages! -

--- If you are Democracy: You were broken! ---- If you were a tech mobster: You made out like a bandit!

---- This is how it worked. No public official wants these crimes to end because most of those officials profit from these crimes!

--- Forget about any allegiance you might have to one political party over another. This is not about parties, this is about racketeering crimes! The Solyndra taxpayer, technology, financial and political disasters that began during the corrupt reign of Steven Chu and Jennifer Granholm at the Department of Energy typified the overt, organized crime, corruption and crony malfeasance of the public funds.

---- This trend was created via the back-door deals between 1.) the U.S. Department of Energy and audacious kick-back schemes created by 2.) Silicon Valley campaign financiers and the 3.) White House. This is the story of the racketeering schemes and scams that set out to steal trillions of dollars of taxpayer cash, in plain sight, under the cover of a national "economic" or "health" emergency "stimulus" scam.

---- IF YOU SEE CORRUPTION, REPORT CORRUPTION: Post a public web page with all of the details and evidence of the political corruption. Then invite all of the press, public, Inspector General's, FBI, SEC, FTC and law enforcement to that web page. This will prevent cover-ups and stone-walling and protect you from getting ignored! Never assume that the agencies that are supposed to help you, will help you!

- The perpetrators operate a **massive and abusive sex cult**. The Sandhill Road Venture Capital offices, located between Highway 280 to Santa Cruz Avenue in Menlo Park, California, house the main perpetrators of this global cartel. Their executives at Google, Facebook, Netflix, LinkedIn, Twitter, and their related holdings, comprise the rest. Their sex cult actions have been widely covered in the news individually in the [Joe Lonsdale rape case](#), [The Kleiner Perkins Ellen Pao sex abuse lawsuit](#), The [Eric Schmidt sex penthouse stories](#), [The Jeffrey Epstein case](#), The [Google Forrest Hayes hooker murder case](#), The [Andy Rubin sex slave case](#), The [Sergy Brin 3-way sex romp](#) scandal, The [British Hydrant investigation](#), The [Elon Musk Steve Jurvetson billionaire sex parties](#) scandals, The [NXIVM sexual slave](#) cases, The [Michael Goguen anal sex slave](#) trial, **and thousands of other cases and federal divorce court filings**. This group of people have proven themselves, over and over, to be sociopath control freaks not fit for participation in public commerce, public policy or media control. The Four Seasons Hotel and

Rosewood Hotels in Silicon Valley are estimated to engage in over \$30,000.00 of high-end escort sex trafficking per day, a portion of it managed by Eastern Bloc Mafia operators. At least 10 Ukrainian escorts fly in and out of SFO and SJO airports every week for these Cartel members.

- An inordinate number of the members are closeted homosexuals who seek to use their media monopolies and massive lobbyist ownership's to promote child sex and child sex change consideration. Hence the massive, sudden, promotion of those issues in all of their media since they took power in 2008. The press has widely reported on underage boy sex clubs and the payment to [parents for the blood of young boys by these oligarchs](#). A large number of tech VC's and senior executives are covert gay activists who hire women to act as their "beards". Their elitist Yale and Stanford fraternity house upbringings promoted "bromances", "rape culture" and a *don't-worry-daddy-will-fix-it* mentality.

- The AngelGate Conspiracy (<https://venturecapitalcorruption.weebly.com/the-angelgate-conspiracy.html>); The Job Collusion Case (https://en.wikipedia.org/wiki/High-Tech_Employee_Antitrust_Litigation) and hundreds of other cases, prove that the perpetrators regularly meet, conspire, collude and racketeer, in full view of law enforcement, without ever getting arrested by the FBI because they bribe public officials in order to avoid prosecution. The perpetrators operate in extreme violation of federal RICO laws yet no DOJ or SEC RICO case has been filed against them by federal officials.

- The perpetrators have used their exclusive monopolized cash flow of taxpayer financed grants, contracts and internet infrastructure to purchase the majority of the political lobby firms and technology law firms in America. This gives them an illegal, illicit and unfair ability to control: 1.) which laws are made or stalled, 2.) who gets government funded or blocked, 3.) Who gets tax breaks, tax credits and tax waivers and who does not, 4.) Who gets state-sponsored reprisal targeting or benefits blockades, 5.) Who gets revolving door payola jobs at their companies, 6.) Who gets PAC money bribes, 7.) and many other effects that are legally defined as "racketeering".

- The perpetrators conspire, coordinate and manually manipulate their digital media mass broadcasts in order to collude in a manner that injects coordinated subliminal messages, that no regular voting citizen can detect, into their media in order to manipulate co-aligned political and ideological messages that will promote their ideological beliefs and promote public and policy actions which will provide profits to their stock market holdings which they co-own. Many of

those stock market holders, (ie: in Tesla, Google, Abound, Solyndra, rare earth metals, Disney, etc) were coordinated between all of the perpetrators by their partners at JP Morgan, Bear Stearns, Goldman Sachs in such a manner as to collude to rig markets via insider trading ownership's that U.S. Senators, and their families, shared.

- The perpetrators have used their subliminal media control technologies to manipulate every national election since 2008.

- The perpetrators use a contrived Scientology-like hiring and HR management system which seeks out the most vulnerable, naive, easily influenced, and damaged people to fill their employee coffers with, in order to do their bidding. Their employees are nothing less than tools, sheep and fodder for their media manipulations, sexual abuses and ego-mania.

- These people are absolutely evil, sick and sociopath-like individuals who operate with impunity because they are never arrested. They thumb their noses at the law and anyone who does not agree with them. They create fake political issues to milk the emotions of the public in order to gain power.

The documents in these files were provided by the witnesses, investigators and crowd-sourced peer-to-peer public law enforcement investigators who uncovered materials that were relevant.

This case documents and reveals the evidence that a Cartel comprised of public officials, many of them elected and located at the highest levels of government, and their Silicon Valley financiers, engaged in crimes against the public (essentially creating a coup against the U.S. Government) in order to steal taxpayer money and resources.

In a key part of the crime, the Obama Administration used the U.S. Department of Energy, under Secretary of Energy Steven Chu, who was protected by USAG Eric Holder, to payoff campaign financiers via crony kickbacks and stock market “pumps”. The same agency staff sabotaged those campaign financier’s competitors by defrauding them of tens of millions of dollars by telling them to invest their funds in order to get loans and grants that DOE executives never intended to issue. Government staff also engaged in stone-walling, character assassination and other “dirty tricks” schemes against applicants and competitors. This portion of the corruption crime was implemented and planned from 2007 through 2016. This was a felony abuse of taxpayer monies. Russian billionaires, Goldman Sachs, and other investment banks, and U.S. Senators illicitly profited off of this scheme.

Law enforcement and Congressional evidence now prove the fact that only those who payed campaign finance bribes received the funding from State and Federal agencies and they received it in amounts equal to the size of the bribes they paid. Every single other applicant (hundreds of them) who did not pay campaign bribes, and who did not give stock market warrants to Senators, was stone-walled, de-funded, sabotaged and lost tens of millions of dollars by being defrauded by Energy Department officials who covertly knew that the funding had been hard-wired for their friends, in advance.

The criminal participants sought to manipulate elections and public opinion in order to place their insiders in government offices. They did this in order to steer government treasury cash, contracts, intelligence resources, government benefits and stock market advantages to their private profiteering accounts, at the expense of the public. Historical records and evidence has proven that they, indeed, did engage in these criminal activities.

They abused the operation of the DOJ, FBI, DOE, CIA, SEC, FCC, FTC, DOT and other agencies, in order to operate their scheme.

Via their leaked communications, non-compromised officials, news coverage and public testimony, their crimes and illicit actions are hereby exposed in order to curtail their corruptions.

These Senators, lobbyists, Silicon Valley billionaire oligarchs and investment-bankers used "party ideology" to seek to whip up a zealot-like frenzy to try to get voters to overlook their sins. In the end, the public has finally begun to realize that the issue is not about party politics. It is simply about organized crime and the abuse of public office for out-right theft and stock market fraud by these politicians.

150 criminally corrupt politicians and their Silicon Valley financiers abused hundreds of millions of American voters and the public policy system in order to line their private bank accounts and fulfill their personal needs for power. They operated Congress like an organized crime syndicate. They did this in violation of the law and in violation of public ethics.

These assertions are proven, via hard facts and evidence, in the files contained in this repository. Additional confirming evidence from law enforcement, Congressional and insider sources is also available upon request.

Why does any of this matter?

Because many of us were lied to by our elected officials who then took our life savings and decades of work and put our money in their own pockets. Because many of us were in the offices of Nancy Pelosi, Debbie Wasserman and Dianne Feinstein and personally saw them engage in crimes to pad their own bank accounts at the expense of their co-workers and the public. Because many of us knew Seth Rich, Gary D. Conley, Rajeev Motwani and the 45+ other people who had intimate knowledge of these crimes and then suddenly and mysteriously turned up dead. Because many of us saw these crimes committed, first-hand, and know these assertions to be fact. Because the rest of us are American voters and citizens who will never tolerate this kind of corruption and will never allow it to disappear from public memory or the history books! Because the arms of the law and public justice are ever lengthening and will eventually bring every criminal involved to justice!

Context Menu Detailing The Relevance Of The Folders In This Set Of Files

AAA - FORWARD - PREAMBLE - READ FIRST = The top level summation.

AAA - THE SILICON VALLEY FELONY RICO CRIMES = The secondary level overview documents.

FOLDER - ATTACKED BY OBAMA AND HIS DNC MOBSTERS = Evidence relative to attacks and “hit jobs” on the public, reporters, whistle-blowers and competitors ordered and/or operated by the Clinton and Obama administrations as retribution, vendetta, revenge tactics.

FOLDER - CRIMINAL POLITICAL SLUSH FUNDS AT DEPT OF ENERGY AND CALIF AGENCIES = Evidence detailing the core crime effort wherein public officials, and their Silicon Valley political financiers, ran crony payola scams to acquire unjust gain at the expense of the public.

FOLDER - FAKE NEWS PROPAGANDA SITES, MEDIA ASSASSINS AND ELECTION RIGGING = Evidence detailing the manipulation of public news, social media public information and election results wherein the suspects sought to control political budgets, government expenditures and ideologies to the benefit of their personal profits and power-hungry narcissisms.

FOLDER - GAWKER AND GIZMODO MEDIA WORK AS HIRED ASSASSINS FOR THE DNC AND OBAMA = Evidence relative to attacks on the public, reporters, whistle-blowers and competitors ordered and/or operated by the Clinton and Obama administrations as retribution, vendetta, revenge tactics as deployed in a very specific set of example instances via the Gawker/Denton/Omidyar Cartel.

FOLDER - HOW YOU CAN FIGHT CORRUPTION = List and examples of proven counter-measures, in use by public-interest groups, to fight this kind of corruption.

FOLDER - INSTRUCTIONS FOR USERS = Instructions for public and agency members contributing to these evidence sets.

FOLDER - LIST OF OFFICIAL BIASES OF MEDIA ENTITIES = Evidence showing which reporters or media outlets will bias or hide this evidence in order to protect their corrupt owners and investors who may have had a hand in benefiting from this corruption. This will indicate who you can trust to help you and who will try to blockade, stone-wall or “media hit job” you.

FOLDER - NEWS VIDEOS PROVING THE CHARGES AND FACTS = News video evidence confirming the charges.

FOLDER - NEW TOPICS = What are the results of the exposure, interdictions and awareness of this corruption? What new technologies, concepts, methods, social trends and efforts have been caused as secondary effects of this case?

FOLDER - POLITICAL HONEY-TRAPS AND FAKE DATES = Evidence showing the abuse of human interaction services to exploit political agendas. No human can resist the need for a date, flirting or sexual potential and political operatives used this fact for spying, database culling of voters and other mass digital public exploitation via “dating services”. How political operatives take advantage of basic human needs and exploit them for election rigging.

FOLDER - SILICON VALLEY CORRUPTION AND ABUSE OF THE PUBLIC = The financiers, technical operators and beneficiaries of these crimes were Silicon Valley oligarchs. What kind of people are they? Why do they all have a similar sociological, fraternity house, sociopath-like profile? What is the social echo-chamber that clones them into these kinds of people? Why are almost every one of them eventually caught in an abuse scandal?

FOLDER - THE ELON MUSK TESLA CORRUPTION CASES = Elon Musk was one of the largest financier, crony corruption beneficiaries of these crimes? Why did he spend hundreds of millions of dollars on self-promotion seeking to make himself an “icon”? How do only a handful of web “trolls” use “bots” and mass social media to hype his image? Which media cover-up his crimes? What are the specific illicit deeds he is charged with in this case?

FOLDER - THE GOOGLE INVESTIGATION = The evidence proving that Google engaged in a digital and White House staff coup in order to control public laws, policy, contracts, state and federal budgets and ideology. The abuse of CIA resources by Google, In-Q-Tel, Crowd Strike, New America Foundation and other rogue spy operations has led to the largest mass public abuse in history. These reports prove those assertions.

FOLDER - THE NEW INTERNET = Because it was Silicon Valley Oligarchs that manifested these crimes, the world has sought to work-around and/or identify their illicit abuses of the individual. These are the latest results of that blow-back.

FOLDER - THE SILICON SEX CULT = Silicon Valley oligarchs and certain major politicians have a “*Harvey Weinstein/Anthony Weiner*”-like affliction that causes them to have an uncontrollable devotion to deviant sex and the use of sex as a self-affirming abuse tool. They have been caught up in under-age sex scandals and clubs, or networks, devoted to sexual conquest, in a massively escalating series of horrific sex abuses. What is it about their social group that causes the interaction of Hollywood and Silicon Valley “elites” to adopt moral degradations and support politicians who are also drawn to such deviancies?

This crime has been widely covered in the main stream news, in major TV documentaries (ie: 60 Minutes: THE CLEANTECH CRASH) and hundreds of books, so it is not possible for any law enforcement entity to state that they do now know about it. Each entity has been informed that each other entity has been notified since 2007. These notices have been copied to the press and P2P groups in order to reduce cover-ups and denials and provide historical transparency.

How Elon Musk, Larry Page and Mark Zuckerberg Use Scam Nonprofits to Hide Dark Money

ALL OF THESE CORRUPTION CRIMES ARE ABOUT CRONY KICK-BACK PROFIT PAYOLA

It is of the utmost importance that researchers, investigators and observers understand that these matters have nothing to do with issues of politics or ideologies.

Politics or ideologies were used, by the criminals involved, as mass marketing manipulation tools in a secondary manner in order to manipulate voter trending pressures and increase the crooks government cash windfalls.

The core goal of these corruption crimes was to conduit trillions of government treasury dollars and stock market valuation manipulation profits into the pockets of certain politicians and their crony financiers.

In the ensuing exposure and cover-up, now underway, the criminal elements constantly seek to steer circumspection away from themselves by drawing on emotional political ideology triggers, ie: “..don’t believe that we politicians did any crimes, we are part of your political party. It must be the bad OTHER political party making up stories because they are jealous..”

In fact, for a free scoop into the pig trough full of trillions of taxpayer dollars these criminals have proven that they will lie, murder, extort and operate more

like a crime syndicate than a pool of elected representatives. This is not about politics, this is about crime.

Politicians are increasingly using nonprofits capable of accepting unlimited dark money funds to advance their agendas and oligarchs use those non-profits to bribe those politicians.

- [Chisun Lee reports:](#)

Since Watergate, it's been illegal for anyone to secretly donate millions to a federal candidate's election campaign. Congress decided at the time that capping contributions was a price worth paying to deter corruption. For the same reason, campaign finance law requires candidates to publicly disclose donations above a certain amount. Sunlight, as the Supreme Court likes to say, is the best disinfectant.

But such rules — designed to prevent would-be officeholders from being “bought” by wealthy donors — don't apply to a burgeoning new mode of self-promotion that politicians are embracing once they actually take office.

Like so-called “buddy PACs” – unlimited spending groups that support a single candidate *during* campaign season – the new must-have accessory for successful politicians is the officeholder-controlled nonprofit. These entities, launched *after* the campaigning is over, can raise unlimited amounts in secret donations to spend on promoting officeholders and their agendas. And they are gaining popularity among elected officials at every level of government.

The time has come to enact common-sense regulations to stop these nonprofits from corrupting our politics.

Among the most prominent examples: America First Policies, a 501(c)(4) social welfare nonprofit that President Trump's top advisors founded a week after his inauguration. Earlier this year, CNBC reported the group has [conducted polling](#) worth as much as seven figures — work that typically fuels political ad campaigns. Among other promotions of Trump administration positions, the nonprofit produced a [TV ad](#) last fall that featured flattering footage of the president and called on viewers to “stand with President Trump to cut taxes, now.” The donors to America First Policies remain secret.

In a recent [report](#), we at the Brennan Center for Justice found that at least two presidents, seven governors, and several prominent mayors – from both major

parties – have established nonprofits that allow them to raise unlimited, anonymous funds for political spending after election day.

Since 2010, these elected officials — including Republicans like embattled Missouri [Governor Eric Greitens](#) and progressives like campaign finance warrior [Bernie Sanders](#) — have altogether raised as much as \$150 million for nonprofits that they are able to control and use to promote their respective agendas.

Allowing elected officials to take unlimited cash from usually secret donors through these nonprofits opens the door to conflicted loyalties and corruption. Occasional [exposés](#) reveal some of these donors have specific business interests before the elected officials whose nonprofits they support – and likely see their donation as a means to win government decisions that will benefit them.

In New York State, for example, gambling companies donated \$2 million to a nonprofit affiliated with Governor Andrew Cuomo just before he [declared his support](#) for increasing gambling in his 2012 State of the State address. And in Los Angeles, a pipe manufacturing executive made it clear that his million-dollar pledge to the mayor's nonprofit was meant to gain influence in a city that forbids campaign contributions by companies seeking government business. He [told the Los Angeles Times](#), "We want to influence the government leaders to make the right decisions so that we can be more competitive."

Some of these nonprofits have taken steps at self-regulation. President Obama's Organizing for Action wrote the playbook on turning these types of nonprofits into publicity juggernauts. In the spirit of being "open and transparent," OFA decided early on to [voluntarily disclose](#) its donors. But hoping that officeholder-controlled nonprofits will voluntarily disclose funders is hardly a plan to ensure ethical governance.

Americans deserve to have confidence that decisions about who builds bridges or treats drinking water are based on the most qualified, competitive bid – not who gives the most to an elected official's nonprofit. For this reason, we recommend a straightforward set of laws to bring transparency to these nonprofits and limit the influence of those with specific business interests before government, and we're urging legislators across the country to adopt it.

First, we should identify those nonprofits that pose a major risk of corruption – determining whether an elected official or close associates control the group and, if so, whether the group spends substantial amounts on promoting the official. Then, for the small set of entities this test would identify, we propose two

key safeguards that are well-established components of anti-corruption law. One is public disclosure of who is giving money, and how much, to an officeholder-controlled nonprofit. The second is contribution limits for donors who have concrete business interests that the politician has the power to affect.

Some jurisdictions have already started following this model. In New York City, similar legislation kicked in this year following a federal investigation into Mayor Bill de Blasio's [nonprofit](#) and allegations of ethical transgressions. And in early 2017, the Missouri legislature considered a [measure](#) to require certain nonprofit groups to report donations, though the effort fell short.

To be sure, nonprofits associated with elected officials may do work that serves the public. They may use the officeholder's high profile to attract private funding for education, economic development, antipoverty work, and more. The beauty of a legal solution that focuses on control by the elected official and spending to promote that official is that these public benefits can go on, uninterrupted.

But with officeholders' increasing reliance on private donors even outside of campaign season, requiring transparency and limiting donations by those seeking government business are crucial starting points for protecting government integrity. To ignore this growing problem of money in our politics, where a [handful of ultrarich donors](#) already wield grossly outsized influence, would ignore an unacceptable threat to representative democracy.

A few politicians go after political 'dark money' with anti-corruption measure but it is just an act to protect Big Tech!

HR1 is designed to combat the secret political funding illustrated in the John Doe Files, leaked to the Guardian in 2016

[Ed Pilkington](#) in New York and [Sabrina Siddiqui](#) in Washington

The influence of "dark money" in American politics that allows billionaires to fund political campaigns through third-party groups without disclosing their involvement was put under the spotlight at a congressional hearing on Thursday, as [Democrats](#) use their newfound majority to crank up a sweeping new anti-corruption measure.

In the first hearing on the bill, known as HR1, the House administration committee examined how undisclosed donations from some of the country's richest individuals is distorting they way politicians are elected.

"The mechanics of our democracy - access to voting, running for office, holding government accountable - have undergone radical changes in recent years," Congresswoman Zoe Lofgren, the committee's chairwoman, said while commencing the hearing.

She added: "These changes have tended to restrict the rights of eligible voters. It has made the voices of the wealthy and powerful so loud that they can drown out the voices of ordinary people."

The committee heard from a range of election experts, as well as from civil rights activists, who illuminated the impact of such "dark money" on the lives of ordinary people.

A key example of the corrosive influence of secret political funding presented before the committee was the John Doe Files, the vast tranche of documents leaked to the Guardian in 2016 and posted in their entirety on the Guardian website. [The 1,500 pages of material](#) exposed how big corporations and some of

the wealthiest rightwing donors in the US used their fortunes to prop up prominent politicians, in some cases going on to extract political favors in return.

Peter Earle, one of the panelists, was poised to appear before the committee later in the hearing to detail the revelations of [the John Doe Files](#). A civil rights trial lawyer in Milwaukee, Earle has been suing the historic manufacturers of lead paint in a long-standing case designed to secure compensation for poisoned children as well as to generate funds needed to remove still existing toxic paint from hundreds of thousands of homes across the US.

“It is indeed a sad day for our democracy when a rich and powerful corporate CEO can deprive innocent victims of lead poisoning their day in court just because he could afford to secretly donate huge amounts of money to greedy and ruthless politicians,” Earle will say, according to a copy of his written testimony.

“The only reason that this story is publicly known is because years after the secret six-figure donation and subsequent sweetheart legislation, a trove of previously secret documents was leaked to the Guardian newspaper by a valiant whistleblower.”

The Guardian’s documents revealed that the late owner of one of the largest historic makers of lead paint, NL Industries, had donated \$750,000 to a third-party group in Wisconsin that was heavily involved in helping the state’s then governor Scott Walker fight a recall election. As the money was passed through a group, the identity of the donor, NL Industries’ owner Harold Simmons, remained secret until the Guardian exposed it.

That meant that nobody was able to join the dots when, soon after Walker won the election, the Republican-controlled legislature in Wisconsin changed state law. Under the rule change, it became much more difficult for victims of lead paint poisoning, most of them children, to sue NL Industries and other former lead paint manufacturers for the damage inflicted on them.

Concern about the pervasive influence of undisclosed political donations by corporations and the super-rich has become a red hot issue, particularly among the new intake of young Democratic Congress members swept in by November’s mid-term elections. The “corruption game” played by Alexandria Ocasio-Cortez before the House Oversight committee in which she denounced campaign finance controls – or the lack of them – this week became the [most viewed video](#) of a politician’s speech ever posted on Twitter.

In it she said: "We have a system that is fundamentally broken."

The Democratic party has chosen to mark its renewed dominance in the House of Representatives following the November elections by putting reform of America's stricken democracy at the top of its agenda. HR1, known as the [For The People Act](#), includes strong provisions designed to combat corruption by forcing all organizations involved in political activity, including so-called "social welfare" groups, to disclose large donors.

The bill is likely to be put to a House vote next month and is assured of passage through overwhelming Democratic support. It is almost certain to flounder, however, in the Republican-controlled Senate, given the [virulent opposition](#) from the party.

Mary Bottari, a researcher with the watchdog on money and politics, the Center for Media and Democracy, said Wisconsin should be seen as a cautionary tale for the nation. "Billionaires give huge amounts to aid politicians but because they gave it to a third-party group the public would never know."

Many senior figures in the current Republican party and Trump administration appear in the John Doe Files. Trump himself has a walk-on part: the leaked documents disclosed that he [made a donation of \\$15,000](#) following a personal visit from Scott Walker to Trump Tower in New York.

Another who [makes an appearance](#) in the documents is Nick Ayers, who has just stepped down as chief of staff to the vice president, Mike Pence. He has reportedly left the White House for a senior role in a super Pac that will be channeling money from big donors to Trump's 2020 re-election campaign.

Also prominent at Thursday's hearing was the issue of voting rights and efforts to restrict access to the polls that are predominantly aimed at people of color and students.

"The promise of this country is that every person has a voice and every person out to be counted," Chiraag Bains, the director of legal strategies at the public policy organization Demos, told the panel. "Our history has been one of struggle to make that promise a reality."

WHO IS THE PALO ALTO MAFIA? - #PaloAltoMafia

- A demand for FBI arrests of these parties

The ***Palo Alto Mafia*** is an ad hoc organized crime group that violates RICO racketeering laws by engaging in dark money political corruption.

These mobsters use covert dark money schemes to direct elected officials to take public tax money and put that money in their pockets and the pockets of their campaign financier associates while using government resources to sabotage competitors. They pay the bribes to the political officials with stock market warrants, prostitutes, credit cards, real estate, mortgages, loans, revolving door jobs, contracts and other dark money.

Counter-measures against these criminals are aimed at making sure they are exposed, doxed, shamed and arrested! Private/public databases have been created to track and destroy all of their stock market holdings, Silicon Valley monopolies, off-shore spider holes, covert payola trusts, hidden shell corporations, sex trafficking clubs, emails, credit cards, stock accounts, covert real estate holdings, tax write-off profit fronts and other illicit assets.

They accrued money and power by creating mass hyper-scaled monopolies, mostly in new digital markets, by exploiting exclusive government financed exploitation provided by laws, grants and contracts that the politicians, that they owned, produced exclusively for them while locking out their competitors.

Although often exposed in such cases as the "*AngelGate Collusion Case*", "*The Silicon Valley No Poaching Class Action Lawsuit*" and hundreds of other cases, their ownership of the senior executives at FBI, SEC, FTC, FEC, OSC, DOJ and other enforcement agencies has, so far, prevented their formal interdiction.

While using billions of dollars of PR agencies to promote a "crunchy-granola", we-are-saving-the-world, "goodie-two-shoes" image for each of themselves, behind the scenes they conspire, collude, sex traffic, bribe, spy, black-list, payola, media bias control, censor, abuse and use Democracy as their play-thing for their sociopath addictions to power and money.

They bankrupted old-school print media and replaced it with digital media ***which they control*** to promote only their profiteering ideology. They control almost all search engines and media servers to rig them to censor public information and mass manipulate social perspectives using the automated tactics exposed in documentaries like: "***The Creepy Line***" and 60 Minutes segments about "*Information brokers*".

They pay their bribes to their politicians and operatives using dark money relayed by corrupt law firms, lobbyists, media services and character assassination services like IN-Q-Tel; Gawker Media; Jalopnik; Gizmodo Media; K2 Intelligence WikiStrat; Podesta Group; Fusion GPS; Google; YouTube; Alphabet; Facebook; Twitter; Think Progress; Media Matters; Definers; Black Cube; Roger Stone, Mossad; Correct The Record; Sand Line; Blackwater; Stratfor ; ShareBlue; Wikileaks; Cambridge Analytica; Sid Blumenthal; David Brock; Covington and Burling, Perkins Coie, Wilson Sonsini and hundreds of others...

There are over 150 sudden, unexpected, suspicious deaths associated with person's who were at odds with this organized crime group ranging from "suicides", strange accidents and clear murders.

The tremendous number of sex scandals this group has been involved in are related to their need to control others, a key character trait of the sociopath psychological profile demonstrated by the majority of them.

They instruct the HR staff of the companies they own to only hire naive young employees that will appear to follow their echo-chamber-optimized, highly controlled corporate ideology culture. Any who fall out of proper "group-think" are fired until they have culled a perfect clone army of indoctrinated followers to push their political and profiteering control goals.

A large number of them are homosexual, subscribe to the Jewish cultural social training and are deeply influenced by collegiate fraternity and sorority teachings about social roles and elitism.

They are known by a number of names including:

"The PayPal Mafia"

"The Silicon Valley Oligarchs"

"The Deep State"

"The Billionaire Frat Boy Club"

"The Bohemian Club"

"The KPCB Cosa Nostra"

"The Guardsmen Club"

"The Greylock Greys"

and other AKA's

This mob has so much cash from unjust gains, and hires so many out-of-control lobbyists and defamation services, that they have totally broken the Democratic process. Some of the controlling members, or mob bosses, that pay for and benefit from these corruption activities include:

Amy Pascal; (Sony Pictures Obama funding liaison, traded CIA secrets for Zero Dark Thirty script)

Arnold Schwarzenegger; (CA governor, actor, arranged Russian mob financing and Russian mining deals)

Barack Obama; (Acted as front man for Silicon Valley payola deals through White House)

Bill Daley; (Obama's Chicago mobster staff boss, ran payola ops in White House for Obama)

Bill Lockyer; (California finance boss with a sex scandal that gave taxpayer cash to crooked Solyndra and Tesla)

Brian Goncher; (Deloitte finance Cleantech scammer head, put together Obama Cleantech payola deals)

Daniel Cohen; (Dept of Energy Lawyer who helped fudge the DOE Slush-Fund into place with Steven Chu)

David Axelrod; (Obama White House media hit-man)

David Drummond; (Top Google lawyer who had a few sex scandals at his Quail Road Home in Woodside, CA while running political bribes for Google)

David Plouffe; (Obama White House boss who arranged Silicon Valley payola and revolving door deals)

David E. Shaw; (Known as the Snake Of Silence)

Dianne Feinstein; (Covert owner of Tesla, Solyndra and other conflict-of-interests. called "The Most Corrupt Senator In U.S. History", deeply involved with Chinese spies and financiers)

Elon Musk; (Tech mobster bromance buddy of Larry Page at Google and Tim (crazy eyebrows) Draper, sex party partner with Steve Jurvetson and largest government Mooch in American history)

Eric Holder; (Obama's AG who ran all of the DOJ and FBI cover-ups of corruption for Obama)

Eric Schmidt; (Google boss with an "open marriage", a sex penthouse and a CIA office who loves to mess with governments around the world)

John Zaccarro, Jr.; (At top of GOP watch-list)

Frank Giustra; (Mining scheme financier of Hillary Clinton who suggested Russian deals)

Nick Denton; (Gay sex and media abuser who did nasty tabloids in Britain and USA as hired character assassination pro, ran media attacks as client for Podesta, Obama, DNC, Google and Elon Musk)

Harry Reid; (Dirty Senator who made crooked deals with Musk and Google, got punched in the eye for being a crook)

Haim Saban; (Overseas cash conduit to DNC)

Hillary and Bill Clinton; (Sex, dead bodies, Haitian prostitutes...can the world ever forget The Clinton's?)

Ira Ehrenpreis; (Silicon Valley frat boy bundler and DNC VC insider)

Andy Bechtolsheim; (Silicon Valley frat boy bundler and DNC VC insider)

Jay Carney; (Too many conflicts-of-interest to count, White House press boss, loved Russian tactics)

James Comey; (FBI Director who held off investigations on Obama's crimes)

Jared Cohen; (Google's Israeli agent in-house, playboy/spy/DNC operative; promoted coup attempts)

Jeffrey Katzenberg; (Hollywood Wensteiny DNC financier and pusher of politics into Hollywood films)

John Doerr; (Obama's Kleiner Perkins and Russian Connection VC sued for sex abuse and manipulation)

Harvey Weinstein; (Notorious Obama and Clinton financier and sexual predator)

Yasmin Green; (Google's director of Middle East Incursions, Jared Cohen's favorite hottie, extensive mouth-to-face ratio)

Jonathan Silver; (The Dept of Energy's VC who made sure that only Obama's campaign financiers got funded)

Ken Brody; (Insider for DNC operations)

Lachlan Seward; (The Dept of Energy's payola manager who made sure that only Obama's campaign financiers got funded)

Laurene Powell Jobs; (Steve Job's old squeeze or "beard wife" depending on who you ask, inherited his billions and now funds the DNC)

Judge Stewart M. Bernstein; (NY Southern District Judge who is a Hillary Clinton sponsor protecting DNC corruption)

Larry Page; (Elon Musk's boy buddy at Google. Pages steals technology for

Google and spends his billions rigging politics and buying insane frat boy toys and people)

Google, Alphabet, YouTube; (The commercial version of the rogue portions of the CIA)

Facebook; (The commercial version of the German Stazi)

In-Q-Tel; (The actual CIA..but without any of that annoying Congressional oversight. They are a 501 (c) charity yet they had 5 tons of cocaine on their airplanes. They now work for Elon Musk, Google and Facebook)

Amazon; (The Socialist version of the CIA)

Twitter; (A DNC spy and media manipulation tool to do spy stuff in 140 characters, or less)

PayPal; (A DNC run bank that cut's off anti-DNC people)

WordPress.Org; (A DNC operated ISP that cut's off anti-DNC people in violation of freedom-of-speech)

The Law Firm of Perkins Coi; (The Masters of Moving Money Mysteriously)

Mark Zuckerberg; (Goofy Facebook boss that does what Sandburg and Debbie Wasserman tells him to do and wants to be President of the World)

Martin LaGod; (Silicon Valley VC deep into lithium mining corruption)

Matt Rogers; (Silicon Valley McKinsey insider placed into Dept of Energy to run things for Silicon Valley VC's)

Marc Benioff; (DNC financier and party boy)

Michael Birch; (The man with the Magic Box)

Steve Kirsch; (Windfall billionaire with Infoseek sale, funds lithium ion battery mining deals)

Steven Spielberg; (Hollywood extremist DNC financier)

S. Donald Sussman; (A true man who "gets around the circuit")

Pierre Omidyar; (Gawker/Gizmodo hit-job financier, EBAY owner, partners with "Russian Businessmen")

Rahm Emanuel; (The "Godfather" of corruption in the Obama White House and Chicago City Hall. Taught Obama how to Obaminate corruption)

Raj Gupta; (Arrested insider trading expert from crooked McKinsey who taught Silicon Valley how to scheme)

Ray Lane; (Charged with tax evasion on a massive scale, he and Kleiner Perkin's folks brought crime to the Valley)

Tom Perkins; (The VC with the biggest bribes - One of the first Godfathers of the tech mob)

Robert Rubin; (The insider that knows where the girls are)

Rob Friedman; (The insider that works all of the angles and shell corporation options)

Reid Hoffman; (Weight and morality challenged owner of Linked-In who finances dirty DNC deals and dating sites)

Richard Blum; (Dianne Feinstein's husband/boss, ran dirty Chinese deals and owns part of Solyndra and Tesla assets. His "interesting" trips to Mongolia and China still have the FBI scratching their heads)

Robert Gibbs; (Obama's crooked press office boss who quit the day after a certain package showed up on his desk)

Robert Shwarts; (The cash behind the blast)

Roger Altman; (The man who has his fingers in everything)

The Law Firm of Covington and Burling; (Deeply homosexual DNC insider law

firm that brought you Obama, Eric Holder and the Immigration crisis)

Sanford Robertson; (The "inventor" of some of the greatest stock market politician perks ever deployed)

Steve Jurvetson; (Elon Musk's sex party buddy and VC who got fired for sex stuff and who has one of the worst reputations around the Valley)

Steve Rattner; (Obama's "Car Czar" who put together the crooked deals with Detroit to exchange fed cash for votes, indicted in NY for securities fraud. Google associate, New America/In-Q-Tel guy)

Steve Westly; (Obama's dirtiest Silicon Valley Political Crony Payola Bundler)

Steven Chu; (Officially known as "The Most Corrupt Secretary Of Energy In American History" who also created the totally screwed up "Iran Nuclear Deal" and the corrupt "Uranium One" deal)

Steve Spinner; (He and his wife structured the stinkiest parts of the Obama Solyndra payola scam)

Susie Tompkins Buell; (DNC financier socialite PR hype-ster for Norcal rich people)

Tracey Turner; ("The FBI cannot comment about an ongoing investigation...")

George Soros; (The world's most overt DNC radical billionaire, the cash behind Netflix and Tesla)

Warren Buffet; (The world's most covert DNC radical billionaire)

Tom Steyer; (The "Master of Cleantech Disaster", 3rd largest financier of Anti-Trump actions, oil guy)

Margie Sullivan; (Tom Steyer's partner and Hillary Clinton's special friend who helped USAID push mining deals to get Afghanistan invaded for Elon Musk and Frank Guistra mining scams)

Tim Draper; (Bromance buddy of Elon Musk with extremist eyebrows and hatred

of Californians)

Valarie Jarrett; (Obama's White House overseer of the Obama corruptions office efforts who sought to help Iran)

Vinod Khosla; (The villain of the CBS 60 Minutes episode: The Cleantech Crash, Obama & Clinton financier kick-back artist and "beach stealer")

Michelle Lee; (Google's lawyer who was placed as head of U.S. Patent Office for the purpose of protecting Google and the Silicon Valley Cartel in their IP theft onslaughts)

The law firm of Wilson Sonsini Goodrich and Rosatti; (Known as the most "corrupt law firm in Silicon Valley")

Lawrence "Larry" Summers (Harvard President who aided Zuckerberg's light-speed rise to prominence with unprecedented Harvard Crimson coverage; Obama bailout chief; Clinton Treasury Secretary; World Bank Chief Economist; "Special Advisor" to Marc Andreessen in Instagram; co-creator of the current Russian robber baron economy; close 20-year relationships with protégés Sheryl Sandberg & Yuri Milner; aided in recommendations that created the Russian robber baron economy—and Yuri Milner/DST/Asmanov's money used to purchase Facebook stock)

James W. Breyer; (Accel Partners LLP; Facebook director; client of Fenwick & West LLP since the 1990's; apparently received technology from other Fenwick clients that was shuffled to Zuckerberg, incl. Leader Technologies' inventions. Formed CIA IN-Q-TEL spy and IP theft organization)

David Plouffe; directed Obama's 2008 and 2012 campaigns; a self-described "statistics nerd;" likely directed the activities of the Facebook Club; employed Robert F. Bauer, Perkins Coii LLP in 2000 at the Democratic Congressional Campaign Committee. Facebook and Uber manipulation expert)

Mike Sheehy (Cooley-McBee Strategic principal; former National Security Adviser to House Speaker Nancy Pelosi)

Nancy Pelosi (U.S. Congresswoman; appears to be running political cover in the House for Facebook, McBee Strategic, Cooley Godward, Fenwick & West, Breyers,

etc.)

