CHILD DEVELOPMENT AND EDUCATION

RAINBOW CULT URAL GARDEN

[← Back to Companies](#)

Rainbow Cultural Garden is a state-of-the-art educational system that nurtures and promotes children's cultural, linguistic, emotional, physical and problem-solving potential during the most critical learning period of their lives. The program's unprecedented success continues to draw the attention of child development experts, private investors and dignitaries from North and Central America and Europe, and has led to the creation of Rainbow programs in the United States, Mexico, Guatemala, England and Spain.
