

SILICON VALLEY'S ENDLESS RAPES, ABUSES AND PERVERSIONS - PART FIVE

By The Stanford Research Interpretive Center

A series exploring the social and cultural echo-chamber of entitlement and take-what-you-want frat-house extremism that typifies Silicon Valley venture capitalists and their tech CEO's.

Every few years a burst of revelation articles appear and reveal the latest batch of sexual abuses and misogyny horrors levied upon Stanford interns and Palo Alto young ladies by Silicon Valley "Elites". After a week of discussion, those very same venture capitalists grind out orders to Facebook, Google and their main stream media to shut all of the media coverage down. The news stories disappear and the tech oligarchs can get back to raping and pillaging.

The VC's go into recovery mode. They put pictures of their female interns and secretaries on their "Team" page on their websites in a grid of photos to make it look like "we hire girls too" and they make the pictures the same size as the old Jewish bosses who run each VC firm. They pay off the pregnant ones and send the shell-shocked ones to another city. They issue the boiler-plate "we will try harder" BS media statement (which actually means

"we will try harder not to get caught"). They pull a few Twitter accounts and they continue to rape, abuse and pervert.

They can afford nearly undetectable date rape drugs, skin applied topical narcotic night club stimulants, 60 proof alcohol, pheromone and oxytocin mood manipulation vapor sprays and "I AM RICH AND I CAN TAKE CARE OF YOU" Aston Martins and Ferrari's. For \$800.00 they can get any girl or guy in a sexual position that they never would have gotten into if they were in a non- compromised mental state.

They could hire a hooker but the ultimate goal of Silicon Valley Oligarchs is to control and manipulate vulnerable people. They are not into it for sexual pleasure. They do these twisted things in order to raise themselves up in their own eyes. The hookers that Google executives hire say that the executives hire them so that they can be "dismissed" after they are used for sex. Every intern says that they felt "used". The vulnerable female entrepreneurs that they extort sex from (with promises of funding) say that they feel "raped". Nobody feels good after an encounter with these men.

The men's names are famous and notorious. Their firms are Greylock, Accel, Kleiner Perkins, Intel Ventures, Google Ventures, Firelake, Khosla, Westley and other names that you see in the news every day. Here are some of these stories:

Divorcee Hayes, 51, who had a top job with search giant Google, had met Tichelman several times for drug-fuelled sex sessions via escort website Seeking Arrangement.

In May 2015, Tichelman pleaded guilty to felony involuntary manslaughter and administering drugs and served nearly three years behind bars before being released because of good behaviour.

The troubled hooker, whose father is also a CEO of a large tech company in California, also lost her former boyfriend to a heroin overdose.

The man, a 53-year-old monkey trainer, allegedly died two months before Hayes although his death was ruled accidental.

Cops arrested Tichelman **eight months after Hayes death.**

CCTV footage gathered by police is said to have shown the then 26-year-old prostitute gather her belongings and step over the Silicon Valley exec's unconscious body to finish her glass of wine.

She was then filmed lowering a blind before leaving the boat without calling 911.

Hayes body was discovered the following day on the yacht in Santa Cruz Small Craft Harbour, California.

But during the trial, defence attorney Larry Biggam pointed out that heroin addict Tichelman had injected herself before administering the lethal dose.

He argued that the powerful drugs had clouded her judgement and that there was no reason for the call girl to kill her most lucrative client, reports [KSBW](#).

Canadian-born Tichelman was detained by immigration cops in California following her release from prison on March 29.

Despite bail documents incorrectly stating that the former prostitute had dual citizenship it has now been confirmed that she is not an American citizen and risks being deported, reports [KSBW](#).

Speaking with the [New York Post](#), ICE spokesman James Schwab confirmed the convict was being held by immigration officials.

"She will remain in DHS/ICE custody pending removal proceedings."