Gilman Louie - (Silicon Valley spy and game-maker who formed In-Q-Tel to steal technologies and political agenda's)

Harry Reid (U.S. Senator; Judge Evan J. Wallach patron, one of the most crooked U.S. Senators with millions in bribes)

Thomas J. Kim (SEC, Chief Counsel & Assoc. Director) approved Facebook's 500-shareholder exemption on Oct. 14, 2007, one day after it was submitted by Fenwick & West LLP; Facebook used this exemption to sell \$3 billion insider stock to the Russians Alisher Asmanov, Yuri Milner, DST, Digital Sky, Mail.ru which pumped Facebook's pre-IPO valuation to \$100 billion; another Harvard grad, Kim worked at Latham & Watkins LLP which was the chief lobbyist for the National Venture Capital Association in 2002-2004 whose Chairman was James W. Beyer, Accel Partners LLP; in other words Breyer and Kim, both Harvard grads, were associated at the time of the Zuckerberg hacking and theft of Leader Technologies' software code)

Ping Li (Accel Partners, Zuckerberg handler)

Jim Swartz (Accel Partners; Zuckerberg handler)

Sheryl K. Sandberg (Facebook, Summers Dominatrix-like protégé; Facebook director - Husband possibly murdered by Russian as an example to tell Zuckerberg to tow-the-line)

Yuri Milner (DST aka Digital Sky, Summers protégé; former Bank Menatep executive; Facebook director)

Alisher Asmanov (DST aka Digital Sky; Goldman Sachs Moscow partner; Russian oligarch; Friend of the Kremlin; Became the Richest Man in Russia after the Facebook IPO)

Marc L. Andreessen (Zuckerberg coach; client of Fenwick & West LLP and Christopher P. King aka Christopher-Charles King aka Christopher King aka Christopher-Charles P. King; Summers' sponsor during Instagram-scam; Facebook director)

Peter Thiel (19-year old Zuckerberg coach; PayPal; Facebook director; CEO, Clarion Capital)

Clarion Capital (Peter Thiel)

Richard Wolpert (Accel Partners)

Robert Ketterson (Fidelity Ventures; Fidelity Equity Partners; Fidelity Ventures Telecommunications & Technology)

David Kilpatrick (Business Insider; "The Facebook Effect"; PR cleanse-meister re. Facebook origins

Zynga/Groupon/LinkedIn/Square/Instagram ("Facebook Money/Credits/Bitcoin" feeder companies)

Tesla Motors (received \$465 million in Obama stimulus funds and hired Cooley's Michael Rhodes in the seven months before the Leader v. Facebook trial, just before veteran Judge Joseph Farnan made the surprise announcement of his retirement, just six days after Facebook's disastrous Markman Hearing)

Solyndra (received \$535 million in Obama stimulus at the recommendation of the Cooley-McBee Strategic "consulting" alliance)

BrightSource (received \$1.6 billion in Obama stimulus at the recommendation of the Cooley-McBee Strategic "consulting" alliance)

John P. Breyer (father of James W. Breyer; founder of IDG Capital Partners - China; coached his son on exploiting Western markets while he quietly built a venture capital business in China for the last 20 years; the real brain behind the Breyer exploitations)

IDG Capital Partners (China)(founded by John P. Breyer, the father of James W. Breyer, Accel Partners; the current launderer of the tens of billions James W has fleeced from the U.S. market from the bailout, stimulus and the "pump & dump" Facebook IPO schemes)

Lloyd Blankfein (Goldman Sachs, CEO - The Wizard of Covert Cash)

Jamie Dimon (JP MorganChase, CEO)

Steve Cutler (JP MorganChase, General Counsel)

Rodgin Cohen (JP MorganChase, Outside Counsel; Sullivan Cromwell, LLP)

U.S. Securities & Exchange Commission (granted Fenwick & West's application on behalf of Facebook for an unprecedented exemption to the 500 shareholder rule; opened the floodgates for Goldman Sachs and Morgan Stanley to make a private market in Facebook pre-IPO insider stock; facilitated the influx of billions of dollars from "dubious" sources associated with Russian oligarchs, Alisher Asmanov and Yuri Milner, and the Kremlin; Goldman Sachs is a partner with this Moscow company, Digital Sky Technologies, aka DST, aka Mail.ru)

Jeff Markey (McBee Strategic LLC; allied with Facebook's Cooley Godward Kronish LLP to arrange Obama's green energy funding; arranged \$1.6 billion for failed BrightSource and \$535 million for failed Solyndra)

Steve McBee (McBee Strategic LLC; allied with Facebook's Cooley Godward Kronish LLP to arrange Obama's green energy funding; arranged \$1.6 billion for failed BrightSource and \$535 million for failed Solyndra)

Michael F. McGowan (Stroz Friedberg; Facebook forensic expert who lied about his knowledge of the contents of the 28 Zuckerberg hard drives and Harvard Email accounts)

Bryan J. Rose (Stroz Friedberg; Facebook forensic expert who lied about his knowledge of the contents of the 28 Zuckerberg hard drives and Harvard Email accounts)

Dr. Saul Greenberg (Facebook's expert witness from the University of Calgary; disingenuously waived his hands and said he would be "wild guessing" about the purpose of a Java "sessionstate" import statement (even Java newbies know it is used for tracking a user while in a web session); in short, Dr. Greenberg lied to the jury, thus discrediting his testimony)

Toni Townes-Whitley (CGI Federal; Michelle Obama's 1985 Princeton classmate; CGI "donated" \$47 million to the Obama campaign; CGI won the no-bid contract to build the www.healthcare.gov Obamacare website; CGI shut off the security features on Obama's reelection donation sites to increase donations)

CGI Federal (US division of a Canadian company; Donated \$47 million to Obama's reelection, then received the no-bid contract to build the ill-fated Obamacare website; Michelle Obama's Princeton classmate, Toni Townes-Whitely, is a Senior Vice President of CGI; the website is replete with social features and links to Facebook)

Kathleen Sebelius (Obama's Secretary of Health & Human Services since 2009 responsible for \$678 million Obamacare implementation; made the decision to hire CGI Federal on a no-bid contract despite the evident conflict of interest with Michelle Obama and \$47 million in Obama campaign donations by CGI; the website is replete with social features and links to Facebook)

Todd Y. Park (White House Chief Technology Officer (CTO); former CTO for Health & Human Services; chief architect of HealthCare.gov; founder, director, CEO, Athenahealth, Inc.; founder, director, CEO, Castlight Health, Inc.)

Frank M. Sands, Sr. / Frank M. Sands, Jr.(Founder and CEO, respectively, of Sands Capital Management LLC; failed to file S.E.C. Form SC 13G acquisition reports for Athenahealth, Inc., Baidu, Inc. (ADR) and Facebook stock during 2012; masked the association of Todd Y. Park with Athenahealth, Inc. and Baidu, Inc., and the association of both of those companies with the Facebook IPO fraud)

Robin "Handsome Reward" Yangong Li (CEO, Baidu, Inc. (ADR); appointed Jan. 2004, the same month that Mark Zuckerberg obtained Leader Technologies' social networking source code to start Facebook; Robin Y. Li is very likely associated with John P. and James W. Breyer through their Chinese entities, including IDG Capital Partners, IDG-Accel and other variants; Li appointed a junior attorney from Fenwick & West LLP, Palo Alto/Mountain View, namely Parker Zhang, to be his "Head of Patents;" Fenwick & West LLP represented both Leader Technologies, Inc. and Accel Partners LLC in 2002-2003 and had Leader's source code in their files.)

Parker Zhang ("Head of Patents" at Baidu, Inc. (ADR), appointed in approx. May 2012; formerly a junior Associate attorney at Fenwick & West LLP; graduate from Michigan Law in 2005)

Penny S. Pritzker (Secretary, Department of Commerce; replaced Rebecca M. Blank; holds over \$24 million in Facebook "dark pools" stock, most notably in

Goldman Sachs, Morgan Stanley and JPMorgan)

Rebecca M. Blank (Secretary, Department of Commerce; oversaw the dubious Leader v. Facebook activities of the Patent Office Director, David J. Kappos, who held over one million dollars in Facebook "dark pools" during the Leader v. Facebook proceedings; Kappos purchased this stock within weeks of his surprise recess appointment by President Obama; Kappos also was formerly employed by IBM, who sold Facebook 750 patents during the Leader v. Facebook proceedings; right before leaving the Patent Office, Kappos also ordered an unprecedented 3rd reexamination of Leader's patent without even identifying claims)

Mary L. Schapiro (Chairman, Securities & Exchange Commission; holds 51 Facebook "dark pools" stocks which held stock in Facebook, Baidu and more than a dozen Facebook crony companies; failed to regulate the "dark pools;" failed to disclose her substantial conflict of interest in regulating the run up to the Facebook IPO)

Robert C. Hancock (Chief Compliance Officer, Sands Capital Management, LLC; failed to file S.E.C. Form SC 12G notice of acquisition reports for Athena health, Baidu and Facebook during the period of the Facebook IPO in 2012; this conduct masked the conflicts of interest of Todd Y. Park, who was appointed by President Obama to be the U.S. Chief Technology Officer during this same period; Todd Y. Park is/has been founder, director and CEO of both Athena health and Castlight Health; Todd Y. Park deeply embedded the software from Athena health and Castlight Health into HealthCare.gov when he was CTO at Health & Human Services; none of these conflicts of interest were disclosed; Todd Y. Park's ethics pledges and reports are missing from the Office of Government Ethics)

Jonathan Goodman (Chief Counsel, Sands Capital Management, LLC; failed to file S.E.C. Form SC 12G notice of acquisition reports for Athenahealth, Baidu and Facebook during the period of the Facebook IPO in 2012; this conduct masked the conflicts of interest of Todd Y. Park, who was appointed by President Obama to be the U.S. Chief Technology Officer during this same period; Todd Y. Park is/has been founder, director and CEO of both Athena health and Castlight Health; Todd Y. Park deeply embedded the software from Athena health and Castlight Health into HealthCare.gov when he was CTO at Health & Human Services; none of these conflicts of interest were disclosed; Todd Y. Park's ethics pledges and reports are missing from the Office of Government Ethics; Goodman was formerly employed by Gibson Dunn LLP, Facebook appeals counsel in Leader

v. Facebook)

Trip Adler ("Co-Founder" of Scribd; Harvard contemporary of Mark Zuckerberg with a dubious origins story, like Zuckerberg's; Scribd held AFI documents for two years, then summarily deleted the entire library without warning on Fri. Mar. 7, 2014; AFI's library contained only public documents and much evidence proving the Leader v. Facebook judicial corruption)

Jared Friedman ("Co-Founder" of Scribd; Harvard contemporary of Mark Zuckerberg with a dubious origins story, like Zuckerberg's; Scribd held AFI documents for two years, then summarily deleted the entire library without warning on Fri. Mar. 7, 2014; AFI's library contained only public documents and much evidence proving the Leader v. Facebook judicial corruption)

Jeffrey Wadsworth (CEO, Battelle Memorial Institute; President, Ohio State University Board of Trustees; former Deputy Director of Science & Technologies, Lawrence Livermore National Laboratory, University of California Board of Trustees)

Michael V. Drake (President, The Ohio State University; former Chancellor, University of California, Irvine)

Woodrow A. Myers (Chief Medical Officer, Wellpoint, Inc.; formerly Corporate Operations Officer, Anthem Blue Cross Blue Shield of Indiana)

Alex R. Fischer (aka Alexander Ross Fischer; Trustee, The Ohio State University; former Sr. Vice President, Battelle Memorial Institute; Chairman, OmniViz; married to Lori Barreras)

Chris Glaros (author of the discredited Waters Report re. The Ohio State University Marching Band; protege of Eric H. Holder, Jr., Professor James P. Chandler, III, and Algernon L. Marbley)

Lori Barreras (Commissioner, Ohio Civil Rights Commission; former Vice President of Human Resources, The Ohio State University; former Vice President, Battelle Memorial Institute; married to Alex R. Fischer)

David Vaughn (Criminal Attorney, David Vaughn Consulting Group; former Assistant U.S. Attorney; appointed to the discredited Waters Commission at Ohio State)

Betty Montgomery (former Ohio Attorney General; appointed to the discredited Waters Commission at Ohio State; accepted campaign contributions from Woodrow A. Myers, Wellpoint, Inc. and friend of Michael V. Drake)

Joseph A. Steinmetz (Provost, The Ohio State University; author of Psychological Science article on MOOC (Massive Open Online Course) that triggered the discovery of massive double-dealing and fraud within the Ohio State trustees)

The following operatives do their dirty work through third party corrupt law firms, associations, lobby firms, dirty tricks consultants and compromised state and federal agencies insiders. Google is the single largest employer of this group. Many consider these operatives to be "...a fake smile who would kill their own mother's if the price was right.." including:

McBee Strategic (one of the main "private" arms responsible for doling out the billions in Obama "green energy" stimulus funds; partnered with Cooley Godward LLP)

Goldman Sachs (received US bailout funds; then invested with DST in Facebook private stock via Moscow; took Facebook public; locked out American investors from investing)

Morgan Stanley (received US bailout funds; took Facebook public; probably participated in overseas purchases of Facebook private stock before IPO)

AntiFA (A corporate financed activism group)

MoveOn.org (A corporate financed activism group)

Rent-A-Crowd (A corporate financed activism group)

State Street Corporation (received U.S. taxpayer bailout monies along with Goldman Sachs and Morgan Stanley; consolidating control of ATM banking networks internationally)

JP Morgan Chase (received U.S. taxpayer bailout monies along with Goldman Sachs, Morgan Stanley and State Street Corporation)

The Podesta Brothers (A lobby group with the internal motto of "Stop At Nothing")

Josh Ackil and Matt Tanielian, Franklin Square Group (Companies large and small rely on this tech-centric lobbying firm, which this year delved into big issues like broadband access and intellectual property enforcement.)

Andy Barbour, Smith-Free Group (As a financial services pro, it's no surprise that Barbour's client list includes Bank of America and the electronic payments company Square.)

Haley Barbour, Lanny Griffith, Ed Rogers and Loren Monroe, BGR Group (Long one of K Street's elite shops, BGR Group is on pace for its highest revenue in years.)

Doyle Bartlett, Eris Group (Bartlett's firm, which specializes in financial services issues, is going strong as it heads into its 15th year.)

Jennifer Bell, Chamber Hill Strategies (Chamber Hill Strategies honed its focus on health-care policy in 2017, growing new business in a fertile lobbying area.)

Dan Boston, Health Policy Source Inc. (As his firm's name suggests, Boston is a seasoned veteran on health-care policy; his client sheet includes several hospital groups.)

Chuck Brain, Capitol Hill Strategies LLC (Brain founded this small Democratic firm more than 15 years ago; it punches above its weight with a solid book of business.)

Robert Chamberlin and Sam Whitehorn, Signal Group Consulting LLC (Chamberlin and Whitehorn are fixtures at this public affairs firm, which represents a mixture of corporate and municipal clients.)

Rob Collins and Mike Ference, S-3 Group (With close ties to House and Senate leadership, S-3 is well-positioned to help blue-chip clients in the biggest policy battles.)

Justin Daly, Daly Consulting Group (This small firm helps big financial services companies navigate the complexities of the Commodity Futures Trading Commission and the Securities and Exchange Commission, in addition to the

halls of the Capitol.)

Tom and Nathan Daschle, The Daschle Group (The former senator and his son have become major players on the lobbying scene, securing foreign government clients, such as Turkey and Japan, and corporate ones, like Aetna.)

Lily Do Canto, The Do Canto Group (Do Canto is an energetic champion for his clients, including a home health care network, the community health care industry and a nonprofit that helps connect low-income mothers with nurses.)

Ken Duberstein and David Schiappa, The Duberstein Group Inc. (Duberstein, a chief of staff in the Reagan White House, commands top-dollar treatment from clients like Estee Lauder, Alibaba Group, the Major League Baseball Commissioner's Office and Duke Energy. Schiappa, who spent nearly three decades in the Senate, knows how members in the upper chamber think.)

Steve Eichenauer, Public Strategies Washington Inc. (A former Democratic aide, Eichenauer specializes in trade at the boutique firm, putting him at the center of some of Washington's biggest policy fights.)

Steve Spinner Services (Spinner's wife was Solyndra's lawyer and Spinner promises to get any cash for any DNC deal)

Steve Elmendorf and Jimmy Ryan, Subject Matter (Business is booming at this lobbying firm, which has undergone a wholesale transformation by specializing in advocacy and public relations.)

Holly Fechner, Jon Kyl, Howard Berman and Bill Wichterman, Covington & Burling LLP (Pro-Gay, Pro-DNC crotch kickers)

Jeff Forbes and Dan Tate Jr., Forbes-Tate Partners (Forbes, who worked for former Sen. Max Baucus (D-Mont.) during the last attempt at tax reform, and Tate, who did a stint in the Clinton White House, are making waves at their bipartisan shop.)

Elizabeth Frazee, TwinLogic Strategies (Frazee, a former AOL executive and Capitol Hill aide, runs her small firm with verve, scoring big-time tech and telecommunications clients.)

Kimberley Fritts, Paul Brathwaite and Josh Holly, Podesta Alliances (The Dirty

Dogs of DC)

Chris Giblin and Moses Mercado, Ogilvy Government Relations (Deep strings)

Nicholas Giordano, Washington Council Ernst & Young (Giordano, a former chief tax counsel for Democrats on the Senate Finance Committee, is an advocate clients will want in their corner during the debate over tax reform.)

Rich Gold, Kathryn Lehman and Gerry Sikorski, Holland & Knight LLP (The firm's lobby shop, which represents Native American tribes, cities around the U.S. and corporations, is propelled by Gold, Lehman and Sikorski, a former congressman from Minnesota.)

Elizabeth Gore, Marc Lampkin and Al Mottur, Brownstein Hyatt Farber Schreck (Led by this potent trio, the team at Brownstein has rocketed into the stratosphere, growing the firm's client base and revenue.)

Micah Green, Jason Abel and Luis Fortuño, Steptoe & Johnson LLP (The law and lobby firm's capabilities are vast; Green is a financial services pro, Abel is an ethics law expert and former aide to Sen. Charles Schumer (D-N.Y.), and Fortuño served as the governor of Puerto Rico.)

Ilisa Halpern Paul and Jodie Curtis, District Policy Group (Health care dominates the roster for this firm, with Halpern Paul and Curtis called upon to move the agenda and cultivate relationships on Capitol Hill and in the administration.)

Michael Herson, American Defense International Inc. (Herson has earned his stripes over the years, becoming a top lobbyist on defense issues; recently, he's helped SpaceX DNC spy efforts take on more established players in Washington.)

Mike House, Hogan Lovells LLP (House has decades of K Street experience, giving him a rarefied ability to work through complicated legislative and regulatory tasks.)

Steven Irizarry and Vin Roberti, Roberti Global LLC (Helped Samsung navigate the recall of exploding lithium ion cellphone batteries.)

Joel Johnson, The Glover Park Group LLC (Johnson is one of the go-tos for clients in a jam; beyond his advocacy work for domestic and foreign clients, he provides

crisis communications services.)

Ken Kies, Federal Policy Group LLC (Kies has decades of experience in tax policy; few lobbyists will be in such high demand as the Republican Congress considers changes to the tax code.)

Lisa Kountoupes, KDCR partners LLC (Kountoupes's firm is soaring to new heights as it celebrates its 10th anniversary.)

Blanche Lincoln, Lincoln Policy Group (Lincoln, a former Democratic senator, has created a K Street success story, signing almost 20 new clients in 2017, primarily in the health-care space.)

Robert Livingston, The Livingston Group LLC (Livingston, a former congressman and top appropriator, has clients ranging from Oracle to the Democratic Republic of Congo relying on his expertise.)

Trent Lott, John Breaux and Jack Kingston, Squire Patton Boggs (This top-flight team of former lawmakers has helped the global firm rebound from a slump, signing the Biotechnology Innovation Organization and BAE Systems in the past year.)

Sander Lurie, Dentons US LLP (Lurie has nearly three decades of public policy experience to draw upon as he represents members of the Fortune 500.)

Bruce Mehlman and David Castagnetti, Mehlman Castagnetti Rosen & Thomas Inc. (When they aren't fighting for clients on Capitol Hill, Mehlman and Castagnetti travel around the country providing insight for groups outside the Beltway into how American leaders think.)

Larry O'Brien, The OB-C Group LLC (O'Brien is a Democratic mover and shaker who has been working on gun control for Everytown for Gun Safety and on tax policy for Intuit, the maker of TurboTax.)

Tom O'Donnell, Gephardt Group Government Affairs (The firm founded by former Democratic Rep. Dick Gephardt (Mo.) is flush with clients, including working for Bayer as the company attempts a mega-merger with Monsanto.)

Kevin O'Neill and Eugenia Pierson, Arnold & Porter Kaye Scholer LLP (This duo

was brought on in January 2016 to help build out the law firm's lobbying practice; since then, advocacy revenues are on pace to more than double over last year.)

Manny Ortiz, VantageKnight Inc. (A year after leaving top K Street firm Brownstein Hyatt Farber Schreck, the Democratic operative is flourishing, keeping a prized contract with CITGO Petroleum and expanding his work for Puerto Rico.)

Scott Pastrick and Charlie Black, Prime Policy Group (Genuine Washington insiders, Pastrick and Black are political animals who move freely between the worlds of lobbying and campaigns.)

Jeff Peck, Peck Madigan Jones (Peck brings sterling Democratic credentials — having worked for then-Sen. Joe Biden (D-Del.) — to clients like the U.S. Chamber of Commerce's Center for Capital Markets Competitiveness, the Business Roundtable and the Committee on Capital Markets Regulation.)

Jim Pitts and Chris Cox, Navigators Global LLC (The firm has already matched its revenues for all of 2016 this year as it goes into overdrive for clients such as Oracle and the Puerto Rico Statehood Council.)

Heather Podesta, Invariant LLC (Podesta rebranded her firm earlier this year, completing the transformation from small start-up to K Street institution.)

Brian Pomper, Hunter Bates, Scott Parven, Arshi Siddiqui and Geoff Verhoff, Akin Gump Strauss Hauer & Feld LLP (Pomper and Bates are taking on a new leadership role in the law firm's lobbying operation, backed by an all-star team that includes Parven, Siddiqui and Verhoff.)

Thomas Quinn and Rob Smith, Venable LLP (Quinn is a longtime Democratic operative known all over town, while Smith is a Republican skilled in tax, defense and telecommunications policy.)

Robert Raben, The Raben Group (Raben mixes corporations and causes at his successful firm; its business sheet includes not only Google, Sprint and Mastercard, but also the Innocence Project, FairVote and Everytown For Gun Safety.)

John Raffaelli, Jim McCrery and Shannon Finley, Capitol Counsel LLC (Finley, a multifaceted Democratic lobbyist)

The Westly Group (The architects of Obama's CleanTech payola scam)

Mark Rayder, Alston & Bird LLP (Rayder, a former lobbyist for the American College of Gastroenterology and adviser on Capitol Hill, is a trusted resource for clients on health-care policy.)

Barry Rhoads, Kai Anderson and Jordan Bernstein, Cassidy & Associates Inc. (Rhoads, Anderson and Bernstein are leading the charge to buy the firm back from its parent company, Interpublic Group; their skill in appropriations and defense work is second to none.)

Emanuel Rouvelas, Darrell Conner, Bart Gordon and James Walsh, K&L Gates LLP (Taxes and appropriations are the bedrock of K&L's advocacy; think of these lobbyists as the money men.)

Rhod Shaw, Alpine Group (Shaw can handle any policy issue thrown at him — that's the versatility that comes after two decades in the lobbying game.)

Michaela Sims, Sims Strategies (Sims, a former aide to then-Sen. Ben Nelson (D-Neb.), went into business for herself this year; health-care clients like WellCare Health Plans and GlaxoSmithKline quickly followed.)

Mike Smith and Jim Richards, Cornerstone Government Affairs Inc. (Smith and Richards can turn a single line of the federal budget into a policy win — to clients, that speaks volumes.)

Charlie Spies and Kevin Kelly, Clark Hill PLC (Kelly, worked as an aide to former Sen. Barbara Mikulski (D-Md.), helps steer the firm's government and public affairs practice.)

Tracy Spicer, Avenue Solutions (Spicer, a former aide to the late Sen. Ted Kennedy (D-Mass.), has kept her all-Democratic firm humming along this year, with the debate over health care driving business.)

Russ Sullivan and Michael Drobac, McGuireWoods Consulting (As the longtime staff director for the Senate Finance Committee, Sullivan knows tax policy inside and out; Drobac is an expert on all things tech.)

Linda Tarplin, Tarplin, Downs & Young LLC (Tarplin, a longtime consultant and lobbyist, has an impressive roster of health-care clients to her name.)

Carl Thorsen and Alec French, Thorsen French Advocacy (This two-man bipartisan firm often works on issues that are off the beaten path for clients such as the American Association for Justice, the Directors Guild of America and Cultural Care Au Pair.)

Stu Van Scoyoc, Van Scoyoc Associates (Van Scoyoc has cultivated a partisan firm with roots in appropriations issues, helping out clients such as SeaWorld, Airports Council International, the city of San Diego and the Cleveland Clinic.)

Stewart Verdery, Monument Policy Group LLC (It's been nothing but growth since Verdery founded his shop more than 10 years ago; they've launched a public affairs arm and reopened a Seattle office this year.)

Jack Victory and Rick Shelby, Capitol Hill Consulting Group (Victory is a CEO with a knack for developing legislative strategy; Shelby wields power in the energy space and in state politics.)

Jonathan Yarowsky, WilmerHale (Yarowsky's client sheet spans multiple industry sectors, setting the tone as co-chairman of the firm's public policy and legislative affairs practice.)

Together they use the key political tactic of "heart-string" stock market pumping.

They deploy a coordinated PR program that hypes a certain fabricated "issue" which will end up increasing the valuation of stock market stocks they own.

"Immigration" creates more DNC voters which allow them to control more Senators who, in return, create more policies which increase the valuation of the Mafia's stock market holdings at JPMorgan and Goldman Sachs.

"Climate Change" causes more government cash for the solar panels, wind farms, lithium ion batteries and electric cars which the Palo Alto Mafia owns the exclusive rights to. The more they can push a "crisis" perception about climate

change, the more cash they can put in their pockets. Goldman Sachs is the "advisor" for Tesla, Solyndra and most "green" Mafia companies.

The private profits of this scheme involve over SIX TRILLION DOLLARS of tax money. That is why they will lie, cheat, steal and even kill to keep their plot going.

The top ways to prevent these crimes are to 1.) outlaw lobbying and 2.) create a ten year moratorium of politicians working in politics. The Palo Alto Mafia spends over 16 BILLION DOLLARS per year in lobbying efforts to prevent this from happening.

The Palo Alto Mafia self-deludes and echo-chambers their peers into a frenzy of increasingly violent thought about all those who oppose their schemes and covertly supports ANTIFA as a surrogate entity so that they can sit in their Woodside mansions and "remote-control" disruptions and political resistance.

In fact, they are sociopath criminals deserving arrest by federal police and prosecution under RICO Racketeering laws.

AAA WHO OPERATED THESE CRIMES?

The following individuals did *"Abso-F*CKING-Lutely"* nothing to stop these crimes and, in fact, ran these crimes and their cover-ups.

We reported these crimes to most of these people in written police reports and these "public officials" then ran for cover and stone-walled all of those investigations in order to run insider trading scams to profiteer on the backs of the public using the stock market.

The voters, the media and the world will now work together to make certain that the legacy of these criminal abusers of the public trust places the in every history book as a "SCUMBAG AND CORRUPT MANIPULATOR OF THE PUBLIC INTEREST" next to their names, and their families names, for all of time.

HERE ARE THE SCUMBAGS that covered up, stalled investigations, profited and lied in these corruption schemes:

Senator Dianne Feinstein

Senator Nancy Pelosi

Senator Jared Huffman

Jerry Brown's Justice Department Lead: Ken Alex

Barack Obama

U.S. Attorney General Eric Holder

FBI Director James Comey

Department of Energy Inspector General

Secretary of Energy Steven Chu

White House Press Secretary Robert Gibbs

White House Advisor David Axelrod

California Attorney General Kamala Harris

Senator Barbara Boxer

California Secretary of State's Office

California Crime Victims Board – vcgcb.ca.gov

United States Department of Justice – Obama Administration

FBI – Obama Administration

SEC – Obama Administration

CFTC – Obama Administration

Secret Service – Obama Administration

- Other Potential Defendants exist including State And Federal Agencies and their executives. The assets, bank accounts and high recovery values of the above targets are known and documented, though. The evidence and subpoena-capable reinforcement of that evidence is substantial in the above list.

These parties have been forensically tracked to illicit campaign financing, hacking, bribes, political payola, stock-market rigging, slush-funds, false-front shell corporations and family trusts, abuse of corporate funds, advertising metrics frauds, RICO statute violation organized crime, employee abuse, electronic communications intended to evade law enforcement and other charges. In Palantir, XKeyScore and law enforcement databases they are all cross-linked. Terminations and interdictions for each party and their illicit actions have been continuing successfully.

The termination of this network of parties will, effectively, terminate The Cartel in question. Each and every legal take-down has now passed the 50% vector and is proceeding to completion.

California and DC politicians are being paid bribes with Billions of dollars of Google, Twitter, Facebook, Tesla, Netflix and Sony Pictures stock and stock warrants which is never reported to the FEC; Billions of dollars of Google, Twitter, Facebook, Tesla, Netflix and Sony Pictures search engine rigging and shadow-banning which is never reported to the FEC; Free rent; Rare-Earth

mining rights; Male and female prostitutes; Cars; Dinners; Party Financing; Sports Event Tickets; Political campaign printing and mailing services "Donations"; Secret PAC Financing; Jobs in Corporations in Silicon Valley For The Family Members of Those Who Take Bribes And Those Who Take Bribes; "Consulting" contracts from McKinsey as fronted pay-off gigs; Overpriced "Speaking Engagements" which are really just pay-offs conducted for donors; Gallery art; Private jet rides and the use of Government fuel depots (ie: Google handed out NASA jet fuel to staff); Recreational drugs; Real Estate; Fake mortgages; The use of Cayman, Boca Des Tores, Swiss and related money-laundering accounts; The use of HSBC, Wells Fargo, Goldman Sachs and Deutsche Bank money laundering accounts and covert stock accounts; Free spam and bulk mailing services owned by Silicon Valley corporations; Use of high tech law firms such as Perkins Coie, Wilson Sonsini, MoFo, Covington and Burling, etc. to conduit bribes to officials; and other means now documented by us, The FBI, the FTC, The SEC, The FEC and journalists. DEMAND COMPLETE LAWS TO MAKE ANY BENEFITS TO POLITICIANS TOTALLY ILLEGAL!

The Khaki Pants Mobsters Of Palo Alto:

--- The "Silicon Valley Mafia" is comprised of The Sand Hill Road venture-capital frat boy company bosses in Palo Alto, their National Venture Capital Association (NVCA) facade (Greylock Capital; Kleiner Perkins Caufield and Byers, Draper, Khosla Ventures, etc.) and the tech companies (Google, Tesla, Facebook, Amazon, Twitter, LinkedIn, etc.) that they control.

---- They are sometimes referred to as "The Deep State". They have purchased California, New York and Washington, DC politicians (mostly Senators) who they also control and who own stock in their operations. They hire dirty law firms like MoFo, Wilson Sonsini, Covington, Perkins, etc. and dirty lobbyists like McBee, Podesta, Blumenthal, etc. to do their dirty deeds. -

---They hire rogue ex-intelligence agents to operate Fusion GPS, Gawker/Gizmodo, Black Cube, ShareBlue, New America Foundation, In-Q-Tel, Podesta Group, Media Matters, etc. massive media attack programs against competitors, reporters and outsiders.

---- They collude with black-lists, valuation payola, election manipulation, search engine rigging, domestic spying for political manipulation, stock rigging, insider trading, Jeffrey Epstein-like executive prostitute sex-trafficking clubs, trophy wife trades, the bribery of politicians and worse. They are felons who bribe politicians to halt investigations and interdiction efforts.

---- They have quid-pro-quo stock market bribe deals with Senators Reid, Feinstein, Harris, Boxer, Spier, etc. In the CleanTech Crash: Every single Dept of Energy executive, and related Senator, owns stock market assets in Tesla, Fisker, Solyndra, Ener1, etc. so they blockaded and sabotaged every applicant who competed with their holdings in a RICO-violating, felony organized crime, using taxpayer funds, in order to profit at the expense of taxpayers.

---- They are widely covered in news media articles as: 'sex abusers, cult enthusiasts, elitists, rapists, woman beaters, probiosis practitioners, sexual work extortion operators, extremists, arrogant clones of each other, tone deaf, echo-chamber reinforcing, misogynist, racist, manipulative, insecure, covertly gay, corrupt, thieves' and other anti-social revelations. The divorce court and lawsuit federal court records on them prove that they are sex-abusing sociopaths.

---- They use their monopolistic control of the internet to massively and exclusively scale services that only they control and use to abuse the public's privacy, human rights, invention rights and information. They run their cartel like the old Italian Mafia once did.

---- Some of the top crooks and bribe-payers include: Google's Larry Page, his boyfriend Elon Musk; Google's Eric Schmidt, Andy Rubin, David Drummond, Kent Walker, Jared Cohen and Sergy Brin; Political manipulators David Plouffe, Steve Westly, Steve Spinner and Vinod Khosla; Sociopath billionaires Reid Hoffman, Richard Blum, Jeff Epstein, Tim Draper, Steve Jurvetson, etc.

---- They order their staff and associates to: bribe politicians; operate sex trafficking for them; manipulate stock market valuations; launder money; run off-shore tax evasion schemes; black-list employees and competitors; hide, down-rank, DNS dead-hole, shadow-ban, censor and server obfuscate enemies on the entire web; rig the U.S. Patent Office; help them cheat on their wives; and engage in massive volumes of insider, illicit, RICO and anti-trust violating crimes while bribing public officials to avoid prosecution. The companies and corrupt politicians of Silicon Valley must be erased in order to, first, repair Silicon Valley.

---- The Silicon Valley tech Cartel (AKA: "Paypal Mafia", "Deep State") is evil

because these racist, ageist, sex-trafficking, money-laundering, elitist, politician bribing, tax evaders: steal any technology they desire; FACEBOOK AND GOOGLE MAKE \$100M IN PROFITS OFF OF EACH CLASSROOM SHOOTING!!!

---- They manufactured the CLEANTECH CRASH as shown in the 60 MINUTES episode of the same name; they run a prostitution ring and sexually extort young women and interns in Silicon Valley; they are 'rape culture' take-what-they-want misogynists, ageists and racists as their history of abuses has proven; their Palo Alto Cartel operates AngelGate-type collusion and stock market insider trading schemes that harm independent business and the public; their Cartel ran the "no poaching" CEO ring which was class-action sued by DOJ and tech workers; 90% of their divorce court files reveal horrific abuses and sex trafficking; They have an army of lobbyists that pay cash, stock market and revolving door bribes to U.S. Senators; They can even evade FBI and SEC investigations; They hire women to act as 'trophy wives' and 'beards'; they have lobbyists rig the U.S. Patent Office in order to block inventor patent rights because they are using stolen technologies; they have been caught on video and recordings beating, kicking and harming women hundreds of times.

---- They have bought up all of the Tier-One tech law firms and order them to black-list, and never help, those who seek equal tech rights; they collude to abuse your privacy and make databases on the public for political control; they have to cheat to compete because they are only good with spread sheets instead of innovation; They run black-lists, character assassination attacks, collusion and other anti-trust violating acts in violation of RICO laws. Silicon Valley has become the largest assemblage of douche-bags and yuppie frat boy criminals in human history.

Theranos is not the exception, it is the standard. Tesla, Google, Theranos, Wework, Facebook are lies backed by famous political insiders to protect their insider trading and covered-up by fake news operators. They are also fronts to fund political campaigns via the ill-gotten profits from their endeavors. When the bad guys, and their lap-dog politicians, attack you because your products are better than theirs they are proving that they are frat boy scumbags, from Stanford and Yale, that operate in a little pack, like dogs! Their Sandhill Road operation should be raided by the FBI!

The best thing that could come from the COVID pandemic is that they all are forced into bankruptcy! When your Senator holds stock market shares in companies that exist to profit on the backs of consumers, via corruption, then it is impossible for that Senator to ever do anything but be corrupt! We have reported this in writing to winklerm@sec.gov, sanfrancisco@sec.gov and 30+ other federal officers but have yet to see our whistle-blower rewards...or any action! Do you wonder how big politician insider stock trading is?

---- Take a look at how many TRILLIONS of dollars pass through the stock markets annually and then look at the reported, AND UNREPORTED, securities holdings of famous U.S. Senators and government agency staff. That is what Seth Rich and the people in the "In Memory Of" section, below, were disclosing. These are massive crimes! The perpetrators operate a massive and abusive national sex cult.

---- The perverts in the SandHill Road Venture Capital offices, located between Highway 280 down to Santa Cruz Avenue on Sand Hill Road in Menlo Park, California, are the main perpetrators of this global cartel. Their executives at Google, Facebook, Netflix, LinkedIn, Twitter, and their related holdings, comprise the rest. The Harvey Weinstein and Ed Buck sex scandals are well known.

---- These men's sex cult actions have been widely covered in the news individually in the Joe Lonsdale rape case, The Kleiner Perkins Ellen Pao sex abuse lawsuit, The Eric Schmidt sex penthouse stories, The Jeffrey Epstein case, The Google Forrest Hayes hooker murder case, The Andy Rubin sex slave case, The Sergey Brin 3-way sex romp scandal, The British Hydrant investigation, The Elon Musk Steve Jurvetson billionaire sex parties scandals, The NXIVM sexual slave cases, The Michael Goguen anal sex slave trial, The Tom Perkins Hooker Parties and thousands of other cases and federal divorce court filings.

---- This group of people have proven themselves, over and over, to be sociopath control freaks not fit for participation in public commerce, public policy or media control. The Four Seasons Hotel and Rosewood Hotels in Silicon Valley are estimated to engage in over \$30,000.00 of high-end escort sex trafficking per day, a portion of it managed by Eastern Bloc Mafia operators. The Elon Musk sex perversions are the tip of the iceberg. At least

10 Ukrainian escorts fly in and out of SFO and SJO airports every week for these Cartel members.

Google boss David Drummond engaged in horrible philandering sexual violations of his wife yet Google covers up every story about it on the web. Google's Eric Schmidt is under massive investigation. You hear about the female victims of this sex cult but you rarely hear about the young male victims. One of their vast numbers of prostitutes is quoted as saying that the girls and boys are paid "not just for sex but for the oligarch's endless need to feel that they can control anyone for any reason...". Multiple attorney general's controlled by their cartel, ie: Eric Schneiderman and Eliot Spitzer, are involved in these sex rings.

These are the main influencers of a national political party and they are all involved in horrific sex perversions and abuses!

---- All Silicon Valley tech cartel media companies work together to censor all news and information in order to hide coverage of their dirty deeds and to only put politicians in office that will give the Cartel political payola, kick-backs and insider stock pumps.

---- The Smedley Butler "Business Plot" from the past is not unlike the coup that Google and clan tried. See details in Emily Chang's book: BROTOPIA; Roan Farrow's book: CATCH and KILL; Edward Snowden's Book: PERMANENT RECORD; Peter Schwetzer's book: THROW THEM ALL OUT; Dave Eggers book: THE CIRCLE; Franklin Foer's book: WORLD WITHOUT MIND; Corey Pein's book: JOURNEY INTO THE SAVAGE HEART OF SILICON VALLEY; Dan Lyon's book: DISRUPTED; Antonio Martinez book: CHAOS MONKEYS. The Angelgate, Epstein, No-Poaching DOJ Class Action, and hundreds of other cases, prove that they meet, conspire, collude and blacklist in felony violation of anti-trust and RICO Racketeering laws.

- 90% of these guys came from the same date-rape fraternity houses involved in the recent college rape cases.

---- There are hundreds of millions of people in America. The same 120 of them are all involved in operating the same crimes and corruption including: the Sony Pictures corruption; the Afghanistan rare earth mine scandals operated through The Energy Department political slush fund that involves

the lithium battery cover-ups (headed by Elon Musk); the Big Tech Brotopia rape, sex trafficking, bribery, exclusionism, racism and misogyny issues they were taught at Stanford University; The Facebook – Meta – Google – Alphabet – Netflix, et al, coordinated news manipulation and domestic spying that they engage in; the hiring of Fusion GPS – Black Cube – Gizmodo/Gawker assassins; the destruction of the housing market by their mass real estate manipulations; patent theft and industrial espionage; and the bribery of almost every politician all the way up to the Oval Office.

---- So, while the categories covered in this investigation may seem diverse. They are connected through an enterprise of criminality and illicit, coordinated operations. We list, by name, the 120 most complicit individuals organizing these crimes, in the evidence documents already submitted to the FBI, FINCEN, DOJ, FTC, SEC, FEC, Congress, InterPol and other authorities. Digital financial tracking of those persons and all of their family members should be assumed to have been under way for some time. Wire-taps and device taps of those persons and all of their family members should be assumed to have been under way for some time.

---- Twitter, Splunk, Google, Facebook, Netflix, YouTube and the Silicon Valley internet Cartel serve you custom manipulated content by automatically creating a covert digital dossier on you reflecting the content consumption preferences they have spied on about you. They continually evolve their dossier on you in order to steer you towards their ideology and their Democrat political party. At these companies, "data mining", "machine learning" and "AI" means computerized propaganda processing for certain political entities. They began hiring off-shore people (because they would work so cheap) but most of those people turned out to be Muslim. This created conflicts with the entire southern part of the United States (which is anti-Muslim) because those workers steered content to pro-Muslim positions.

---- Their spy dossier on you uses abstract content-specific features of the consumed content, such as categories, topic models, and entities, which they automatically extract using natural language processing by comparing every word you use to a giant computer library of what those words might mean about your psychology.

So it's like you are getting "mind-raped" without any penis use. Their

assessment of what your words might mean is based on what rich, white male, \$200K/year, DNC-promoting programmers think they might mean. Their computers scale and expand their tools with algorithmic software created by those politically and socially biased frat white boys that wrote the code. It is all biased as hell. They never hire blacks or women in system creation roles so everything these companies do only supports rich white soyboy snowflake type gamer thinking.

---- Because their Silicon Valley VC's told them to spy on billions of people, even for these web giants, it is impractical to store the entire dynamic history of a user's interaction features. They, thus, out of greed, use algorithms that selectively decay information in order to generalize users and populations. To them, you are just a generalized data point, like cattle on a ranch, to be harvested and fed upon by Silicon Valley.

DIE SILICON VALLEY...DIE!!!!

After a decade of exuberance, Silicon Valley start-ups, venture capitalists and established tech companies alike are cutting investment and firing workers, prompting some in the tech world to openly predict a U.S. recession is on the way.

Facebook and Amazon have slowed their frantic hiring paces, while highflying newer companies including scooter company Bird and email client Superhuman have laid off workers. Tesla chief executive Elon Musk recently told employees he has a “super bad feeling” about the economy, and venture capital firm Lightspeed Venture Partners warned in a blog post that “the boom times of the last decade are unambiguously over.”

On Thursday, fashion tech company Stitch Fix said it was cutting about 15 percent of salaried positions, or a total of 330 roles, sending its stock price sinking. The people losing their jobs were told that morning, chief executive Elizabeth Spaulding wrote in a memo to employees.

“In light of our recent business momentum and an uncertain macroeconomic environment, we’ve taken a renewed look at our business and what is required to build our future,” Spaulding wrote.

The broader industry slump worsened on Friday, when the tech-heavy Nasdaq index fell 3.5 percent. It is now down 28 percent for the year.

The sudden shift is giving many in the sector whiplash. Uncertainty has settled over Silicon Valley as venture capitalists, tech founders and regular employees debate whether the pessimism is overblown or if tech really is the canary in the coal mine, already suggesting a broader downturn in the U.S. economy.

[Most Americans expect inflation to get worse, Post-Schar School poll finds](#)

Tech start-ups do serve as a “leading indicator” for the economy, said Till von Wachter, a professor of economics at UCLA. Higher interest rates can mean it’s more difficult to raise money to fund new ventures — which typically take a while to turn a profit.

“They are one of the sectors that are the most sensitive to interest rate changes,” von Wachter said. “They are very dependent on what we believe the future to be.”

Tech has benefited immensely from the roaring bull market of the past decade, with soaring valuations enriching not just owners and investors but hundreds of thousands of employees who were paid in stock on top of their regular salaries. The pension plans and 401(k)s of millions of Americans have benefited from companies like Apple, Amazon, Google and Microsoft breaking through the trillion-dollar mark and becoming as valuable as the annual output of entire economies such as Italy or Brazil.

Year after year of rising valuations has created a pervasive feeling that there is nowhere to go but up. An entire generation of tech workers and founders have never worked in an industry without long lists of open jobs, new projects getting approved easily and employers throwing a stream of perks such as free meals and unlimited vacation at them.

[Global leaders warn of economic dangers as crises multiply](#)

Money has poured into smaller tech companies, too, as investors, including traditional venture capitalists all the way up to government-run sovereign wealth funds, have looked for ways to get in on the tech boom that never seemed to end.

Tech has faced shaky moments in the recent past. At the beginning of the coronavirus pandemic, millions of Americans lost their jobs, and tech stocks, along with the rest of the market, fell quickly. But it bounced back almost immediately, and many grew even stronger during the pandemic as government spending boosted the economy and people spent more of their money on e-commerce and digital services.

To some prominent tech luminaries, this moment feels different.

“We do not believe that this is going to be another steep correction followed by an equally swift V-shaped recovery like we saw at the outset of the pandemic,” the leaders of blue-chip Silicon Valley venture capital firm Sequoia Capital wrote in a May presentation to its portfolio companies that was published by tech news organization the [Information](#). “We expect the market downturn to impact consumer behavior, labor markets, supply chains and more.”

That follows [early warning signs](#), including pandemic darlings feeling the squeeze: Exercise company Peloton's shares slumped and celebrity video app Cameo laid off staff. Amazon also said it had overextended its warehouse space, and Uber CEO Dara Khosrowshahi warned of tougher times to come. Microsoft, Amazon, Apple, Tesla and Google have all lost at least 20 percent of their market value since the beginning of the year.

Even Twitter, which is in talks to be bought by Musk, has been pulled below the price he's willing to pay by a market that's pessimistic about whether the deal will go through, as well as the company's business prospects.

A fresh wave of economic uncertainty has washed over the world as Russia's war against Ukraine grinds on, China's economy wobbles because of fresh pandemic restrictions and the U.S. Federal Reserve raises interest rates to try to tame inflation. That uncertainty hit Silicon Valley early, with share prices beginning a steep decline in January.

[Amid global chaos, the tech industry takes a rare tumble](#)

The lack of investor confidence has quickly moved down to start-ups, too.

For years, investors had been pouring money into start-ups in the hope they could go public and net a big return, but that path doesn't seem as reliably profitable anymore. Venture capitalists whose money is tied up in not-yet-profitable tech companies are telling them to cut their spending and prepare to hold on longer without as much money.

Those companies, in turn, are starting to react to the market downturn with layoffs and hiring freezes.

And many companies are paying extra close attention to costs. Bird, the electric scooter and bike company, said this week it had to let go of about 23 percent of employees as it cut costs.

"While the need for and access to micro-electric vehicle transportation has never been greater, macro economic trends impacting everyone have resulted in an acceleration of our path to profitability," Chief Communications Officer Rebecca Hahn said in a statement.

Global venture capital funding fell to \$39 billion in May, its lowest level since November 2020, according to Crunchbase, which noted that later-stage rounds were more heavily hit than early-stage start-up funding.

“We’re just seeing a lot more caution from investors because of what’s happened in the public markets,” said Gené Teare, senior data editor for Crunchbase News.

[Elon Musk threatens to back out of Twitter deal over withholding data](#)

Seattle-based investor Greg Gottesman said he and other investors are advising companies to be careful, but he noted that many tech start-ups still succeed during economic downturns.

“There is more of a focus on growing smartly,” said Gottesman, managing director of Pioneer Square Labs. “Putting the right amount of people in the right spots and trying to grow smartly as opposed to just aggressively.”

The broader economic concerns are real, but cutting investment and spending across the board may create new issues, said Antoine Nivard, co-founder and general partner at Blank Ventures. Many start-ups sell software to other tech companies, making them especially vulnerable when the industry in general slows its pace of spending.

“There’s also a self-fulfilling prophecy there. The first demand that evaporates is start-ups selling to each other,” Nivard said. “I wish there was a bit less panic and bit more thinking about the nuance.”

Whether the slowdown means a broader recession is coming to other industries is still an open question. Not everyone sees tech as a bellwether for the whole economy. Instead, the tech industry may have further to fall than other sectors simply because it received more funding, pumping up valuations to levels that the companies didn’t deserve.

“People are going back and realizing, ‘Maybe we shouldn’t have been pricing at amounts we were doing,’” said Jake Hare, founder of start-up incubator Launchpeer.

[Amid global chaos, the tech industry takes a rare tumble](#)

A pullback in investment in start-ups is an example of the kind of thing the Federal Reserve is trying to trigger as it works to cool off the economy and lower inflation, said James Wilcox, an economics professor at the University of California at Berkeley. That doesn’t mean a recession.

“That party is over,” Wilcox said. “It’s not necessarily that there’s going to be a terrible hangover from it.”

The doom and gloom from senior venture capitalists may also be part of an effort to educate the younger generation and encourage them to curtail spending in case of a downturn.

“If you’re funding some 28-year-olds, they don’t know a roller coaster, all they know is a rocket ship,” Wilcox said. “They haven’t seen what a financial winter looks like. They haven’t even seen a cold spring.”

Corrupt political families conspire to give government funds, contracts, tax waivers, buildings, stock market profits and other insider perks to themselves and their friends. They also conspire to blockade, harm, sabotage and black-list those who compete with them and their friends. These corrupt politicians are never prosecuted for their crimes, and can laugh in the face of those who point out their crimes, because they control the prosecution system. Their Quid Pro Quo criminal corruption is the single largest cause of the taxpayer hatred of Congress.

Shoshana Zuboff’s, The Age of Surveillance Capitalism - Why Twitter, Google, Facebook, Instagram, YouTube, Alphabet are the SAME Thing, The SAME SICKO tech elites and the same kinds of social privacy RAPE against citizens!

<https://www.contagious.com/news-and-views/shoshana-zuboff-on-the-age-of-surveillance-capitalism>

THE MEDIA ASSASSINS: POLITICAL KILL ORDERS AND STATE-SPONSORED CHARACTER ASSASSINATIONS

– How A Modern Character Assassination and Political “Kill Order” Is Executed By the Silicon Valley Oligarchs and their total control of propaganda media. Patrick George At Jalopnik attacks outsiders under contract with Elon Musk and the DNC. Silicon Valley campaign finance oligarchs hire him to run hatchet jobs on innocent outsiders and then Gawker-Gizmodo-Jalopnik uses their financial partnership with the DNC’s Google to push the character assassination articles to the top of Google web products and searches.

---- Patrick George, Adrian Covert, John Hermann and Nick Cook are the sexually degenerate cabin boys that report to boy-loving sleaze-tabloid oligarch Nick Denton. They created the Fake News crisis in the media by flooding the internet with defamation posts and reprisal hatchet job articles designed to damage

political enemies of the Socialists. They coordinate a large number of the character assassination efforts at Gawker, Gizmodo, Jalopnik, CNN, New York Times and other propaganda outlets. These Millennial boys are “Media Rapists” and should be treated as abusers.

– How and why did a Donald Trump stripper-date named “Stormy” or an Elon Musk sex party or a Kavanaugh drinking incident or the Moonves and Weinstein indiscretions suddenly hit the news at about the same time in news history?

– In addition to actual murder, Politicians and Silicon Valley Oligarchs hire operatives to end people’s lives in other creative ways.

---- It is all part of the modern trend in vendetta, revenge and political payback when a Senator or a tech oligarch issues a “kill order” on an opponent. – The client does not like to get their hands dirty so the actual social hit job is performed by companies such as: IN-Q-Tel – (DNC); Gawker Media – (DNC); Jalopnik – (DNC); Gizmodo Media – (DNC); K2 Intelligence – (DNC); WikiStrat – (DNC); Podesta Group – (DNC); Fusion GPS – (DNC/GOP); Google – (DNC); YouTube – (DNC); Alphabet – (DNC); Facebook – (DNC); Twitter – (DNC); Think Progress – (DNC); Media Matters – (DNC); Black Cube – (DNC); Mossad – (DNC); Correct The Record – (DNC); Sand Line – (DNC/GOP); Blackwater – (DNC/GOP); Undercover Global Ltd (DNC/GOP) Stratfor – (DNC/GOP); ShareBlue – (DNC); Wikileaks (DNC/GOP); Cambridge Analytica – (DNC/GOP); Sid Blumenthal- (DNC); David Brock – (DNC); PR Firm Sunshine Sachs (DNC); Covington and Burling – (DNC), BuzzFeed – (DNC) Perkins Coie – (DNC); Wilson Sonsini – (DNC) and hundreds of others...These are the people and companies that except cash, revolving door jobs, political appointments, insider trading stock in Silicon Valley tech companies, prostitutes and real estate in exchange for destroying the lives of others.

– These attackers deserve to be punished for the rest of their lives for taking away the lives of others in exchange for cash. Any company who is corrupt enough to hire any of these assassins should be forced out of business.

---- These attack services are responsible for 90% of the “Fake News” problem in the world because they are the authors of most fake news. Congress must act to make these kinds of companies illegal! – These digital assassination services offer hit-jobs, character assassinations and economic reprisal programs to famous billionaires and corrupt politicians who are seeking revenge, retribution and vendetta executions.

- In the case of reporters getting targeted for attacks, President Donald Trump has been accused by the liberal corporate media of whipping up a hateful frenzy against the press. But while CNN's Jim Acosta grandstands against Trump, real journalists are still reeling from the draconian extrajudicial measures that Barack Obama and his administration used to target them for exposing truth.

- This secretive targeting occurred while Obama speechwriter and hate-filled ANTIFA supporter Ben Rhodes was running "Operation Echo Chamber," which reportedly continues, in which he fed information to willing corporate media scribes. "They literally know nothing," Rhodes said of the twentysomething journalists he easily manipulated.

---- The Freedom of the Press Foundation's Trevor Timm published documents showing how former attorney general Eric Holder changed the rules to more effectively intimidate and surveil members of the press.

- Timm writes: "Today, we are revealing—for the first time—the Justice Department's rules for targeting journalists with secret FISA court orders. The documents were obtained as part of a Freedom of Information Act lawsuit brought by Freedom of the Press Foundation and Knight First Amendment Institute at Columbia University."

- Obama is also clearly linked to the plot to obtain fraudulent FISA warrants on President Trump's team, as evidenced by Peter Strzok and Lisa Page's texts confirming that Obama was overseeing their fly-by-night operation.

- Larry Schweikart reported for Big League Politics: For months pundits and researchers have been pondering the mystery of the FISA approval that led to the illegal and historically titanic scandals to ever hit the U.S. government.

---- Some have argued that Assistant Attorney General Rod Rosenstein knew the FISA was bogus when he extended it. Others have wondered if Special Counsel Robert Mueller knew about the fraudulent basis of the FISA when he used it, in part, to indict Michael Flynn. Other still, that Mueller was fooled by the FBI. This is what President Trump calls "SPYGATE". - It may well be that the surveillance that was conducted began with UK intelligence services and then was fed back to the White House of Barack Obama. Here's the kicker: President Barack Obama did not need a FISA warrant to authorize spying/electronic surveillance on Trump because Obama all along had legal authorization to by-pass the normal court vetting process. According to 50 U.S. Code 1802, the "Electronic Surveillance Authorization" () "Foreign intelligence in relation to a US person (Trump or his

associates) is information that's necessary for the US to protect against attack, hostile acts, sabotage, . . . as well as other clandestine activities by a foreign power . . . OR . . . information relevant to national defense/security of the US, or the conduct of foreign affairs of the U.S." Such an authorization by Obama required certification by Attorney General Loretta Lynch that must be logged with the FISC court. ("The [AG]+ shall immediately transmit under seal to the court [FISC] a copy of his certification.")

- In short, the DOJ has this. If we are correct, a copy of that certification is currently under seal at least with the DOJ and the FISC.

- This is what they are hiding. - However, the Act requires the AG to keep the Select Committee on Intelligence and the Senate Committee on Intelligence informed of these authorizations and unmaskings therein. See 1803 (a) (1) (C) If indeed this is what happened, did Lynch report—or only selectively report—to the committees in a way that excluded non-friendlies? Can you see why Adam Schiff, Mark Warner, and their ilk are terrified?

- These are the playbook tactics that Senators and tech oligarchs most often use to destroy the lives of their political and business enemies: - Government agency bosses sometimes solicit the target victims with false promises of future loans, contracts or grants from their agency and cause the target victims to expend millions of dollars and years of their time for projects which those government bosses had covertly promised to their friends. They use the target victims as a "smokescreen" to cover their illegal government slush-funds for the victims competitors and personal enemies.

---- By using this tactic, the attackers can drain the target victims funds and force them into an economic disaster in plain view of everyone without the government bosses fearing any reprisal for their scam.- Every match.com, okcupid.com, Plenty Of Fish, Seeking Arrangements and all other IAC-owned, or similar, dating sites (IAC is managed by Hillary Clinton's daughter) have had their profiles, texts, and inter-member communications, since those companies were started, hacked or purchased. The attack service providers use Palantir and In-Q-Tel financed data analysis software to analyze every activity in those dating services in order to find honey-trap, blackmail, sextortion and social conflict exploitation opportunities.

If you had a bad date with someone, that someone will be hunted down and convinced to help harm, #metoo or "rape charge" the intended target. All dates involve a search for sex, so the likelihood that a sexual disappointment

experience will exist in each persons dating history is high. Searching every past dating email and text of a subject is quite easy with modern software and hacking techniques. A synthetically amplified, PR-agency optimized sex scandal can destroy any target. Your dating experiences from the 70's or 80's will come back to haunt you decades later. Most dates involve drinking alcohol and taking drugs. If you were unattractive or had bad sexual skills your bad date will be called "date rape", "drugging your date for sex" and related twisted narratives that are designed to shame you, the target.

---- If you try to get a date in the future, your potential date will be contacted by a third party who will slander and libel you to make sure your potential first date gets cancelled. Your social life will, essentially, end. Every photo on every dating site is cross checked with every other photo on the internet in order to cull your Facebook, LinkedIn, Snapchat and other social media together to create a total psychological manipulation profile data file on you. A single photo on a dating site can be cross searched on every mugshot archive, photo album and corporate database in the worth within minutes using modern super-computers. Your sex life will be on public record in a flash.- Social Security, SSI, SDI, Disability and other earned benefits are stone-walled. Applications of targets are "lost".

---- Files in the application process "disappeared". Lois Lerner hard drive "incidents" are operated in order to seek to hide information and run cover-ups.

- Government officials and tech oligarchs contact members of the National Venture Capital association (NVCA) and created national "black-lists" to blockade target victims from ever receiving investor funding. This was also confirmed in a widely published disclosure by Tesla Motors Daryl Stry and in published testimony. If Silicon Valley political campaign finance oligarchs black-list you (see the "AngelGate" Scandal and the "High Tech No Poaching Class Action Lawsuit" cases) you will never get investor funding again.

- FOIA requests are hidden, frozen, stone-walled, delayed, lied about and only partially responded to in order to seek to hide information and run cover-ups.- State and federal employees will play an endless game of Catch-22 by arbitrarily determining that deadlines had passed that they, the government officials, had stonewalled and obfuscated applications for, in order to force these deadlines that they set, to appear to be missed. This can bankrupt a target victim.- Some Victims found themselves strangely poisoned, not unlike the Alexander Litvenko case.

---- Heavy metals and toxic materials were found right after their work with the Department of Energy weapons and energy facilities. Many wonder if these "targets" were intentionally exposed to toxins in retribution for their testimony. The federal MSDS documents clearly show that a number of these people were exposed to deadly compounds and radiations, via DOE, without being provided with proper HazMat suits which DOE officials knew were required.

- Victims employers are called, and faxed, and ordered to fire target victims from their places of employment, in the middle of the day, with no notice, as a retribution tactic. - On orders from Obama White House officials, DNC-financed Google, YouTube, Gawker Media and Gizmodo Media produce attack articles and defamation videos. Google locks this attack media on the internet on the top line, of the front page of all Google searches for a decade in front of 7.5 billion people, around the world.

---- This attack-type uses over \$40 million dollars in server farms, production costs and internet rigging. The forensic data acquired from tracking some of these attacks proves that Google rigs attacks against individuals on the internet and that all of Google's "impressions" are manually controlled by Google's executives who are also the main financiers and policy directors of the Obama Administration. This data was provided to the European Union for it's ongoing prosecution of Google's political manipulation of public perceptions. - Victims HR and employment records, on recruiting and hiring databases, are embedded with negative keywords in order to prevent the victim targets from ever gaining future employment. - Gary D. Conley, Seth Rich, Rajeev Motwani and many other whistle-blowers in these matters, turned up dead under strange circumstances. It is very possible that some of these attack services, operated by former CIA operatives, even offer discrete murder-for-sale services using high-tech assassination tools that make murders look like heart attacks and brain failures.

---- Disability and VA complaint hearings and benefits are frozen, delayed, denied or subjected to lost records and "missing hard drives" as in the Lois Lerner case.- Paypal (A DNC-biased operation) and other on-line payments for on-line sales are de-platformed, delayed, hidden, or re-directed in order to terminate income potential for target victims who competed with the attackers interests and holdings.- DNS redirection, "website spoofing" sends target victims websites to dead ends where no sales orders or customer inquiries actually get back to the target. These internet revenue activity manipulations are conducted using Google and Amazon servers. All commercial storefronts and on-line sales attempts by target victims, will have had their sites hidden, or search engine de-

linked by a massively resourced facility located in Virginia, Texas or Palo Alto, California in order to terminate revenue potentials for the target victims.

---- Over 50,000 trolls, shills, botnets and synth-blog deployments are deployed to place defamatory statements and disinformation about victims in front of 7.5 billion people around the world on the internet in order to seek to damage their federal testimony credibility by a massively resourced facility.

- Campaign finance dirty tricks contractors are hired by campaign financiers to attack the friends and family members of the target victim in order to create low morale for the target victims psyche and motivation.- Are you getting weird headaches and hearing a "buzzing sound" in your head? The U.S. Government has now acknowledged that the Cuban, Chinese and other embassy "sonic attacks" are from a known microwave beam weapon. Any one of the technical departments of the attack services listed at the top of this article can build such a biological harassment weapon.

---- It can be aimed at the target victims office, bedroom or vehicle and, within a week, have caused biological and emotional damage using a weapon that has no visible track of trajectory. It is designed to make the target victim think they are "going crazy" or "hearing sounds in their head".

---- In one case covert political partner: Google, transferred large sums of cash to dirty tricks contractors and then manually locked the media portion of the attacks into the top lines of the top pages of all Google searches globally, for years, with hidden embedded codes in the links and web-pages which multiplied the attacks on Victims by many magnitudes.- Covert Cartel financier: Google, placed Google's lawyer: Michelle Lee, in charge of the U.S. Patent Office and she, in turn, stacked all of the U.S. Patent Office IPR and ALICE review boards and offices with Google-supporting employees in order to rig the U.S. Patent Office to protect Google from being prosecuted for the vast patent thefts that Google engages in.

---- Google has hundreds of patent lawsuits for technology theft and a number of those lawsuits refer to Google's operations as "Racketeering", "Monopolistic Cartel" and "Government Coup-like" behaviors. Thousands of articles and investigations detail the fact that Google, "essentially" ran the Obama White House and provided over 80% of the key White House staff. A conflict-of-interest unlike any in American history. Google's investors personally told Applicant they would "kill him". Google and the Obama Administration were "the same entity". Applicant testified in the review that got Michelle Lee terminated and uncovered

a tactical political and social warfare group inside Google who were financed by Federal and State funds.

---- Honeytraps and moles were employed by the attackers. In this tactic, people who covertly worked for the attackers were employed to approach the "target" in order to spy on and misdirect the subject. – Gawker Media, Gizmodo Media, Snopes, SPLC and other hired media assassins will be retained to produce "hatchet job" character assassination articles about you. Then those articles will be faxed, mailed and emailed to your employer and investors with a note saying: "You don't want to have anything to do with this person, do you..?" in order to get you fired from your job and get your loans or financing pulled. The attackers will use their round one attack media, that they authored, to create a round two second wave attack designed to end your life via economic warfare.

---- Mortgage and rental applications will have had red flags added to them in databases to prevent the targets from getting homes or apartments.- Krebs On Security, Wired, Ars Technica, The Wall Street Journal and most major IT publications have reported that hundreds of spy "back-doors" have been found on every Intel, AMD, Apple, Xfinity, Cisco, Microsoft, Juniper Networks motherboard, chip-set and hardware component set.

---- This means that any kid with the "key" code can open any computer, server, router, cloud-network or other network connected device and read every file, photo, video, your calendar and email on your devices at any time from any location on Earth. The key codes have been released to every hacker community in the world for over ten years. There is now no government, corporate or personal data that can't be hacked, even data from decades ago.

Every single one of your darkest secrets can be in the hands of your enemy within 60 minutes, or less. Important meetings you had planned with potential investors, employers, clients, dates, suppliers and others will suddenly get cancelled at the last minute. They will get cancelled because your enemies are reading your calendar remotely and covertly sending slander information to those you had hoped to engage with in order to sabotage your life.

---- Nothing you have ever typed on a computer or Smartphone is safe. it WILL be acquired and it WILL be used against you.

– McCarthy-Era "Black-lists" are created and employed against target victims who competed with Obama Administration executives and their campaign financiers to prevent them from getting funding and future employment.

- Obama Administration targets were very carefully placed in a position of not being able to get jobs, unemployment benefits, disability benefits or acquire any possible sources of income. The retribution tactics were audacious, overt..and quite illegal.

- There are thousands of additional Dirty Tricks tactics being used by these Attack Services yet Congress refuses to pass laws out-lawing such attack services.

---- The cost of an attack on a person ranges from \$150,000.00 to over \$50,000,000.00. While a Silicon Valley billionaire can afford to launch counter-measures to these attacks, any regular taxpayer will be utterly destroyed, and incapable of fighting back, against even the smallest version of one of these "kill orders".

---- A number of modern office shootings are the results of these attacks against an individual who has lost everything because of the attack and has no options left. - Federal law enforcement, the United States Congress and the highest level investigators in the U.S., and abroad, have documented (per the "FISA Memo", Congressional Reports and federal employee testimony) and proven the fact that the Obama Administration regularly engaged in the operation of retribution, vendetta and reprisal campaigns known as "hit-jobs" against domestic natural born U.S. citizen domestic taxpayers.

---- The Federal Court, in at least one previous court case,has ruled that Applicants, in this particular matter, were the victims and target of a number of these attacks designed to inflict permanent medical, emotional, character assassination, brand negation, economic and career damage. The FBI has been asked to interview John Cook, Nicholas Guido Denton, Adrian Covert, Patrick George, Ian Fette and John Hermann of Gawker/Gizmodo re: their financing, payola and hit-job attacks on third parties.

---- There are hundreds of millions of people in America. The same 120 of them are all involved in operating the same crimes and corruption including: the Sony Pictures corruption; the Afghanistan rare earth mine scandals operated through The Energy Department political slush fund that involves the lithium battery cover-ups (headed by Elon Musk); the Big Tech Brotopia rape, sex trafficking, bribery, exclusionism, racism and misogyny issues they were taught at Stanford University; The Facebook - Meta - Google - Alphabet - Netflix, et al, coordinated news manipulation and domestic spying that they engage in; the hiring of Fusion GPS - Black Cube - Gizmodo/Gawker assassins; the destruction of the housing market by their mass real estate manipulations; patent theft and industrial

espionage; and the bribery of almost every politician all the way up to the Oval Office.

---- So, while the categories covered in this investigation may seem diverse. They are connected through an enterprise of criminality and illicit, coordinated operations. We list, by name, the 120 most complicit individuals organizing these crimes, in the evidence documents already submitted to the FBI, FINCEN, DOJ, FTC, SEC, FEC, Congress, InterPol and other authorities. Digital financial tracking of those persons and all of their family members should be assumed to have been under way for some time. Wire-taps and device taps of those persons and all of their family members should be assumed to have been under way for some time.

News outlets in our country exhibit the widespread "criminality" and "defamation tactics" of a mostly corrupt news media landscape. The Gawker/Gizmodo/Jalopnik tabloid empire is nothing more than an organized info-crime operation backed up by offshore money-laundering through Russia and the Ukraine.

---- Despite widespread recognition of their deceptive conduct, fools still read these trash publications.

---- There are massive conflicts of interest related to many news media outlets' conglomerate-ownership as well and industry figures' financial and familial links to companies, interests, and people they ostensibly report on.

---- 'Fake news' isn't the proper term. It's the 'propaganda arm of the Silicon Valley Socialist oligarchs' In most cases.

---- There are only about 7 men who control all of the news and media in America. That's right! If you trace the media ownership in America, it all comes down to control by a few crazy old white boys -

--- It's no different than the Chinese Communist Party [and] the propaganda they put out. It's no different than what the Soviet Union did with the old Pravda media, and, quite frankly, it's no different than how Putin controls the media today, where 95 percent of his media in Russia is propaganda for the Putin regime. It's the same thing here with The Washington Post, NY Times, CNN, Hearst publications and all of the media owned by Hollywood and Silicon Valley.

---- Partisan news media should be treated as such. News media outlets such as the CNN, the New York Times, and the Washington Post regularly describe themselves as “politically objective and non-partisan.” In reality they are a propaganda machine for sick Silicon Valley oligarchs.

---- The information institutions are corrupt. For example, Elon Musk is one of the most corrupt men in the world yet the socialist propaganda news media won't cover any of his crimes and corruptions in their publications because he pays political bribes to keep his dark side hidden in their media.

---- The public should not hurt legitimate news media outlets by engaging with and speaking to corrupt propaganda operations. One should only speak with genuine news media and not reward unethical companies with their time.

---- The following diagrams show what various independent researchers have discovered: The Manipulation Techniques Of Silicon Valley Media Outlets

---- A common tool Google, Facebook and Twitter use to exert control over their victims.

---- We all use manipulation at some point in our lives, whether it be telling a little white lie to get out of a situation, or using flattery to get what we want. For some people, however, using manipulation is a way of life, and their first weapon in an arsenal of techniques to overpower their victims.

---- Who is at risk from the Silicon Valley media predators? Predators use a range of manipulation techniques in order to control their victims, but they often target certain types of personalities. This is because they want to be able to easily manipulate a person, and particular vulnerabilities in a person lend themselves to manipulation. You are more likely to become a victim of a media predator if you have low self-esteem, are naïve, easy to please, lack an assertive nature and have no confidence in yourself.

---- Here are 20 of the most common news pundit manipulation techniques:

---- 1. Lying - Predators are constantly lying about practically everything in their life. They do this to wrong-foot their victim and confuse them. Lying is one of the manipulation techniques psychopaths typically use because they have no qualms about it.

---- 2. Not telling the whole story - This is different to lying as a predator will often keep a key part of the story to themselves in order to put their victim at a

disadvantage.

---- 3. Frequent mood swings - Never knowing what mood your partner is going to be in when you get home, whether they'll be happy or angry is a very useful tool to the predator. It keeps their victim off balance and makes them more malleable.

---- 4. Love-bombing and devaluation - Narcissists typically use love bombing as a manipulation tactic, they will go on a charm offensive and get you hooked into thinking this is the best relationship ever, then they'll drop you like a ton of bricks without explanation.

---- 5. Finger Pointing Punishment - This can include anything from constant nagging, shouting, the silent treatment, physical violence and mental abuse. ----

6. Facts Denial - Often the simplest way a predator will manipulate a person is by denying the thing they are accused of ever happening.

---- 7. Spinning the truth - How many times have politicians twisted the facts to suit themselves? This spinning of the truth is often used to disguise bad behaviour by predators such as sociopaths.

---- 8. Minimising The Urgency - Where a predator will try and play down their actions as not important or damaging and shift the blame onto the victim for overreacting.

---- 9. Plays the victim - The manipulator will themselves take on the role of victim in order to gain sympathy and compassion from those around them. We as humans are naturally drawn to helping people when they are suffering.

---- 10. Targets the victim - When a manipulator accuses the victim of wrongdoing, they are making the victim defend themselves whilst the predator is able to mask their own manipulation techniques. The focus is on the victim, not the accuser.

---- 11. Positive political reinforcement - This includes buying expensive presents, praising them, giving money, constantly apologizing for their behaviour, excessive charm and paying lots of attention.

---- 12. Moves the goal posts - You might think you know where you stand with a person, but if they are constantly moving the goal posts in order to confuse you, then it's likely you're dealing with a predator.

---- 13. Diversion - Diverting the conversation away from the perpetrator's act and moving the conversation onto a different topic is a typical way predators manipulate their victims.

---- 14. Sarcasm - A predator will often be sarcastic about their victim in front of others. They do this to lower the self-esteem of the victim and to show others how powerful they are.

---- 15. Guilt tripping - Someone who manipulates will often guilt trip their victim by saying that they don't care about them, or that they are selfish or their life is easy. It all helps to keep that person confused and anxious.

---- 16. Flattery - Using charm, praise or flattering the victim is one way of gaining that person's trust. The victim is naturally happy to receive such compliments but in doing so lowers their guard.

---- 17. Playing the innocent card - A true manipulator will feign utmost shock and confusion at being accused of any wrongdoing. Their surprise is so convincing that the victim may question their own judgement.

---- 18. Over the top aggression - Manipulators often use rage and aggression to shock their victim into submission. The anger is also a tool to shut down any further conversation on the topic as the victim is scared but focused now on controlling the anger, not the original topic.

---- 19. Isolation - It is far easier to keep a person under control if they are isolated from family members and friends who could shed some light and truth on the situation.

---- 20. Feigns political love and empathy - News Predators such as psychopaths and sociopaths do not know how to love someone other than themselves, and cannot feel empathy, but they can pretend to in order to inveigle others into their lives

.---- If you watch out for the above manipulation techniques, you can keep yourself out of a media predator's clutches.

---- There are hundreds of millions of people in America. The same 120 of them are all involved in operating the same crimes and corruption including: the Sony Pictures corruption; the Afghanistan rare earth mine scandals operated through The Energy Department political slush fund that involves the lithium battery cover-ups (headed by Elon Musk); the Big Tech Brotopia rape, sex trafficking,

bribery, exclusionism, racism and misogyny issues they were taught at Stanford University; The Facebook – Meta – Google – Alphabet – Netflix, et al, coordinated news manipulation and domestic spying that they engage in; the hiring of Fusion GPS – Black Cube – Gizmodo/Gawker assassins; the destruction of the housing market by their mass real estate manipulations; patent theft and industrial espionage; and the bribery of almost every politician all the way up to the Oval Office.

---- So, while the categories covered in this investigation may seem diverse. They are connected through an enterprise of criminality and illicit, coordinated operations. We list, by name, the 120 most complicit individuals organizing these crimes, in the evidence documents already submitted to the FBI, FINCEN, DOJ, FTC, SEC, FEC, Congress, InterPol and other authorities. Digital financial tracking of those persons and all of their family members should be assumed to have been under way for some time. Wire-taps and device taps of those persons and all of their family members should be assumed to have been under way for some time.

---- Twitter, Splunk, Google, Facebook, Netflix, YouTube and the Silicon Valley internet Cartel serve you custom manipulated content by automatically creating a covert digital dossier on you reflecting the content consumption preferences they have spied on about you. They continually evolve their dossier on you in order to steer you towards their ideology and their Democrat political party. At these companies, “data mining”, “machine learning” and “AI” means computerized propaganda processing for certain political entities. They began hiring off-shore people (because they would work so cheap) but most of those people turned out to be Muslim. This created conflicts with the entire southern part of the United States (which is anti-Muslim) because those workers steered content to pro-Muslim positions.

---- Their spy dossier on you uses abstract content-specific features of the consumed content, such as categories, topic models, and entities, which they automatically extract using natural language processing by comparing every word you use to a giant computer library of what those words might mean about your psychology. So it’s like you are getting “mind-raped” without any penis use.

Their assessment of what your words might mean is based on what rich, white male, \$200K/year, DNC-promoting programmers think they might mean. Their computers scale and expand their tools with algorithmic software created by those politically and socially biased frat white boys that wrote the code. It is all

biased as hell. They never hire blacks or women in system creation roles so everything these companies do only supports rich white soyboy snowflake type gamer thinking.

---- Because their Silicon Valley VC's told them to spy on billions of people, even for these web giants, it is impractical to store the entire dynamic history of a user's interaction features. They, thus, out of greed, use algorithms that selectively decay information in order to generalize users and populations. To them, you are just a generalized data point, like cattle on a ranch, to be harvested and fed upon by Silicon Valley.

US State Department Funding Secret 'Disinformation' Crusade To Blacklist Media

BY TYLER DURDEN

The US Department of State has been funding a "disinformation" tracking group through its Global Engagement Center (GEC), which reportedly works at demonetizing sites it accuses of disseminating "disinformation," - which are overwhelmingly conservative news outlets, the Washington Examiner reports.

The Global Disinformation Index, a British organization with two affiliated U.S. nonprofit groups, is feeding blacklists to ad companies with the intent of defunding and shutting down websites peddling alleged "disinformation," the Washington Examiner reported. This same "disinformation" group has received \$330,000 from two State Department-backed entities linked to the highest levels of government, raising concerns from First Amendment lawyers and members of Congress.

GDI through its website maintains a "dynamic exclusion list" of the worst offenders of disinformation online, which it then distributes to ad tech companies - such as Microsoft's Xandr - in order to try and "defund and downrank these worst offenders," and deprive said sites of ad revenue.

According to The American Conservative executive director Emily Doak, "They might consider TAC a 'high-risk' publication because we have consistently taken

on the bipartisan establishment's sacred cows, whether it's the war in Iraq, nation-building in Afghanistan, or the harm done by free trade and open borders — and we've been proven right time and time again," adding "They know they can't say we're wrong, only that we're biased and 'high-risk,' so we will wear that designation as a badge of honor."

In 2018, the GEC began funding Disinfo Cloud, a State Department spokesperson told the Washington Examiner. The GEC awarded roughly \$300,000 to an investment group called Park Advisers, which fights "disinformation, terrorism, violent extremism, hate speech" to manage Disinfo Cloud, the spokesperson said.

Park Advisers implemented Disinfo Cloud "to provide the U.S. government and its partners with a database of the tools and technologies available to help push back against foreign propaganda and disinformation," according to its website, which links to Disinfo Cloud's former landing page that has since been pulled off the internet. -Washington Examiner

One State Department-funded group which supports GDI is the nonprofit National Endowment for Democracy, which receives nearly 100% of its funding from congressional appropriations (\$300 million in 2021), which critics have argued is essentially giving money to a government grantmaking body despite its status as a private entity.

In 2020, \$230,000 went from the NED to the AN foundation, a GDI group that also goes by the Disinformation Index Foundation. The grant was to "deepen understanding of the challenges to information integrity in the digital space" in Asia, Africa and other foreign countries, and to "assess disinformation risks of local online media ecosystems."

The Global Engagement Center notably appeared in the Twitter Files reported by @mtaibbi <https://t.co/M3LM3PkkX>

— Gabe Kaminsky (@gekaminsky) February 10, 2023

Meanwhile in September 2021, the GEC hosted the US-Paris Tech Challenge - an event which sought to "advance the development of promising and innovative technologies against disinformation and propaganda" in Europe and the UK. The event was a "collaboration with U.S. Embassy Paris, the Atlantic Council's Digital Forensic Research Lab (DFRLab), the Cybersecurity and Infrastructure Security

Agency (CISA), the North Atlantic Treaty Organization (NATO)" and several other organizations.

Civil rights experts are appalled.

"Any outfit like that engaged in censorship shouldn't have any contact with the government because they're tainted by association with a group that is doing something fundamentally against American values," said Jeffrey Clark, former acting head of the DOJ's Civil Rights Division in a statement to the Examiner. "The government or any private entity shouldn't be involved with this entity that's engaged in conduct that is either legally questionable or at least morally questionable."

In addition to Park Advisers and Disinfo Cloud, partners for the Paris challenge included the Atlantic Council, a major think tank, the Cybersecurity and Infrastructure Security Agency, the North Atlantic Treaty Organization, and others, according to the State Department.

— Gabe Kaminsky (@gekaminsky) February 10, 2023

Meanwhile, Rep. Michael McCaul (R-TX) said: "Last year, under tremendous bipartisan pressure, I refused to reauthorize the Global Engagement Center because such a step seemed premature," adding "The most recent allegations, if verified, confirm the need for a strict accounting of all U.S. taxpayer funds going to the GEC."

Rep. Jim Banks (R-IN) says that the Biden administration is "knee deep" in left-leaning efforts to "crack down" on speech - telling the Examiner: "House Republicans will be hauling these bad actors before Congress, and I absolutely support legislation to ban federal funding of anti-free speech groups."

Sony's Dirty Hollywood And Game Shenanigans.

---- The hacks and leaks at Sony Pictures Entertainment have exposed the dark side of Hollywood. The new information reveals an insider vision of a company racked with sexism, office politics, high-school-level personality quibbles and a severe mine-is-bigger-than-yours territoriality culture.

---- A number of lawsuits against Sony, from Lady GaGa to Sony's own employees, have revealed even more.

---- An aspect of the revelations involves where Sony gets its ideas from. A number of revelations reveal that Sony seems to have established a process of "borrowing" technology and story ideas while "forgetting" to properly attribute or pay the sources.

---- Some of the 'dirt' exposed included: – Sony finances Democrat Presidents in exchange for media 'favored nations' status over competitors.

– Sony and Google coordinate political manipulation campaigns together.

– Sony executives trade female entry-level staff like cattle at a 'ranch'.

– Sony executives hire an insane amount of hookers, rent-boys and under-age sex providers.

– Sony executives bribe their kids into colleges.

– The good-old-white-jewish-boy club is alive and well at Sony.

– ZERO DARK THIRTY was a political PR hype movie commissioned by the Obama Camapign using government resources

– Sony steals patents from anybody it wants

– Sony stole its VR technology

– Sony stole its web video technology, especially SONY VUE

– Sex deviancy is the rule at Sony – Sony is a bunch of high-school whine babies who think their shit doesn't stink

– Ira Rubenstein, Sony's Marketing Head, put his name on Sony's patents, as the "inventor", even though his own emails admit that "he does not even know how to work a computer" -

--- Sony's web video patents, that were sold to ATandT/Direct TV, admit that Sony copied their patent ideas from TSNB in San Francisco

---- Sony spends millions and millions of dollars on political bribes

----The kids at Sony seem to have been very naughty children. They let their IT system go to pot, and got hacked, and outed, as "racist", "misogynist", "campaign rigging", "high school tantrum throwing" kinds of people, per their own emails.

Hollywood Reporter, The Verge, Wikileaks, and a variety of tabloids and pundits, have delighted in dissecting the fraternity house, inside antics, of Sony Pictures. -

--- Sony says that the hackers "DELETED" Sony's files. THEY DID NOT. The Russians, Koreans, NSA, DOJ and a number of reports have ALL of Sony's files and emails!

---- Their boss got fired. They got ridiculed for turning "Zero Dark Thirty" into a, slightly fabricated, political vote-churn tool. Other execs got kicked to the curb. All of their financial, contracting, political cash layout, and tax dynamics were placed under investigation, and even more sketchy bits are shaking loose...

---- Sony announced that it sold just 2 million PlayStation 5 units last quarter (Q4), bringing its overall total to 19.3 million. That's down considerably from the same quarter last year when it sold 3.3 million units. The company did manage to boost game sales, though, with 70.5 million PS4/PS5 titles sold compared to 61.4 million a year ago, including 14.5 million first party games compared to 7.9 million in Q3.

---- Overall, its Game and Network Services (GSN) division earned 665 billion yen (\$5.1 billion) this quarter, up slightly over last year. Sales for the full 2021 year were flat, up just 2 percent over 2020, and profits also changed little.

---- Those numbers mean that the PS5 is falling even further behind the PS4 in sales, having now sold 3.1 million fewer units than the PS4 at the same point in time. Sony warned that this was coming, blaming the lack of sales not on customer demand but its inability to build enough units due to the ongoing chip shortage.

----There are hundreds of millions of people in America. The same 120 of them are all involved in operating the same crimes and corruption including: the Sony Pictures corruption; the Afghanistan rare earth mine scandals operated through The Energy Department political slush fund that involves the lithium battery cover-ups (headed by Elon Musk); the Big Tech Brotopia rape, sex trafficking, bribery, exclusionism, racism and misogyny issues they were taught at Stanford University; The Facebook - Meta - Google - Alphabet - Netflix, et al, coordinated news manipulation and domestic spying that they engage in; the hiring of Fusion GPS - Black Cube - Gizmodo/Gawker assassins; the destruction of the housing market by their mass real estate manipulations; patent theft and industrial espionage; and the bribery of almost every politician all the way up to the Oval Office. -

--- So, while the categories covered in this investigation may seem diverse. They are connected through an enterprise of criminality and illicit, coordinated operations. We list, by name, the 120 most complicit individuals organizing these crimes, in the evidence documents already submitted to the FBI, FINCEN, DOJ, FTC, SEC, FEC, Congress, InterPol and other authorities. Digital financial tracking of those persons and all of their family members should be assumed to have been under way for some time. Wire-taps and device taps of those persons and all of their family members should be assumed to have been under way for some time.

----Twitter, Splunk, Google, Facebook, Sony Interactive, Netflix, YouTube and the Silicon Valley internet Cartel serve you custom manipulated content by automatically creating a covert digital dossier on you reflecting the content consumption preferences they have spied on about you. They continually evolve their dossier on you in order to steer you towards their ideology and their Democrat political party. At these companies, "data mining", "machine learning" and "AI" means computerized propaganda processing for certain political entities. They began hiring off-shore people (because they would work so cheap) but most of those people turned out to be Muslim. This created conflicts with the entire southern part of the United States (which is anti-Muslim) because those workers steered content to pro-Muslim positions.

---- Their spy dossier on you uses abstract content-specific features of the consumed content, such as categories, topic models, and entities, which they automatically extract using natural language processing by comparing every word you use to a giant computer library of what those words might mean about your psychology. So it's like you are getting "mind-raped" without any penis use.

Their assessment of what your words might mean is based on what rich, white male, \$200K/year, DNC-promoting programmers think they might mean. Their computers scale and expand their tools with algorithmic software created by those politically and socially biased frat white boys that wrote the code. It is all biased as hell. They never hire blacks or women in system creation roles so everything these companies do only supports rich white soyboy snowflake type gamer thinking.

----Because their Silicon Valley VC's told them to spy on billions of people, even for these web giants, it is impractical to store the entire dynamic history of a user's interaction features. They, thus, out of greed, use algorithms that selectively decay information in order to generalize users and populations. To them, you are

just a generalized data point, like cattle on a ranch, to be harvested and fed upon by Silicon Valley.

Stanford University builds corporate criminals, sex traffickers, sociopaths and elitist narcissists. It trains naive children to grow up to become adult stains on society!

---- In California, elite arrogant asshole dynasties send their kids to Stanford University. Stanford puts the kids in asshole frat houses to train them to get away with rape and run monopolies.

---- The problems at Stanford University include:

---- Rape cover-ups by frats from rich families

---- Epic racism

---- Inter-Staff sex scandals that make the whole campus look like A Caligula party

---- Dynastic families control the whole campus

---- Arab, Iranian and Chinese oligarchs pay bribes to get their kids in

---- The CIA is always recruiting everyone and the most notorious spy project: STARGATE, happened at Stanford

---- The Russian, Iranian and Chinese spy agencies have placed a huge number of spies on the campus as 'pretend students' and pretend teachers

---- Elitism is rampant

---- The Silicon Valley venture capitalists, up the hill on Sand Hill Road, get all their interns from Stanford and they date rape the hot ones with Ruffies, Scopalomine, and other amnesia drugs. The interns wake up with sore butts and can't remember why.

---- To afford the fees, the girl students work as hookers at the Rosewood Hotel.

---- The entire school is funded by bribery. ----Arrogance is the attitude of choice at Stanford.

---- 99% of the guys that went to Stanford execute 99% of the corporate corruption crimes in the world. -

--- Girls at Stanford, that can't afford tuition, become Match.com hookers. Everyone in the bay area knows that if a Match.com profile has the words: "STUDENT" and "GENEROUS" anywhere in the text, that the girls are offering sex-for-tuition. Send your hot daughter to Stanford and turn them into hookers. Match.com even has sex agents, on campus, that get a commission for getting girls to join Match.com.

---- Rape is OK at Stanford as long as your daddy is rich or owns part of the Middle East. The Stanford deans and regents say: "Boys Will Be Boys".

---- Stanford provides buses that transport the sorority girls to the frat houses to get date raped and then back to the sorority houses drunk out of their minds or doped up on Ruffies and Scopalimine.

---- There have been a number of strange murders and suicides at Stanford.

---- Stanford students are perscribed the highest number of mental health medications of any campus in America.

---- All of the land on the Stanford Campus could solve all of Silicon Valley's housing crisis. The State of California should take all the land away from criminally corrupt Stanford University and build housing for average income on it. Stanford University doesn't "deserve" anything any more.

---- Chinese girls are sent to Stanford, by Chinese 'Wife Mills' to bag an Anglo husband and then divorce him 1 year after he hits paydirt. They are instructed to have 2 kids so the alimony upside is high. They pay a % of the money back to China.

---- Trophy wives were invented at Stanford

---- The Guardsman, The Key Club and over 50 "Final Clubs" brain-wash students into elitism and tribal exclusion of all but your fellow 'club members' from your ethinc group.

---- Most of the oligarch families paying bribes to Stanford are engaged in the most brutal human rights violations in history. They murder people and have them cut up with a hacksaw. They run prison camps. Only an idiot would think that modern day Stanford has any remaining 'prestige' or 'credibility'. This isn't the 1800's any more. Shut this crap campus down!

---- When they graduate they either go up the hill to Sandhill Road and start a venture capital clone operation or they get their frat friends on Sandhill Road to racketeer-fund their start-up or political campaign using money scammed from your parents pension funds. They only work with their frat buddies and insiders in a tribal 'old boys club' manner.

---- They steal all the technology and markets they want because they control all of the tech lawyers and politicians via bribes and revolving doors.

---- Most of the money in Stanford University bank accounts is from Foreign and Hollywood oligarchs delivered as bribes meant to get their snot-nosed brats into Stanford. Stanford bosses keep all of this covered-up and covertly fund political campaigns to grease the wheels of political corruption.

---- They then sexually extort some Stanford interns in Rosewood Hotel rooms, get the most 'trophy wife' ones pregnant, and start the cycle all over again. Alas, Stanford is the training ground for abuse, corruption and 'Bro-Crime'.

---- The issues, that the public and the news media have complained about include: producing child suicides, racism, misogyny, child mental health threats, domestic spying, data harvesting, sex trafficking, election manipulation, tax evasion, Fusion GPS/Media Matters/ Black Cube hit jobs on competitors, censorship, contrived market monopolization, intellectual property theft, political bribery and many other social crimes! An unusually large number of their staff have been arrested for, or charged with, sex crimes, including under-age trafficking.

---- The Silicon Valley Tech Cartel is one of the largest operators of bribes to public officials. Some of those bribes include billions of dollars of, non-FEC reported, search engine rigging for the political campaigns of the very politicians who are supposed to regulate them.

---- There are hundreds of millions of people in America. The same 120 of them are all involved in operating the same crimes and corruption including: the Sony Pictures corruption; the Afghanistan rare earth mine scandals operated through The Energy Department political slush fund that involves the lithium battery cover-ups (headed by Elon Musk); the Big Tech Brotopia rape, sex trafficking, bribery, exclusionism, racism and misogyny issues they were taught at Stanford University; The Facebook – Meta – Google – Alphabet – Netflix, et al, coordinated news manipulation and domestic spying that they engage in;

--- The hiring of Fusion GPS – Black Cube – Gizmodo/Gawker assassins; the destruction of the housing market by their mass real estate manipulations; patent theft and industrial espionage; and the bribery of almost every politician all the way up to the Oval Office.

---- So, while the categories covered in this investigation may seem diverse. They are connected through an enterprise of criminality and illicit, coordinated operations. We list, by name, the 120 most complicit individuals organizing these crimes, in the evidence documents already submitted to the FBI, FINCEN, DOJ, FTC, SEC, FEC, Congress, InterPol and other authorities. Digital financial tracking of those persons and all of their family members should be assumed to have been under way for some time. Wire-taps and device taps of those persons and all of their family members should be assumed to have been under way for some time.

More is coming, check back...

Beyond being highly addictive, last year's season highlighted the exclusivity surrounding Greek lie, which is heavily rooted in racism, classism and sexism.

The majority of both active and PNMs on Bama Rush TikTok appeared to look practically identical - all white women with blonde locks and fake tans, which is unsurprising considering Alabama only desegregated their sororities nine years ago.

In 2013 Black students complained about the racism and discrimination in Greek life, and University officials ordered the sororities to end segregation after [The Crimson White](#) reported on the allegations that Black students were blocked from joining the all-white chapters.

Despite the segregation officially ending in 2013, things don't seem to have gotten much better.

According to the [The Crimson White](#), University of Alabama sororities were about 89 per cent white in 2021, down only five per cent from 2011.

To help fight allegations of racism, the [University](#) is now reportedly requiring chapter members to complete diversity training in preparation for rush week.

And although a few need-based scholarships are provided, the organization further shows their classism foundation through steep financial obligations.

In addition to rush week essentials PNMs splurge on, the average cost of fees for new member is \$4,170 per semester, according to University [data](#).

And the outrageous cost of being a sorority member at Bama just gets higher, chapter and meals fees for active members who live in the house total around \$7,465 per semester.

However, the flawed system doesn't stop the world from tuning in to season two and getting hooked on whether or not their favorite 'character' received a bid from their dream home.

Nothing but a \$\$\$\$popularity contest\$\$\$.

The part I hate is that girls who dont make it are crushed. There are so few places at Alabama and so many more girls competing for one. And dont get me started on fraternities. The amount of alcohol allowed at the on campus fraternity houses is endless, massive quantities and the school officials wink and nod and look the other way.

People that pay for friends are pathetic

They look like recycled Barbies

The most asked question is "why does my head whistle when I walk?"

I wanna go to college for the rest of my life Sip bankers club and drink miller lite
On thirsty Thursday and Tuesday night ice And I can get pizza a dollar a slice...

Sororities & Fraternities are bad for college students. The hazing, excessive drugs & alcohol that goes on there is terrible. Join clubs or intramural sports if you want to make new friends. Don't put yourself thru that abuse, it's not worth it.

Idiot people who pay thousands to go to college for the "experience" instead of an education.

The men that are in so much trouble in Silicon Valley were taught their ways by Stanford University:

Most American Parents Unaware China, Saudi Arabia, Qatar are Major Donors to Stanford University

According to recent reports (ie: [Stanford_University_Teaches_Promotes_And_Protects_Sociopaths_And_Hate](#)) a majority of American parents are unaware that China, Saudi Arabia, and Qatar are among the top financiers of U.S. universities and are worried that foreign cash is influencing what their children are taught in the classroom, according to a recent poll.

Nearly 60 percent of those interviewed in the September poll said they were not aware that the countries are major donors to U.S. universities. The poll was commissioned by the Lawfare Project, a nonprofit advocacy group that tracks campus issues.

Qatar's presence in the U.S. academic system was concerning to parents when they learned about the small Gulf nation's deep ties to Iran and terrorist organizations such as Hamas and the Taliban. Eighty-four percent of those surveyed said American schools should publicly disclose their ties to Qatar and explain how the money could be coloring the in-class agenda, according to the poll, which surveyed 2,009 adults last month and was provided exclusively to the Washington Free Beacon.

While extensive foreign funding of American universities has raised alarms in Congress and among advocacy groups such as the Lawfare Project, ordinary American parents are not aware of the issue. This is partly because American schools do not publicly disclose their funding and in many cases try to hide their ties to adversarial nations like China. Foreign countries see the U.S. academic

system as central to their propaganda efforts, including anti-Israel initiatives. In the case of countries such as China, they seek to steal cutting-edge research. More than 80 percent of those surveyed said Congress should enact legislation requiring schools to publicly account for every foreign donation. Around 70 percent of those surveyed said they were concerned that foreign donations influence teaching and research priorities. In Qatar's case, the country has spent billions running propaganda efforts in at least 28 American universities, generating concerns these donations run afoul of U.S. law. With anti-Semitism and anti-Israel attitudes increasing on many American campuses, foreign money has helped foment these movements, including at the University of North Carolina and Duke University—both of which have been embroiled in a long-running controversy over Qatar's funding of programs critics see as anti-Semitic.

"The public wants full transparency on what Qatar is funding in American schools, and Congress must demand it," Brooke Goldstein, the Lawfare Project's executive director, told the Free Beacon. "Parents have a right to know what foreign governments are teaching our children."

China's funding for American universities remains the top concern for parents, with 70 percent expressing worry about Beijing's presence at U.S. schools. Around 65 percent expressed similar concerns about Saudi Arabia, followed closely by Qatar with 57 percent of those surveyed.

More broadly, there was a 50-50 split between those who support foreign funding of schools and those who oppose it altogether.

How the Elite Scumbag Bosses At Stanford University Got Busted For Selling Snootiness

Stanford University Elitist Rapists Get Away with..RAPE; All The Time! – SOCIAL MEDIA CRIMES

Corrupt political families conspire to give government funds, contracts, tax waivers, buildings, stock market profits and other insider perks to themselves and their friends. They also conspire to blockade, harm, sabotage and black-list those who compete with them and their friends. These corrupt politicians are never prosecuted for their crimes, and can laugh in the face of those who point out their crimes, because they control the prosecution system. Their Quid Pro Quo criminal corruption is the single largest cause of the taxpayer hatred of Congress.

What Went Wrong With The Electric Car Industry?

Only men seem to start car companies. Most psychologists say that this is because men see cars as dick insecurity emblems.

Elon Musk is known to be a wildly insecure narcissist who feels that he must get every woman, that he can find, pregnant in order to prove his manhood to his abusive father, who got his sister pregnant.

Musk embodies the ultimate expression of 'car-as-dick' thinking because Musk was not only molded by his purse-swinging, kept-woman, mother, abusive father and crooked brother but also by the Silicon Valley frat boy rape-culture.

Silicon Valley is, of course, the Eden of modern misogyny and tech-bro douche-baggery.

Musk dragged all of the biggest assholes from Silicon Valley, The DNC and Goldman Sachs into his Tech Cartel. Together they created a temporary monopoly in the electric car industry by exchanging stock market payola with Senators and White House staff who, in exchange, locked off the electric car and space industries just for Musk.

But that scheme was not sustainable. It was amazingly crooked and lucrative but, it could not last. It was Big Tech's Roman Empire and it was doomed to fail spectacularly.

Musk counted on Obama and Biden to stick with his original quid-pro-quo deal to trade government cash for election rigging via his boyfriends at Google and Facebook. Tesla was the money conduit for a bunch of political scammy.

Biden and his cheerleader actress front girl: Jennifer Granholm, bounced into office with a Wizard of Oz promise to give everybody electric cars. They were so wrong about the pitfalls of their plan and they hired so many idiot sex freaks and unicorn fart unaware fools that their scheme blew up...instantly and literally.

Lithium ion batteries: Cause wars, rape and genocide in the Congo, Afghanistan and Bolivia from the corrupt mining deals involved with mining lithium and cobalt; are insider trading-owned by ex-CIA boss Woolsey and DOE Boss Chu; excrete chemicals that mutate fetuses when they burn; destroy your brain, lungs and nervous system when they burn; kill the factory workers who make them;

cause Panasonic to be one of the most corrupt companies in the world; poison the Earth when disposed of; can't be extinguished by firemen; poison firemen when they burn; are based on criminally corrupt mining schemes like URANIUM ONE; Have over 61 toxic chemicals in them; come from an industry that spends billions on internet shills and trolls used to nay say all other forms of energy; are insider-trading owned by corrupt U.S. Senators who are running a SAFETY COVER-UP about their dangers. Apple products with lithium ion batteries have been exploding and setting people on fire; over time the chemical dendrites inside each battery grow worse and increase the chances of explosion as they age.

---- LITHIUM ION BATTERIES BECOME MORE AND MORE LIKELY TO EXPLODE AS TIME GOES ON AND AS THEY AGE; "Bad Guys" have figured out how to make them explode remotely; have their dangers hidden by CNN and MSM because pretty much only the DNC people profit from them; are the heart of Elon Musk's stock market scam. The Obama Administration promised Silicon Valley oligarchs the market monopoly on lithium ion batteries and the sabotage of fuel cells in exchange for campaign financing and search engine rigging; United States Senators that are supposed to protect us from these deadly products own the stock market assets of them so they protect them and stop the FDA, OSHA, DOT and NHTSA from outlawing them.

---- WRITE YOUR ELECTED REPRESENTATIVE AND DEMAND THAT LITHIUM ION BATTERIES BE MADE ILLEGAL TO SELL! NiCAD and Hundreds of other battery chemistries DO NOT have all of these problems but Lithium Ion batteries get a monopoly because of politician insider trading ownerships. A recent fire on U.S. Highway 101 near Mountain View, CA, burned the driver alive and killed him. In Florida two kids died in a Tesla, burned alive, screaming in agony. A man died in agony in a Tesla crash in Malibu that set Malibu Canyon on fire.

---- A young woman, at the start of life, and her boyfriend were burned alive in their crashed Tesla. There are many more deaths and crashes than you have heard about. The deaths and the cover-ups are endless. Senators Dianne Feinstein, Harry Reid, Nancy Pelosi, Kamala Harris and their associates own the stock in Tesla Motors and/or it's suppliers and mining companies and they cover-up and halt investigations and laws designed to save the public. They, and their crony's, spend over \$1B a year to shill and troll hype about lithium ion batteries and cover-up the dangers.

---- Lithium ion EVs are more prone to battery fires. Experts say that their lithium-ion batteries can fuel hotter fires that release toxic fumes and are more difficult to put out. Lithium ion fires keep reigniting which explains why it takes so long and requires copious amounts of water or foam (it is an electric fire, after all) to smother the flames.

---- Tesla employee Bernard Tse and his team warned Elon Musk about these dangers in 2008 and they got fired and/or warned to "say nothing" by Musk. Three top Tesla engineers died in a plane crash next to Tesla offices in San Carlos after two of them agreed to become whistle-blowers. Elon Musk exists because he bribed DNC politicians and Senators Feinstein, Reid, Boxer, Harris, Clinton and Pelosi to give him free taxpayer cash and government resources from the Dept. of Energy and the Calif treasury.

---- DOE has been covering-up organized crime activities at DOE in which DOE funds are being used as a slush-fund to pay off DNC campaign financiers and to pay for CIA/GPS Fusion-Class attacks on Silicon Valley business competitors of those DNC campaign financiers who DOE staff share stock market holdings with. Elon Musk is a criminal, a mobster, an asshole, a bald fake-hair wearing, plastic surgery-addicted, douchebag, woman-abusing, sex addicted, tax evader. -

--- Musk exploits poor people and child slaves in the Congo and Afghanistan to mine his lithium and Cobalt. Musk spends billions per year to hire Russian trolls, fake blogger fan-boys and buy fake news self-aggrandizement articles about himself. Musk thinks he is the 'Jesus' of Silicon Valley. Fake News manipulator Google is run by Larry Page and Larry is Musk's investor and bromance butt buddy.

---- Musk uses massive numbers of shell companies and trust funds to self-deal, evade the law and hide his bribes and stock market insider trading. A huge number of Tesla drivers have been killed; pedestrians and oncoming drivers have also been killed, and Musk covers it up. The DNC and the MSM refuse to allow any articles about Musk's crimes to be printed because they benefit from Musk's crimes.

---- Musk has been professionally diagnosed as a 'psychotic narcissist.' A 'Silicon Valley Mafia; cartel of frat boy sociopath venture capitalists like Steve Jurvetson, Tim Draper, Eric Schmidt, et al; threaten those who do not support the cult of Tesla or their political candidates. In EVERY blog that you read that mentions 'Musk', at least 1/3 of the comments have been placed there by Musk's paid shills.

---- Musk holds the record for getting sued for fraud by his investors, wives, former partners, employees, suppliers and co-founders. Elon Musk has gone out of his way to hire hundreds of ex-CIA staff and assign them to “dirty tricks teams” to attack his competitors and elected officials who Musk hates.

---- Musk never founded his companies. Musk’s “Starlink” satellites are domestic spy and political manipulation tools – never get your internet from one. Musk stole Tesla in a hostile ownership take-over from Marty the true inventor of the Tesla.

---- The same kind of EMF radiation proven to cause cancer from cell phones exists in massive amounts in a Tesla. Musk can’t fix a car or build a rocket and has almost no mechanical skills. If you pull a report of every VIN# of every Tesla ever built and cross reference that with insurance, repair and lawsuit records you will find that the “per volume” fire, crash, death and defect rate is THE WORST of any car maker in history!

---- Musk is a lying con artist and partners with Goldman Sachs to rig the stock market. Sachs has a dedicated team of 18 men who rig stocks and valuation bumps for Musk. Over 1000 witnesses can prove every one of those claims in any live televised Congressional hearing! Senators Dianne Feinstein, Harry Reid, Nancy Pelosi, Kamala Harris and their associates own the stock in Tesla Motors and/or it’s suppliers and mining companies.

---- That is why they criminally help cover-up investigations of Tesla! All of this was reported, in writing, to James Comey, Patricia Rich and David Johnson at the FBI. The DNC bosses own the stock in lithium, Solar and EV markets and use kickbacks from those markets (Especially via convoluted campaign finance laundering via Elon Musk) to finance the DNC. The DNC bosses use character assassination as their main political tool against any member of the public who speaks out against their felony stock market scams and PizzaGate-like scandals.

---- The Harvey Weinstein reports by Ronan Farrow show that they have teams of hired goons that they pay to destroy people’s lives. They use Black Cube, Mossad, In-Q-Tel, Stratfor, Gawker Media, Gizmodo Media, Media Matters, David Brock, Sid Blumenthal, NY Times, Google servers, Facebook servers, Podesta Group, Perkins Coie, Covington and Burling and a host of “assassins”.

---- It should be a felony to hire character assassins in the USA. DEMAND A LAW and DEMAND the termination of these attack services. IE: Gawker and Gizmodo Media sets-up the attack stories and, in paid partnership with Google, Google

kicks their attack links around the globe, in front of 8 Billion people, forever. Google locks the attack articles of its enemies on the front top search results of Google search results forever, on purpose!

---- That is why Google is being terminated in the largest, most well resourced anti-corruption public service take-down in history! Tesla and Musk are protected by shareholders Harris, Pelosi, Feinstein, Brown and Newsom. Panasonic (indicted for bribery and Musk's partner) spends billions of dollars annually cover-up lithium battery fires and battery defects.

---- There are hundreds of millions of people in America. The same 120 of them are all involved in operating the same crimes and corruption including: the Sony Pictures corruption; the Afghanistan rare earth mine scandals operated through The Energy Department political slush fund that involves the lithium battery cover-ups (headed by Elon Musk); the Big Tech Brotopia rape, sex trafficking, bribery, exclusionism, racism and misogyny issues they were taught at Stanford University; The Facebook – Meta – Google – Alphabet – Netflix, et al, coordinated news manipulation and domestic spying that they engage in; the hiring of Fusion GPS – Black Cube – Gizmodo/Gawker assassins; the destruction of the housing market by their mass real estate manipulations; patent theft and industrial espionage; and the bribery of almost every politician all the way up to the Oval Office.

---- So, while the categories covered in this investigation may seem diverse. They are connected through an enterprise of criminality and illicit, coordinated operations. We list, by name, the 120 most complicit individuals organizing these crimes, in the evidence documents already submitted to the FBI, FINCEN, DOJ, FTC, SEC, FEC, Congress, InterPol and other authorities. Digital financial tracking of those persons and all of their family members should be assumed to have been under way for some time. Wire-taps and device taps of those persons and all of their family members should be assumed to have been under way for some time.

Shoshana Zuboff's, The Age of Surveillance Capitalism - Why Twitter, Google, Facebook, Instagram, YouTube, Alphabet are the SAME Thing, The SAME SICKO tech elites and the same kinds of social privacy RAPE against citizens!

[*DOJ Antitrust Honchos Draw Millions From GOOGLE-Backed Groups...*](#)

SEE THE TRUTH ABOUT GOOGLE: <https://www.youtube.com/watch?v=haaxr3Z8MJs&feature=em-uploademail>

"Google is a sick corrupt criminal business run by sex trafficking perverts and sociopaths..." Say GOOGLE'S own inside employees, Divorce Court records of Google executives, 70+ State & Federal investigations and major news outlets.

- Google spies on competitors and steals their technology
- Google - Alphabet - YouTube stock is owned by almost all of the California politicians and their families and that is why Google - Alphabet - YouTube is never regulated and always protected by them for their political and profiteering manipulations
- Google runs tens of millions of dollars of defamation attacks against competitors
- Google hides all media and news coverage for competitors of Larry Page's boyfriend: Elon Musk
- Google lies to the public about what they really do with the public's data
- Google promotes illegal immigration in order to get cheap labor and control votes
- Google runs VC funding back-lists against start-ups that are competitive
- Google bribes thousands of politicians
- Google is a criminal RICO-violating monopoly
- Google rigs the stock market with Flash-boy, Pump/Dump and Microblast SEC violating computer tricks
- Google pays bribes to politicians in Google and YouTube stock
- Google manipulates who gets to see what web-sites, globally, for competitor black-lists
- Google has a "no poaching" Silicon Valley jobs blacklist
- Google bosses sexually abuse women and young boys
- Google bosses run sex trafficking operations in the Epstein and NXVIUM cults

- Google bosses control the NVCA financing cartel over start-ups
- Google has placed the majority of the corporate staff in at least one White House
- Google controls national elections for anti-competitive purposes
- The company "**Polyhop**", in the HOUSE OF CARDS tv show, does all the crimes that Google actually does in reality
- Google's law firms, like Wilson Sonsini, are corrupt conduits for payola and political conduit-relays
- Google bribes some politicians with revolving door jobs
- Google is primarily responsible for destroying the Bay Area Housing opportunities
- Google runs DDoS attacks on competitors by massively crawling their sites
- Google boss Andy Rubin runs a sex slave farm according to his own family
- Google boss Eric Schmidt was a philandering sex-penthouse owner according to vast news articles
- Google executives hire so many hookers that one of them, Mr. Hayes, was killed by his hooker
- Google executives sexually abuse so many women that the women staff of Google walked out one day
- In the 2009 White House, you could not swing a cat without hitting a Google insider
- Google has paid covert bribes, PAC funds, real estate and search rigging payola to every CA Senator
- Google has paid bribes, through its lobby fronts, to halt FBI, SEC, FEC and FTC investigations of Google crimes
- Google was funded by the CIA, via In-Q-Tel, a so called "501 c3 charity" which was caught with tons of cocaine
- Google gets millions of dollars of taxpayer cash for spying on Americans inside the USA
- Google's map service was a spy system paid for by taxpayers money that Google now profits off of
- Nancy Pelosi and Dianne Feinstein have promised to "protect" Google because their families profit off Google stocks
- Payment receipts prove that Google and Gawker/Gizmodo exchanged cash and staff for Character Assassination attacks
- Google VC's and bosses have spent \$30M+ rigging the U.S. Patent Office to protect Google and harm Google competitors
- Google bribed it's lawyer into position as head of the U.S. Patent office in order to have her protect Google

- To rig insider stock trades, Google hides negative Tesla stories and pumps positive Tesla stories on "push days"
- Google and Elon Musk Co-own, co-invest and co-market stocks covertly while running anti-trust schemes
- Google rarely likes, or hires, black employees per federal and news media investigations
- Google hired most of the Washington, DC K Street lobby firms and told them to "do what ever they could"
- The film: "[Miss Sloane](#)" depicts only 2% of the illicit lobbying tactics Google employs daily
- Demands for an FTC and FBI raid of Google, for criminal activity, securities law and election felonies have been filed
- Google's David Drummond had his Woodside, CA Quail Road house bugged revealing sex and financial misdeeds

Google, and it's Cartel (Alphabet, Youtube, and hundreds of other shell-company facades) are a criminal organization engaged in felony-class crimes. Google's bosses bribe politicians, regulators and law enforcement officials to hold off prosecution.

At Google: Kent Walker, Andy Rubin, Larry Page, Eric Schmidt, Sergy Brin, Jared Cohen, Yasmin Green, David Drummond and Ian Fette are so enmeshed in sex scandals, election manipulation, and White House bribes that it is hard to comprehend how they can get any legitimate work done.

Between all of the sex cult activity; hookers; rent boys; political bribes to Pelosi, Harris, Newson, and Feinstein; DDoS attacks they run; CIA and NSA stealth deals; privacy harvesting; Scientology-like employee indoctrination; cheap Asian labor; covert Axiom scams and other illicit things they get up to; one just has to wonder.

Some of the largest political bribes in American or European history were paid via billions of dollars of pre-IPO cleantech stock, insider trading, real estate, Google search engine rigging and shadow-banning, sex workers, revolving door jobs, nepotism, state-supported black-listing of competitors and under-the-table cash. Why are these Silicon Valley Oligarchs and their K-Street law firms and lobbyists immune from the law?

U.S. Senators, Agency Heads and Congress are bribed by Google intermediaries with: Billions of dollars of Google, Twitter, Facebook, Tesla, Netflix and Sony Pictures stock and stock warrants which is never reported to the FEC; Billions of dollars of Google, Twitter, Facebook, Tesla, Netflix and Sony Pictures search

engine rigging and shadow-banning which is never reported to the FEC; Free rent; Male and female prostitutes; Cars; Dinners; Party Financing; Sports Event Tickets; Political campaign printing and mailing services "Donations"; Secret PAC Financing; Jobs in Corporations in Silicon Valley For The Family Members of Those Who Take Bribes And Those Who Take Bribes; "Consulting" contracts from McKinsey as fronted pay-off gigs; Overpriced "Speaking Engagements" which are really just pay-offs conduited for donors; Private jet rides and use of Government fuel depots (ie: Google handed out NASA jet fuel to staff); Real Estate; Fake mortgages; The use of Cayman, Boca Des Tores, Swiss and related money-laundering accounts; The use of HSBC, Wells Fargo, Goldman Sachs and Deutsche Bank money laundering accounts and covert stock accounts; Free spam and bulk mailing services owned by Silicon Valley corporations; Use of high tech law firms such as Perkins Coie, Wilson Sonsini, MoFo, Covington & Burling, etc. to conduit bribes to officials; and other means now documented by us, The FBI, the FTC, The SEC, The FEC and journalists.

Google and Youtube are based on technology and business models that Google and YouTube stole from small inventors who had launched other companies that were up and operating before YouTube or Google even existed as business operations.

Google holds the record for the largest number of corporate sex scandals, abuses and sex trafficking charges.

There are only two kinds of people that work at Google: 1.) Cult indoctrinated naive kids with odd sexual quirks and 2.) divisive managers and executives who seek to exploit those eco-chambered employees for nefarious political and stock market manipulation purposes under the Scientology-like guise of "doing good things", when, in fact, they are engaged in horrific crimes against society.

Google has hired almost every technology law firm in order to "conflict them out" from ever working to sue Google. If Google rapes you, robs your patents or does anything awful, you won't be able to find a lawyer to help you.

Most Google executives in control of Google have been indoctrinated by family dynasties to believe that any crime is justified by a bigger cause. Most of those executives are men. The few women in control of departments are figure-heads.

Google bosses attend the same parties and business meetings in which they collude, co-lobby, rig markets and make anti-trust violating plans together.

Google is a private government with more money and power than most smaller nations. Google has more lobbyists bribing more politicians than any other company in America.

Jared Cohen and fashion show-horse Yasmin Green at Google had the job of over-throwing countries in the Middle East. They openly bragged about it. (<https://truthstreammedia.com/2013/06/02/googles-regime-change-agent-jared-cohen/>)

People that work at Google get paid \$260,000.00+ per year to lie, spy, manipulate politics, bribe politicians and engage in other crimes. For that kind of money, a person will do ANYTHING and rationalize it as "part of the higher cause".

The Project X investigation team is publicly quoted as stating: ***"...give the same number of lawyers as Google has, with the same level of skills and experience, the same discovery budget, legal expenses budget and expert witness budget, we ABSOLUTELY GUARANTEE that we can put Google staff and investors in federal prison and close Google, in bankruptcy...the Google Cartel has engaged in that much criminal activity..."***

"Google is the largest financier of the Obama political campaign and exceeded FEC campaign spending limits by tens of billions of dollars. We can prove this in a jury trial, a Grand Jury hearing and a live Congressional hearing.

Google is the largest staffing source of the Obama Administration. We can prove this in a jury trial, a Grand Jury hearing and a live Congressional hearing.

The largest number of laws and policy decisions, benefiting a single company and its investors, went to: Google. We can prove this in a jury trial, a Grand Jury hearing and a live Congressional hearing.

Google, and its investors are the single largest beneficiary of the Obama Administration. We can prove this in a jury trial, a Grand Jury hearing and a live Congressional hearing.

The Obama Administration only won the White House because Google and Facebook engaged in the largest digital media and search engine manipulation in human history. We can prove this in a jury trial, a Grand Jury hearing and a live Congressional hearing.

Google, and its investors, during the Obama Administration, had most of their competitors denied funding, grants, contracts and tax waivers while Google's investors GOT funding. We can prove this in a jury trial, a Grand Jury hearing and a live Congressional hearing and prove that Google coordinated anti-trust violations with senior Obama Administration White House staff...."

Google operates its staffing like a Scientology cult. They control their employees' lives, information, transportation, free time, entertainment and social life. A Google life is a glass-bubble of echo-chamber extremist, hyper-sex-kink, reinforcement.

[Project Veritas](#) has been lifting back the veil covering big tech companies and their nefarious activities following the 2016 election. They tried to play left-leaning-but-mostly-fair before the 2016 election, believing in their hearts that Hillary Clinton would be President without their concerted meddling. That didn't work out for them, so they are trying to prevent "another Trump situation" in 2020 by unabashedly [purging, silencing, and censoring conservatives](#) on platforms like Facebook, Google, Twitter, Pinterest, Instagram, and YouTube.

(Article by Michio Hasai republished from [NOQReport.com](#))

The answers delivered today before Congress in response to questions by [Representative Dan Crenshaw](#) weren't the standard denials. They were politically manipulative answers designed to make it known they're doing what we've said they were doing all along, but they feel justified in doing it because "hate speech" must be stopped at all costs. Of course, what constitutes hate speech to the social justice warriors in big tech invariably circles around conservative thought. There is no form of hate speech short of physical threats that can be attributed to progressives, at least not in the minds of the people who control big tech. If conservatives are aggressive, they're delivering hate speech. If progressives are aggressive, they're just being truthful. That's what big tech thinks.

This is the worst-case scenario for conservatives. Before, we could call them liars and cheats. Now, we have to fight them on an ideological level, and while we have the truth on our side, they have the technology. They have the eyeballs. They control what people see and don't see. And as such, they can no longer be trusted to deliver anything even remotely close to fair and balanced. They're unhinged from reality, but instead of coming back to reality once exposed, they're building a new reality around their ideologies.

Russia may arrest Google employees for running Google as a manipulative service containing hidden political insertions affecting the human subconscious

- **Russian government will now arrest those who try to 'control minds' via mass web manipulation**
- **Google was created to push liberal leftist political messages on the subconscious**
- **Research exposes Google as insidious mind-control political skill**
- **No matter your political persuasion, it is unfair and manipulative for Google to control minds ANY political purposes**

By [Sophie Tanno For Mailonline](#)

[View comments](#)

A Russian journalist has been accused of 'controlling minds' and 'affecting the human subconscious' after referencing George Orwell's 1984 in an article.

Mikhail Romanov, a reporter for the Yakutsk Vecherniy weekly, was writing a story on the alleged torture of an academic.

Police in [Russia](#)'s republic of Sakha charged Romanov after they suspected him of trying to tap into the readers' sub-consciousness, Russian newspaper [Kommersant](#) reported.

A Russian journalist has been accused of 'controlling minds' and 'affecting the human subconscious' after referencing George Orwell's 1984 (pictured) in an article

Romanov's editor told the publication: 'This is a story about how anyone can be squashed by the government machine.

'It's also about how Big Brother is watching, reading all comments on online forums.'

This is understood to be the first time a journalist will be tried under Russia's new legislation punishing those who are perceived to have published information

'containing hidden insertions affecting the human subconscious. '

The case has been forwarded to a Yakutsk city court.

Subliminal messages, on the other hand, are likewise real and similar to supraliminal **messages** except that the signal or stimulus is below our threshold of conscious awareness. In other words, you cannot consciously perceive a **subliminal message**, even if you search for it.

Google likely 'thoroughly infiltrated' by Chinese govt., expert warns

[alex stamos](#), [big tech](#), [china](#), [cybersecurity](#), [facebook](#), [google](#), [internet](#), [peter thiel](#), [richard clarke](#), [russia](#)

([LifeSiteNews](#)) – Tech billionaire Peter Thiel recently called on the federal government to investigate Google for potential infiltration by the Chinese government, and now security experts are saying his concerns are well-founded.

Thiel, one of President Donald Trump's most high-profile [gay supporters](#) and an [avowed critic](#) of Silicon Valley, made the remarks at last weekend's National Conservatism Conference, *Axios* [reports](#). He called on the FBI and CIA to ask Google, "how many foreign intelligence agencies have infiltrated your Manhattan Project for AI"; "does Google's senior management consider itself to have been thoroughly infiltrated by Chinese intelligence"; and whether this alleged infiltration is why the company works with China's military but not America's.

"I'm not sure quite how to put this, I would like them to be asked [these questions] in a not excessively gentle manner," Thiel added.

Alex Stamos, a researcher with the Stanford Internet Observatory and [former chief security officer at Facebook](#), said Tuesday it was "completely reasonable" to assume that both the Chinese and Russian governments have, in some form or another, already infiltrated not only Google but every top tech company:

Note that "subverted" is very different than planting professional spies in "The Americans" style. Each of the big companies employs thousands of employees with family members under the control of these countries, and a gov request might be simple and seem borderline reasonable.

— Alex Stamos (@alexstamos) [July 16, 2019](#)

I expect that there will be a major combined HUMINT/InfoSec attack against a major tech company revealed in the next couple of years, which will trigger the same awakening that Project Aurora did in 2009.

— Alex Stamos (@alexstamos) [July 16, 2019](#)

BTW, I don't blame the foreign-born employees at all. They are just trying to make a good living doing interesting work. If MSS had *my* Mom I would do whatever they asked.

— Alex Stamos (@alexstamos) [July 16, 2019](#)

Stamos predicted that the “next couple of years” would see the revelation of a “major combined HUMINT/InfoSec [human intelligence/information security] attack against a major tech company.”

He's not the only one who advises that Thiel's warnings be taken seriously. Richard Clarke, a former counterterrorism and cybersecurity advisor to both Democrat and Republican presidents, [told CNBC](#) Wednesday there was cause for concern.

“Here's what I think is true: Google refused to work for the Pentagon on artificial intelligence,” Clarke said. “If you turn around and you work on artificial intelligence in China, and you don't really know what they're going to do with that, I think there's an issue.”

The internet giant has denied working with the Chinese military, but opened an artificial intelligence center in Shanghai in 2017 despite the Communist regime's strict speech and internet controls. On Tuesday, Google executive Karan Bhatia [testified](#) to the Senate Judiciary Committee that the company has terminated a [controversial](#) censored search engine it had been working on for China.

Clarke added that there was no meaningful distinction between Google working with Chinese companies and the Chinese government, given the level of state control in the country.

The specter of foreign influence on the tech industry further intensifies its ongoing controversies regarding [political bias and censorship](#) and [violations of user privacy](#). Responding to Thiel's original comments, President Trump [said Tuesday](#) that his administration will “take a look” at the matter.

Google being biased is glaringly obvious even to a retard. Google forcing their employees to support them politically is a human rights violation.

Th old railroad barons a hundred years ago were bad people, but no where near as abusive as google is to the employees. The old railroad tycoons had their

supporters too who thought strikers and protesters against their tyranny were awful people.

Silicon Valley just indoctrinated their followers and employees by brainwashing them first like any cult does. "Do no evil" was always a smarmy block of shit in pixels, no different than the purple dinosaur singing "I love you, you love me". The purple dinosaur never loved you one little bit. It was a lie, and parents had no business being such gullible suckers and allowing their children to be lied to by an actor in a fuzzy suit.

- [link](#)

forcing their employees to support them politically is a human rights violation.

>Civil and political rights are a class of rights that **protect individuals' freedom** from infringement by governments, social organizations, and private individuals. They ensure one's **entitlement to** participate in the **civil** and **political** life of the society and state **without discrimination or repression**.

From the first time they censored, shadow-banned people who opposed their way of viewing world, far-left, SJW, leftards has put cornerstone to **civil rights movement 2.0**, including people who are at the rock bottom and uppermost stairs of oppression. Clearly, this is infringement of rights by gov and private entities, which has been ignored from by the time it was apparent that such violation is well spread and not a unique case.

Those at silicon valley had no idea that their attempt to have conservative and alike voice removed/deplatformed is **someway resemble how "white" and "colored" segregation works**; which is no brainer considering that they did not pay any attention to "obscure" details and only remember famous persons who was oppressed at that time.

So, don't spout only "Hate speech is Free speech". Tell them that when some peers mock center-right personalities by reenacting what happened prior to Civil Rights Act of 1968, throwing liquids to nigger who ignored the sign, isn't a good joke since **political affiliation is covered in protected class** in District of

Columbia, IA, WV state, which put them as the white fellas and anyone who didn't entirely agree with them as the blacks in this reenactment.

If anyone reading this is somehow connected to parliament from local council to state, **consider amending the laws to add political affiliation as one of class covered by "(unfounded)hate crimes"**. We won't need to see bike lock attacker and his copycat got sweetheart deals. Share this to Trump, since who doesn't love for shit and giggles watching leftards kvetching having cognitive dissonance episode explaining why adding another class would hurt other classes that already existed in last statue

Step 1: begin building foundational zeitgeist in pre-K through grade 12.

Step 2: con pupil into taking massive loan in order to obtain degree in advanced doctrine of zeitgeist.

Step 3: place pupil into career path to pay off massive loan.

Step 4: threaten to remove livelihood of career path if pupil questions established zeitgeist.

Regarding Google – Alphabet – Youtube and their Cartel, the issues, that the public and the news media have complained about include: producing child suicides and classroom shootings, racism, misogyny, child mental health threats, domestic spying, data harvesting, sex trafficking, election manipulation, tax evasion, Fusion GPS/Media Matters/ Black Cube hit jobs on competitors, censorship, contrived market monopolization, intellectual property theft, political bribery and many other social crimes!

-- An unusually large number of their staff have been arrested for, or charged with, sex crimes, including under-age trafficking.

---- They seem to be an organized crime entity protected by the politicians that they pay bribes to.

---- This entity is one of the largest operators of bribes to public officials. Some of those bribes include billions of dollars of, non-FEC reported, search engine rigging for the political campaigns of the very politicians who are supposed to regulate them.

---- "Google is a sick corrupt criminal business run by sex trafficking perverts and sociopaths..." Say GOOGLE'S own inside employees, Divorce Court records of Google executives, 70+ State and Federal investigations and major news outlets.

---- Google spies on competitors and steals their technology.

--- Google – Alphabet – YouTube stock is owned by almost all of the California politicians and their families and that is why Google – Alphabet – YouTube is never regulated and always protected by them for their political and profiteering manipulations -

--- Google runs tens of millions of dollars of defamation attacks against competitors

---- Google hides all media and news coverage for competitors of Larry Page's boyfriend: Elon Musk

---- Google lies to the public about what they really do with the public's data

---- Google promotes illegal immigration in order to get cheap labor and control votes

---- Google runs VC funding back-lists against start-ups that are competitive

---- Google bribes thousands of politicians

---- Google is a criminal RICO-violating monopoly – Google rigs the stock market with Flash-boy, Pump/Dump and Microblast SEC violating computer tricks -

--- Google pays bribes to politicians in Google and YouTube stock

---- Google manipulates who gets to see what web-sites, globally, for competitor black-lists

---- Google has a “no poaching” Silicon Valley jobs blacklist

---- Google bosses sexually abuse women and young boys ---- Google bosses run sex trafficking operations in the Epstein and NXVIUM cults

---- Google bosses control the NVCA financing cartel over start-ups -

--- Google has placed the majority of the corporate staff in at least one White House

---- Google controls national elections for anti-competitive purposes

---- The company "Polyhop", in the HOUSE OF CARDS tv show, does all the crimes that Google actually does in reality

---- Google's law firms, like Wilson Sonsini, are corrupt conduits for payola and political conduit-relays

---- Google bribes some politicians with revolving door jobs

---- Google is primarily responsible for destroying the Bay Area Housing opportunities

---- Google runs DDoS attacks on competitors by massively crawling their sites

---- Google boss Andy Rubin runs a sex slave farm according to his own family -

--- Google boss Eric Schmidt was a philandering sex-penthouse owner according to vast news articles

---- Google executives hire so many hookers that one of them, Mr. Hayes, was killed by his hooker

---- Google executives sexually abuse so many women that the women staff of Google walked out one day

---- In the 2009 White House, you could not swing a cat without hitting a Google insider

---- Google has paid covert bribes, PAC funds, real estate and search rigging payola to every CA Senator

---- Google has paid bribes, through its lobby fronts, to halt FBI, SEC, FEC and FTC investigations of Google crimes

---- Google was funded by the CIA, via In-Q-Tel, a so called "501 c3 charity" which was caught with tons of cocaine

---- Google gets millions of dollars of taxpayer cash for spying on Americans inside the USA -

--- Google's map service was a spy system paid for by taxpayers money that Google now profits off of

---- Nancy Pelosi and Dianne Feinstein have promised to "protect" Google because their families profit off Google stocks

---- Payment receipts prove that Google and Gawker/Gizmodo exchanged cash and staff for Character Assassination attacks

---- Google VC's and bosses have spent \$30M+ rigging the U.S. Patent Office to protect Google and harm Google competitors

---- Google bribed it's lawyer into position as head of the U.S. Patent office in order to have her protect Google - To rig insider stock trades, Google hides

negative Tesla stories and pumps positive Tesla stories on “push days” -

--- Google and Elon Musk Co-own, co-invest and co-market stocks covertly while running anti-trust schemes

---- Google rarely hires, or hires, black employees per federal and news media investigations

---- Google hired most of the Washington, DC K Street lobby firms and told them to “do what ever they could”

---- The film: “Miss Sloane” depicts only 2% of the illicit lobbying tactics Google employs daily

---- Demands for an FTC and FBI raid of Google, for criminal activity, securities law and election felonies have been filed

---- Google’s David Drummond had his Woodside, CA Quail Road house bugged revealing sex and financial misdeeds

---- Google, and it’s Cartel (Alphabet, Youtube, and hundreds of other shell-company facades) are a criminal organization engaged in felony-class crimes. Google’s bosses bribe politicians, regulators and law enforcement officials to hold off prosecution.

----At Google: Kent Walker, Andy Rubin, Larry Page, Eric Schmidt, Sergy Brin, Jared Cohen, Yasmin Green, David Drummond and Ian Fette are so enmeshed in sex

scandals, election manipulation, and White House bribes that it is hard to comprehend how they can get any legitimate work done.

---- There are hundreds of millions of people in America. The same 120 of them are all involved in operating the same crimes and corruption including: the Sony Pictures corruption; the Afghanistan rare earth mine scandals operated through The Energy Department political slush fund that involves the lithium battery cover-ups (headed by Elon Musk); the Big Tech Brotopia rape, sex trafficking, bribery, exclusionism, racism and misogyny issues they were taught at Stanford University;

---- The Facebook – Meta – Google – Alphabet – Netflix, et al, coordinated news manipulation and domestic spying that they engage in; the hiring of Fusion GPS – Black Cube – Gizmodo/Gawker assassins; the destruction of the housing market by their mass real estate manipulations; patent theft and industrial espionage; and the bribery of almost every politician all the way up to the Oval Office. ---- So, while the categories covered in this investigation may seem diverse.

They are connected through an enterprise of criminality and illicit, coordinated operations. We list, by name, the 120 most complicit individuals organizing these crimes, in the evidence documents already submitted to the FBI, FINCEN, DOJ, FTC, SEC, FEC, Congress, InterPol and other authorities. Digital financial tracking of those persons and all of their family members should be assumed to have been under way for some time. Wire-taps and device taps of those persons and all of their family members should be assumed to have been under way for some time. -

--- Twitter, Splunk, Google, Facebook, Netflix, YouTube and the Silicon Valley internet Cartel serve you custom manipulated content by automatically creating a covert digital dossier on you reflecting the content consumption preferences they have spied on about you. They continually evolve their dossier on you in order to steer you towards their ideology and their Democrat political party. At these companies, “data mining”, “machine learning” and “AI” means

computerized propaganda processing for certain political entities. They began hiring off-shore people (because they would work so cheap) but most of those people turned out to be Muslim. This created conflicts with the entire southern part of the United States (which is anti-Muslim) because those workers steered content to pro-Muslim positions.

---- Their spy dossier on you uses abstract content-specific features of the consumed content, such as categories, topic models, and entities, which they automatically extract using natural language processing by comparing every word you use to a giant computer library of what those words might mean about your psychology. So it's like you are getting "mind-raped" without any penis use. Their assessment of what your words might mean is based on what rich, white male, \$200K/year, DNC-promoting programmers think they might mean.

Their computers scale and expand their tools with algorithmic software created by those politically and socially biased frat white boys that wrote the code. It is all biased as hell. They never hire blacks or women in system creation roles so everything these companies do only supports rich white soyboy snowflake type gamer thinking. ---- Because their Silicon Valley VC's told them to spy on billions of people, even for these web giants, it is impractical to store the entire dynamic history of a user's interaction features. They, thus, out of greed, use algorithms that selectively decay information in order to generalize users and populations. To them, you are just a generalized data point, like cattle on a ranch, to be harvested and fed upon by Silicon Valley.

You can try to sue Google for anti-trust, racketeering and other illicit deeds and Google will hire tens of millions of dollars of lawyers to blockade you from getting to a Jury Trial. The best thing you can do is assist the Federal Government, many State Attorney General's and citizen's groups with their lawsuits against The Google Cartel.

Bloomberg, The Wall Street Journal, Stratfor, Wikileaks, FTC and SEC investigators and Kroll Intelligence says that Google runs the largest domestic spying operation in the world; larger than that of even Russia, China, Isreal or Iran. The Google Cartel has set up tho- USA - nds of companies in a spiderweb of

surveillance, around the globe, and in space, that knows everything that everyone is thinking, doing or might do; and how to place media and events in front of them to subliminally steer people to do, or think, things that they might not otherwise have thought, done or voted for. Many of these operations were financed by IN-Q-TEL, which is the CIA and the NVCA combined. For example, A Google derivative called 'JigSaw' is run by Pro-Isreal, Anti-Arab operatives and steers data to certain interested parties. Larry Page is on multiple Arab secret police "kill lists", which means they should terminate him if the opportunity arises. Barack Obama had Eric Schmidt in the basement of his campaign HQ on election night, running computers, and has secretly claimed that "Google put him in office". Most of the key White House staff came from Google. Google claims to 'not be political', but it is the most political business Cartel on Earth. Google finances politicians that will do what Google tells them to do. It finances them with billions of dollars of internet manipulation, insider stock favors and by getting every staff member to give max limits to their camapign PACS.

Google and it's facades: Jigsaw; Alphabet; YouTube; Google LLC (core profit maker); XXVI Holdings Inc.; Google Ireland Holdings (Google LLC subsidiary, that realizes most international profits); Alphabet Capital US LLC; Alphabet Inc.- - USA - -Parent holding company since 2015. If you own stocks of Google/Alphabet, you own a piece of this company; Calico Life Sciences LLC - - USA - - Research and development company working on keeping Eric Schmidt alive; Calico LLC (Calico Group LLC)- - USA - - Holding company of Calico Life Sciences LLC. Company is doing business as Calico Group LLC; Chronicle LLC - - USA - - Cybersecurity company that creates tools for businesses to sy on other companies; Google LLC - USA - - Core Google parent company originally named Google Inc. before Google transformed itself into Alphabet. This is where most of the profits come from; Loon Holdings Inc. - - USA - Holdings company - Loon LLC - - USA - - Company is working on providing Internet spying to rural and remote areas using high-altitude balloons; OB Technologies Inc. - - USA - Holdings company - OB Technology Holdings Inc.- - USA - -Holding company; Waymo Holding Inc.- USA - - Holding company for Waymo; Waymo LLC - USA - - - Company developed autonomous car technology and currently operates "testing" rides in several US states and already launched Waymo One service in Phoenix. Recently it announced that it will not make its own cars but rather focus on autonomous driving technology to spy on consumers; Wing Aviation LLC - US - Company developed drone delivering technology. It became independent from Project X in 2018. It is currently testing in Australia; X Development Holdings Inc.- USA - Holding company - X Development LLC - USA - -Called "Moonshot Factory." The

company says it is working on solving the world's hardest problems using technology but seems to just be an outlet for Larry Page to steal and copy technologies with. Wing, Loom, and Waymo, which are now separate businesses, started as X projects; XXVI Holdings, Inc- USA - Layer between Alphabet Inc. and individual companies of Alphabet. The system is designed to lower regulatory or disclosure requirements, tax evasion, money laundering and for hiding political payola. The name of the company is referring to the Roman numeral of 26, the number of letters in the alphabet.

Google LLC has over 200 direct and indirect subsidiaries in order to limit where lawsuits and federal actions can go. The Mafia uses this same approach. Almost everything Google owns is involved in acquiring, and analyzing your personal and business data for the Google surveillance computers. It is almost impossible to find a Google group that does not 'feed the data beast'. Larry Page and Eric Schmidt believe that no citizen is intelligent enough to live in the world and that they must covertly 'guide' populations to their own ideology and "Master Plan". The rest of the Google Cartel for global domination includes:

DeepMind Technologies Limited GBR Artificial intelligence/Machine Learning

DoubleClick Holding Corp.- USA - Online advertising company that Google acquired a decade ago. It recently announced that it is rebranding its advertising products, and it will no longer use DoubleClick brand.

Dropcam, Inc.- USA - Home monitoring. Company is known for its Wi-Fi video streaming cameras. Was acquired by Nest soon after Nest was acquired by Google. This acquisition is often given as an example of how an acquisition can go wrong.

Google Asia Pacific Pte. Ltd SGP Singapore company that channels revenues (royalties) from Asia/Pacific region (through the Netherlands) to Ireland Holdings Unlimited. It has a similar purpose to Google Ireland Limited in Europe.

Google Bermuda Limited BMU Hard to say, where in the company hierarchy this sits. Might be the parent company of Google Bermuda Unlimited

Google Dialer Inc.- USA - Not sure exactly but connected to Google Fiber and Google Voice.

Google Fiber Inc.- USA - Internet Access Provider

Google Fiber North America Inc.- USA - Internet Access Provider

Google International LLC - USA - Holdings company for Google's subsidiaries in individual countries outside the US.

Google Ireland Holdings Unlimited Comp. - IRL - This is a very "famous" Google subsidiary that is incorporated in Ireland but managed and controlled in Bermuda. Google at least up to recently used this subsidiary as part of the "Double Irish" with "Dutch Sandwich" tax optimization scheme that is very common among large international companies. The company serves partially as a holding company for some international businesses but mainly as a holder of Google intellectual property that it further licensed to other Google companies for a fee.

Google Ireland Limited - IRL - Google Services Provider for Europe and Switzerland. It books a lot of revenue, but makes very small profits, since it pays a lot to Google Netherlands BV for Google's intellectual property. Google Netherlands BV then channels this revenue to Google Ireland Unlimited that is incorporated in Ireland but domiciled in Bermuda.

Google Netherlands Holdings B.V.NLD This company is used as a middle layer between Google Ireland Limited and Google Ireland Holdings. This allows Alphabet to pay very low taxes from its European operations thanks to a tax optimization scheme called "Double Irish" with "Dutch Sandwich." This loophole was very popular among international technology companies and was already fixed for new arrangements.

Google North America Inc.- USA - Provider of Google FI service (wireless network)

Google Payment Corp.- USA - Google's companies that handle money transfers and peer-to-peer transactions. In US payments are processed by Google Payment Corp. (GPC), which has the appropriate license for transmitting money and for peer-to-peer transactions in US.

Google Payment Ireland Limited - IRL - Providing Google Payment Services for whole European Union (except UK) as a replacement for

Google Payment UK. UK subsidiary will keep providing services for UK.

Google Voice Inc.- USA - Provider of Google Voice service.

GU Holdings Inc.- USA - Through this company, Google is building subsea cable infrastructure. For example, in 2019, they finished the connection between Los Angeles and Chile.

Nest Labs (Europe) Limited - IRL - “virtual subsidiary” of Nest Labs. Owned by Google Ireland Holdings Unlimited, so not directly under

Nest Labs

Nest Labs Inc.- USA - Company flagship product and company's first offering before it was acquired by Google was Nest Learning Thermostat. Nest operated independently of Google from 2015 to 2018. However, in 2018, Nest was merged into Google's home-devices. (Still not sure if it was only organizational merger or also legal merger)

Nest Labs Singapore Pte. Ltd.SGPvirtual “subsidiary” of Nest Labs. Owned by Google Ireland Holdings Unlimited.

Verily Life Sciences LLC - USA - -Research company developing tools that focus on health data and how they can help with timely decision-making and effective interventions. (formerly Google Live Sciences)

Waze Mobile Ltd.ISRGPS navigation software. Waze describes its app as a community-driven GPS navigation app, which is free to download and use. Waze is owned directly by Google LLC.

YouTube, LLC - USA - -Youtube is a very successful video sharing and hosting service that Google acquired in 2006. This acquisition became hugely successful for Google. But not everybody was persuaded that the acquisition made sense at the time.

Alphabet Holding LLC is a holding company that is a direct subsidiary of XXVI Holdings, Inc. It is focused mainly on managing Google/Alphabet investments.

Both Alphabet investment managing firms CapitalG and GV are housed under this holding. CapitalG and GV invest in other companies, but since those are usually small stakes below 50%, these companies are not part of Alphabet Group. If you want to know more about what companies do they invest in, both CapitalG and GV have a helpful list of their investments on their webpages.

Sidewalk Labs LLC - USA - -Urban innovation organization whose goal is to improve urban infrastructure through technological solutions and tackle challenges of urban growth such as cost of living, efficient transportation, and energy - USA - ge.

Sidewalk Labs Management Company LLC - USA - -Urban innovation

Before 2015, there was no Alphabet, and Google Inc. was a publicly-traded company that you could directly own by buying its shares. All subsidiaries were subsidiaries to Google Inc. In 2015 Google transformed into Alphabet, where Alphabet Inc became the top parent company that was publicly traded. Google Inc. shareholders became overnight Alphabet Inc shareholders.

In reality, many "Other Bets" businesses still stayed as subsidiaries of Google LLC even after the 2015 transformation, and it was only recently when the whole transformation was finalized. Finally, "Other Bets" companies were moved from outside Google LLC.

The reasons for this complex transformation were described by Google management as an "increase in transparency and oversight," That would be achieved by putting larger projects at the same level as Goole LLC with their separate management, reporting directly to Alphabet Inc management. The proclaimed increase in transparency was only internal for Google management. Transparency for investors did not increase. Another reason behind the transformation was obviously limiting risk. By separating Google into different companies, each one of them is independent of each other. If someone gets arrested in one company, the others would be protected from it.

Double Irish & Dutch Sandwich is a very popular and publicized arrangement

through which mostly US companies were optimizing their taxes from European businesses. It involved two Irish and one Dutch company. Wikipedia has a nice article on both Double Irish and Dutch Sandwich, explaining how it works. In Alphabet/Google case. Companies involved in Double Irish with Dutch Sandwich arrangement are assumed to be:

Google Ireland Holding Unlimited (Irish company with Bermuda domicile)

Google Netherlands Holdings B.V. (Dutch "sandwich" company that serves as an intermediary between two Ireland companies)

Google Ireland Limited (Ireland company that is directly booking revenue from European business, and sends most of the revenue to the Netherlands as royalties for leasing Google's intellectual property.

THE SILICON PERVERSIONS AND THE BIG TECH PERVERTS THAT RUN THE SILICON SEX CULT

EXECUTIVES FROM GOOGLE, FACEBOOK, NETFLIX AND THE SANDHILL ROAD VENTURE CAPITALIST OFFICES USE SILICON VALLEY AND OTHER REGIONS AS THEIR PERSONAL HUNTING GROUNDS FOR SEX ABUSE, SEX TRAFFICKING, SEX CULTS AND DATE RAPE!

THE PUBLIC IS NOW JOINING TOGETHER TO EXPOSE THEM AND SEEK THEIR ARREST!

Corrupt political families conspire to give government funds, contracts, tax waivers, buildings, stock market profits and other insider perks to themselves and their friends. They also conspire to blockade, harm, sabotage and black-list those who compete with them and their friends. These corrupt politicians are never prosecuted for their crimes, and can laugh in the face of those who point out their crimes, because they control the prosecution system. Their Quid Pro Quo criminal corruption is the single largest cause of the taxpayer hatred of Congress.

THE SILICON VALLEY AND HOLLYWOOD OLIGARCH SEX PERVERSIONS

- These twisted deeds indicate the mind-set, moral depravity and disturbed culture of the, so-called, "Oligarchs" who control modern media.

- Silicon Valley Venture Capitalists Rape And Sex-Extort Interns.

- Silicon Valley's Greylock Partners, Kleiner Perkins, and most other VC's are rapists, sexual predators and political bribery enthusiasts and nobody ever arrests them for it...
- They Hire hookers and Rent-Boys, not for the sex, but to be able to "control another human" because they are almost all Sociopath personality types.
- They hire "clubs" to secure underage children for them because they want to have total manipulation over a helpless person because it makes these men feel more powerful.
- The Rosewood Hotel and the Four Seasons hotels in Palo Alto are riddled with \$6000.00 per night hookers, rent boys, Stanford Co-Ed "sugar babies" and Russian Mafia managed Ukrainian prostitutes. You just have to know the "code words" and hand signals to play "the game".
- Google executives killed by their hookers, black-mailed by their hookers, exposed in sex slave rings and worse...
- Huge number of Google, Netflix and Facebook senior executives are homosexual and pressure staff for sex.
- San Jose and San Francisco International Airports have a non-stop flow of European Hookers flown in by tech CEOs who got them off of "seeking arrangements.com" and "match.com" using the "code words".
- Almost every tech executive and Sandhill Road VC has been charged with spousal abuse, sex trafficking, intern sex extortion, bribing Stanford to cover up sex exploitation and worse.
- Stanford University bosses cover-up, and support, frat house sex crimes in order to keep rich daddies donating to Alumni funds.
- Basements and secret rooms in some of their Woodside and Atherton, California mansions house BDSM chambers and sex abuse lock-rooms

By KATIE BENNER

Rachel Renock, the chief executive of Wethos, center, with her business partners, Claire Humphreys, left, and Kristen Ablamsky. Ms. Renock said they received sexist comments while seeking financing. Credit Sasha Maslov for The New York Times

Their stories came out slowly, even hesitantly, at first. Then in a rush.

One female entrepreneur recounted how she had been propositioned by a Silicon Valley venture capitalist while seeking a job with him, which she did not land after rebuffing him. Another showed the increasingly suggestive messages she had received from a start-up investor. And one chief executive described how she had faced numerous sexist comments from an investor while raising money for her online community website.

What happened afterward was often just as disturbing, the women told The New York Times. Many times, the investors' firms and colleagues ignored or played down what had happened when the situations were brought to their attention. Saying anything, the women were warned, might lead to ostracism.

Now some of these female entrepreneurs have decided to take that risk. More than two dozen women in the technology start-up industry spoke to The Times in recent days about being sexually harassed. Ten of them named the investors involved, often providing corroborating messages and emails, and pointed to high-profile venture capitalists such as Chris Sacca of Lowercase Capital and Dave McClure of 500 Startups.

The disclosures came after the tech news site The Information reported that female entrepreneurs had been preyed upon by a venture capitalist, Justin Caldbeck of Binary Capital. The new accounts underscore how sexual harassment in the tech start-up ecosystem goes beyond one firm and is pervasive and ingrained. Now their speaking out suggests a cultural shift in Silicon Valley, where such predatory behavior had often been murmured about but rarely exposed.

The tech industry has long suffered a gender imbalance, with companies such as Google and Facebook acknowledging how few women were in their ranks. Some female engineers have started to speak out on the issue, including a former Uber engineer who detailed a pattern of sexual harassment at the company, setting off internal investigations that spurred the resignation in June of Uber's chief

executive, Travis Kalanick.

Most recently, the revelations about Mr. Caldbeck of Binary Capital have triggered an outcry. The investor has been accused of sexually harassing entrepreneurs while he worked at three different venture firms in the past seven years, often in meetings in which the women were presenting their companies to him.

Several of Silicon Valley's top venture capitalists and technologists, including Reid Hoffman, a founder of LinkedIn, condemned Mr. Caldbeck's behavior last week and called for investors to sign a "decency pledge." Binary has since collapsed, with Mr. Caldbeck leaving the firm and investors pulling money out of its funds.

The chain of events has emboldened more women to talk publicly about the treatment they said they had endured from tech investors.

"Female entrepreneurs are a critical part of the fabric of Silicon Valley," said Katrina Lake, founder and chief executive of the online clothing start-up Stitch Fix, who was one of the women targeted by Mr. Caldbeck. "It's important to expose the type of behavior that's been reported in the last few weeks, so the community can recognize and address these problems."

The women's experiences help explain why the venture capital and start-up ecosystem — which underpins the tech industry and has spawned companies such as Google, Facebook and Amazon — has been so lopsided in terms of gender.

Most venture capitalists and entrepreneurs are men, with female entrepreneurs receiving \$1.5 billion in funding last year versus \$58.2 billion for men, according to the data firm PitchBook. Many of the investors hold outsize power, since entrepreneurs need their money to turn ideas and innovations into a business. And because the venture industry operates with few disclosure requirements, people have kept silent about investors who cross the lines with entrepreneurs.

Some venture capitalists' abuse of power has come to light in recent years. In 2015, Ellen Pao took her former employer, the prestigious venture firm Kleiner Perkins Caufield & Byers, to trial for allegations of gender discrimination, leveling accusations of professional retaliation after spurned sexual advances. Ms. Pao lost the case, but it sparked a debate about whether women in tech should publicly call out unequal treatment.

“Having had several women come out earlier, including Ellen Pao and me, most likely paved the way and primed the industry that these things indeed happen,” said Gesche Haas, an entrepreneur who said she was propositioned for sex by an investor, Pavel Curda, in 2014. Mr. Curda has since apologized.

Some of the entrepreneurs who spoke with The Times said they were often touched without permission by investors or advisers.

At a mostly male tech gathering in Las Vegas in 2009, Susan Wu, an entrepreneur and investor, said that Mr. Sacca, an investor and former Google executive, touched her face without her consent in a way that made her uncomfortable. Ms. Wu said she was also propositioned by Mr. Caldbeck while fund-raising in 2010 and worked hard to avoid him later when they crossed paths.

“There is such a massive imbalance of power that women in the industry often end up in distressing situations,” Ms. Wu said.

After being contacted by The Times, Mr. Sacca wrote in a blog post on Thursday: “I now understand I personally contributed to the problem. I am sorry.” In a statement to The Times, he added that he was “grateful to Susan and the other brave women sharing their stories. I’m confident the result of their courage will be long-overdue, lasting change.”

After the publication of this article, Mr. Sacca contacted The Times again to amend his original statement, adding: “I dispute Susan’s account from 2009.”

Many of the women also said they believed they had limited ability to push back against inappropriate behavior, often because they needed funding, a job or other help.

In 2014, Sarah Kunst, 31, an entrepreneur, said she discussed a potential job at 500 Startups, a start-up incubator in San Francisco. During the recruiting process, Mr. McClure, a founder of 500 Startups and an investor, sent her a Facebook message that read in part, “I was getting confused figuring out whether to hire you or hit on you.”

Ms. Kunst, who now runs a fitness start-up, said she declined Mr. McClure’s

advance. When she later discussed the message with one of Mr. McClure's colleagues, she said 500 Startups ended its conversations with her.

500 Startups said Mr. McClure, who did not respond to a request for comment, was no longer in charge of day-to-day operations after an internal investigation.

"After being made aware of instances of Dave having inappropriate behavior with women in the tech community, we have been making changes internally," 500 Startups said. "He recognizes he has made mistakes and has been going through counseling to work on addressing changes in his previous unacceptable behavior."

Rachel Renock, the chief executive of Wethos, described a similar situation in which she faced sexist comments while seeking financing for her online community site. While she and her female partners were fund-raising in March, one investor told them that they should marry for money, that he liked it when women fought back because he would always win, and that they needed more attractive photos of themselves in their presentation.

They put up with the comments, Ms. Renock said, because they "couldn't imagine a world in which that \$500,000 wasn't on the table anymore." Ms. Renock declined to name the investor. Wethos raised the \$500,000 from someone else and is still fund-raising.

Wendy Dent, 43, whose company Cinemmerse makes an app for smart watches, said she was sent increasingly flirtatious messages by a start-up adviser, Marc Canter, as she was trying to start her company in 2014. Mr. Canter, who had founded a software company in the 1980s that became known as Macromedia, initially agreed to help her find a co-founder. But over time, his messages became sexual in nature.

In one message, reviewed by The Times, he wrote that she was a "sorceress casting a spell." In another, he commented on how she looked in a blue dress and added, "Know what I'm thinking? Why am I sending you this — in private?"

Mr. Canter, in an interview, said that Ms. Dent "came on strong to me, asking for help" and that she had used her sexuality publicly. He said he disliked her ideas so he behaved the way he did to make her go away.

Some entrepreneurs were asked to not speak about the behavior they experienced.

At a start-up competition in 2014 in San Francisco, Lisa Curtis, an entrepreneur, pitched her food start-up, Kuli Kuli, and was told her idea had won the most plaudits from the audience, opening the door to possible investment. As she stepped off the stage, an investor named Jose De Dios, said, "Of course you won. You're a total babe."

Ms. Curtis later posted on Facebook about the exchange and got a call from a different investor. He said "that if I didn't take down the post, no one in Silicon Valley would give me money again," she said. Ms. Curtis deleted the post.

In a statement, Mr. De Dios said he "unequivocally did not make a defamatory remark."

Often, change happens only when there is a public revelation, some of the women said. In the case of Mr. Caldbeck and Binary, the investor and the firm have apologized, as has Mr. Caldbeck's previous employer, the venture capital firm Lightspeed Venture Partners, which had received complaints about him.

"We regret we did not take stronger action," Lightspeed said on Twitter on Tuesday. "It is clear now that we should have done more."

Lindsay Meyer, an entrepreneur in San Francisco, said Mr. Caldbeck put \$25,000 of his own money into her fitness start-up in 2015. That gave Mr. Caldbeck reason to constantly text her; in those messages, reviewed by The Times, he asked if she was attracted to him and why she would rather be with her boyfriend than him. At times, he groped and kissed her, she said.

"I felt like I had to tolerate it because this is the cost of being a nonwhite female founder," said Ms. Meyer, who is Asian-American.

But even after she reached out to a mentor, who alerted one of Binary's investors, Legacy Venture, to Mr. Caldbeck's actions, little changed. Legacy went on to invest in Binary's new fund. Binary and Mr. Caldbeck declined to comment.

"We failed to follow up on information about Mr. Caldbeck's personal behavior," Legacy said in a statement. "We regret this oversight and are determined to do

better.”

A Silicon Valley venture capitalist has been sued for \$40 million by a woman who claims he used her as a virtual sex slave for 13 years.

Michael Goguen, who had worked for a firm that funded Google and Paypal, “sexually and physically” abused Amber Laurel Baptiste over more than 13 years after picking her up at a Texas strip club, her lawsuit alleges.

Baptiste, who claims she was brought to the United States from Canada by human traffickers at 15, said she endured “countless hours of forced sodomy” from the tech titan. The former stripper said Goguen made her endure demeaning sexual acts, sodomized her for “six hours at a time,” and forced her to call him “king” and “emperor.”

Filed in San Mateo County, Calif., on March 8, her suit details a life of torture and servitude as she was jetting around the globe to serve as the millionaire’s plaything. She claims Goguen had promised to save her from human trafficking but instead became an even worse predator himself.

Goguen, who was forced to step down from his position at Sequoia Capital, did not deny that the two had a sexual relationship but insisted the sex was consensual. He filed a countersuit against Baptiste claiming she is an “exotic dancer . . . looking for a payday.”

The venture capitalist said Baptiste was obsessed with him and sought to extort him because she was jealous of his wife. In his countersuit, Goguen provides pages of texts and emails in which she apparently refers to him as “Prince Charming,” “My Beautiful Love” and “the sweetest man in the world.”

The suit includes Baptiste’s descriptions of the “amazing sex” the two had together and photos that she allegedly sent him in which she is seen playfully posing in her underwear.

Baptiste is demanding \$40 million, saying the two agreed on the amount to compensate her for the horrors she had suffered. Goguen, who has already paid her \$10 million, said she is “a woman scorned” and a victim “of her own delusions.”

He claims that when he tried to end their relationship, Baptiste became bent on vengeance, threatening to ruin his life and reputation. He said that he had no choice but to pay her the \$10 million, but that she refused to relent and demanded more money.

Sequoia Capital released a statement that called Goguen's departure from the firm the "appropriate course of action." A philanthropist, Goguen was lauded for donating \$2 million to fight online child pornography and sex trafficking where he lives in Montana.

Goguen is not the only business leader who's faced backlash over sexually inappropriate behavior.

FACEBOOK BOSS IN UNDER-AGE SEX SCANDAL

Dov Katz, head of the computer vision and machine learning group at Facebook-owned Oculus, has been charged in King County for attempted commercial sexual abuse of a minor. The 38-year-old tech exec allegedly attempted to contact what he believed to be was a 15-year-old girl for sex. The fictitious 15-year-old was actually an undercover police officer with the Tukwila Police Department, a city just south of Seattle.

The news was first reported by KING 5, which said that Katz was arrested by Tukwila Police on Wednesday. Katz is to be arraigned on January 5th, and bail was set at \$125,000. An Israeli citizen who resides in California, Katz is forbidden to have contact with any minors, except in the presence of a responsible adult, according to charging documents. Katz allegedly **responded to an online advertisement that offered sex in exchange for money, an ad which was posted by undercover police officer posing as a 15-year-old girl.**

Horrific Google Anal Sex Slave Case Uncovers Twisted Perversions Of Google Executives

By Samantha Conners - APT

Michael Goguen, Google's married senior investor, "sexually and physically" abused Amber Laurel Baptiste with constant anal sex over more than 13 years after picking her up at a Texas strip club. His company: Sequoia Capital, has had other run-ins with cheating married executives, escorts and tax evasion schemes,

per legal filings.

Eric Schmidt, the head of Google, proclaimed that he would have a “open marriage” where he could have sex any time, with anybody, and is documented in a ream of news articles and video regarding his fifteen million dollar “sex penthouse” in New York.

Sergey Brin, another head of Google, is featured in numerous news articles for his “three way sex romp” with multiple Google employees forcing one employee to move to China to escape him. A married Google senior executive named Hayes, who helped rig Google's searches for political clients, was murdered on his “sex yacht” by his prostitute, which other Google executives had used.

Ravi Kumar, another VC associated with Google Executives, was also murdered by a pack of hookers and pimps that frequented his Silicon Valley home.

Valley Girls was a private escort service that used Stanford Co-eds to service the sexual kinks of Google executives.

Ellen Pao famously sued Google founding investor John Doerr, and his company Kleiner Perkins, for sexual abuse.

Google employee divorce filings hold the Silicon Valley record for use of the word “abuse” as one of the reasons given in the legal papers filed to initiate the divorce.

The list of kinky, twisted, bizarre sexual antics of Google executives, and their investors, goes on for pages and pages...

Google seems to attract the most twisted, perverted, morally decrepit men in the world. One has to wonder why, of all the large companies on Earth, only Google got to place the majority of it's people in the White House? That's right, Nike doesn't have it's people in the White House. Macy's doesn't either. Neither does Chevron, or John Deere tractor or any other company on Earth.

Only Google, exclusively and uniquely, had all of their people placed in the White House and top federal agency lead positions. What's up with that? Were they selected because of their technical skills or their ability to make people bend over?

An addiction to dirty sexual perversions are not the only illicit trends that Google folks display. The Google investors are members of a financing cartel called the National Venture Capital Association

(NVCA). This group of frat boy elitists got busted for running the "Angelgate" scandal in which they were documented rigging, colluding, black-listing and contriving the whole Silicon Valley start-up industry.

Then they were caught again when Eric Schmidt, Mr. "Sex Penthouse" and the head of Google, wrote emails ordering a conspiracy against Silicon Valley engineers. This "No Poaching" conspiracy got the Silicon Valley VC's sued in a class-action lawsuit, which the VC's lost. The Google founder's best friend: Jacques Littlefield, kept the world's largest private fully functional military tank squadron, in fully operational status, hidden in vast warehouses in his Silicon Valley estate in Woodside, California.

He said he had this arsenal: "just in case". Does Google make white frat house men insane or does it draw the crazy ones to it?

The FBI is finally crunching down on these people. After so many years of the White House ordering the FBI to leave the Google VC's and Silicon Valley perverts alone, it was just getting plain embarrassing for the FBI. The audacious impunity with which Google, and it's friends, engaged in tax evasion, importing hookers, bribery, stock market rigging, anti-trust schemes and other crimes has become so overt, in the media, that it was created a spotlight on federal law enforcements avoidance of prosecution of the shenanigans of the Google crowd.

Brotopia is the elite arrogant asshole dynasties send their kids to Stanford University. Stanford puts the kids in asshole frat houses to train them to get away with rape and run monopolies.

---- When they graduate they either go up the hill to Sandhill Road and start a venture capital clone operation or they get their frat friends on Sandhill Road to racketeer-fund their start-up or political campaign using money scammed from your parents pension funds. They only work with their frat buddies and insiders in a tribal 'old boys club' manner.

---- They steal all the technology and markets they want because they control all of the tech lawyers and politicians via bribes and revolving doors.

---- Most of the money in Stanford University bank accounts is from Foreign and Hollywood oligarchs delivered as bribes meant to get their snot-nosed brats into Stanford. Stanford bosses keep all of this covered-up and covertly fund political campaigns to grease the wheels of political corruption.

---- They then sexually extort some Stanford interns in Rosewood Hotel rooms, get the most 'trophy wife' ones pregnant, and start the cycle all over again. Alas, Stanford is the training ground for abuse, corruption and 'Bro-Crime'.

---- The issues, that the public and the news media have complained about include: producing child suicides, racism, misogyny, child mental health threats, domestic spying, data harvesting, sex trafficking, election manipulation, tax evasion, Fusion GPS/Media Matters/ Black Cube hit jobs on competitors, censorship, contrived market monopolization, intellectual property theft, political bribery and many other social crimes! An unusually large number of their staff have been arrested for, or charged with, sex crimes, including under-age trafficking.

---- The Silicon Valley Tech Cartel is one of the largest operators of bribes to public officials. Some of those bribes include billions of dollars of, non-FEC reported, search engine rigging for the political campaigns of the very politicians who are supposed to regulate them.

---- There are hundreds of millions of people in America. The same 120 of them are all involved in operating the same crimes and corruption including: the Sony Pictures corruption; the Afghanistan rare earth mine scandals operated through The Energy Department political slush fund that involves the lithium battery cover-ups (headed by Elon Musk); the Big Tech Brotopia rape, sex trafficking, bribery, exclusionism, racism and misogyny issues they were taught at Stanford University; The Facebook – Meta – Google – Alphabet – Netflix, et al, coordinated news manipulation and domestic spying that they engage in; the hiring of Fusion GPS – Black Cube – Gizmodo/Gawker assassins; the destruction of the housing market by their mass real estate manipulations; patent theft and industrial espionage; and the bribery of almost every politician all the way up to the Oval Office.

----So, while the categories covered in this investigation may seem diverse. They are connected through an enterprise of criminality and illicit, coordinated operations. We list, by name, the 120 most complicit individuals organizing these crimes, in the evidence documents already submitted to the FBI, FINCEN, DOJ, FTC, SEC, FEC, Congress, InterPol and other authorities. Digital financial tracking

of those persons and all of their family members should be assumed to have been under way for some time. Wire-taps and device taps of those persons and all of their family members should be assumed to have been under way for some time.

---- Why don't you see much about this corruption in the "news? A handful of companies in Silicon Valley, all controlled by the same investors, control almost all of the news and information in the world. They only hire and publish writers that agree with their fake news ideology. That ideology is whatever lie they can sell to the emotions of those skill writers to get them to "believe". In reality the only ideology the owners of those companies actually have is to pump their personal stock market holdings. They control elections in order to manipulate people into office that will do things that benefit the stocks of those media owners.

They will lie to beat the band because their hookers, rent boys, private jets, drugs, private islands and other sins are expensive as hell and they are addicted to those deviancy's. They are all invested with Elon Musk's, Larry Page's and Mark Zuckerberg's companies so they never allow any negative news about those tech mobsters in the world news that they control. This is the worst kind of illegal media monopoly but these owners control the agency heads who are supposed to indict them. So everybody in America is screwed until some non-fake law enforcement comes along.

--- A horrific phenomenon of cultural depravity and white-collar crime is going unchecked in Silicon Valley because Silicon Valley controls the media and the politicians that are usually supposed to check these kinds of things. Millions of pages of news reports, documentaries, interviews and legal transcripts prove the following to be true:

---- Elitist Cult. Silicon Valley elitists believe they are better than everyone else. Silicon Valley's Kleiner Perkins founder: VC Tom Perkins, said that poor people must be "Nazi's" for not accepting the "superior intellect" of VC's. Silicon Valley's Kleiner Perkins VC Vinod Khosla, took over California's favorite public beach, bribed the White House for "green cash" and got sued for arrogance by a horde of public interest lawsuits. Silicon Valley's Kleiner Perkins founder Ray Lane was indicted for tax evasion. Silicon Valley's Kleiner Perkins boss John Doerr was sued for sexual office abuse and running a "frat house". Most of the VC's and tech CEO's in Silicon Valley are charged with ethics breaches.

---- Prostitutes. Silicon Valley males hire more hookers and “rent-boys” and fly more sex workers into the Bay Area than any other city in America. Google’s and Tesla Investments executives were killed in sex and drug romps with hookers. Google’s Eric Schmidt ran a huge “sex penthouse” and promotes infidelity and “anti-marriage”. Google’s search engine rigging boss died at the hands of one of his hookers. The Silicon Valley VC’s had the Rosewood Hotel built at the end of Sandhill Road as a place to take interns and hookers to for sex. Underage sex efforts operated by these VC’s and Tech CEO’s have created the “Pizzagate” phenomenon.

---- Rapists and Sexual Coercion of Employees. Young interns are “sent up the hill” by Stanford to the VC’s Sandhill Road offices to become sexual playthings for the VC’s at the Rosewood Hotel. Ellen Pao sued Kleiner Perkins over the sexual “rape culture” that they promoted. Thousands of women have written books and articles about the sexual intimidation they are subjected to by Silicon Valley VC’s and their tech CEO’s. VC’s Joe Lonsdale, Micheal Goguen and hundreds of others have been charged with rape and sex trafficking. Stanford University gets “endowments” and “gifts” for hushing rape culture and intern-fluffing up.

---- Assholes. Fraternity House Take-What-You-Want culture is re-percussively promoted in the bars, clubs, meetings, conferences and emails of the VC’s and CEO’s. The TV Show: Silicon Valley, underscores the point of the dangers of infectious asshole-ism in Silicon Valley.

---- Clones. They assemble those around them that have the same stereotypical facial structure. In a room full of ordinary people and Tech VC’s, the VC’s faces stand out as Hollywood-type character-cartoon duplicates of each other.

---- Sexual deviance and extremism. Google’s founders have all had extreme sex scandals involving cheating, 3-way sex, divorces over abuse, forced anal sex and other outrages. Their teachers at Stanford have had to quite over their sex scandals. Their willingness and infatuation with sexual extremes defines them as moral degenerates who care little about laws and ethics.

---- Insider Dysfunctional Parents. The majority of the VC’s and Tech CEO’s come from rich dynastic families who are cultism-like devoted to “the family bloodline” and run by male oligarchs who believe in a rape culture/oligarch ethos. This belief system is passed on to their children. The oligarch parents threaten to cut endowments to Stanford University if Stanford punishes their son’s Frat Houses for date rapes.

---- Tone Deaf. Silicon Valley Tech people exist in a conceptual ideology reinforcement bubble by never interacting with, or reading information or news from, anyone outside of their group. VC Tim Draper spent vast amounts of money trying to make Silicon Valley its own country in order to systemize the Silicon Valley tunnel-vision bubble. They want to secede from America because they are offended by normal people who they consider to be low-class and unworthy.

---- Murders. Rajeev Motwani taught the Google founders how to build Google and was found, mysteriously, floating, dead, in his Silicon Valley swimming pool. Silicon Valley's Gary D. Conley reported John Doerr and Elon Musk for corruption and was found with a bullet in his head behind Beale Air Force base. Three top Tesla engineers reported corruption at Tesla Motors and then suddenly died in a plane crash next to Tesla's factory in San Carlos. There are over 100 mysterious deaths associated with people who had conflicts with Google, Kleiner Perkins and other Silicon Valley oligarchs.

---- Arrogant. Self-Centered Narcissists. Elon Musk has spent over a billion dollars buying exclusive Google, Twitter, MSM and Facebook hype about himself. Every Tech CEO has a multi-million dollar PR agent assigned to make them look like "Gods of Industry". They regularly hold "Babes and Ball's" parties and sex parties in Woodside that require women to beg for their money. They were trained to be "assholes" and "abusive dominants" via the Stanford Rape/Frat Culture.

---- Misogynists. All White-Male-Controlled with frat house pasts. Women are used As Sex Objects and Window Dressing. The largest number of anti-women news stories, jock/bro blog reports and charges for abuse come from Silicon Valley. VC Steve Westly's CEO friend is notorious for kicking his girlfriend hundreds of times because she "sasssed" him. Almost of of their Divorce filings include abuse charges against the man.

---- Manipulation of Employees. Silicon Valley cartel companies practice Scientology-like indoctrination and "cultural programming" of employees. These highly impressionable naive young employees are kept in "controlled environments", sent to "mindfulness programming workshops" and told what kind of political opinions they should have. Tight-knit groups of females experience synchronized menstrual periods (<http://www.nature.com/nature/journal/v229/n5282/abs/229244a0.html>) over time, cohesive Google and Facebook employee groups engaged in decision-making discount dissenting viewpoints in the interests of consensus, and that

couples who stay together long enough begin to look alike. A new study has captured another group phenomenon in Silicon Valley and chronicled in humans' natural habitat: "group brain synchrony". This is a CIA-like brainwashing technique exploited to get all Google/Facebook/Twitter employees to rapidly adopt the same political views.

---- Racists. Silicon Valley companies have the lowest rates of hiring, or promoting blacks, in America even though they have a high population of blacks at the edge of their community.

---- Male insecurity issues. They use TED-Talks, SXSW and Synchronicity Events as self-promoting hype in which to act like an apostle of a tech religion. They buy Tesla cars as a badge of arrogance and mock any male who does not own what they own or who who did not go to Stanford or Yale. These pretentious and ostentatious boys are more inclined to brag about penis-size than family.

---- Blacklisting. In the AngelGate Investigation and Silicon Valley No Poaching Class Action Lawsuit, Silicon Valley was exposed as an insider club that black-lists those who look different or are not part of the boys club.

---- Politically corrupt. Silicon Valley has bribed more politicians than any other domestic region in history. They promote more immigration in order to get cheap labor for their tech companies. They steal their technology and bribe politicians to eliminate patent protections for small inventors that they steal from. Political Corruption and Bribery Is The Norm for these boys. Silicon Valley created a CIA knock-off called "In-Q-Tel" in order to use CIA technology to manipulate elections at Google, Facebook and Twitter. The 60 Minutes Episode called: "The Cleantech Crash" is about their multi-billion dollar scam using the Dept. of Energy as a slush-fund. They refuse to allow their MSM to report on their corruption and crony kickbacks, ie: Tesla Motors Funding, Off-shore tax evasion, Hooker networks, etc.

---- Collusion. In the AngelGate Investigation, the Silicon Valley No Poaching Class Action Lawsuit, and hundreds of other cases, Silicon Valley was exposed as an insider club that colludes to rig valuations, stock markets and employee poaching. They operate in herds within their peer group. They are not inclined to independent thinking. Kleiner Perkins has been caught placing moles and saboteurs inside competitors start-ups. They operate in herds within their peer group. They are not inclined to independent thinking.

---- Stock Market Criminals. Stock Market Pump-and-Dump, Flash Boy Algorithm Manipulation, Insider Trading, Market Rigging. The Securities and Exchange law violations and FTC monopoly law violations are vast in number.

---- Burning Man Sex-and-Drugs Devotees. Silicon Valley frat boys have a huge participation in the date-rape goings-on at Burning Man and buy extensive pheromone and skin contact delivery animal-tranquilizer drugs to use on young Burning Man girls.

---- Minimal Regard For Consequences. Although their PR agents promote them as “green” and “socially positive”, it is all hype to get tax waivers and government hand-outs. Mark Zuckerberg’s take-over of San Francisco General Hospital’s brand was entirely a scam to get him a \$1 billion dollar tax evasion deployment. The Silicon Frat Boys act on impulse and try to buy off the collateral damage later.

---- Closeted homosexuals. Using the tremendous funds they have at hand from their exclusive monopolies in public media, they push their trans-gender agendas through their bought-and-paid for politicians. This has resulted in a generation of sexually confused children who believe that they should cut their penises off. The top bosses at Facebook, Google, Twitter, Tesla and other companies are lying to the public about their sexuality and using hired wives, known as “beards”. If they lie about something so basic, one has to wonder what else they lie about.

---- Thieves. They steal most of their technology from small inventors who can’t defend themselves. They get inventions from Indian engineers and then ship them back to India before the employees can get any stock or IP rights. The tech CEO’s send their VC friends to competing start-ups to spy on competing technologies and steal it. The VC’s say they are just doing “due diligence” but they are actually sucking the competing start-up dry of IP and staff and making a clone of it under another name.

---- There are so many other awful things about the people of Silicon Valley. You get the picture. Silicon Valley is a swamp and a cesspool.

While criticism just really is based on information from **Silicon Valley** power players who fast days at a "cargo **cult**" -type meditation retreat, there are staggering pods of consumer trends that shape the 11-point Lifestyle Plan of Spirit Baths.

Bad Sex in Silicon Valley - The Cut

□ <https://www.thecut.com/2017/06/bad-sex-in-silicon-valley.html>

But people do in fact get laid in **Silicon Valley**, as the show **Silicon Valley** recently dramatized. After more than three seasons of existing in a sexless, screen-filled hell, bumbling programmer Richard Hendricks finally had **sex**: an illicit tryst with his main client's fiancée, in an office conference room, late at night.

[Let's Take the Cult out of Silicon Valley Culture ...](#)

<https://www.enterpriseirregulars.com/134781/lets-take-the-cult-out-of-silicon-valley-culture/>

But sometimes **Silicon Valley cults** are not benevolent - Theranos being the best recent example. Continuing to work in such environments, prioritizing the needs of the **cult** over common sense and business ethics can do lasting damage to your personal relationships, to your health, and to your career.

WHO IS THE SILICON VALLEY MAFIA?

By Terry Reed and Mark Lawson

They are sex abusers like John Doerr and his entire Kleiner Perkins frat boy staff who were sued by Ellen Pao for the misogyny culture of sexual deviancy and abuse that they promote as their corporate culture. They are tax evaders like Ray Lane. They are hooker-hiring sex traffickers like Google's Forrest Hayes who died from an excess of drugs and sex. They are cheaters like Google's David Drummond who destroyed his family by his addiction to infidelity. They are sex addicts who own sex penthouses and cavort with the notorious Wendy Deng like Eric Schmidt. Amid the World's Largest Corporate Sex Scandals Google CEO Eric Schmidt will now leave Alphabet's board. Schmidt is a known womanizer despite being married for 37 years to Wendy Schmidt, who said in 2012 they started living separate lives because she felt like "a piece of luggage" following him around the world. News outlets have been sniffing around Schmidt's former flames looking for a Harvey Weinstein-like bombshell, a source close to Schmidt told The Post. They are mobster-class justice evasion lawyers like Wilson Sonsini and political bribe conduit lawyers like Perkins Coie. They are charged rapists and psychological sex manipulators like Joe Lonsdale.

When Kleiner Perkins offices were broken into by covert law enforcement operatives much was revealed. This was followed by the hack of all of John Doerr's emails' and the email of his top staff. This was followed by the revelation that Doerr bribes Stanford University for special favors for his kids and for certain 'relationships'. Now Doerr must walk on pins and needles because he has been put on notice that even the slightest bribe, political manipulation or mobster-like tech black-listing will not go unnoticed.

A female employee called Tesla's factory a 'predator zone' at a meeting where workers described the constant sexual harassment at Tesla.

DNC chairman Eric Bauman, the head of the California Democratic Party, and the Los Angeles County Democratic Party., has is former assistant say he was first assaulted after falling asleep in a hotel and waking up to his boss performing oral sex on him, and that there were two more instances where he was forced to submit to Bauman.

Bay area party guests and Rothschild-linked Bronfman sisters donated millions to the sex cult whose leaders, Allison Mack and Keith Raniere, have been charged with child sex trafficking.

Goddard, a director, producer and theme park designer, has faced many sex abuse allegations. Eight former members of a Santa Barbara youth theater group in the 1970s alleged that Goddard molested or attempted to molest them. A ninth was said to have told others before he died that Goddard sexually assaulted him as a child. Goddard denied their allegations.

The Silicon Valley Mafia is The Sandhill Road Venture Capital frat boy company bosses in Palo Alto, their National Venture Capital Association (NVCA) partners and the tech companies (Google, Tesla, Facebook, Amazon, Twitter, LinkedIn, etc.) they control. They are sometimes referred to as "The Deep State". They have purchased California, New York and Washington, DC politicians (mostly Senators) who they also control.

They hire rogue ex-intelligence agents to operate Fusion GPS, Gawker/Gizmodo, Black Cube, ShareBlue, New America, In-Q-Tel, Podesta Group, Media Matters, etc. massive media attack programs against competitors, reporters and outsiders. They collude on black-lists, valuation controls, election manipulation, search engine rigging, domestic spying for political manipulation, stock rigging, insider trading, executive prostitute clubs, trophy wife assignments, the bribery of politicians and worse. They are felons who pay politicians to halt investigations and interdiction efforts.

They are widely covered in news media articles as: 'sex abusers, cult enthusiasts, elitists, rapists, woman beaters, probiosis abusers, sexual work extortion operators, extremists, arrogant clones of each other, tone deaf, echo-chamber reinforcing, misogynist, racist, manipulative, insecure, covertly gay, corrupt, thieves' and other anti-social revelations. They are not limited to California and also operate out of New York and Washington DC.

They use their monopolistic control of the internet to massively and exclusively scale services that only they control and use to abuse the public's privacy, human rights, invention rights and information. They run their cartel like the old Italian Mafia once did.

The Department of Justice conducted a series of raids across California tech and media circles and arrested 238 people in connection with a Hollywood pedophilia

network, but this story went totally ignored by almost all media outlets. According to police, the arrests included some entertainers, community leaders, white-collar professionals, a monk, and other high-ranking clergy members. The raids were conducted by the Regional Internet Crimes Against Children task force, working directly with the Justice Department. Codenamed "Operation Broken Heart III", the sweeping raids targeted offenders wanted for the sexual exploitation of children, child prostitution, sex tourism and possessing and distributing child pornography, said Deputy Chief Matt Blake. Silicon Valley oligarchs use these intermediate level people to source up sex victims to be delivered to their Woodside and Atherton mansions.

Michael Goguen, who had worked for a firm that funded Google and Paypal, "sexually and physically" abused Amber Laurel Baptiste over more than 13 years after picking her up at a Texas strip club, her lawsuit alleges. Baptiste, who claims she was brought to the United States from Canada by human traffickers at 15, said she endured "countless hours of forced sodomy" from the tech titan. The former stripper said Goguen made her endure demeaning sexual acts, sodomized her for "six hours at a time," and forced her to call him "king" and "emperor." Filed in San Mateo County, Calif., her suit details a life of torture and servitude as she was jetting around the globe to serve as the millionaire's plaything. She claims Goguen had promised to save her from human trafficking but instead became an even worse predator himself.

The Silicon Valley Mafia Cartel is the largest provider of dark money bribes to West Coast politicians including Feinstein, Pelosi, Harris, Brown, Reid, Boxer, Lee, et al,. Those politicians and their families also covertly own the stock of the California tech companies and social media companies like Tesla, Solyndra, Abound, Google, Facebook, Netflix, etc. Larry Wallace, a senior staffer for Sen. Kamala Harris (D-CA) resigned over the discovery he was involved in a sexual harassment lawsuit and \$400,000 payout to the sexually abused victim while working for then California Attorney General Kamala Harris. In related headlines we read: **"ATTORNEY GENERAL THAT COLLUDED WITH KAMALA HARRIS EXPOSED AS SEX PERVERT!!!!"; "TOP DNC SEX PSYCHO MAY BE ALIGNED WITH SEX CULTS!"; "WHY IS EVERY DNC BIG SHOT TURNING OUT TO BE A SCREWED UP SEXUAL MESS!"**

The Bay Area headlines reek of perversion: **"ANOTHER Democrat Sex Cult Exposed: 'sexual servitude' at San Francisco-based 'orgasmic meditation' company: One Taste"; "NXIUM, ONE TASTE, EMO, THE WOODSIDE CLUB: WHY DO THE DEMOCRATS GET INTO SUCH KINK?"; "UNDERCOVER CAMERA'S IN SAN RAFAEL, CALIFORNIA AT 4TH STREET "DANCE/YOGA" BUILDING AND MILL VALLEY**

CITY BUILDING CATCH SEX-FOR-SALE ESCORTS AND KINK"; "THEY USE "MEET-UP" (THE DNC'S NETWORKING SITE) TO HUNT FOR VICTIMS TO SEDUCE"; ""HOT LITTLE RED HEAD" TURNS OUT TO BE THE TOP ESCORT IN MARIN COUNTY"!

In the latest case of Hollywood's and Silicon Valley's spiralling sexual abuse scandal, Variety reports that a veteran 58-year-old Disney executive has been charged with three felony counts of child sexual abuse. Jon Heely, the longtime director of music publishing at Disney, was arrested nearly a month ago and charged with three counts of lewd and lascivious acts on a child. One of the reported victims was 15. The other was abused for four years starting at the age of 11, according to the charges. Heely, who oversees the licensing of music from Disney films faces up to nine years and three months in prison according to The Daily News.

It is now time to sound the alarm bells on the economic prospects for the Millennial Generation in the Western world, but more importantly, at Stanford University. This generation of citizens aged 18 to 36, is the first in modern developed economies on course to have a lower standard of living than their parents. Housing affordability and a decaying job environment are some of the most pressing issues affecting Stanford Millennials. The future is bleak for this avocado and toast generation, as Western world economies have likely plateaued regarding economic growth. Surging debt and rising government bond yields are producing an environment that could lead to more hardships for this lost generation. Tech oligarchs have taken full advantage of broke Millennials by offering "adult arrangements" for a roof over their heads. Yes, you heard this correctly, Millennials are trading sex for a place to sleep and sex for tuition at Stanford University.

Sugar Babies now comprise a large portion of Stanford students. Kleiner Perkins and Greylock VC's hire them for sex. Google and Facebook executives use them like disposable sex toys. The student debt crisis in the US has gotten so bad, there's a growing group of young women — and some men — who are taking an unconventional approach to paying for college. Through dating websites like SeekingArrangement.com, and match.com, Sugar Babies, as they're called, partner up with wealthy, often older, men who want to spend money on them. Some 2.5 million Sugar Babies identified as students in 2016 on SeekingArrangement.com. Many of these Sugar Babies turned to the site to find someone who will pay for their education so they can graduate debt, and worry, free. In exchange, Sugar Babies go to dinners, attend events, or accompany their Sugar Daddy, or daddies, on trips. In some cases, they provide companionship or

foster a mentor-mentee relationship. In other situations, the terms of the agreement include physical intimacy.

Jermaine Gagnon, 28, told DailyMailTV how he narrowly escaped death when DNC financier Edward Buck injected him with crystal meth at his sex-toy filled apartment. Gagnon said Buck, 63, paid to fly him from Minnesota to Los Angeles, drugged him with a substance dissolved in Gatorade then injected him with crystal meth. The 28-year-old shared photos of Buck, wearing white long johns, crouched over him on a mattress during one of their nights together last year. Gagnon shared images of sex toys Buck had for their encounter, saying: 'He had this red and black toolbox with all types of fetish toys, like c**k rings, sex toys'. He added: 'He gave me some Tommy Hilfiger tighty whities, a muscle t-shirt and some long johns. White knee-high socks'. Gagnon said during one encounter Buck offered him a drink he suspected had been spiked, feeling woozy and weak shortly after drinking it. He said: 'He took my phone. I was so scared. I felt death walked into my soul. I called my mother. I said, 'I feel like he's going to kill me, I think I'm going to die'. Buck is now under investigation over the deaths of two black men, including one man who died of an apparent overdose at his apartment on Monday.

According to the testimony of a federal agent, Harold "H.L." Moody, a former Democratic Party chairman, streamed live videos of children being raped, distributed child pornography to other pedophiles, and regularly smoked methamphetamine out of a glass pipe while seated at his desk during work hours. Our tax dollars at work, folks. Jason Bennett, a special agent for Homeland Security Investigations, said an undercover agent took "screen shots" of Moody sitting at his desk and chatting with pedophiles in a secret chatroom online on "more than one occasion" between Aug. 29 and Oct. 12. Bennett described Moody as a "high-volume user" who logged in and out of a chat room solely devoted to child pornography several times a day, including 26 times in a two-day span. He was also a host of the private chat room, which Bennett explains indicates that Moody did something to receive such recognition.

Tech magnate Elon Musk reportedly admits in an upcoming book that he once attended a somewhat well-known Silicon Valley "sex party,". Musk and his bro-friend: Steve Jurvetson, have been documented in a number of notorious sex scandals. ***Even worse is the headline that reveals: "Elon Musk Says Pedophile Accusation Against British Man Was Protected Speech But Ignores Fact That Musks Father Had Sex With His Own Daughter"***

Dov Katz, head of the computer vision and machine learning group at Facebook-owned Oculus, has been charged in King County for attempted commercial sexual abuse of a minor. The 38-year-old tech exec allegedly attempted to contact what he believed to be a 15-year-old girl for sex. The fictitious 15-year-old was actually an undercover police officer with the Tukwila Police Department, a city just south of Seattle. The news was first reported by KING 5, which said that Katz was arrested by Tukwila Police on Wednesday. An Israeli citizen who resides in California, Katz is forbidden to have contact with any minors, except in the presence of a responsible adult, according to charging documents. Katz allegedly responded to an online advertisement that offered sex in exchange for money, an ad which was posted by undercover police officer posing as a 15-year-old girl. Katz allegedly arranged a meeting at the Embassy Suites in Tukwila, offering to pay \$350 to have sex without a condom. When Katz arrived at the hotel with \$600 in cash, he was arrested by police.

Former Democrat CDC director Dr. Tom Frieden was arrested on sexual pervert allegations. Frieden was charged with forcible touching, sex abuse and harassment, according to police.

California gubernatorial candidate Gavin Newsom's past sexual misconduct disqualifies him from holding higher office, rival Democrat Amanda Renteria said Thursday, and he should resign from his position as lieutenant governor. "If he was in the Legislature right now, he'd be called out, and like what we've seen, being forced out," Renteria said in an interview with The Sacramento Bee. "We've got to be sending the message that the more power you have, the more responsibility you have to protect others." As mayor of San Francisco more than a decade ago, Newsom had an affair with one of his city hall aides, who was also married to his campaign manager at the time.

Google employees have accused Google boss Rubin of sexual misconduct. A woman, with whom Mr. Rubin had been having an extramarital relationship, said he coerced her into performing oral sex in a hotel room in 2013, according to two company executives with knowledge of the episode. Google investigated and concluded her claim was credible, said the people, who spoke on the condition that they not be named, citing confidentiality agreements. Mr. Rubin was notified, they said, and Mr. Page asked for his resignation. Google could have fired Mr. Rubin and paid him little to nothing on the way out. Instead, the company handed him a \$90 million exit package, paid in installments of about \$2 million a month for four years, said two people with knowledge of the terms. The last payment is scheduled for next month. Mr. Rubin was one of three executives that

Google protected over the past decade after they were accused of sexual misconduct. In two instances, it ousted senior executives, but softened the blow by paying them millions of dollars as they departed, even though it had no legal obligation to do so. In a third, the executive remained in a highly compensated post at the company. Each time Google stayed silent about the accusations against the men. Google executives have been caught having sex slaves.

The Rosewood Hotel is brimming with tech guys, some loudly talking about money. The college student at our table recommends the ribs—she’s been here before, on “dates” with her “daddies.” “There are a lot of tech guys,” she says. “They want the girlfriend experience, without having to deal with an actual girlfriend.” “The girlfriend experience” is the term women in the sex trade use for a service involving more than just sex. “They want the perfect girlfriend—in their eyes,” says Miranda, the young woman at our table.* “She’s well groomed, cultured, classy, able to converse about anything—but not bringing into it any of her real-world problems or feelings. Her adventures in “sugaring” started three years ago when she got hit on by an older guy and rebuffed him, saying, “Look, I’m not interested, so unless you’re offering to pay my student loans,” and he said, “Well . . . ?” After that, “he paid for stuff. He gave me money to help out with my living expenses.” This is how many of the skinny co-eds at Stanford University pay the bills and Stanford bosses look the other way.

Those under investigation are Bill Lockyer; Brian Goncher; Daniel Cohen; David Axelrod; David Drummond; David Plouffe; David E. Shaw; Dianne Feinstein; Elon Musk; Eric Holder; Eric Schmidt; John Zaccarro, Jr.; Frank Giustra; Nick Denton; Harry Reid; Haim Saban; Hillary and Bill Clinton; Ira Ehrenpreis; Jay Carney; James Comey; Jared Cohen; Jeffrey Katzenberg; John Doerr; Harvey Weinstein; Yasmin Green; Jonathan Silver; Ken Brody; Lachlan Seward; Judge Stewart M. In Silicon Valley, There Are Over 100 Services That Deliver Young Men And Girls To Rich Google And Facebook Executives For Dirty Sex. Most of the victims come from local colleges, universities, art schools and the Mission District, Haight Street and Noe Valley districts in San Francisco. They use Facade organizations like "Power Exchange", "Mission Exchange", "The Arena", "Orgasmic Meditation", "NXVIUM", "The Spinsters", "The Guardsmen", One Taste, etc. act as fronts for sexual transactions. The Rosewood Hotel has sex nights for the sale of women using sly hand signals. Almost every hotel on El Camino Real in Palo Alto has a prostitution activity going on around the clock. Russian and Italian prostitutes fly in and out of San Jose and San Francisco airports so often that they are known as the "pus*y ports". Young, impossibly attractive, girls with tight mini skirts and a roller bag in the airport alone are now under constant surveillance by police.

One report recalls: "...At the hotel, Hillary Clinton Mega donor and John Podesta partner Wyss assaulted Long physically and sexually, according to her police complaint. "Me screaming, 'No stop it,'" she wrote in her own handwriting to police. "He grabbed my teeth with his left hand and ripped my mouth open. He inserted a vibrator into my vagina and almost suffocated me by putting his fist into my mouth. I struggled and pushed. I thought for sure he was going to kill me," she wrote. "I left that hotel room sick and in pain," she told police in the statement. She returned to Boulder and "stayed in bed for weeks. The physical sickness of this event was devastating," she told police. Wyss also allegedly threatened to stop his financial support for her daughter if she broke up with him, according to Long. "She's probably one of the first who took on powerful men over sexual misconduct," recalled Police Chief Tom Koby in an interview with TheDCNF. He personally knew the Boulder resident and counseled her about her

relationship with Wyss. "After the attack, I had breakfast with Jackie at the Hotel Boulderado. She broke down during breakfast. This thing had happened and it was terrible. She was quite shaken and Jackie doesn't shake too easily," Koby said. "Hans had her in a bind in terms of helping Jackie heal her daughter, who had some serious health addiction issues," Kolby added. "That was what was keeping Jackie in the relationship and she didn't have a lot of money. She was still clinging to the hope she could save her daughter. And that she had these things she wanted to do with these organizations working on detention homes and shelters in Boulder and in Denver," Koby recalled..."

Amid allegations of sexual harassment, embattled freshman Democratic Rep. Ruben Kihuen vowed he will not resign from his post, despite calls from Democratic leaders that he step aside. Instead, Kihuen is digging in with a shocking allegation of his own, taking aim at the leaders of his own party. In an interview with ABC News, Kihuen, D-Nev., said party leaders knew last year about a former campaign staffer's allegations of misconduct but stood by his campaign nonetheless. Kihuen questioned why they are calling for his resignation now, more than a year later. "I do find it interesting that the DCCC, Leader [Nancy] Pelosi and Chairman Ben Ray Lujan -- they knew about these allegations last year," Kihuen said. "They looked into them. They didn't find anything, and they continued investing millions of dollars in my campaign. ***They went out there and campaigned for me.***"

A married senior official in President Obama's Department of Education was convicted of sex crimes and resigned for following women on the DC Metro and taking pictures up their skirts, DailyMail.com can exclusively reveal. William Mendoza, 42, the former executive director of the White House Initiative on American Indian and Alaska Native Education, stepped down after he was arrested and charged with attempted voyeurism in November, 2016, for the vile acts. Mendoza, who earned \$140,000 a year as a policy advisor in Obama's White House, tried to take photos and videos up women's skirts at least four times on his government-issued iPhones in July 2016 without their consent. He was also caught looking at footage, apparently filmed in secret, of a woman in her underwear getting changed in a dressing room. It is not known if he recorded the video himself. When he took the indecent photos, he was supposed to be at work and was using a travel card funded by the taxpayer, according to documents obtained by DailyMail.com through a Freedom of Information Act request.

After California's then-Attorney General Kamala D. Harris announced felony pimping charges last year against the two owners of Backpage.com — a classified-ad website that is a hub for sex trafficking and prostitution, one of the men cut a \$10,000 check to House Minority Leader Nancy Pelosi's super PAC. Mrs. Pelosi's political action committee, House Majority PAC, has resisted giving the money back, and an aide to Mrs. Pelosi said the California Democrat knows nothing about the contribution. The uproar over sexual harassment that began with the Harvey Weinstein scandal has intensified the scrutiny of political contributions linked to Backpage, which law enforcement officials say is the chief platform for activities far worse than harassment, including sexual slavery and child prostitution. Mrs. Pelosi isn't the only Democrat struggling to deal with the piles of cash that Backpage's owners spread around to candidates and state Democratic parties over the years. Even Ms. Harris, a California Democrat who is now a U.S. senator, ducked the issue. Her office wouldn't respond to repeated emails about Backpage money going to House Majority PAC and other Democratic organizations. Since 2010, the owners and their wives have shoveled about \$99,000 to candidates and about \$95,000 to Democratic parties in Arizona, Colorado and New Mexico, according to federal campaign finance data collected by the Center for Responsive Politics.

Prominent Democrat donor Terry Bean was indicted earlier this month on two counts of sodomy and one count of sex abuse for allegedly having sex with a teenage boy. Bean was arraigned on the charges, TV station KGW8 reported. He pleaded not guilty and was taken into custody at County jail.

The body of investigative journalist Jen Moore was found in her Washington D.C. hotel room on Monday after her investigation into an alleged sexual assault by President William J. Clinton. "In fact, just four weeks before her death, Moore filed details of the alleged victim's claims with the Department of Homeland Security, detailing the allegations against Clinton. Moore contacted Homeland Security beginning on July 6th through July 9th, records show. A week later, she contacted the FBI with identical details about the victim and the shocking allegations against Clinton,"

A leading liberal think tank run by a longtime adviser to former presidential candidate Hillary Clinton is facing allegations of serious sexual harassment which went undealt with by management, a new report claims. The Centre for American Progress (CAP), headed by Clinton associate Neera Tanden, has released four policy proposal papers on dealing with sexual harassment in the workplace, but

former staffers have come forward with stories of repeated harassment at the think tank, BuzzFeed reports.

Defy Ventures brings the gospel of entrepreneurship to an unlikely place: prisons. The nonprofit company founded by Catherine Hoke says it is dedicated to helping formerly incarcerated people start their own businesses and stay out of prison. "Transform the hustle," the company's tagline encourages. Defy has received grants from Google. Facebook COO Sheryl Sandberg wrote a foreword to Hoke's new memoir. Former U.S. Attorney Preet Bharara called Hoke's work "incredibly inspiring" on his podcast. But while Defy woos Silicon Valley and Washington, D.C., scandal has rocked the company's leadership. Last month, Defy fired its president after he blew the whistle on allegations of sexual harassment by Hoke and fraudulent statistics exaggerating the program's successes.

Henry T. Nicholas III, the Silicon Valley billionaire founder of chip-maker Broadcom, has been arrested by police on drug trafficking charges. According to the Associated Press, Nicholas was arrested on suspicion of trafficking heroin, cocaine, meth and ecstasy. Security was called when Nicholas couldn't get into his sex fuelled room at the Encore, a Las Vegas casino hotel. When security arrived, they reportedly found Nicholas with Ashley Fargo, the ex-wife of an heir to the Wells Fargo banking fortune. Fargo was passed out with a semi-deflated balloon in her mouth, but was revived by paramedics. According to reports, security subsequently found canisters of nitrous oxide inside the room, and a subsequent search by cops turned up more drugs inside a suitcase. Nicholas's attorney, David Chesnoff, told the Associated Press that they will "deal with the facts in court."

Multiple famous Silicon Valley lawyers have been found dead, hanged by their own hand while attempting to masturbate while choking themselves because they thought that choking would add to the sensation. A formerly powerful Democrat, Attorney Mark Benavides, has been found guilty on six individual counts of human trafficking in a grotesque and sex-filled criminal conspiracy. Mark Benavides, a well-known Democrat who ran for the 186th District Court in 2014, was accused by federal law enforcement of trading his legal services as an attorney for sex from his clients and then recording those manipulative sex-romps, according to local ABC affiliate KSAT. Benevides would then promise the women that if they allowed him to engage in erotic sex that sometimes included physical torture, that he would offer them a legitimate defense in the courtroom.

Hundreds of leaked text messages between Kevin Tsujihara, actress Charlotte Kirk and partners Brett Ratner and James Packer show the powerful executive, under pressure, said repeatedly he would push for auditions as accusations of "extortion" and a proposed settlement agreement followed

The World Health Organization (WHO) has declared Silicon Valley oligarch sex addiction to be a mental illness.

Known as compulsive sexual behaviour disorder, it is defined as an inability to control intense sexual urges leading to people neglecting their health despite often deriving no pleasure from being intimate, according to a report issued by the WHO.

Patients must suffer from the disorder for at least six months, and experience substantial distress as a result of their addiction, before being diagnosed, the report adds.

It is unclear if this move will lead to sex addiction treatment being provided on the NHS, which does not currently consider it to be a condition.

Comedian Russell Brand has been to rehab for sex addiction saying being active between the sheets gives him 'a breathing space, when you're outside of yourself and your own head'.

Comedian Russell Brand has been to rehab for sex addiction saying being active between the sheets gives him 'a breathing space, when you're outside of yourself and your own head'.

Actor Michael Douglas, who is married to Catherine Zeta Jones, also sought treatment for the disorder after numerous affairs ended his first marriage to Diandra Luker in 1995.

As well as reported drug and alcohol problems, Mean Girls star Lindsay Lohan has described herself as 'not a crazy [sex] addict' but adds she enjoys being in different relationships.

David Duchovny, star of The X-Files, sought treatment for sex addiction in 2008 after being unfaithful to his actress wife Téa Leoni.

After the release of a sex tape with his Playboy model ex Nicole Narain in 2003, actor Colin Farrell admitted to liking sex with prostitutes and suffering from an addiction.

Socialite Calum Best, whose footballer father George suffered from alcoholism, has said 'I'm a red-blooded male and I'm addicted to sex'.

Sex addiction is seen as 'shameful'

According to Dr Valerie Voon, from the Royal College of Psychiatrists, between two and four per cent of people in the UK suffer from sex addiction. Three-to-six per cent are thought to have the condition in the US.

She told The Sun: 'It is a behaviour that tends to be hidden as it's shameful and often sex addicts don't come forward.'

'Adding this to the WHO list is an excellent step for patients as it allows them to recognise that they are suffering with a problem.'

'It takes it out of the shadows and they are able to seek help for it.'

Dr Voon believes sex addiction may one day be treated on the NHS alongside conditions like depression and anxiety.

Gaming addictions tear families apart

This comes after Dr Shekhar Saxena, director of WHO's department for mental health, said the body listed gaming as an addiction based on scientific evidence, as well as 'the need and the demand for treatment in many parts of the world.'

According to Dr Joan Harvey, from the British Psychological Society, only a minority of gamers suffer from the disorder, warning that the new condition might cause unnecessary concern among parents.

She said: 'People need to understand this doesn't mean every child who spends hours in their room playing games is an addict, otherwise medics are going to be flooded with requests for help.'

Others welcome WHO's classification, saying it is critical to identify video game addicts quickly due to them usually being teenagers or young adults who do not typically seek help themselves.

Dr Henrietta Bowden-Jones, a spokeswoman for behavioral addictions at Britain's Royal College of Psychiatrists, added: 'We come across parents who are distraught, not only because they're seeing their child drop out of school, but because they're seeing an entire family structure fall apart.'

The updated ICD is scheduled to be presented to all WHO member states at their annual assembly in May 2019.

According to the relationship counselling service Relate, sex addiction is any intimate activity that feels 'out of control'.

This could be sex with a partner, masturbation, pornography use, visiting prostitutes or using chat lines.

In some cases, people feel unable to control their urges, which affects their quality of life and those around them.

According to the WHO, compulsive sexual behaviour disorder is defined as an inability to control intense sexual urges leading to people neglecting their health despite often deriving no pleasure from being intimate.

Patients must suffer from the disorder for at least six months, and experience substantial distress as a result of their addiction, before being diagnosed, the WHO adds.

Facebook, Google and Instagram Facing Lawsuits for Teen Mental Health Crisis

Neumann Law Group is now investigating claims against Meta Platforms, Inc., the parent company of Facebook and Instagram for their intentional manipulation of the mental health of young and at-risk users of their products.

In October 2021, a Facebook whistleblower testified to the U.S. Senate how Facebook, Instagram, and Meta used tactics to manipulate young people into using their products for extended periods of time and intentionally created a toxic environment leading to significant psychological harm to America's youth.

SEE THIS LINK, THIS HAPPENS EVERY FEW HOURS THANKS TO MARK AND SHERYL: Every few hours another teen is MURDERED by Facebook/Instagram executives. Nobody does anything about it because California politicians OWN the stock in Facebook/Instagram and also get their political campaign cash from Facebook/Instagram/Google !!! Should Mark Zuckerberg be charged with Homicide? He knew, for over a decade, that he was killing these kids, but buying a part of Hawaii is expensive, and he needed the cash!

THE UNITED STATES CONGRESS CAN MAKE INSTAGRAM AND FACEBOOK DISAPPEAR OFF THE INTERNET, IN ANY 60 SECOND PERIOD, SIMPLY BY ORDERING DOJ TO DELETE THEIR DNS RECORDS. BOOM! GONE!

DEMAND THAT YOUR ELECTED OFFICIALS ORDER THE DNS RECORDS FOR INSTAGRAM AND FACEBOOK DELETED, AND NOT TURNED BACK ON, UNTIL FACEBOOK AND INSTAGRAM PROVE TO CONGRESS THAT NO TEENS WILL BE AFFECTED BY THEIR SITES AGAIN!

DO YOU REALLY WANT YOUR KIDS ANYWHERE NEAR FACEBOOK AND THEIR VR SEX PERVERTS?:

1. Were you a minor when you signed up for Facebook and/or Instagram;
2. Were you using Facebook and/or Instagram for more than three (3) hours per day at that time; and
3. Have you received documented mental health treatment (with no prior history of mental health issues)?

GOOGLE IS RUN BY CHILD SEX PERVERTS

Google whistleblower claims tech giant's Developer Studio division has been infiltrated by 'pedophilic religious doomsday cult' Fellowship of Friends that was featured in a Spotify podcast series called 'Revelations' last year

- Kevin Lloyd, 34, was a video producer for Google Developer Studio from 2017 until he was fired in February 2021
- Lloyd in August 2021 filed a lawsuit at California Superior Court alleging that he lost his job because he questioned a 'cult' that many of his colleagues joined
- Earlier this month Lloyd wrote a Medium post about his time at Google, and his concerns about Fellowship of Friends
- Google insist that they are unaware of a person's religious beliefs during hiring; Lloyd says they know about the influence of the cult, but turn a blind eye

By [Harriet Alexander](#)

[View comments](#)

An apocalyptic 'cult' led by an eccentric misogynist accused of sexual abuse of young men has taken over a division of [Google](#), a whistleblower has claimed.

Kevin Lloyd, 34, claims that he was fired from his job as a video developer at Google last year because he began questioning the influence of the cult.

In August, Lloyd filed a discrimination case in [California](#) Superior Court, alleging he was fired for digging into Fellowship of Friends - a group based in the small Californian town of Oregon House, and whose members made up a large percentage of employees in his division.

'Plaintiff's preliminary research into Oregon House and the Fellowship of Friends described the Fellowship as a destructive cult, with a pedophilic leader who

makes false prophecies about the end of the world,' the lawsuit claims.

'Plaintiff became alarmed that Google was involved with and/or financially supporting such an organization.'

Earlier this month, Lloyd wrote a lengthy description of his case on [Medium](#), and spoke to The [New York Times](#) - who corroborated many of the lawsuit's claims through interviews with eight current and former employees of the Google business unit.

 Kevin Lloyd, 34, claims he lost his job at Google because he raised concerns about how many people within the Google Developer Studio were affiliated with Fellowship of Friends

-

Kevin Lloyd, 34, claims he lost his job at Google because he raised concerns about how many people within the Google Developer Studio were affiliated with Fellowship of Friends

 Google's campus in Mountain View is 180 miles from the small town of Oregon House, population 1,250 - yet half of the people Lloyd met were from Oregon House, he said

-

Google's campus in Mountain View is 180 miles from the small town of Oregon House, population 1,250 - yet half of the people Lloyd met were from Oregon House, he said

Lloyd said he began work at Google in 2017, as part of Google Developer Studio (GDS) - the tech giant's internal production company, making adverts and video content.

He said it slowly dawned on him that many of the people he met at GDS were from the same small Californian town, 180 miles north of Google's Silicon Valley home, in Mountain View.

The town of Oregon House is home to 1,250 people, and yet Lloyd said he realized that half of the 25 people he met at GDS were from the same town.

Lloyd said he noticed that many of the outside vendors, such as caterers and entertainers at corporate events, were also from Oregon House.

In 2018, Lloyd said, he was speaking to a freelancer who was working with them that day, and was from a town near Oregon House.

Lloyd recalls the freelancer telling him: 'Oregon House isn't a town. It's a cult.'

He began investigating the freelancer's claim, and said he was shocked by what he found.

'There are online support groups for former Fellowship of Friends members to help them process the trauma endured during their membership, as well as problems that arise after leaving,' Lloyd's lawsuit states.

Fellowship of Friends, which is based in Oregon House, was founded in 1970 by Robert Earl Burton, a former school teacher in the San Francisco Bay area.

'From its inception the vision of the Fellowship was, and remains, to establish a practical spiritual organization and to make it available to anyone interested in pursuing the spiritual work of awakening,' they state on their website.

 Robert Earl Burton, now believed to be around 83, founded Fellowship of Friends in 1970. He has been accused in multiple lawsuits of sexual abuse

-

Robert Earl Burton, now believed to be around 83, founded Fellowship of Friends in 1970. He has been accused in multiple lawsuits of sexual abuse

 Burton is seen with a European artwork purchased with the organization's cash. Members must give 10 percent of their earnings to the group

-

Burton is seen with a European artwork purchased with the organization's cash. Members must give 10 percent of their earnings to the group

Burton, believed to be now aged in his early 80s, sought to create a center celebrating the fine arts - with opera, ballet, works of art and literature the focus.

He based his organization in Oregon House, and created a winery where his devotees worked, when not studying the arts.

Google even purchased wine, the lawsuit claims, from the Grant Marie Winery, an allegedly cult-affiliated vineyard run by a Fellowship member in Oregon House.

But critics claimed that he had sexually abused new members of his group - in particular young boys.

In 1984 a former member filed a \$2.75 million lawsuit claiming that young men who joined the organization 'had been forcefully and unlawfully sexually seduced by Burton,' according to documents obtained by [The New York Times](#).

In 1996, another former member accused Burton in a law suit of sexual misconduct with him while he was minor. Both suits were settled out of court.

Some accusers, Lloyd alleged, had been flown to the country under false pretenses and then abused.

 Members of Fellowship of Friends are seen with Burton (left, in pale blue suit) holding a meeting

-

Members of Fellowship of Friends are seen with Burton (left, in pale blue suit) holding a meeting

What is Fellowship of Friends?

Founded on January 1, 1970 by San Francisco school teacher Robert Earl Burton, Fellowship of Friends is a non-profit religious organization, headquartered in Oregon House, California.

Burton based his faith system on a philosophy called the Fourth Way, founded by an Armenian philosopher and mystic, George Gurdjieff, who lived from 1866 to

1949.

Burton adopted Gurdjieff's believe that people are in a hypnotic 'waking sleep', and need to work on themselves through studying art, music and literature.

He named his 1,200-acre headquarters Apollo, and his 1,800 followers gave 10 percent of their earnings to the organization - which spent the money on art, fine wine and culture.

Critics have filed lawsuits claiming sexual abuse.

Other critics said that the group was strongly anti-women, and celebrated white European men above all.

In September, investigative journalist Jennings Brown published a six-part podcast produced for Spotify, entitled [Revelations](#).

Brown had spent three years from 2018 digging into the group, and documented allegations of sexual abuse in what he termed a 'doomsday cult'.

Lloyd said he was aghast that GDS was so strongly linked to the Fellowship, with GDS's director, Peter Lubbers, described as a longtime member of the group, who joined shortly after he moved to the U.S. from the Netherlands.

Lubbers introduced a video producer named Gabe Pannell to the Fellowship: Pannell was pictured with Burton in 2015, and described as a 'new student', The New York Times report.

Lloyd's lawsuit states: 'Mr Lubbers gained status and praise relative to the increase of money flowing to the Fellowship through his efforts at Google that put (and kept) other Fellowship members — directly or indirectly — on Google's payroll.'

Lubbers insisted faith had nothing to do with his hiring.

'My personal religious beliefs are a deeply held private matter,' Lubbers told The New York Times.

'In all my years in tech, they have never played a role in hiring. I have always performed my role by bringing in the right talent for the situation — bringing in the right vendors for the jobs.'

Pannell told the paper that those hired were brought in from 'a circle of trusted friends and families with extremely qualified backgrounds'.

Lloyd, in his Medium post - which does not name Lubbers or Pannell - said that anxiety about the Fellowship, and its reputation, sparked a panic attack, for which he was admitted to ER.

He said in his court documents that he worried events he produced 'could somehow be used to funnel money back into the Fellowship of Friends.'

 Burton is seen in a 1981 photo at Oregon House. In 1984, a former member filed a \$2.75 million lawsuit claiming that young men who joined the organization 'had been forcefully and unlawfully sexually seduced by Burton,' according to documents obtained by The New York Times. The suit was settled out of court

-

Burton is seen in a 1981 photo at Oregon House. In 1984, a former member filed a \$2.75 million lawsuit claiming that young men who joined the organization 'had been forcefully and unlawfully sexually seduced by Burton,' according to documents obtained by The New York Times. The suit was settled out of court

Fired in February 2021, he has retained a lawyer who previously represented a woman at Lubbers' previous company, Kelly Services, and sued in 2008 in a similar case.

Lynn Noyes claimed that Kelly Services had failed to promote her because she was not a member of the Fellowship.

A California court awarded her \$6.5 million in damages.

'Anyone outside of the Fellowship is seen as somehow inferior and at times adversarial,' Lloyd's lawsuit says.

'Those that express serious concerns, criticism or question the group may be eventually perceived as enemies.'

Google told The New York Times that they were barred by law from inquiring about someone's religious practices during the hiring process.

'We have longstanding employee and supplier policies in place to prevent discrimination and conflicts of interest, and we take those seriously,' a Google spokeswoman, Courtenay Mencini, said in a statement.

'It's against the law to ask for the religious affiliations of those who work for us or for our suppliers, but we'll of course thoroughly look into these allegations for any irregularities or improper contracting practices.

'If we find evidence of policy violations, we will take action.'

Fellowship of Friends was approached for comment.

Regarding Facebook AKA META, the issues, that the public and the news media have complained about include: producing child suicides and classroom shootings, racism, misogyny, child mental health threats, domestic spying, data harvesting, sex trafficking, election manipulation, tax evasion, Fusion GPS/Media Matters/ Black Cube hit jobs on competitors, censorship, contrived market monopolization, intellectual property theft, political bribery and many other social crimes! FACEBOOK PROFITS OFF THE CLICKS FROM SCHOOL SHOOTINGS -- -- MOST OF THE BIDEN AND OBAMA STAFF OWN PARTS OF FACEBOOK!!!

[Scrutinizing Sandberg's Use of Resources Over Years...](#)

---- An unusually large number of their staff have been arrested for, or charged with, sex crimes, including under-age trafficking.

---- This entity is one of the largest operators of bribes to public officials. Some of those bribes include billions of dollars of, non-FEC reported, search engine rigging for the political campaigns of the very politicians who are supposed to regulate them.

---- Facebook-Meta engaged in the bribery of public officials.

---- Facebook-Meta is a front for actions and planning in the Obama and Biden White House.

--- Facebook-Meta is part of a criminal Big Tech Cartel.

---- Facebook-Meta is an illicit monopoly that violates anti-trust laws.

---- Facebook-Meta operates a digital news and information "protection racket".

---- Facebook-Meta attacks competitors who cannot defend themselves.

- Facebook-Meta uses public officials to blockade competitors.
- Facebook-Meta manipulates the stock market illegally and unethically.
- Facebook-Meta operates like a private, unregulated, government.
- Facebook-Meta abuses CIA, NSA and DIA resources for unjust gains.
- Facebook-Meta uses Stazi-like mind and ideology manipulation tricks on it's site to try to get you to agree with Mark Zuckerbergs ideologies.
- Facebook-Meta investors and investment bankers conspire in a Mafia-like manner.
- Facebook-Meta steals patents and technology from others and refuses to pay for it.
- Facebook-Meta's Sandberg pretends to be the goddess of women's rights yet she is screwing the CEO of Activision, the biggest female sexual abusing company in America.
- Facebook-Meta's stock is owned by almost all of the California politicians and their families and that is why Facebook-Meta is never regulated and always protected by them for their political and profiteering manipulations.
- Facebook-Meta is Pro Israel and anti-Arab and anti-Muslim.
- Facebook-Meta's runs tens of millions of dollars of defamation attacks against competitors.
- Facebook-Meta hides all media and news coverage for competitors of Larry Page and Elon Musk.
- Facebook-Meta lies to the public about what they really do with the public's data.
- Facebook-Meta receives millions of dollars of payments from government spy agencies each month.
- Facebook-Meta promotes illegal immigration in order to get cheap labor and control votes.

- Facebook-Meta runs VC funding back-lists against start-ups that are competitive.
- Facebook-Meta bribes thousands of politicians in order to steer policy to their advantage.
- Facebook-Meta is a criminal RICO-violating monopoly.
- Facebook-Meta rigs the stock market with Flash-boy, Pump/Dump and Microblast SEC violating computer tricks.
- Facebook-Meta pays bribes to politicians in Facebook-Meta stock.
- Facebook-Meta manipulates who gets to see what web-sites, globally, for competitor black-lists.
- Facebook-Meta has a “no poaching” Silicon Valley jobs blacklist.
- Facebook-Meta bosses sexually abuse women and young boys.
- Facebook-Meta bosses run sex trafficking operations in the Epstein and NXVIUM cults.
- Facebook-Meta bosses control the NVCA financing cartel over start-ups.
- Facebook-Meta scheme to take over the VR and AR markets is based on spying on the public with VR sensors and cameras.
- Facebook-Meta controls national elections for anti-competitive purposes.
- Facebook-Meta’s law firms are corrupt conduits for payola and political conduit-relays.
- David Plouffe and the Zuckerberg’s were recording in meetings planning a take-over of the United States Government.
- Facebook-Meta bribes some politicians with revolving door jobs.
- Facebook-Meta is primarily responsible for destroying the Bay Area Housing opportunities.
- Facebook-Meta runs DDoS attacks on competitors by massively crawling their sites.

---- Facebook-Meta has paid covert bribes, PAC funds, real estate and search rigging payola to every California Senator.

---- Facebook-Meta has paid bribes, through its lobby fronts, to halt FBI, SEC, FEC and FTC investigations of Facebook-Meta crimes.

---- Facebook-Meta gets millions of dollars of taxpayer cash for spying on Americans inside the USA.

---- Nancy Pelosi and Dianne Feinstein have promised to “protect” Facebook-Meta because their families profit off Facebook-Meta stocks.

---- Facebook-Meta VC’s and bosses have spent \$30M+ rigging the U.S. Patent Office to protect Facebook-Meta and harm Facebook-Meta competitors.

---- Facebook-Meta bribed it’s lawyer into position on the board of the U.S. Patent office in order to have him protect Facebook-Meta.

---- Facebook-Meta rarely likes, or hires, black employees per federal and news media investigations.

---- Facebook-Meta hired most of the Washington, DC K Street lobby firms and told them to “do what ever they could” to control public policy for Zuckerberg. The film: “Miss Sloane” depicts only 2% of the illicit lobbying tactics Facebook-Meta employs daily.

---- There are hundreds of millions of people in America. The same 120 of them are all involved in operating the same crimes and corruption including: the Sony Pictures corruption; the Afghanistan rare earth mine scandals operated through The Energy Department political slush fund that involves the lithium battery cover-ups (headed by Elon Musk); the Big Tech Brotopia rape, sex trafficking, bribery, exclusionism, racism and misogyny issues they were taught at Stanford University; The Facebook – Meta – Google – Alphabet – Netflix, et al, coordinated news manipulation and domestic spying that they engage in; the hiring of Fusion GPS – Black Cube – Gizmodo/Gawker assassins; the destruction of the housing market by their mass real estate manipulations; patent theft and industrial espionage; and the bribery of almost every politician all the way up to the Oval Office.

---- So, while the categories covered in this investigation may seem diverse. They are connected through an enterprise of criminality and illicit, coordinated operations. We list, by name, the 120 most complicit individuals organizing these

crimes, in the evidence documents already submitted to the FBI, FINCEN, DOJ, FTC, SEC, FEC, Congress, InterPol and other authorities. Digital financial tracking of those persons and all of their family members should be assumed to have been under way for some time. Wire-taps and device taps of those persons and all of their family members should be assumed to have been under way for some time.

---- Twitter, Splunk, Google, Facebook, Netflix, YouTube and the Silicon Valley internet Cartel serve you custom manipulated content by automatically creating a covert digital dossier on you reflecting the content consumption preferences they have spied on about you. They continually evolve their dossier on you in order to steer you towards their ideology and their Democrat political party. At these companies, "data mining", "machine learning" and "AI" means computerized propaganda processing for certain political entities. They began hiring off-shore people (because they would work so cheap) but most of those people turned out to be Muslim. This created conflicts with the entire southern part of the United States (which is anti-Muslim) because those workers steered content to pro-Muslim positions.

---- Their spy dossier on you uses abstract content-specific features of the consumed content, such as categories, topic models, and entities, which they automatically extract using natural language processing by comparing every word you use to a giant computer library of what those words might mean about your psychology. So it's like you are getting "mind-raped" without any penis use. Their assessment of what your words might mean is based on what rich, white male, \$200K/year, DNC-promoting programmers think they might mean. Their computers scale and expand their tools with algorithmic software created by those politically and socially biased frat white boys that wrote the code.

It is all biased as hell. They never hire blacks or women in system creation roles so everything these companies do only supports rich white soyboy snowflake type gamer thinking. ---- Because their Silicon Valley VC's told them to spy on billions of people, even for these web giants, it is impractical to store the entire dynamic history of a user's interaction features. They, thus, out of greed, use algorithms that selectively decay information in order to generalize users and populations. To them, you are just a generalized data point, like cattle on a ranch, to be harvested and fed upon by Silicon Valley.

Darkest Secrets Of Facebook AKA Meta (VIDEO)

By comparing records and files from FINCEN, FBI, FTC, SEC, Congressional Investigators, ICIJ, FEC, Interpol, CIA, DOJ, ProPublica, and other sources, one can easily see that political officials own Google, Tesla, Facebook, YouTube, Instagram, et al, (AKA "The Tech Cartel" or, in legal terms: "The Enterprise"). This explains why those companies have been exempt from regulation and prosecution. Those public officials and tech company oligarchs have exchanged millions, and millions, of dollars between themselves and their families for profiteering.

They were all either financed by, friends with, sleeping with, dating the staff of, holding stock market assets in, promised a revolving door job or government service contracts from, partying with, personal friends with, photographed at private events with, exchanging emails with, business associates of or directed by; our business adversaries, or the Senators and politicians that those business adversaries pay campaign finances to, or supply political digital search manipulation services to. Criminal U.S. Senators coordinated and profited in these schemes. Their own family members have now supplied evidence against them. You don't hear about this, much, in the "main-stream news" because nearly half of Congress, White House staff and government agency bosses own the stock in the news broadcasters and receive billions of dollars of financing from them.

Many witnesses, including us, have now sworn, warranted and certified to federal law enforcement about the details of these crimes. Many of those whistle-blowers were former executives in "The Tech Cartel".

This is not about politics. It is about felony crimes! Our government representatives are business partners with our biggest enemies and make decisions based on greed, not duty!

YOUR POLITICIANS ARE TAKING STOCK MARKET INSIDER TRADING BRIBES AND HERE IS HOW YOU CAN CATCH THEM AND STOP THEM!

Have you noticed that none of the current decisions in politics help you? The current Washington DC and Sacramento policy decisions only help the politicians with their insider stock market profits!

Corrupt political California dynasty families conspire to give government funds, contracts, tax waivers, buildings, stock market profits and other insider perks to themselves and their friends. They also conspire to blockade, harm, sabotage and black-list those who compete with them and their friends. These corrupt politicians are never prosecuted for their crimes, and can laugh in the face of those who point out their crimes, because they control the prosecution system. Their Quid Pro Quo criminal corruption is the single largest cause of the taxpayer hatred of Congress.

Are you sick of the dirty corporations, Silicon Valley Oligarchs And YOUR OWN Senators engaging in these crimes using YOUR tax dollars?

All of these assertions have been proven in court records, federal investigations, Congressional charges, 60 Minutes segments, news documentaries, document and email leaks, and thousands of other sources. The facts are undeniable and can be proven, AGAIN, in live televised Congressional hearings!

YOU CAN WIPE THEM OUT USING 100% LEGAL PUBLIC FORENSICS!

In all of recorded history, there has never been so much taxpayer cash given to so few people, where each, and every, one of the recipients was a friend of the politician giving away the taxpayer cash and everyone who got the cash immediately skimmed "unjust profits" and shut down the business.

Want to help end the tech oligarch's rape of society? Never, EVER: use, read, quote, link to, paste from, or refer to; anything on corrupt and contrived: T-Mobile - Twitter, Google - Alphabet - Facebook - Meta - Instagram - Netflix or YouTube! Don't expand their reach! Don't be their digital bitch! Stop being an addict to Silicon Valley's social media scam! Keep the battery out of your phone so Big Tech can't continue to spy on you. Did you know you CAN'T turn an iPhone off. Apple iPhone's pretend to be "off" but still monitor you with reserve power. The government should shut these companies down but they don't because these companies pay the largest bribes on Earth to politicians! Demand that Congress shut down these big tech abusers that cause child suicides, bullying, sex trafficking, money laundering, tax evasion, political bribery, election manipulation and other social crimes. Twitter, Facebook, Google, Netflix, YouTube spy on you and rape your mind by serving manipulated content choices requires by automatically creating covert user dossiers made by spying on users' content consumption preferences and continually changing them based on psychological analysis of the users. Spy agency-type profiles created by Twitter, Facebook, Google, etc. use abstract content-specific features of the consumed content, such as categories, topic models, and entities, which they automatically extract using NLP methods. They Aggregating these features per user at scale based on what rich white Democrat ideology Google programmers want. In particular, it is impractical to store the entire dynamic history of a user's interaction features, requiring the companies to use biased algorithms that selectively decay information in favor of a more liberal political representation. The more it scales, the more racist, sexist, classist, misogynistic and politically biased it gets.

The history books teach that San Francisco was founded by **Prostitutes, Pirates And Gangsters**. That crowd still runs San Francisco, even in modern times. These criminals expanded south of San Francisco to Silicon Valley based on Stanford University institutionalizing and teaching business corruption to sociopath frat boys. They then took their circus of bribery and insider trading to Washington, DC and the rest is history.

For example: ***All of the money that the U.S. Department of Energy gave out during the Obama and Biden Administrations only went to the friends and financiers of the Obama and Biden Administrations. Anybody that applied for the money, that competed with the friends and financiers of the Obama and Biden Administrations were cut-off and de-funded. The staff and politicians in the Obama and Biden Administrations owned the stocks of those few who got funded and went to work for them after they left Washington. It was as blatant a quid-pro-quo revolving door scam as anyone had ever seen. (ie: Solyndra, Tesla, Abound, Abengoa, etc.)***

In another example: Feinstein's family owned and controlled A.) Government trained attack 'spies' formerly with the CIA, NSA, etc., B.) The leasing contracts for Tesla and Solyndra, C.) Their office staff that threatened competitors in writing and in-person, D.) the financing for Tesla and Solyndra, E.) The construction services for Tesla and Solyndra, F.) The staffing company for Tesla and Solyndra, G.) The adjacent railroad services for Tesla and Solyndra, H.) Key suppliers for Tesla and Solyndra, I.) Goldman Sachs cooperative relationships for Tesla and Solyndra, J.) Transitions from their own Senate Office staff to revolving door jobs at Tesla and Solyndra, K.) Government decisions for Tesla and Solyndra, L.) The relationship incentives between Google, Tesla and Solyndra and that Senator's campaign financing to that Senator; and other illicit conflicts of interest. Her husband: Dick and her daughter: Kathy, even confessed to these schemes to a whistle-blower, while being recorded. Competitors owned the competing electric car companies and technology that would have obsoleted Tesla, Google and Solyndra and was the first to begin negotiations with the factory that Tesla later took over at the insistence of that Senator, even though Elon Musk appears in news reports, previously stating that he saw no use for the building for Tesla. Feinstein put a hit job on them to protect her own stock market shares.

Silicon Valley has had the largest number of Congressional hearings against it, BUT the least number of regulations imposed on it. Why? You can look no further than the covert ownership of Silicon Valley by elected officials. Our politicians get paid bribes, by Silicon Valley, to keep the political corruption alive and well while they operate, with impunity, as the biggest threats to society ever manifested.

While the FBI, FTC, DOJ and FEC are supposed to objectively prosecute this case, it is impossible for them to be objective when their raises, promotions,

house payments and stock market profits are entirely determined by the individuals we are charging with these crimes.

**DON'T WAIT FOR THE BIG AGENCIES: SUE THE PERPS
IN SMALL CLAIMS COURT IN YOUR TOWN TODAY!**

Trillions of dollars of stock trades and direct payola bribes were exchanged using the White House as a broker and government agencies as a stock market manipulation platform.

Politicians turned the government into a cheap garage sale of cronyism!

SEE MORE EVIDENCE AT:

<https://san-francisco-news.com>

<http://www.federal-report.com>

<https://case-xyz2020a.com>

---- This case affects who gets to run the United States Government and who profits from government decisions, a matter of many trillions of dollars. -

--- The evidence folders provide evidence of the corruption in categories. The illicit acts described therein all involve the same perpetrators. The evidence items specific to this folder category are at the bottom of this page: A.) AFGHANISTAN RARE EARTH CORRUPTION; B.) CASE DIAGRAMS; C.) DEPT OF ENERGY CRONY SLUSH FUNDS; D.) FACEBOOK META CORRUPTION; E.) GOOGLE ALPHABET CORRUPTION; F.) MASS MEDIA MANIPULATION; G.) NETFLIX NEGLIGENCE; H.) PATENT THEFT; I.) REPAIRING SILICON VALLEY; J.) SICKO TECH FRATBOYS; K.) SONY PICTURES CORRUPTION; L.) STANFORD UNIVERSITY INVESTIGATIONS; M.) THE CORRUPT SENATORS; N.) THE ELON MUSK REPORTS; O.) THE HOUSING CRISIS; P.) THE LITHIUM BATTERY LIE; Q.) THE MEDIA ASSASSINS; R.) THE POLITICAL BRIBES; S.) THE SAN FRANCISCO CORRUPTION; T.) USING SOCIAL MEDIA SITES TO SPY ON CITIZENS; V.) THE SILICON VALLEY DEATHWATCH

---- For example; The United States Department Of Energy, the U.S. Patent Office, The EPA and others, since November 2008, have been almost entirely used as scam crony payola slush-funds to pay off political campaign financiers of White House insiders. In addition, government agencies are used as gate-keepers to sabotage and stall the competitors to those political campaign financiers of White House insiders. It is political racketeering operating in plain sight! The cover-ups by the IG, AJ and DOJ are ENDLESS!

---- Politicians turned the government into a cheap garage sale of cronyism! This kind of crime illicitly and illegally manipulates the power over who runs the United States Government and who profits from government decisions which are a matter of many trillions of dollars. The act and veracity of this crime enterprise will be proven to the Jury.

---- Based on that assertion it will then be proven that:

---- 1.) Plaintiffs exposed and reported the crime to proper authorities through proper channels.

---- 2.) Some of those authorities used government resources to operate reprisal attacks against Plaintiffs, using government resources to operate the attacks, as revenge for reporting the crimes.

---- 3.) The state-sponsored attacks were supported by the political campaign financiers of the government authorities in order to protect their payola conduits and stock market manipulations.

---- 4.) Over 40 harms, each to be detailed and examined in Court, were documented against Plaintiffs by the actions of corrupt government authorities.

---- 5.) In a vast number of previous lawsuits, including one won by Plaintiffs and their peers, it was proven that government offices infected with corruption regularly attack and harm citizens in reprisal.

---- 6.) The government, having been caught in these illicit actions, must now pay Plaintiff for his losses, damages, harms, back-pay fees and other compensation.

---- Tesla And Fisker were financed by the family and investors of Presidents Obama and Biden, as proven by Congressional investigators and email leaks.

----- Government officials ordered attacks on Plaintiffs, de-funding and reprisals because Plaintiffs reported corruption at the White House, Department of Energy, and other government offices, and because Plaintiff's technology could obsolete the technologies that government officials were illicitly receiving bribes from via insider trading. The attacks and harms against Plaintiffs used government resources paid for by taxpayers.

---- There are hundreds of millions of people in America. The same 120 of them are all involved in operating the same crimes and corruption including: the Sony Pictures corruption; the Afghanistan rare earth mine scandals operated through The Energy Department political slush fund that involves the lithium battery cover-ups (headed by Elon Musk); the Big Tech Brotopia rape, sex trafficking, bribery, exclusionism, racism and misogyny issues they were taught at Stanford University; The Facebook - Meta - Google - Alphabet - Netflix, et al, coordinated news manipulation and domestic spying that they engage in; the hiring of Fusion GPS - Black Cube - Gizmodo/Gawker assassins; the destruction of the housing market by their mass real estate manipulations; patent theft and industrial espionage; and the bribery of almost every politician all the way up to the Oval Office.

---- So, while the categories covered in this investigation may seem diverse. They are connected through an enterprise of criminality and illicit, coordinated operations. We list, by name, the 120 most complicit individuals organizing these crimes, in the evidence documents already submitted to the FBI, FINCEN, DOJ, FTC, SEC, FEC, Congress, InterPol and other authorities. Digital financial tracking of those persons and all of their family members should be assumed to have been under way for some time. Wire-taps and device taps of those persons and all of their family members should be assumed to have been under way for some time.

---- That's right! Your public officials use federal agencies as dark-money laundering operations for their friends.

---- If you are a taxpayer: You suffered damages!

---- If you are an American business: You suffered damages! -

--- If you are Democracy: You were broken!

---- If you were a tech mobster: You made out like a bandit! -

--- This is how it worked. No public official wants these crimes to end because most of those officials profit from these crimes!

--- Forget about any allegiance you might have to one political party over another. This is not about parties, this is about racketeering crimes! The Solyndra taxpayer, technology, financial and political disasters that began during the corrupt reign of Steven Chu and Jennifer Granholm at the Department of Energy typified the overt, organized crime, corruption and crony malfeasance of the public funds.

---- This trend was created via the back-door deals between 1.) the U.S. Department of Energy and audacious kick-back schemes created by 2.) Silicon Valley campaign financiers and the 3.) White House. This is the story of the racketeering schemes and scams that set out to steal trillions of dollars of taxpayer cash, in plain sight, under the cover of a national "economic" or "health" emergency "stimulus" scam.

---- IF YOU SEE CORRUPTION, REPORT CORRUPTION: Post a public web page with all of the details and evidence of the political corruption. Then invite all of the press, public, Inspector General's, FBI, SEC, FTC and law enforcement to that web page. This will prevent cover-ups and stone-walling and protect you from getting

ignored! Never assume that the agencies that are supposed to help you, will help you!

- End political corruption in America by making any stock ownership by senators and political insiders illegal.

- Exterminate Google, Facebook, Tesla, Youtube and Netflix for their crimes, attacks on competitors, patent office and Senate bribes.

- File criminal referrals to federal law enforcement on each oligarch that hired Fusion GPS, Gawker, Black Cube, Amyntor, et al, to run "kill teams" against competitors and whistle-blowers and produce public, CIA-quality, investigation dossiers on each one. Make it a felony for anyone to hire a "kill service", "character assassination service" or "oppo service"!

CONGRESSIONAL BUDGET: Are you wondering why Congress can't get the Congressional budget approved? Because Nancy packed it with TWO TRILLION dollars of kick-backs that directly profit her, and her friends, stock market accounts! None of that budget is for you. It is all for lobbyists and insider trading schemes! A little political Cartel of California insiders coordinate together to rig political expenditures for their own personal benefits. You can see in their "stimulus bills" that almost no money goes to the public but, instead to big construction developers who finance those insiders. Congress should make a law that NO company that the Feinstein family, the Newsom Family or the Pelosi family owns stocks in can use any of the Stimulus Funds or benefit from those funds!

THE PANAMA PAPERS AND THE GREEN CAR BOONDOGGLE: You have probably heard of *"The Offshore Leaks"*, *"The Panama Papers"*, *"The Pandora Papers"*, *"The Swiss Leaks"*, *"The Sony Pictures Hack"*, *"The Luanda Leaks"*, *"The Bahamas Leaks"*, *"The Paradise Papers"*, etc. What you might not know is that EVERY bank and international CPA firm has been hacked. Different state agencies, seeking to embarrass each other, have a leaking war going on. The public has only seen 10% of what the international journalists (Like ProPublica, ICIJ, Transparency International, The Guardian, etc.) have in their hands. The Government hired a team to build America's back-up energy plan "*in case the Middle East had problems*". The Government convinced them to invest years of their time and their life savings in this Government sponsored program. At the last minute, the government didn't pay what they had promised that team and sent the money, instead, to a White House political campaign financier oligarch. Federal and news

investigators later discovered that the oligarch, and his staff, were sleeping with, giving jobs to and paying the White House staff that made all of the funding decisions. It was felony-class organized crime. What you can expect to see in the future is a set of material called "**THE ENERGY PAPERS**". (https://www.the-truth-about-the-dept-of-energy.com/the_energy_scam_papers.pdf) These materials document an organized-crime using taxpayer dollars to pay quid pro quo to politicians and their tech oligarch financiers. The papers document how bribes, payola and insider deals financed Solyndra, Ener1, Tesla, Abound and others. Elon Musk, Mark Zuckerberg, Eric Schmidt and Larry Page are exposed ordering hit-jobs" on competitors and maintaining covert business ownership's with U.S. Senators.

FACEBOOK/META: Because of what the "**THE FACEBOOK/META FACE-PLANT**" matter exposed; citizens are calling their elected officials and demanding that the Department of Defense and The Department Of Justice CUT-OFF **Facebook/WhatsApp/Instagram** from their global DNS servers until they **FULLY answer to Congress for their crimes and lies**. This Silicon Valley social crime operation has been proven to be a national security risk, a dire threat to our youth, **a bribery operator** and a threat to society as a whole! October 4, 2021 was the first day in modern human history that the entire planet was freed from the social stain that is the Facebook empire. University data scientists and forensic internet analysts were able to compare traffic manipulations on Oct 1., 2021, by Facebook's web manipulation and privacy harvesting gang, to the "clean" internet that uniquely existed on Oct. 4, 2021. **You can see the changes. You can see who was controlling what. You can see the fake user data stop...and start. The whole thing is rigged and the scientific facts now prove it!** The Congressional Senate Commerce hearings have further proved that FACEBOOK operates exactly like a **Mexican drug cartel** run by '**El Zucko**' pushing addictive media and messaging to kids and vulnerable citizens in order to control global politics. Zuckerberg's "Tech Cartel" owns the U.S. Congress with billions of dollars of bribes and lobbyists. We have warned Congress and the agencies about these issues, in writing, since 2002 but **lobbyists seem to speak louder than justice! The facts prove that Facebook is one of the largest abusers of children in the world. FACEBOOK-META makes over one billion dollars, per day, for each day that they delay Congress from acting! If Osama Bin Laden and Adolph Hitler jointly owned Google and Facebook and Congress repeatedly called them in for hearings and at the end of each hearing they said "We made some mistakes but we will do better", would you ever believe them? Would you wonder how Congress could go for decades without stopping them? If you found Nazi gold bars and underage**

Afghan slaves in the closets of the Senators, would that better explain why Congress does nothing about Facebook And Google?

The Bribes are out of control! ---- Can you say INSIDER TRADING STOCK MARKET PAYOLA BRIBES?

- [Internal Capitol Police Review Found Sweeping Intelligence, Security Failures On Pelosi's Watch](#)

Shoshana Zuboff's, The Age of Surveillance Capitalism - Why Twitter, Google, Facebook, Instagram, YouTube, Alphabet are the SAME Thing, The SAME SICKO tech elites and the same kinds of social privacy RAPE against citizens!

<https://www.contagious.com/news-and-views/shoshana-zuboff-on-the-age-of-surveillance-capitalism>

---- The corruption is easy to prove with a simple spread-sheet but the corrupt Senators have done everything they can to keep you from seeing that spread-sheet.

---- If you saw the spread-sheet that shows all of the covert family bank accounts, fake trust funds, shell companies and stock market accounts for Dianne Feinstein, Harry Reid, Nancy Pelosi, etc.; you can easily see how they only get a salary of \$190K per year but put hundreds of millions of dollars in their accounts that all traces back to special interest groups that tell them what laws to make and what laws to stop from moving forward. Forensic accountants at the GAO, FBI or SEC can pop out the latest update on any given day.

---- WITH A COURT ORDER – WE CAN PRESENT DETAILED DOCUMENTS ACCOUNTING FOR EVERY CENT IN EVERY ACCOUNT THAT IS CONNECTED TO NANCY PELOSI, DIANNE FEINSTEIN, EVERY MEMBER OF THEIR FAMILY AND THE KICK-BACKS AND INSIDER TRADING THAT PRODUCED THOSE FUNDS!

---- These Senators have “rules” that delay investigations against themselves, though. Also, as we all saw from the Comey case: Corrupt Senators can even tell the head of the FBI who to NOT investigate! The 2008 and 2021 “Stimulus Funds” were just scams cooked up by politicians for them to skim stock market pump-and-dump profits off of and grab personal payola.

---- In all these corruption cases, these corrupt people took the same steps to conceal their assets. They each took the money in secret ways. The main ways are 1.) via Dark Money stealth political funds; 2.) bribes paid via insider trading (notice that most of these crooks marry an investment banker to run their dirty schemes) and 3.) getting government contracts, loans and grants for their friends that they get kick-backs from. They then had their dirty law firms and CPA's shove the money into their standardized covert financial structure to hide it.

---- They use family members to run the operation. Their dirty family members and lawyer/CPA teams cover up their tracks. They then have intermediaries spend the money to get them islands, yachts, mansions, hookers, Tesla's, etc.

--- The 2008 and 2021 "stimulus funds" are quid pro quo scams to pay off political insiders. We reported these crimes (with FBI-class evidence) to every law enforcement agency in writing (FBI, DOJ, SEC, IG, FTC, OSC, FEC, etc.). apparently, citizens are ignored if the crimes involve politicians and their billionaires.

---- The cover-ups are off-the-charts!

---- these mobsters (Google, Tesla, Facebook, LinkedIn, Netflix, In-q-tel, Kleiner Perkins, Greylock, etc; acting in a coordinated, collusion-based, operation) are paying billions of dollars of political bribes (...via cash, real estate, sex trafficking, pacs, search engine rigging, crony jobs, biased censoring, campaign funds, stock market manipulations, ukrainian money laundering, etc.) to delay justice and blockade our, and your, rights! There can be no question about the fact that Google, Facebook, Netflix, Tesla and the Silicon Valley Cartel control the Obama and Biden White House.

---- For example: Elon Musk ordered the politicians who are his bitches to sabotage his competitors. He gave those political insiders: cash, stock in his cartel, revolving-door jobs, campaign funding, sex workers, off-shore money laundering, and other quid pro quo. Eric Schmidt, Larry Page, Mark Zuckerberg, and the rest of the tech mob, all worked together on these crimes.

---- The hacks and leaks of their documents prove it. Government agency bosses are covering up these crimes to protect their jobs and their corrupt stock market holdings. Musk and Goldman Sachs have gotten over FIFTEEN BILLION DOLLARS of free taxpayer cash and monopolized exclusives to pay for Musk's drugs, sex parties and mansions. This is one of the largest violations of anti-trust laws in history. The politicians and agencies that are supposed to stop him are getting

money from him. Musk exists entirely from quid pro quo bribes! Musk's banks, including Deutsche Bank, have had to pay more than \$100 million to settle charges related to violating anti-bribery laws and engaging in money laundering. While the Musk-controlled media bloviate on the god-like image of Musk, he and his buddies are just crooks and mobsters. -

--- It is now almost impossible for the public to reach any media source that is not controlled by the Silicon Valley Cartel via synchronized talking points. Politicians who say that their only motivation is to "save" the helpless billionaire Elon Musk and his unicorns: 1.) sabotage any companies who are not making Tesla's, 2.) have sex with Tesla lobbyists and bankers, 3.) own the stock in Tesla Motors, 4.) are venture capital partners in Kleiner Perkins (ie: Gore) and Greylock capital insiders, 5.) trade revolving door jobs with the Elon Musk cartel, 6.) gave Musk over \$15B of free taxpayer money, 7.) get campaign financing from Musk, 8.) order government agencies to freeze funding for Musk's competitors, 9.) and engage in a vast number of other corruption and anti-trust crimes.

---- U.S. Senators, Agency Heads and Congress are bribed by Google intermediaries with: Billions of dollars of Google, Twitter, Facebook, Tesla, Netflix and Sony Pictures stock and stock warrants which is never reported to the FEC; Billions of dollars of Google, Twitter, Facebook, Tesla, Netflix and Sony Pictures search engine rigging and shadow-banning which is never reported to the FEC; Free rent; Male and female prostitutes; Cars; Dinners; Party Financing; Sports Event Tickets; Political campaign printing and mailing services "Donations"; Secret PAC Financing; Jobs in Corporations in Silicon Valley For The Family Members of Those Who Take Bribes And Those Who Take Bribes; "Consulting" contracts from McKinsey as fronted pay-off gigs; Overpriced "Speaking Engagements" which are really just pay-offs conduited for donors; Private jet rides and use of Government fuel depots (ie: Google handed out NASA jet fuel to staff); Real Estate; Fake mortgages; The use of Cayman, Boca Des Tores, Swiss and related money-laundering accounts; The use of HSBC, Wells Fargo, Goldman Sachs and Deutsche Bank money laundering accounts and covert stock accounts; Free spam and bulk mailing services owned by Silicon Valley corporations; Use of high tech law firms such as Perkins Coie, Wilson Sonsini, MoFo, Covington and Burling, etc. to conduit bribes to officials. This will never end unless the public demands laws to prevent all politicians, and their families, from owning ANY stock market stocks or securities!

---- There are hundreds of millions of people in America. The same 120 of them are all involved in operating the same crimes and corruption including: the Sony

Pictures corruption; the Afghanistan rare earth mine scandals operated through The Energy Department political slush fund that involves the lithium battery cover-ups (headed by Elon Musk); the Big Tech Brotopia rape, sex trafficking, bribery, exclusionism, racism and misogyny issues they were taught at Stanford University; The Facebook – Meta – Google – Alphabet – Netflix, et al, coordinated news manipulation and domestic spying that they engage in; the hiring of Fusion GPS – Black Cube – Gizmodo/Gawker assassins; the destruction of the housing market by their mass real estate manipulations; patent theft and industrial espionage; and the bribery of almost every politician all the way up to the Oval Office.

----So, while the categories covered in this investigation may seem diverse. They are connected through an enterprise of criminality and illicit, coordinated operations. We list, by name, the 120 most complicit individuals organizing these crimes, in the evidence documents already submitted to the FBI, FINCEN, DOJ, FTC, SEC, FEC, Congress, InterPol and other authorities. Digital financial tracking of those persons and all of their family members should be assumed to have been under way for some time. Wire-taps and device taps of those persons and all of their family members should be assumed to have been under way for some time.

The corruption is easy to prove with a simple spread-sheet but the corrupt Senators have done everything they can to keep you from seeing that spread-sheet. ---- INSIDER TRADING with layered stock market payola is the top bribe method for politicians, these days!

---- If you saw the spread-sheet that shows all of the covert family bank accounts, fake trust funds, shell companies and stock market accounts for Dianne Feinstein, Harry Reid, Nancy Pelosi, etc.; you can easily see how they only get a salary of \$190K per year but put hundreds of millions of dollars in their accounts that all traces back to special interest groups that tell them what laws to make and what laws to stop from moving forward. Forensic accountants at the GAO, FBI or SEC can pop out the latest update on any given day.

---- These Senators have "rules" that delay investigations against themselves, though. Also, as we all saw from the Comey case: Corrupt Senators can even tell the head of the FBI who to NOT investigate! The 2008 and 2021 "Stimulus Funds" were just scams cooked up by politicians for them to skim stock market pump-and-dump profits off of and grab personal payola.---- In all these corruption cases, these corrupt people took the same steps to conceal their assets. They

each took the money in secret ways. The main ways are 1.) via Dark Money stealth political funds; 2.) bribes paid via insider trading (notice that most of these crooks marry an investment banker to run their dirty schemes) and 3.) getting government contracts, loans and grants for their friends that they get kick-backs from. Digital financial tracking of those persons and all of their family members should be assumed to have been under way for some time. Wire-taps and device taps of those persons and all of their family members should be assumed to have been under way for some time.

The social horror that 'Silicon Valley' became is just a bubble of social abuse waiting to burst. Let's count down the days until it finally implodes.

---- All Of Silicon Valley needs to be "KILLED OFF" without breaking a single law. They can never be fixed. It's easy to do with one simple, 100% legal, weapon: THE TRUTH! -

--- Said one Bay Area developer: "These crooks don't get to buy private jets, sex islands, multiple mansions, throw celebrity parties and buy hookers with MY money! If they are making big bucks off my technology, I get my percentage of what they spied on, copied and theived or they get exposed for what they are. I will bring the FBI, DOJ, CIA, FTC, SEC, FEC, FINCEN, 60 Minutes and Congress, along with my team, to help take them down..."

---- PAYBACK IS A BITCH FOR BIG TECH COMPANIES THAT USED THEIR BUSINESS FRONTS TO OPERATE: BRIBES TO CONGRESS, TAX-EVASION, SEX-TRAFFICKING, PATENT THEFT, ELECTION MANIPULATION, SHADOW-BANS, EMPLOYEE SEXSTORTION, OFF-SHORE MONEY LAUNDERING, STOCK MARKET MANIPULATION, BLACKLISTS, MONOPOLIES AND, WORST OF ALL, HIRED FUSION GPS, BLACK CUBE, IN-Q-TEL AND MEDIA MATTERS TO RUN ILLEGAL HIT-JOBS ON THEIR COMPETITORS! ISN'T IT INTERESTING THAT EVERY SINGLE ATTACKER HAS LOST BILLIONS OF DOLLARS IN STOCK VALUATION?

---- KARMA? PAY-BACK? HMMMMMM...???: BREAKING NEWS LINK: HA- HA -HA!
THE EXACT SAME COMPANIES THAT STOLE SCOTT'S STUFF AND THEN VIOLATED
HIS ANTI-TRUST PROTECTIONS ARE GETTING NAILED! KARMA - KARMA- KARMA!
TECH VALUES CHOPPED AS PALO ALTO'S CORRUPT MEDIA EMPERORS FOUND TO
HAVE NO CLOTHES ---- BREAKING NEWS LINK: How The Sick Pervert Billionaires
Boys' Club Came To Dominate The Public Square And Rig Elections

---- STOCKS DEADLY UGLY AS SILICON VALLEY CARTEL TURNS OUT TO BE ALL
HYPE AND NOTHING OF REAL VALUE

---- THE SILICON VALLEY MAFIA COORDINATE THEIR CRIMES VIA SAND HILL
ROAD INSIDERS AND THAT VIOLATES RICO AND MONOPOLY LAWS!

---- Silicon Valley has had the largest number of Congressional hearings against
it, the largest number of consumer complaints in American history BUT the least
number of regulations imposed on it. Why? You can look no further than the
covert ownership of Silicon Valley by elected officials. Our politicians get paid
bribes, by Silicon Valley, to keep the political corruption alive-and-well while they
operate, with impunity, as the biggest threats to society ever manifested.

---- Politicians protect Silicon Valley and allow them to keep doing crimes!

---- WHAT CRIMES ARE WE UPSET ABOUT SILICON VALLEY DOING?: Silicon Valley
is producing child suicides, racism, misogyny, child mental health threats,
domestic spying, data harvesting, sex trafficking, election manipulation, tax
evasion, Fusion GPS/Media Matters/ Black Cube hit jobs on competitors,
censorship, contrived market monopolization, intellectual property theft, political
bribery and many other crimes! Why? Because crime pays...for corrupt U.S.
Senators!

---- "EVERY SINGLE ENTITY THAT ATTACKED US HAS LOST A MINIMUM OF A
BILLION DOLLARS OF STOCK MARKET VALUATION OR GONE BANKRUPT...." -

--- YOU CAN KILL ANY CORRUPT ENTITY WITH: "THE TRUTH"!

---- In the Age of Transparency, also known as The Great Disruption. Many
document leaks have taken place, and more are expected, with particularly
shocking data. The public has now become way moree savvy about information
tools. This nexus of factors has created a new reality.

---- As billionaires and super-corporations become more prolific, their hubris,
tone-deafness, and egotistic excesses seem to increase. -

--- In this new age of equal access to all information, every member of the public now has access to the same investigation resources that the FBI and CIA have. Over 2000 online service providers will track down any crime, at any corporation or in any billionaies portfolio. You can, now, easily, hunt down the hookers, criminal expense accounts, tax evasion shelters, abuse of funds, insider trading, political bribes, mistresses, and other corporate mis-deeds of each and every executive at a company.

----The lesson to the wise: If you are a cocky billionaire, or corporation, one week; you can now be an out-of-business corporation, or billionaire, the next week. Be honest, legal and moral and you won't get the axe.

----- BY THE WAY: ATTACKS AND CENSORSHIP BY GOOGLE-ALPHABET-YOUTUBE: We have placed more software sensors on more server networks globally than anyone else has ever announced. When Google-Alphabet-YouTube Shadow Bans, DNS re-routes, Hides, Demonetizes, Search Manipulates, Server Table Edits, Censors, Election Rigs, SEO limits, etc; our links, we record it, document it technically and report it to every regulatory and publishing group in the world. We also compile the data into evidence for lawsuits against Google and each Google executive. Our insiders work at the deepest levels of their operation. It isn't nice to mess with Mother Nature or Freedom Of Speech. It's worse to run tax evasion, sex trafficking, dark money funds, real estate fraud and other crimes from inside Google! -

--- Our autonomous monitoring applications are on a vast number of co-location servers, shared hosting ISP's, stand-alone servers and sites around the world and have been operating for over ten years. We log: 1.) Google's search results compared to other search engines, 2.) Google's DNS and spoofing activities, 3.) Google's results on 100 key search terms including search terms of assets, candidates and business associates connected to Google (ie: "Obama", "Elon Musk", "Election Results", etc.), 4.) Where Google sends data from users clicking on Google supplied links, 5.) Where fabricated "mole" data that was injected as user data ultimately ended up later, 6.) Google's election manipulation attempts, and other metrics. The results prove that Google abuses the market, the public, privacy rights, politics and human rights.

---- So Google, every time you do it, you are just digging your own grave and giving us all the proof we need to wipe you out, process anti-trust filings and expose your monopolist, sex trafficking, sociopath owners! -

----- The National Venture Capital Association (NVCA) is a white male, mostly Jewish, sexist, racist, elitist, dynastic mobster-like mafia venture capitalist Cartel formed by an inner-circle set of fraternity buddies that invest per a coordinated global ideology scheme. They make sure that their competitors never get any money. James Breyer, Gilman Louie and Eric Schmidt love this tech Mafia.

----- Is collusion, market-rigging, technology blockading, good-ole-white-boy privilege clubbing, frat-house bro-biz secret alliance meeting, woman and black discriminating going on in Silicon Valley and Wall Street? You bet it is! If you web-search the "Angel-Gate Collusion Scandal", you will read about how a reporter saw, and documented, a Silicon Valley secret meeting where investors were colluding on who would get funding, who wouldn't and at what rates. The, now famous "Silicon Valley Anti-Poaching Scandal" has overtly proven that these people are classic "Cartel".

----- It turns out, if you didn't go to Stanford, or you are not part of the Indian-Elite sub-mafia, you are not getting funded.

----- With its deep CIA connections, Goldman Sachs' alliances and enough cash to bribe Congress twenty times over, groups like the National Venture Capital Association (NVCA) raise concerns, across the board, about their potentially destructive play in the fall of innovation and the domestic economy in America.

----- This notoriously elitist, yuppie, privileged frat house crowd does not like anything that they can't control. They have, in many cases, agreed among themselves, which energy technology will be "allowed" to hit the market; which electric cars will, or won't, get funded; which video delivery systems get to become dominant on the web; which social networks get all of the media (a large part of said media being owned and controlled by these men); and which other technologies live or die. These are the people involved in the vast number of sex scandals, murders-by-hooker, "sex yacht and sex penthouse" lurid news, rape lawsuits and other twisted perversions on the 6PM news. They are not nice people. One of them: Raj Gupta sits in Prison. Another: White Car Czar Steven Rattner was indicted for Securities Law Rigging. Ray Lane was indicted for massive tax evasion. They are all under investigation for shipping billions of tax dollars to Ireland and other tax hide-away's. Eric Schmidt practically lives at the White House and is under investigation by hundreds of entities.

----- The largest private investigation firm of the Elite's was exposed in WIKI-Leaks calling Peter Thiel: "Fu*cking Nuts". Tim Draper wanted Silicon Valley to be so elite that he tried to make it into its own state. Joe Lonsdale is under lawsuit for

rape. Mr. Hayes and Mr. Kumar were killed by Hookers. John Doerr and Vinohd Khosla are called out in national news stories for sex abuse, California Beach take-overs from the public and hundreds of billions of dollars in "Green Energy" kick-backs from their friend Steven Chu. The list of cringe-worthy news stories about these folks goes on and on. -

---- If you are an outsider, or competitor, they can, and do, sabotage your company in no time flat with moles, hack attacks, DDOS attacks, media character assassination attacks, "Merchants of Doubt" (See the movie) aspersions, civic awards blockades, contract terms exclusions, hire-aways, anti-poaching cartel secret deals and a host of weapons that they use daily. ----- Do the Justice Department, The Securities and Exchange Commission, or other federal forces do anything about this? Not much. These men pay the bribes that keep Washington floating. They have paid hundreds of billions of dollars, in "tribute", to the current Administration. It isn't wise to bite the hand that feeds you.

----- This kinds of things do affect the average person by creating more discrimination that they have to endure, a worse economy, a less favorable impression of their country, deeper misogyny, less equality, more privilege. If it bothers you, and you have ever paid taxes, call the FBI, SEC, GAO and Congressional phone numbers that you see online and ask them what they are doing about it. ---- Most of the women that work wit the NVCA quit due to sexual abuse -

---- The NVCA and the CIA's IN-Q-TEL are business partners in election rigging, anti-trust law violations and tech RICO law violations.
